**AGREEMENT FOR PLANNING THE DISTRIBUTION AND ADMINISTRATION OF CERTAIN COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS AND EXECUTION OF THE KING COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM UNDER THE FEDERAL HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974, AS AMENDED.**

THIS AGREEMENT, made this \_\_\_\_\_ day of \_\_\_\_\_, 1994 by and between King County and the undersigned incorporated municipal jurisdiction within King County.

**WITNESSETH:**

WHEREAS, the federal government through adoption and administration of the Housing and Community Development Act of 1974, as amended, hereinafter referred to as the Act, will make Community Development Block Grant, hereinafter referred to as CDBG, funds available to the County of King, hereinafter referred to as King County, for expenditure during the 1994-1996 funding years; and

WHEREAS, the area encompassed by the county, exclusive of the cities of Auburn, Bellevue, Federal Way, and Seattle, has been designated by the United States Department of Housing and Urban Development, hereinafter referred to as HUD, as an urban county for the purpose of receiving CDBG funds; and

WHEREAS, the Act directs HUD to distribute to the urban county the annual appropriation of CDBG funds based on the population characteristics of the urban county; and

WHEREAS, the Act allows joint participation of units of general government within an urban county, and a distribution of CDBG funds to such governmental units; and

WHEREAS, the CDBG Regulations require the acceptance of both the Comprehensive Housing Affordability Strategy and the annual Community Development Plan by participating jurisdictions; and

WHEREAS, King County will undertake CDBG funded activities in participating incorporated jurisdictions as specified in the annual Community Development Plan hereinafter referred to as the King County CDBG Consortium Policy Plan and the Comprehensive Housing Affordability Strategy by granting funds to those jurisdictions to carry out such activities, and by undertaking such activities directly as are authorized by amendment to this Agreement; and

WHEREAS, King County as the applicant is responsible to the federal government for all activities undertaken with CDBG funds and will ensure that all CDBG assurances and certifications King County is required to submit to HUD with the annual Final Statement will be met; and

WHEREAS, King County and the participating jurisdictions are committed to targeting CDBG funds to ensure benefit to low- and moderate-income persons as defined by HUD; and

WHEREAS, King County and its consortium members recognize that the needs of low- and moderate-income persons may cross jurisdictional boundaries and can therefore be considered regional needs; and

WHEREAS, the Comprehensive Housing Affordability Strategy and the King County CDBG Consortium Policy Plan must be revised annually by King County and participating jurisdictions and submitted to HUD as part of an annual Final Statement, required to receive CDBG funds; and

WHEREAS, the purpose of this Cooperation Agreement, which is entered into pursuant to and in accordance with the State Interlocal Cooperation Act, RCW Chap. 39.34, is to form an urban county consortium, hereinafter referred to as the Consortium, for planning the distribution and administration of CDBG and other federal funds received on behalf of the Consortium from HUD, and for execution of activities in accordance with and under authority of the Housing and Community Development Act of 1974, as amended;

NOW, THEREFORE, IN CONSIDERATION OF THE FOREGOING CIRCUMSTANCES AND IN CONSIDERATION OF THE MUTUAL PROMISES CONTAINED HEREIN, IT IS AGREED THAT:

**I. GENERAL AGREEMENT**

King County and each participating jurisdiction agree to cooperate to undertake, or assist in undertaking, community renewal and lower income housing assistance activities, specifically urban renewal and publicly assisted housing, as specified in the King County CDBG Consortium Policy Plan and Comprehensive Housing Affordability Strategy, funded from annual Community Development Block Grants from federal Fiscal Years 1994, 1995, and 1996 appropriations, from recaptured funds allocated in those years, and from any program income generated from the expenditure of such funds.

**II. GENERAL DISTRIBUTION OF FUNDS**

The distribution within the County, exclusive of the Cities of Auburn, Bellevue, Federal Way, and Seattle, of CDBG Entitlement Funds under Title I of the Act shall be governed by the following provisions:

- A. The amount needed for administration of the Consortium's CDBG and other federal programs which benefit the Consortium, (~~less-County charges-for-overhead;~~) shall be reserved by the County. This amount, hereinafter referred to as the administrative setaside, is contingent upon review by the Joint Policy Committee, hereinafter referred to as the Committee, as provided in VIII(B)(1), and approval by the King County Council, as provided by XI(A) and XI(B).
- B. In addition, each year \$300,000 will be subtracted from the entitlement and reserved for public service activities in support of the Affordable Housing requirements under the implementation of the state Growth Management Act (RCW 36.70A). This public service setaside will be administered by the county with input from a working group of city and county staff. This working group will develop policies, define priorities, conduct an RFP process, and review proposals. The Joint Policy Committee will review all policies, recommend priorities, and make funding recommendations to the King County Council.
- C. Of the grant amount remaining after II(A) and II(B), hereinafter referred to as the adjusted grant amount, any city which is a participant in this Agreement may elect to receive a direct share, hereinafter referred to as a pass-through, given that:
  1. This share of the adjusted grant amount is based upon the city's share of the Consortium's low- and moderate-income persons, as defined by HUD; and
  2. This share equals \$50,000 or more; and
  3. The participating city agrees to abide by Consortium requirements to receive a direct pass-through of CDBG funds or their ability to receive a direct entitlement share will be revoked. The responsibilities of these pass-through jurisdictions are defined under X. RESPONSIBILITIES AND POWERS OF JURISDICTIONS. Participating cities may elect not to receive a direct pass-through but may compete for County and Small Cities Funds.
- D. The funds remaining in the adjusted grant amount after II(C) shall be referred to as the County and Small Cities Fund, and shall be allocated on a competitive basis to projects serving the cities not qualifying to receive or not electing to receive a pass-through and serving the unincorporated areas (County).
- E. If the monies assigned to a project during the period of this Agreement exceed the actual cost, or if the project is later reduced or cancelled, then the excess monies, hereinafter referred to as recaptured funds, will be redistributed as follows:
  1. Administrative setaside funds, as defined in II(A) and public service setaside as defined in II(B), which are recaptured shall return to the Consortium and be distributed to the Pass-through Cities and County and Small Cities Funds according to their share

of the Consortium's low- and moderate-income persons, as defined by HUD.

2. Funds recaptured from a project funded through a city's pass-through, as defined in II(E), shall return to the city's pass-through fund, unless the city no longer qualifies for a pass-through as provided in II(C) (3), in which case the funds return to the County and Small Cities Fund.
  3. Funds recaptured from a project funded through the County and Small Cities Fund, as defined in II(D), shall return to the County and Small Cities Fund.
- F. Unallocated or recaptured funds from 1987 and prior years (e.g., unallocated or recaptured "Population," "Needs," or "Joint" funds) shall return to the Consortium and be distributed to the Pass-through Cities and the County and Small Cities Funds according to their share of the Consortium's low- and moderate-income persons, as defined by HUD.
- G. Funds received by a jurisdiction or CDBG subrecipient generated from the use of CDBG funds, hereinafter referred to as program income, shall return to the fund which generated the program income as follows, unless exception is specifically recommended by the Joint Policy Committee and approved by the King County Council:
1. Program income generated through the interim finance ("CD float") loan, which uses all or a portion of the Consortium's total available CDBG funds, shall return to the Consortium and be distributed to the Pass-through Cities and County and Small Cities Funds according to their share of the Consortium's low- and moderate-income persons, after reserving the amount needed to pay for the direct costs (e.g., attorney and bank fees, advertising costs, contract compliance costs), of the negotiation and implementation of the CD float loan project.
  2. Program income generated from a project (including housing repair) funded through a city's pass-through, as defined in II(C), shall return to the city's pass-through fund, unless the city no longer qualifies for a pass-through as provided in II(C)(3), in which case the program income returns to the County and Small Cities Fund.
  3. Program income generated from a project (including housing repair) funded through the County and Small Cities Fund, as defined in II(D), shall return to the County and Small Cities Fund.
  4. Program income generated from projects funded in 1987 (except for housing repair) and prior years shall return to the Consortium and be distributed to the Pass-through Cities and the County and Small Cities Funds according to their share of the Consortium's low- and moderate-income persons, as defined by HUD. Housing repair program income shall return to the housing repair program.

### III. USE OF FUNDS: GENERAL PROVISIONS

- A. The County and each of the Pass-through Cities shall specify activities and projects which it will undertake with the funds described in II above.
- B. The County and each of the Pass-through Cities shall ensure that scarce CDBG funds are targeted to activities which can document predominant (51%) benefit to low- and moderate-income people and that the overall program meets or exceeds HUD's requirements for the percentage of funds spent to benefit low- and moderate-income persons in King County.
- C. Pass-through Cities may exchange their CDBG funds with other Pass-through Cities for general revenue funds. The use of general revenue

funds obtained by a Pass-through City in this manner shall be consistent with the general intent of the community development program, but shall not be considered CDBG program income.

- D. The County and each of the Pass-through Cities shall conduct the appropriate citizen participation activities as required by HUD regulations.
- E. Approval of projects must be secured through formal grant applications (proposals) to King County; approval of activities shall be secured when the annual program is approved or amended.
- F. General administrative costs incurred by Pass-through Cities shall be paid for out of the pass-through or from local funds. Costs incurred in administering specific projects may be included in project costs.

#### IV. USE OF ADMINISTRATION FUNDS

- A. A Pass-through City may reserve a portion of its entitlement share to cover administrative costs of its local CDBG Program or to fund planning projects, however, this amount must be reserved in the spring and it will be based upon the city's proportion of low- and moderate-income persons, as defined by HUD.
- B. In addition to the responsibilities outlined in X. RESPONSIBILITIES AND POWERS OF JURISDICTIONS, Pass-through Cities may use additional pass-through funds to cover part of their administrative costs if:
  - 1. Planning ceiling is available;
  - 2. The city runs a competitive process for the distribution of the CDBG funds; and
  - 3. City staff participate in Consortium-wide planning processes such as development of the Comprehensive Housing Affordability Strategy, and the HOME Consortium Working Group.
- C. Requests from Pass-through Cities to use the balance of planning ceiling, if available, to cover additional administrative costs will take priority over requests for planning projects.
- D. Pass-through City staff who are supported with administrative funds would also be expected to assist in preparing and/or presenting information to the Joint Policy Committee.

#### V. USE OF PUBLIC SERVICE FUNDS

A Pass-through City may reserve a portion of its entitlement share to cover public service activities, however, the amount must be reserved in the spring and will be based upon the city's proportion of low- and moderate-income persons, as defined by HUD.

#### VI. PROGRAM INCOME

- A. The participating jurisdiction must inform King County of any income generated by the expenditure of CDBG funds received by the participating jurisdiction.
- B. Any such program income is subject to requirements set forth in Section II(G) of the Agreement.
- C. Any program income the participating jurisdiction is authorized to retain may only be used for eligible activities in accordance with all CDBG requirements as may then apply.
- D. King County has the responsibility for monitoring and reporting to HUD on the use of any such program income and thereby requires appropriate recordkeeping and reporting by the participating jurisdiction as may be needed for this purpose.
- E. In the event of close-out or change in status of the participating jurisdiction any program income, that is on hand or received subsequent to the close-out or change in status, shall be paid to King County Consortium.

**VII. REAL PROPERTY**

- A. Participating jurisdictions owning community facilities acquired or improved in whole or in part using CDBG funds, must comply with change of use restrictions as required by HUD and the policies adopted by the Joint Policy Committee as found in the annual King County CDBG Consortium Policy Plan.
- B. The participating jurisdiction must notify King County prior to any modification or change in the use of real property acquired or improved in whole or in part using CDBG funds. This includes any modification or change in use from that planned at the time of the acquisition or improvement, including disposition.
- C. The jurisdiction shall reimburse King County in an amount equal to the current fair market value (less any portion thereof attributable to expenditures of non-CDBG funds) of property acquired or improved with CDBG funds that is sold or transferred for a use which does not qualify under the CDBG regulations.
- D. Program income generated from the disposition or transfer of property prior to or subsequent to the close-out, change of status or termination of the cooperation agreement between the county and the participating jurisdiction shall be subject to the requirements set forth in Section II(G) and Section VI.

**VIII. JOINT POLICY COMMITTEE**
