June 6, 1995

INTRODUCED BY RON SIMS

PROPOSED NO. 95-401

ORDINANCE NO. **11827**

AN ORDINANCE adopting the revision of voting precincts of King County for the year 1995.

PREAMBLE:

RCW 29.04.040-050 establishes the statewide criteria for the division, alteration or combination of existing voting precincts and the creation of new precincts. It includes restrictions on the size of such precincts and on the precinct boundaries.

The statute requires that every voting precinct be wholly contained within a single congressional, legislative and county council district, and within the boundaries of an incorporated municipality. Therefore, changes to boundaries of the aforementioned districts or to any city or town within the county requires precinct boundary revisions.

K.C.C. 1.12.010 contains the county's policies regarding the establishment, identification, revision and balancing of voting precincts, and the provisions for the approval of revisions.

In the first quarter of each year, the records and elections division reviews the county's voting precincts for compliance with the state and county criteria, making alterations as appropriate for council approval. A summary of the precinct revisions pursuant to the state and county criteria is contained in the attachment to this ordinance.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Pursuant to K.C.C. 1.12.010E, the 1995 revisions to the King County voting precincts as contained in the attachment to this ordinance are adopted and shall constitute an amendment to the official list of county voting precincts maintained by the records and elections division.

INTRODUCED AND READ for the first time this 12th day of June, 1995.

PASSED by a vote of 12 to 0 this 19th day of June, 1995.
