B. The following shall also be first tier funds:

1. All funds now or hereafter established by ordinance for capital construction through specific road improvement districts, utility local improvement districts or local improvement districts. The director of the department of transportation shall be the fund manager for transportation-related funds. The director of the department of natural resources shall be the fund manager for utility-related funds.

2. All county funds that receive original proceeds of borrowings made pursuant to Chapter 216, Washington Laws of 1982, as now existing or hereafter amended, to the extent of the amounts then outstanding for such borrowings for that fund. For purposes of this subsection, the director of the county department or office primarily responsible for expenditures from that fund shall be the fund manager.

3. Any other fund as the council may hereinafter prescribe by ordinance to be invested for its own benefit. If no designation is made by the council upon creation of the county fund, then the fund shall be treated as provided in K.C.C. 4.10.110.

1           NEW SECTION. SECTION 2. There is hereby added to K.C.C. chapter 4.08 a new  
2 section to read as follows:

3           A. There is hereby created the transit nonrevenue vehicle rental and revolving fund,  
4 classified as an internal service fund, for the purpose of accounting for financial resources  
5 for the full costing of rolling stock purchased by the public transportation fund. For the  
6 purposes of this section, "full costing" means all costs associated with operation,  
7 maintenance, rental, repair, replacement, central service cost allocation and department and  
8 division overhead.

9           B. Ownership of the equipment to be replaced by the transit nonrevenue vehicle  
10 rental and revolving fund is hereby transferred to that fund. Such equipment shall be  
11 reserved for the use and benefit of the transit division.

12           C. The department of transportation shall be the fund manager, shall establish charges  
13 to recover full costing for the equipment owned by the transit nonrevenue rental and  
14 revolving fund and shall establish the terms and charges for sale of surplus equipment.

15           D. Annual appropriations of transit revenues, beginning in 1998, shall be included in  
16 the transit operating and capital budgets for transfer to the transit nonrevenue vehicle rental  
17 and revolving fund. This annual appropriation shall be based upon the charges for full  
18 costing as determined by the department of transportation to be sufficient for full costing.  
19 Transfers from the public transportation fund to the transit nonrevenue vehicle rental and  
20 revolving fund shall be made monthly, consistent with RCW 36.33A.050, and shall be  
21 credited as revenues to the transit nonrevenue vehicle rental and revolving fund.

22           E. Uses of the transit nonrevenue rental and revolving fund shall be limited to full  
23 costing associated with management of the fleet.

1 F. All earnings from the investment of funds accumulated in the transit nonrevenue  
2 vehicle rental and revolving fund shall be deposited and credited to the transit nonrevenue  
3 vehicle rental and revolving fund. Revenue from the sale of surplus equipment originally  
4 purchased by the public transportation fund and transferred to the transit nonrevenue rental  
5 and revolving fund, shall be deposited and credited to the transit nonrevenue vehicle rental  
6 and revolving fund, beginning in 1998. Such revenues shall be included in the calculation  
7 of the rental rates by the department of transportation.

8 INTRODUCED AND READ for the first time this 13th day of July, 1998.

9 PASSED by a vote of 11 to 0 on this 28<sup>th</sup> day of September, 1998.
