ORDINANCE NO. **13306**

AN ORDINANCE relating to use of King County swimming pools; requiring use agreements executed in 1998 for use by school districts, and declaring an emergency.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings of Fact.

There are currently a number of school districts which use King County swimming pools and which are required to have use agreements with King County for such use. Not all of these districts have executed in 1998 a use agreement for such use, which poses the potential of a dispute between King County and such districts regarding the terms of such use. Certain of the school districts have refused to execute new agreements. Lack of clear agreement on issues covered by use agreement poses unacceptable risks to King County in the event of disputes resulting from accidents, injuries, or problems at the facilities by placing the limited public funds of King County at risk in the event of such circumstances.

SECTION 2. No school district shall be allowed to use any King County swimming pool unless it has executed in 1998 a use agreement for use of the pool in the form attached as Exhibit 1 to this ordinance.

1 SECTION 3. The council finds as a fact and declares that an emergency exists and
2 that the enactment of this ordinance as an emergency ordinance is necessary for the
3 immediate preservation of public peace, health or safety or for the support of county
4 government and its existing public institutions.

1. TERM OF AGREEMENT, HOURS AND RATE OF RENT

The term of this Pool Use Agreement shall be for the 1998-1999 school year. The School District shall be entitled to use the Swimming Pool beginning August 24, 1998. The Hourly School Program Schedule may be adjusted only upon written notice to the County Pool Manager of the above referenced pool for the following:

- a) The Instructional Program Hours as agreed upon.
- b) The Interscholastic Program Hours as agreed upon.

In addition, when King County has not scheduled the pool's use to others, the School District may upon reasonable notice to King County, request permission to use the Swimming Pool for additional hours on school or non-school days. King County shall not unreasonably withhold its permission.

The School District shall pay King County \$23.00 per hour for pool use in 1998. The 1998 rates are set forth in King County Ordinances. 1999 rates will be determined in November of 1998.

In the event that the parties fail to timely execute a new Pool Use Agreement upon the expiration of this agreement, the terms of this Pool Use Agreement shall remain in full force and effect, until a new Pool Use Agreement

is executed or until this Pool Use Agreement is terminated pursuant to Section 10 herein.

2. SUPERVISORY AND INSTRUCTIONAL PERSONNEL

The person or persons empowered by the School District with supervision and responsibility for the various school aquatic programs shall have current lifeguard training certification, current CPR certification, and current first aid certification. School District personnel acting as dive coaches may substitute United States Diving National Safety Certification. Swim coaches may substitute United States Swimming Safety Training for Swim Coaches.

The School District assumes full responsibility for ensuring compliance with this section (2) and acknowledges that King County is not responsible for ensuring compliance with this section.

3. EQUIPMENT

Equipment necessary for the School District program shall be provided by School District except when King County, by separate written agreement, provides equipment for use in the School District's program.

4. SAFETY REGULATIONS

School District programs shall be conducted in conformance with all applicable safety regulations adopted by the State of Washington as now enacted or as hereinafter amended.

The School District assumes full responsibility for ensuring compliance with this section (4) and acknowledges that King County is not responsible for ensuring compliance with this section.

5. PROCEDURE FOR NEEDS AND COMPLAINTS

Each party shall designate a person who shall be responsible for handling the administrative needs with respect to their use of the above referenced Swimming Pool. Suggestions and/or complaints between the parties shall be transmitted through such persons.

6. INDEMNIFICATION/HOLD HARMLESS

The School District shall protect, defend, indemnify and save harmless King County, its officers, officials, employees and agents, from any and all claims, demands, suits, penalties, losses, damages, judgments, attorneys fees and/or costs of any kind whatsoever, arising out of or in anyway resulting from acts or omissions of the School District, its officers, employees agents and/or subcontractors, in the use of the facilities that are the subject of this Pool Use Agreement.

Except for damages caused by the sole negligence of King County, the School District's obligations under this section shall include, but not be limited to:

- (a) the duty to promptly accept tender of defense and provide defense to King County at The School District's own expense;
- (b) indemnification for such claims whether or not they arise from the sole negligence of the School District or the concurrent negligence of the School District and King County or another party;
- (c) the duty to indemnify and defend King County from any claim, demand, and/or cause of action brought by or on behalf of any of the School District's employees, or agents. The foregoing duty is specifically and expressly intended to constitute a waiver of the School District's immunity under Washington's Industrial Insurance act, RCW Title 51, as respects King County only, and only to the extent necessary to provide King County with a full and complete indemnity and defense of claims made by the School District's employees. The parties acknowledge that these provisions were mutually negotiated and agreed upon by them.

In the event that King County incurs attorney fees and/or costs in the defense of claims for damages within the scope of this section, such fees and costs shall be recoverable from the School District. In addition, King County shall be entitled to recover from the School District attorney's fees and costs incurred to enforce the provisions of this section (6).

7. INSURANCE

9. NON-WAIVER

Failure of King County to insist on strict performance of the terms, agreements and conditions herein contained, or any of them, shall not constitute or be construed as a waiver or relinquishment of King County's right thereafter to insist on compliance with any such term, agreement, or condition, but the same shall continue in full force and effect.
