ORDINANCE NO. 11171

AN ORDINANCE relating to comprehensive solid waste management planning; and adopting the 1992 Final Comprehensive Solid Waste Management Plan for King County as a revision of the 1989 Comprehensive Solid Waste Management Plan.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings. The 1992 Comprehensive Solid Waste Management Plan was prepared in accordance with the requirements of RCW 70.95 that each county within the state, in cooperation with the various cities located within such county, prepare and periodically update a coordinated, comprehensive solid waste management plan.

King County is designated the solid waste planning authority for all of the cities in the county except Seattle and Milton, as well as the unincorporated areas of the county, under the terms of the Solid Waste Interlocal Agreement.

In July 1992, King County issued a Determination of Significance and Adoption of Existing Environmental Document, adopting the Final Environmental Impact Statement for the 1989 King County Comprehensive Solid Waste Management Plan, and an addendum. Taken together, these documents meet the requirements of the State Environmental Policy Act for the environmental review of the 1992 King County Comprehensive Solid Waste Management Plan, which is a revision of the 1989 plan.

The cities that are signatories of the Solid Waste Interlocal Agreement are in the process of adopting the 1992 Comprehensive Solid Waste Management Plan.
