PROPOSED NO. 89 - 679

ORDINANCE NO. **9181**

AN ORDINANCE disapproving a series of additions and betterments to the Bryn Mawr-Lakeridge Water and Sewer District (ULID #7).

SECTION 1. Findings of Fact.

A. On May 3, 1989, the Bryn Mawr-Lakeridge Board of Commissioners adopted Resolution No. 263, approving a series of additions and betterments to the water system.

B. On May 11, 1989, the District made a determination of non-significance for the series of additions and betterments.

C. On July 18, 1989, the Utilities Technical Review Committee recommended approval of the additions and betterments to the Bryn Mawr-Lakeridge Water and Sewer District.

D. Subsequent information, including negotiations with one of the property owners within the proposed water ULID #7, have caused the Bryn Mawr-Lakeridge Board of Commissioners to question the need for this improvement.

E. The Bryn Mawr-Lakeridge Water and Sewer District concur that this amendment to its Comprehensive Water Plan should be disapproved.
