AN ORDINANCE relating to comprehensive planning and zoning; adopting amendments to King County's 1994 King County Comprehensive Plan and adopting zoning to implement amendments to the 1994 Comprehensive Plan, amending zoning maps and development conditions in compliance with the Washington State Growth Management Act, as amended; amending Ordinance 263, Article 2, Section 1, as amended, and K.C.C. 20.12.010, Ordinance 11653, Section 6, and K.C.C. 20.12.017; amending Ordinance 11653, Section 20, and K.C.C. 20.12.337.

PREAMBLE:

For the purpose of effective land use planning and regulation and compliance with the Growth Management Act, King County makes the following legislative findings:

1. King County has adopted the 1994 King County Comprehensive Plan to meet the requirements of the Washington State Growth Management Act (GMA)
2. The GMA requires the County's comprehensive plan amendment process to include concurrent consideration of all map and policy changes in each calendar year as one amendment, so that cumulative impacts may be analyzed, and so that coordination with capital improvement programs and facility plans and standards can occur. The GMA also requires that the County's development regulations, including, but not limited to area zoning, be consistent with and implement the comprehensive plan and its amendments
3. King County, with assistance of citizens of King County, business and community representatives, the incorporated cities and towns and other public agencies, and service providers, has studied and considered alternatives for amendments to the 1994 King County Comprehensive Plan and development regulations proposed during 1995, and has considered their cumulative environmental impacts.
4. King County is adopting amendments to the Land Use Map of the 1994 Comprehensive Plan which require changes to the County's zoning maps.
5. The changes to the area zoning maps and text adopted by this ordinance are required to make zoning consistent with the 1994 Comprehensive Plan, as required by the Growth Management Act.
