ORDINANCE NO. **12959**

AN ORDINANCE authorizing a special assessment for resource conservation for the King Conservation District of \$5 per parcel on all non-exempt properties within the district for the years 1998 through 2000 and approving the district's 1998 work plan.

STATEMENT OF FACTS:

1. The King Conservation District is a governmental subdivision of the State of Washington, organized under chapter 89.08 RCW to protect and conserve natural resources throughout King County except within the boundaries of the incorporated cities of Enumclaw, Milton, North Bend, Pacific, Snoqualmie, Skykomish and Tukwila.
2. RCW 89.08.400 authorizes that special assessments for conservation districts for activities and programs to conserve natural resources may be imposed by the legislative authority of the county in which the conservation district is located for a period not to exceed ten years.
3. The imposition of a special assessment requires that the supervisors of the conservation district hold a public hearing on a proposed assessment prior to the first day of August in the year prior to which it is proposed that the initial assessment be imposed, and that the county legislative authority hold an additional public hearing on the proposed system of assessment.
4. Pursuant to RCW 89.08.400, any system of special assessments for the conservation district shall not apply in cities that are outside of the boundaries of the district, though such cities may be located within King County and may benefit indirectly from activities of the district.
5. On August 16, 1993, the King County council adopted Ordinance 10981, which authorized a special assessment for the King Conservation District of \$1.25 per parcel on all non-exempt properties within the district in 1994 and 1995 and approved an agreement between King County and the King Conservation District.
