Introduced by: Bruce Laing

Proposed No.: 86 - 580

ORDINANCE NO. 7940

AN ORDINANCE relating to no-shooting area;
establishing a no-shooting area within portions
of the Mathew and Tiger Mountain precincts;
adding a new section to K.C.C. 12.68.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. There is added to K.C.C. 12.68 a new section to
read:

The King County council, based upon the testimony received in
public hearings and the review undertaken by the department of
public safety makes the following findings: (1) the discharge of
firearms in the area legally described herewith would result in
the reasonable likelihood that humans, domestic animals, and
property would be jeopardized; and (2) a no-shooting area as
described below should be established pursuant to RCW 9.41.300 to
protect the safety of nearby residents. Therefore, the shooting
of firearms is prohibited and a no-shooting area is established
within portions of Mathew and Tiger Mountain precincts lying
within unincorporated King County and comprising the following
legally described area:

Beginning at the intersection of the south margin of S.E.
May Valley Road and the west margin of Issaquah-Hobart
Road S.E., then southerly along Issaquah-Hobart Road S.E.
to the intersection of Issaquah-Hobart Road S.E. and the
north margin of Cedar Grove Road S.E., then southwesterly
along Cedar Grove Road S.E. to the intersection of Cedar
Grove Road S.E. and the east margin of 228th Avenue S.E.,
then northerly along 228th Avenue S.E. to the entrance to
the King County solid waste division's Cedar Hills
Landfill, then northerly along the fenced boundary of the
Cedar Hills Landfill to the northeast corner of the
landfill boundary fence, then west along the Cedar Hills
Landfill boundary fence to the intersection of the Cedar
Hills Landfill boundary fence and the east right of way
margin of Puget Sound Power and Light Company's
Sammamish-Maple Valley transmission line (formerly called
Bonnevile Power Administration Covington-Chief Joseph
Number One Transmission Line), then northerly along the
Sammamish-Maple Valley
