Proposed No.: 96-275

ORDINANCE NO.

**12365**

AN ORDINANCE approving the City of  
Issaquah Water System Plan Update.

PREAMBLE:

K.C.C. 13.24 requires approval of comprehensive plans for water purveyors as a prerequisite to the granting of the right-of-way franchises and approval of right-of-way construction permits.

On October 11, 1995 the King County Utilities Technical Review Committee met to consider the plan, and finding it consistent with K.C.C. 13.24 recommended approval, subject to modifications agreed to at the meeting.

The City of Issaquah Water System Plan Update was approved by the Issaquah City Council on October 16, 1995.

The City of Issaquah issued a Determination of Nonsignificance for the Plan Update in accordance with the State Environmental Policy Act on September 12, 1995.

A revised plan responding to the UTRC comments was drafted and transmitted to King County in January of 1996.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The City of Issaquah Water System Plan Update, Attachment A, is hereby approved subject to the modifications shown in Attachment B, provided that:

A. This approval does not constitute an endorsement of the proposed changes to Issaquah's service area boundaries for purposes of the East King County Coordinated Water System Plan. Such modification must be processed and approved consistent with the applicable statutory provisions.
