11 will guide the staffing plan for the Heritage Festival and for any other special major event(s) to which
12 it is mutually agreed that this procedure will apply. The King County Fair at Enumclaw, Washington

125^o

2 King County recognizes the importance and desirability of settling grievances promptly and
3 fairly in the interest of continued good employee relations and morale. The following process is
4 outlined to accomplish this. Every effort will be made to settle grievances at the first level of
5 supervision.

6 Employees will be unimpeded and free from restraint, interference, coercion, discrimination
7 or reprisal in seeking adjudication of their grievances.

8 **Section 1. Definitions.**

9 A. Grievance - An issue raised by an employee or his/her union representative relating to the
10 interpretation of the employee's rights, benefits or conditions of employment as contained in this
11 Agreement.

12 B. Institutional Grievance - An issue raised by the Union or the County related to
13 interpretation or application of this contract.

14 **Section 2. Procedure.**

15 Step 1. A grievance shall be presented by the affected employee and his/her union
16 representative, if the employee wishes, to the employee's immediate supervisor within twenty-one
17 (21) calendar days of the event which gives rise to the grievance. The immediate supervisor shall
18 work with the employee and the Union representative to investigate and resolve the grievance within
19 twenty-one (21) calendar days after the employee contact. Any grievance not presented in writing to
20 the next level of this procedure, within the time limits contained in this procedure, shall be presumed
21 resolved.

22 Step 2. If a grievance cannot be resolved at Step One, the matter may be referred to the
23 Division Manager for resolution. To be considered timely, this referral must occur within 26 days of
24 the employee's initial contact with his/her immediate supervisor. The referral shall be in writing
25 from the Union and shall describe the specific event(s) giving rise to the grievance, the section(s) of
26 the Agreement allegedly violated, and the remedy sought.

27 The Division Manager, the employee, and the Union representative will work to resolve the
28 grievance within 30 days of its referral to Step 2. During this process, mediation may be used with

- the agreement of the Division Manager and the Union representative. If mediation is agreed to, a mediator will be selected from a mutually agreeable source.
- If the Union representative, the employee, and the Division Manager are unable to reach agreement resolving the grievance, the decision of the Division Manager shall be presented to the employee and the Union in writing within 35 days of the referral to Step 2. Additionally, if there is no resolution, the Division Manager's final pre-arbitration response must be concurred in by OHRM which will be the Union's contact for the employee thereafter in the process.
- Step 3. Any grievance not resolved at Step 2 may be submitted to arbitration. Any such submission must occur within 30 days of the Division Manager's Step 2 decision and must specify the exact question to be arbitrated or the grievance shall be presumed resolved.
- Should arbitration be necessary either after an attempt to mediate the grievance or directly after Step 2, the parties shall select a third disinterested party to serve as arbitrator. In the event that the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected from a panel of seven arbitrators furnished by the American Arbitration Association or the Federal Mediation and Conciliation Service, whichever source is mutually acceptable. The arbitrator will be selected from the list by both the County representative and the Union, each alternately striking a name from the list until only one name remains. The party to strike first will be determined by a coin toss. The arbitrator under voluntary labor arbitration rules of the Association shall be asked to render a decision promptly and the decision of the arbitrator shall be final and binding on both parties. No matter may be arbitrated which the County, by law, has no authority over, has no authority to change, or has been delegated to any civil service commission or personnel board, as defined in RCW 41.56.
- The arbitrator shall have no power to change, alter, detract from or add to the provisions of this Agreement, but shall have the power only to apply and interpret the provisions of this Agreement in reaching a decision.
- The arbitrator's fee and expenses and any court reporter's fee and expenses shall be borne equally by both parties.

Section 3. Alternative Dispute Resolution Procedures

A. Unfair Labor Practice. The parties agree that 30 days prior to filing a ULP complaint with PERC, the complaining party will notify the other party, in writing, meet, and make a good faith attempt to resolve the concerns unless the deadline for filing with PERC would otherwise pass or the complaining party is seeking a temporary restraining order as relief for the alleged Unfair Labor Practice.

B. Grievance. After a grievance is initially filed, the following Alternative Dispute Resolution (ADR) process may be followed, with mutual consent of the Union and the Division. This process will not exceed 10 days:

11. 1. A meeting will be arranged by the Union Representative, Division management representative and OHRM representative (or their designees) to attempt to resolve the matter.
14. 2. a. The meeting will include a mediator(s) and the affected parties.
b. The parties may mutually agree to other participants such as union and management representatives or subject matter experts.
17. 3. The parties will meet at mutually agreeable times to attempt to resolve the matter.
18. 4. If the matter is resolved, the grievance will be withdrawn.
19. 5. If the matter is not resolved, the grievance will continue through the grievance process.
20. 6. The moving party can initiate the next step in the grievance process at the appropriate times, irrespective of this process.
22. 7. Offers to settle and aspects of settlement discussions will not be used as evidence or referred to if the grievance is not resolved by this process.

This Section does not supersede or preclude any use of grievance mediation later in the grievance process.

Section 4. Institutional Disputes. After informal attempts to resolve institutional disputes, if either the Union or management wishes to raise a dispute as to the application of this agreement, an institutional grievance may be filed with the other party.

- 1 After the institutional grievance is filed, the parties will meet to attempt to resolve the matter within the next 60 days. Grievance mediation can be used if both parties agree. Mediation services will be requested from a mutually acceptable source. If the matter is not settled within these 60 days, the grievance party may invoke arbitration. The employer's final pre-arbitration response or formal invocation of arbitration must be concurred in by OHRM, which will be the Union's contact for the grievance party in this process.
- 2 If arbitration is invoked, the parties shall select a third disinterested party to serve as an arbitrator.

1 **Section 7.** All newly hired and promoted regular employees must serve a probationary period
2 as defined in the Personnel Guidelines. As those Guidelines specify that the probationary period is an
3 extension of the hiring process, the provisions of this article will not apply to employees if they are
4 discharged during their initial probationary period or are demoted during the promotional
5 probationary period for not meeting the requirements of the classification. Grievances brought by
6 probationary employees involving issues other than discharge or demotion may be processed in

- ARTICLE 14: REDUCTION IN FORCE AND RE-HIRE 12528
- Section 1. The County and the Union recognize the value of well trained and qualified employees and agree that other employment options should be explored prior to invoking a lay-off procedure as a result of a lack of work and/or shortage of funds. In addition, the County and the Union recognize the value of two-way communication in facilitating workforce transitions as a result of lay-offs. The following process is established to assure that communication and exploration of alternatives to lay-off are achieved.
- Step 1. At the time Division management proposes or is told of facility closures, service reductions, budget reductions or other actions which could result in employee lay-offs within this bargaining unit, Division management shall make this information, as well as information about the reasons for the proposed or actual action, the likely time frame within which such action will occur, and the extent of impact on the workforce, available to the appropriate Labor-Management Committee as set forth in Article 12, Section 7 of this Agreement as soon as practical.
- Step 2. The Labor-Management Committee shall be convened specifically to discuss and recommend alternatives, including but not limited to employee re-training, transfer to vacant positions in other units, and transfer to vacant positions in other divisions, which could be explored by the County as alternatives to lay-offs for potentially affected employees.
- Step 3. The County shall inform the Union of alternatives to lay-off which were explored at the time final lay-off decisions are announced.
- Section 2. If a facility closes or ownership transfers, the County will involve the Union and employees in discussions about the closures early on and will seek to find other jobs inside King County for employees potentially affected by facility closures by:
1. Looking for internal placements within the bargaining unit
2. Interviewing potential RIF candidates and considering their qualifications for any pending bargaining unit vacancy prior to opening the vacant position to other candidates. When RIF candidates could be trained on the job within the probation period, management will consider training the candidate to meet minimum requirements for passing probation

5 County, and the facility is transferred to another jurisdiction as a result of annexation or
6 incorporation, the County will demonstrably try to get the new owner to hire County employees.

7 **Section 4.** If the provisions of Sections 2 and 3 of this Article are not successful, the
8 employees shall be able to avail themselves of any opportunities established in the Personnel
9 Guidelines.

10 **Section 5.** Employees laid off as a result of a lack of work and/or shortage of funds shall be
11 laid off according to seniority within classification as set forth in Article 15, Seniority, of this
12 Agreement.

13 **Section 6.** Employees scheduled to be laid off as a result of their seniority status in the

20 laid off last will be re-hired first.

21 **Section 8.** Regular employees on layoff shall be referred to other positions within the Career
22 Service in accordance with Section 41.20 of the King County Personnel Guidelines. For purposes of
23 this contract, Section 41.20 of the King County Personnel Guidelines shall be interpreted as follows:
24 In no circumstances shall the employee be recalled to employment in a classification with a higher
25 pay range than the pay range of the classification held at the time of layoff. In the event the
26 classification from which the employee was laid off moves to a higher pay range, the employee will
27 continue to have recall rights to that classification or to any new classification which includes the
28 classification held at the time of layoff.
