1. A petition has been filed requesting vacation of a portion of Botsford Road No. 180, hereinafter described.

2. The department of public works has notified the various utilities serving the area and has been advised that an easement was granted to Puget Power.

3. The division of building and land development has reviewed the subject proposed road vacation and finds that it would not be in conflict with the principles and purposes of the King County Comprehensive Plan and the specific plans in the vicinity of this proposed vacation.

4. The department of public works found evidence that the vacation area has been open as a road in the past. However, a search of the records indicates that no public funds have been expended for its acquisition, improvement or maintenance. The road is, therefore, classified "C Class" in accordance with King County Ordinance No. 2759.

5. The department of public works considers the subject right-of-way useless as part of the county road system and believes that the public would be benefited by the return of this unused area to the public tax rolls.

Due notice was given in the manner provided by law and a hearing was held by the King County council on the 27th day of July, 1987.

In consideration of the benefits to be derived from the subject vacation, the council has determined that it is in the best interest of the citizens of King County to grant said petition.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The council, on the 27th day of July, 1987, hereby vacates and abandons the following described portion of Botsford Road No. 180:
