Proposed No.: 91-513

ORDINANCE NO. **10087**

AN ORDINANCE appropriating \$951,900 to the Harborview Repair and Replacement Fund to support the Ethernet Network Installation Project, and amending Ordinance No. 9720, Section 94, Attachment 1, as amended, and authorizing the Harborview Medical Center to proceed with management, design, purchase and installation of the Ethernet Network.

PREAMBLE:

An appropriation has been requested for the Ethernet Network Project, as a means of improving patient care services through better information management and tracking within Harborview Medical Center (HMC) and the University of Washington Medical Center (UWMC). The design, purchase and installation of an Ethernet Network system at HMC is necessary to replace obsolete, limited capacity equipment with an information network which provides direct communication access and is compatible with computer systems recently installed at the UWMC.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. There is hereby approved and adopted an appropriation of \$951,900 to the Harborview Repair and Replacement Fund, No. 3961, from the unallocated reserves of Fund 3961 to support the Ethernet Network Installation Project.

SECTION 1. Ordinance No. 9720, Section 94, as amended is hereby amended by adding thereto and inserting therein the following:

Fund Capital Fund

3961 Harborview Repair and Replacement \$951,900

SECTION 3. The Harborview Medical Center is authorized to proceed with the management, design, purchase and installation of an Ethernet Network as described in the program plan and budget attached to this ordinance using funds appropriated for those purposes. The purchase and installation of such equipment is approved notwithstanding the provisions of other ordinances that might otherwise apply, including those related to Harborview Capital Improvement Projects, bidding procedures for public contracts and the participation of minority and women's business enterprise, provided that the management

1 design, purchase, installation and all related work is
2 performed in accordance with the requirements of applicable
3 State law.

4 PROVIDED that council authorization of SECTION 3 be
5 contingent upon the University of Washington accepting
6 liability for any future claims that may arise as a result of
7 the Ethernet project. Such acceptance of liability shall be in
8 a form acceptable to the King County Prosecutor's Office.

9 INTRODUCED AND READ for the first time this 15th day
10 of July, 1991.

11 PASSED this 9th day of September, 1991.
