RE: Certification of Petition in Support of No Shooting Area - Soos Creek Valley

REF: (a) K.C.C. 12.68.010 - Petitions to create or dissolve no shooting areas

In response to your memo dated December 16, 1996, the Division of Records and Elections has examined the signatures contained on the petition filed in support of the proposed no shooting area located in the vicinity of Soos Creek Valley, pursuant to reference (a).

Of the signatures enclosed with your memo and combined with the signatures previously verified that were compared against those on file with this Division, at least ten signatures were determined to be registered voters of each of the four precincts contained in the proposed no shooting area. Since that number meets the requirements of the referenced section of the Code to certify, it is determined that the petition is sufficient.

RE: Certification of Petition in Support of No Shooting Area - Soos Creek Valley
REF: (a) K.C.C. 12.68.010 - Petitions to create or dissolve no shooting areas

In response to your memo dated November 14, 1996, the Division of Records and Elections has examined the signatures contained on the petition filed in support of the proposed no shooting area located in the vicinity of Soos Creek Valley, pursuant to reference (a).

Of the signatures that were compared against those on file with this Division, the following were determined to be registered voters of the listed precincts which are included in the proposed no shooting area.

PRECINCT	NUMBER OF REG. VOTERS
Big Soos	12
Lake Youngs	7
Soos Creek	2
North Peak	12

Since the number of registered voter signatures in two of the four precincts is fewer than ten, it is determined that the petition is not sufficient.
