Introduced by: ~~JANE HAGUE~~
PETE VON REICHBAUER

clerk 7/18/97 PK:sm

Proposed No.: 97-282

ORDINANCE NO. **13034**

AN ORDINANCE repealing the "King County Specifications for Off-Street Parking - 1982;" repealing Ordinance 6575, Sections 1 through 3, and Resolution 23316 (part), and K.C.C. 16.74.010 through 16.74.040.

PREAMBLE:

The King County Council has determined that the "King County Specifications for Off-Street Parking - 1982" document represents duplicative regulations. The provisions contained in this document were evaluated during the drafting and review of King County Code Title 21A, and those specifications that were determined valuable for regulating the design and construction of off-street parking areas were adopted and codified in Title 21A.18 under Ordinance No. 10870, as amended. Therefore the King County Council has determined that repealing this document will not result in an inability of King County to regulate the design and construction of off-street parking areas and further recognizes that repealing this document represents a reduction in regulation for the citizens of King County.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:
