ORDINANCE NO **12342**

AN ORDINANCE approving the City of Auburn 1995 Comprehensive Water Plan.

PREAMBLE:

K.C.C. 13.24 requires approval of comprehensive plans for water purveyors as a prerequisite to the granting of right-of-way franchises and approval of right-of-way construction permits.

On April 26, 1995 the King County Utilities Technical Review Committee met to consider the plan and finding it consistent with K.C.C. 13.24 recommended approval.

The city of Auburn 1995 Comprehensive Water Plan was approved by the Auburn City Council on December 18, 1995.

The city of Auburn issued a Determination of Nonsignificance for the plan in accordance with the State Environmental Policy Act on August 30, 1995.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The city of Auburn 1995 Comprehensive Water

Plan, Attachment A, is hereby approved with the exception of the italicized portion of the following statement on page 2-15 of the Plan:

In addition, the city will provide water service to those located outside the city limits, but within city water service area, although service may be conditioned upon an agreement that development will be in compliance with city development standards.

The italicized portion of this provision is inconsistent with King County land use plans and development policies and therefore cannot be applied.

SECTION 2. King County supports continued negotiations

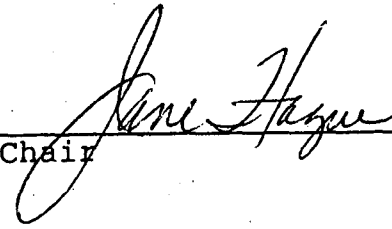

with the city of Auburn to develop an interlocal agreement to identify boundaries of Auburn's Potential Annexation Area and to address how development within this Potential Annexation Area will occur. Until such an interlocal agreement can be finalized, King County invites the city of Auburn to comment on

1 development applications proposed for areas of unincorporated
