STATEMENT OF FACTS:

7

1. 119th Avenue Southeast from Southeast 170th Place to the Cascade  
8                   Vista Shopping Center is a county road that poses a serious threat to  
9                   public safety, as evidenced by the many accidents that have caused  
10                  damage to adjacent property.

11

2. Residents of the surrounding area have petitioned the county to close  
12                  this road due to their concerns about the safety hazards posed to residents  
13                  and private property.

14

3. In May 2001 the King County Road Services Division installed a  
15                  concrete barrier adjacent to property owned by the Williamson family to  
16                  protect the property from damage caused by vehicles leaving the county-  
17                  owned portion of the roadway.

18           4. The department of transportation recommends against closure of the  
19           street and, recognizing the need to protect the Williamson family property  
20           against further damage, proposes to replace the existing concrete barrier  
21           with a concrete jersey barrier or guardrail.

22           5. K.C.C. 14.38.030F reserves to the council the option of closing a  
23           county road following notification by the director of transportation of a  
24           recommendation to reject a road closure petition.

25           BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

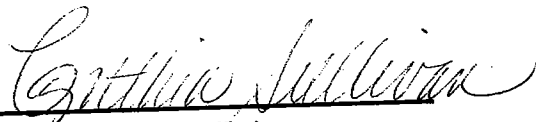

26           SECTION 1. 119th Avenue Southeast from Southeast 170th Place
