ORDINANCE NO. **10004**

AN ORDINANCE establishing the Data
Processing Policy Oversight Committee
(DPPOC) and requiring Data Processing
Policy Oversight Committee approval of
all Requests for Proposals for new
computer system acquisitions prior to
issuance of these Requests for Proposals.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1.   A.   There is hereby created the Data

Processing Policy Oversight Committee (DPPOC) whose members

shall be: the data processing policy review committee chair, a

county council representative, the director of executive

administration, the chief financial officer of the office of

financial management, and the manager of the systems services

division.

B. The project control oversight committee shall be

responsible to:

1. Determine which information systems projects will be

monitored and reported to the project control oversight

committee.

2. Review and approve information system project scopes

and schedules.

3. Monitor project progress by reviewing monthly

project status reports prepared by the systems services

division.

4. Recommend budgetary changes to the executive and

council as appropriate when revised appropriations are

required.

5. Approve reallocation of systems services division

resources related to work on information systems development

projects.

6. Prepare an annual status report to the executive and

council on all projects under the project control oversight

committee purview.

1   7. Approve all information system project requests for

2   proposal (RFP) to ensure the proposals provide sufficient

3   flexibility to integrate other related information systems. No

4   RFP shall be issued for an information system acquisition until

5   it has been approved by the data processing policy oversight

6   committee.

7   The council representative has the right to defer action

8   on an issue when the representative determines that an issue

9   should be referred to the full council.
