ORDINANCE NO. 8312

AN ORDINANCE relating to smoking in the Kingdome; amending Ordinance 7884, Section 3, and K.C.C. 12.50.030.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Ordinance 7884, Section 3, and K.C.C. 12.50.030 are hereby amended to read as follows:

Smoking prohibited - exemptions. Smoking is prohibited in all county enclosed work and common areas, whether in enclosed individual or shared office spaces, and shall include all county vehicles, and shall apply to all persons who visit enclosed work and common areas, including all officers, employees, contractors, or visitors during all hours and all days of the year. This prohibition shall become effective on July 1, 1987.

A. Exemptions. The provisions of this section shall not apply to the King County correctional facility, nor the Cedar Hill Alcoholism Treatment Center, (~~nor the Kingdome-toges,~~) until a plan for implementation has been developed for those facilities by a committee designated by the county executive. The implementation plans shall be completed by July 1, 1987. Implementation shall occur by January 4, 1988.

B. As part of the implementation plan, the county executive may issue and promulgate Executive Orders which will allow smoking in the county's correctional facility and the Cedar Hills Treatment Center in certain designated areas within these facilities.

1 C. Other exceptions.

2 1. Smoking may be allowed in areas of the Kingdome that
3 are leased to Executive Suite tenants under separate agreements,
4 provided that appropriate measures are taken to ensure that smoke
5 from the Executive Suites is not circulated into the general
6 seating areas.

7 2. Smoking may be permitted in certain designated areas,
8 such as in the "Top of the Dome" and in designated areas during
9 events produced by tenants of the Kingdome. The designated
10 smoking areas shall be identified by the director of stadium
11 administration, or his designee, in consultation with the major
12 tenants. The director of stadium administration, or his
13 designee, shall reserve the option not to allow smoking anywhere
14 in the Kingdome during certain events. Unless otherwise
15 stipulated, smoking is allowed only on the exterior rampways of
16 the Kingdome. Smoking shall not be allowed on the Kingdome arena
17 floor, nor in the general seating areas.

18 D. Further Exceptions.

19 1. Should members of a collective bargaining unit
20 determine that the smoking policy creates a situation with
21 impacts peculiar to their particular bargaining unit, and impacts
22 can be strictly limited to only members of their bargaining unit,
23 an exception request may be submitted to the county's personnel
24 manager, who will bargain in good faith with the collective
25 bargaining representative regarding application of the county
26 smoking policy. Provided that no exceptions will be authorized
27 that result in exposing employees to unwelcome tobacco smoke in
28 common or enclosed work areas.
