Introduced by: PAUL BARDEN

Proposed No.: 87 - 875

3  
4 ORDINANCE NO. 8365

5 AN ORDINANCE extending the date by which  
6 suburban cities must execute interlocal  
7 agreements with King County for Solid Waste  
Management, and amending KCC 10.08.130 and  
KCC 10.24.020 and declaring an emergency.

8 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

9 SECTION 1. KCC 10.08.130 shall be amended as follows:

10 A. By October 1, 1986, the division shall request each city  
11 in the county to provide to the division by December 31, 1986,  
12 written notification of its intent to use county disposal  
13 facilities. Any city which does intend to use county disposal  
14 facilities shall enter into an interlocal agreement with the  
15 county by (~~December-31, -1987~~) June 30, 1988. Any city failing  
16 to notify the division by December 31, 1986 of its intent to use  
17 county disposal sites or failing to enter into an interlocal  
18 agreement with the county by (~~December-31, -1987~~) June 30, 1988  
19 shall be prohibited from disposing its solid waste at any county  
20 disposal site until or unless specifically so authorized by King  
21 County ordinance.

22 B. These interlocal agreements shall provide for cities to  
23 designate by ordinance the county disposal system for disposal of  
24 all solid waste generated within their corporate limits and shall  
25 grant to the county the authority to designate specific sites for  
26 the disposal of solid waste generated within their corporate  
27 limits. Nothing in these contracts shall prevent any city from  
28 implementing programs to achieve maximum recycling of waste. All  
29 rates shall be as established by King County ordinance.

30 SECTION 2. KCC 10.24.020 shall be amended as follows:

31 Responsibilities. A. The division shall prepare the plan  
32  
33

1 and submit it to the council of King County no later than  
2 December, 1988, for adoption.

3 B. The division shall maintain the plan in a current  
4 condition and shall propose necessary plan revisions to the  
5 council at least once every three years.

6 C. The division shall request each city in the county to  
7 provide to the division by December 31, 1986, written  
8 notification of its intent to plan independently, plan jointly  
9 with the county or to authorize the county to prepare a plan for  
10 that city as part of the county plan. Pursuant to RCW 70.95.130,  
11 any city preparing an independent plan or failing to notify the  
12 county by December 31, 1986 of its intent to plan jointly with  
13 the county or to authorize the county to plan for that city,  
14 shall be prohibited from disposing its solid waste at any county  
15 disposal site until or unless specifically authorized by the King  
16 County council to do so. Any city which plans jointly with King  
17 County or for which King County plans shall enter into an  
18 interlocal agreement with the county by (~~December 31, 1987~~)  
19 June 30, 1988 and shall submit its portion of the plan pursuant  
20 to that agreement. The division shall notify a city which  
21 submits a plan or portion of a plan to the county of any areas of  
22 incompatibility between the city and county plans.

23 D. The executive shall notify the state of Washington  
24 department of ecology and the Puget Sound Council of Governments  
25 by September 1, 1986, of the county's intent to prepare the plan.

26 E. The King County Solid Waste Advisory Committee shall  
27 review and comment upon the proposed plan prior to its submittal  
28 to the council for adoption.

29 F. The designated interlocal forum shall have the following  
30 responsibilities:

31 1. Advise the King County council and executive and other  
32  
33

1 jurisdictions as appropriate on all policy aspects of solid waste  
2 management and planning. Consult with and advise the King County  
3 solid waste division on technical issues.

4 2. Review and comment on alternatives and recommendations  
5 for the county comprehensive solid waste management plan and  
6 facilitate approval of plan by each jurisdiction.

7 3. Review proposed interlocal agreements between King  
8 County and cities for planning, recycling, and waste stream  
9 control.

10 4. Review disposal rate proposals.

11 5. Review status reports on waste stream reduction,  
12 recycling, energy/resource recovery, and solid waste operations  
13 with interjurisdictional impact.

14 6. Promote information exchange and interaction between  
15 waste generators, local governments with collection authority,  
16 recyclers, and county planned and operated disposal system.

17 7. Provide coordination opportunities between King County  
18 solid waste division, local governments, private operators and  
19 recyclers.

20 8. Aid cities in recognizing municipal solid waste  
21 responsibilities, including collection and recycling, and  
22 effectively carrying out those responsibilities.

23 G. The council shall hold a public hearing on the draft plan  
24 and another public hearing on the final plan prior to adoption of  
25 the plan. Any city using county disposal sites shall be notified  
26 of these public hearings and shall be requested to comment on the  
27 plan.

28 H. Until adoption of the plan by ordinance of King County,  
29 the 1982 Comprehensive Solid Waste Management Plan prepared by  
30 the Puget Sound Council of Governments shall be used as the solid  
31 waste management plan for King County.  
32  
33

I. Beginning in 1989, the division shall submit to the council by September 1 of each year an annual report of its progress toward objectives identified in the plan. By September 1, 1987, and September 1, 1988, the division shall submit annual reports of its progress toward development of interlocal agreements with cities using county disposal sites, waste reduction program activities, energy/resource recovery implementation, and other division objectives.

J. The Puget Sound Council of Governments shall continue to be responsible for development of the hazardous waste plan for King County.

K. Interlocal agreements between the county and cities wishing to plan jointly with the county or to authorize the county to plan for it shall identify which party is responsible for city solid waste operational plans, tonnage forecasts, and recycling goals.

SECTION 3. The county council finds as a fact and declares that an emergency exists and that this ordinance is necessary for the immediate preservation of public peace, health or safety or for the support of county government and its existing public institutions.

INTRODUCED AND READ for the first time this 21st day of December, 1987.

PASSED this 21st day of December, 1987.
