11 upon termination.

12 **Section 3.** There shall be no limit to the hours of sick leave benefits accrued by a paid eligible

1 **ARTICLE 11: PAID LEAVES**

2 **Section 1. Donation of Leaves.** Donation of vacation leave hours and donation of sick leave
3 hours.

4 **A. Vacation leave hours.**

5 1. Any employee eligible for paid leave benefits may donate a portion of his or
6 her accrued vacation leave to another employee eligible for leave benefits. Such donation will occur
7 upon written request to and approval of the donating and receiving employee's department
8 director(s), except that requests for vacation donation made for the purposes of supplementing the
9 sick leave benefits of the receiving employee shall not be denied unless approval would result in a
10 departmental hardship for the receiving department.

11 2. The number of hours donated shall not exceed the donor's accrued vacation
12 credit as of the date of the request. No donation of vacation hours shall be permitted where it would
13 cause the employee receiving the transfer to exceed his or her maximum vacation accrual.

14 3. Donated vacation leave hours must be used within ninety calendar days
15 following the date of donation. Donated hours not used within ninety (90) days or due to the death of
16 the receiving employee shall revert to the donor. Donated vacation leave hours shall be excluded
17 from vacation leave payoff provisions contained in this chapter. For purposes of this section, the first
18 hours used by an employee shall be accrued vacation leave hours.

19 **B. Sick leave hours.**

20 1. Any employee eligible for paid leave benefits may donate a portion of his or
21 her accrued sick leave to another employee eligible for leave benefits upon written notice to the
22 donating and receiving employee's department director(s).

23 2. No donation shall be permitted unless the donating employee's sick leave
24 accrual balance immediately subsequent to the donation is one hundred (100) hours or more. No
25 employee may donate more than twenty-five (25) hours of his or her accrued sick leave in a calendar
26 year.

27 3. Donated sick leave hours must be used within ninety (90) calendar days.
28 Donated hours not used within ninety (90) days or due to the death of the receiving employee shall

1 revert to the donor. Donated sick leave hours shall be excluded from the sick leave payoff provisions
2 contained in this chapter, and sick leave restoration provisions contained in this chapter. For
3 purposes of this section, the first hours used by an employee shall be accrued sick leave hours.

4 C. All donations of vacation and sick leave made under this chapter are strictly
5 voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any other
6 compensation or benefits in exchange for donating vacation or sick leave hours.

7 D. All vacation and sick leave hours donated shall be converted to a dollar value
8 based on the donor's straight time hourly rate or salary at the time of donation. Such dollar value will
9 then be divided by the receiving employee's hourly rate or salary to determine the actual number of
10 hours received. Unused donated vacation and sick leave shall be reconverted based on the donor's
11 straight time hourly rate at the time of reconversion.

12 **Section 2. Leave - Organ Donors.**

13 A. The division manager shall allow employees eligible for paid leaves who are
14 voluntarily participating as donors in life-giving or life-saving procedures such as, but not limited to,
15 bone marrow transplants, kidney transplants, or blood transfusions up to five (5) days paid leave
16 provided;

17 1. The employee gives the division manager reasonable advance notice of the
18 need to take time off from work for the donation of bone marrow, a kidney, or other organs or tissue
19 where there is a reasonable expectation that the employee's failure to donate may result in serious
20 illness, injury, pain or the eventual death of the identified recipient.

21 2. The employee provides written proof from an accredited medical institution,
22 organization or individual as to the need for the employee to donate bone marrow, a kidney, or other
23 organs or tissue or to participate in any other medical procedure where the participation of the donor
24 is unique or critical to a successful outcome.

25 B. Time off from work for the purposes set out above in excess of five (5) working
26 days shall be subject to leave policies in this Agreement.

27 **Section 3. Bereavement Leave.**

28 A. Employees eligible for paid leaves shall be entitled to three (3) working days of

1 bereavement leave a year, due to death of members of their immediate family.

2 **B.** Employees eligible for leaves who have exhausted their bereavement leave, shall
3 be entitled to use sick leave in the amount of three (3) working days for each instance when death
4 occurs to a member of the employee's immediate family.

5 **C.** In the application of any of the foregoing provisions, when a holiday or regular day
6 off falls within the prescribed period of absence, it shall not be charged against the employee's sick
7 leave account nor bereavement leave credit.

8 **D.** Immediate family means: spouse, domestic partner, grandparent, parent, child,
9 sibling, child-in-law, parent-in-law, grandchild of the employee, employee's spouse or employee's
10 domestic partner.

11 **Section 4. School Volunteers.** Employees eligible for paid leaves shall be allowed the use of
12 up to three days of sick leave each year to allow employees to perform volunteer services at the
13 school attended by the employee's child provided; employees requesting to use sick leave for this
14 purpose shall submit such request in writing specifying the name of the school and the nature of the
15 volunteer services to be performed.

16 **Section 5. Jury Duty.** Employees eligible for paid leaves who are ordered on a jury shall be
17 entitled to their regular County pay; provided, that fees for such jury duty are deposited, exclusive of
18 mileage, with the Department of Finance. Employees shall report back to their division manager or
19 designee when dismissed from jury service.

20 **Section 6. Leave Examinations.** Employees eligible for paid leaves shall be entitled to
21 necessary time off with pay for the purpose of participating in County qualifying or promotional
22 examinations. This shall include time required to complete any required interviews.

1 **ARTICLE 12: WORK OUTSIDE-OF-CLASSIFICATION**

2 **Section 1.** It is understood by the parties that an employee may be assigned in writing to
3 perform the preponderance of the duties of a higher classification in the bargaining unit by the
4 division manager/designee.

5 **Section 2.** An employee assigned in writing by his/her manager/designee to a higher
6 classification will be paid at the first step of the range assigned to the higher classification or at a step
7 that most closely approximates five percent above the employee's salary prior to the assignment,
8 whichever is higher.

9 **Section 3.** Outside of classification assignments for less than one day will not be
10 compensated at the higher rate. One day or more will be compensated at the higher rate.

11 **Section 4.** If the employee is required to work out-of-class for more than sixty (60) days the
12 Union may request a meeting for the sole purpose of clarifying why the employee is still working out-
13 of-class.

14 **Section 5.** An employee assigned in writing to perform work of a lower classification will be
15 paid at their regular rate of pay or salary for the period of the assignment.

16 **Section 6.** Employees will continue to accrue seniority in their regular classification for the
17 duration of the acting assignment for purposes of application to Article 14.

18 **Section 7.** Employees and supervisors will review the employee's classification
19 specifications at least annually. Requests to change an employee's classification will be made in
20 accordance with King County Personnel Guidelines.

21 **Section 8. Job Progression.** The County and the Union agree that job progression remains
22 an option for certain, mutually agreed upon, classification series. If the County and the Union agree
23 that job progression is feasible for a specific classification series, they may establish a joint
24 labor/management committee to develop the necessary protocol.

25 **A.** The County and the Union agree to meet to evaluate the protocol developed by the
26 committee(s). If the County and the Union agree to a designed job progression protocol for a
27 classification series, the job progression process will be implemented.

28 **Section 9. Job Posting.** The purpose of posting job announcements is to ensure that non-

1 probationary career service members of the bargaining unit, including those on trial service, know of
2 career service openings that are available within their bargaining unit, and that they have a reasonable
3 opportunity to compete for those positions. When filling a new or vacant career service opening, the
4 County shall post a notice of the opening to all career service members of the bargaining unit in the
5 usual and customary manner within the work units prior to the advertisement of any open competitive
6 process.

7 **Section 10.** If an opening is subsequently advertised in an open competitive process, where
8 the ability and qualifications of a bargaining unit employee and another applicant are equal, the
9 bargaining unit employee shall receive preference. Management retains sole discretion to make
10 determinations of ability and qualifications.

1 **ARTICLE 13: CONTRACTING OF WORK**

2 **Section 1.** The County agrees not to contract out work typically performed by currently
3 employed regular employees if the contracting of such work eliminates or reduces the normal (See
4 Article 7) workload of the bargaining unit. The County agrees that the contracting of work will not
5 result in layoffs.

6 **Section 2.** Nothing in this Article shall preclude the contracting out of work that has
7 historically been contracted out or shall preclude the Union from proposing alternatives for work that
8 has historically been contracted out.

9 **Section 3.** The County may enter into contract arrangements for circumstances that are
10 beyond the control of the County at the time action is required, and for projects which the County is
11 not reasonably able to provide the necessary tools, employees or equipment to perform the work. For
12 all other cases, the following shall apply:

13 **A.** Contracting out of work presently performed by bargaining unit employees shall
14 not be proposed until a work program has been completed which involves the bargaining unit in
15 exploring other alternatives to meet management goals.

16 **B.** Contracting out of work not presently performed by bargaining unit employees
17 shall not be proposed until the bargaining unit has been given the opportunity to offer proposals
18 involving bargaining unit members.

19 **Section 4.** All contracted work will be reviewed on a semi-annual basis by the County and
20 the Union to ensure compliance with this Article.

1 **ARTICLE 14: REDUCTION IN FORCE**

2 **Section 1.** In the event of a proposed reduction in force, the County will notify the Union as
3 soon as possible of the pending layoffs of regular employees. The County and the Union shall meet
4 to discuss the reasons for layoffs, the time frame for the layoffs and extent of other impacts on the
5 workforce. The County and the Union agree that alternatives to layoffs will be explored prior to
6 invoking layoff procedures beginning under Section 3.

7 **Section 2.** Alternatives to layoffs, or strategies to help mitigate layoffs may include, but are
8 not limited to:

- 9 • Encourage employees to apply for positions in others areas not affected by
10 reductions in force or budget reductions.
- 11 • Temporarily place affected employees in vacant positions in other areas.
- 12 • Short and long term leaves of absence.
- 13 • Reduced work schedule(s).
- 14 • Job Sharing.
- 15 • Voluntary layoff.
- 16 • Loan out of employee(s) to an outside agency where the receiving agency agrees to
17 pay all wages benefits and associated cost to continued employment.
- 18 • Voluntary retirement.

19 **Section 3.** The County will notify the Union of the County's determination of the
20 classification(s) and number of positions within said classifications that will be cut, based on, but not
21 limited to the work that will be reduced or eliminated.

22 **Section 4.** The County and the Union recognize the value of well-trained and experienced
23 regular employees, as well as their length of service. The County will use the following formula to
24 determine the regular employee layoff status.

<i>Layoff Formula:</i>	1	2	3
	1) Total Years of Regular Service within King County / Metro: points	2) Years of Regular Service within Current Bargaining Unit Classification Series: points	3) Total Number of Points

Total Years of Service – within King County / Metro:

- 15 or more _____ 4 points
- 9.0 to less than 15 _____ 3 points
- 5.0 to less than 9.0 _____ 2 points
- 1.0 to less than 5.0 _____ 1 point
- Less than 1.0 _____ 0 points

Years of Service – within bargaining unit classification series:

- 10 or more _____ 4 points
- 7.0 to less than 10 _____ 3 points
- 2.0 to less than 7.0 _____ 2 points
- 1.0 to less than 2.0 _____ 1 point
- On Probation _____ 0 points

The order of layoff will be determined by the total number of points a regular employee receives from the formula. The regular employee with the least number of points will be the first to be laid off.

When two or more regular employees in a classification identified for layoff have the same numerical score, the average of the regular employees' three most recent formally documented performance evaluations will be used to determine the order of layoff. The regular employee(s) with the lowest average will be the first to be laid off. In the event that two or more regular employees

1 have the same average score, the County will determine who will be laid off.

2 **Section 5.** Once a decision for a reduction in force is made, the County will notify the Union
3 and the affected regular employee(s) in writing at least thirty (30) days in advance of the effective
4 date of layoff.

5 **Section 6.** In addition to the County's recall policy under *Workforce Management Plan*, as
6 amended, a regular employee who is laid off will have recall rights to their previous classification for
7 two years from the date of layoff. Recall order will be based on laid-off last to be rehired first.

8 **Section 7.** Within fourteen (14) calendar days of receiving by certified mail the notice of
9 recall to their previous classification within the bargaining unit, the regular employee will notify the
10 County whether they will accept the recall. The County will consider the regular employee's failure
11 to respond to the notice of recall as a refusal. A regular employee who refuses to accept the recall
12 will be taken off the recall list. The County will, if it determines that there are warranting
13 circumstances, accept a late notification from a regular employee.

14 **Section 8.** A regular employee recalled to their previous classification within two (2) years
15 from the time of layoff will have any forfeited sick leave accruals and seniority restored.

16 **Section 9.** Regular employees shall accrue seniority in their regular classification.

17 **Section 10.** Provisional, temporary, probationary and term-limited temporary employees are
18 employed at-will and are not subject to these layoff procedures.

1 **ARTICLE 15: PROBATION, TRIAL SERVICE & PERFORMANCE APPRAISALS**

2 **Section 1. Purpose.** Probation and trial service periods are working test periods and shall be
3 an integral part of the final selection process. Probation and trial service periods shall be utilized as
4 an opportunity to observe an employee's work performance, to train and aid the employee in
5 adjustment to the position, and to reject any employee whose work performance or conduct fails to
6 meet required standards.

7 **Section 2. Duration.** The employment of all new (or initial), recalled, reinstated, promoted,
8 reclassified, transferred, and demoted employees shall be tentative and subject to a probation or trial
9 service period which starts upon the effective date of an appointment.

10 A. A probation period shall be required for all initial, recalled, or reinstated
11 employees and shall not be less than six (6) months of actual service.

12 B. A trial service period shall be required following a promotion, reclassification,
13 demotion, or transfer and shall not be less than six (6) months of actual service.

14 C. A twelve (12) month probation or trial service period is required for the following
15 classifications:

- 16 1. Industrial Waste Compliance Investigator I
- 17 2. Industrial Waste Compliance Investigator II
- 18 3. Industrial Waste Compliance Investigator III
- 19 4. Industrial Waste Compliance Specialist III
- 20 5. Hazardous Waste Health & Environmental Investigator I
- 21 6. Hazardous Waste Health & Environmental Investigator II

22 D. Notwithstanding the requirements listed in 2.A.-C., the County maintains the
23 exclusive right to extend or reduce the length of any probation or trial service period, however, the
24 probation or trial service period may not exceed a maximum of twelve months of actual service. The
25 employee and the local union president will be notified of such extension or reduction, including the
26 duration of the extension or reduction, prior to the end of the initial probation or trial service period.

27 1. In the event an employee is absent for more than two (2) consecutive work
28 weeks during a probation or trial service period, the completion date may be extended by an amount

1 of time equal to the length of the absence.

2 **Section 3. Trial Service Reversion.** An employee who does not successfully complete the
3 trial service period, or who requests to be returned to his/her former position prior to the end of the
4 trial service period, may be restored to the employee's former position if such position is available.
5 However, other employees will not be removed to create a vacancy for the employee. If the
6 employee's former position is not available, the employee will be terminated from employment and
7 his/her name will be placed on a recall list for a period of twelve (12) calendar months from the date
8 of termination.

9 **Section 4. Removal.** An employee may be terminated from employment at any time during
10 the probation period. Employees terminated during probation shall not have the right to grieve such
11 termination. Employees reverted or terminated during the trial service period shall not have the right
12 to grieve such reversion or termination for failure to pass the trial service period.

13 **Section 5. Recall List.** Employees on the recall list will be notified, in order of seniority as
14 defined in Article 14, of a position that is vacant in the same classification in the original unit from
15 which the employee was promoted or transferred. Notice of the vacancy shall be in writing, mailed to
16 the employee's last known address. If the employee fails to respond or declines the opportunity to
17 return to his/her former program or unit, the employee's name shall be removed from the recall list.

18 1. Employees on the recall list described in this Article shall have first priority for
19 vacancies as described above. Vacancies that are not filled pursuant to procedures set forth in this
20 Article shall be filled in accordance with the County's designated priority of recall.

21 **Section 6. Performance Appraisals.** The County and the Union agree that the "Performance
22 Appraisal Systems for the Industrial Waste and Hazardous Waste Units of King County DNRP," the
23 unit-specific documents, "Key Values and Norms for King County's Hazardous Waste Management
24 Unit" and "Industrial Waste's Goals and Norms," and any amendments to these documents, shall
25 apply to employees covered under this Agreement.

1 **ARTICLE 16: TRAINING AND SAFETY STANDARDS**

2 **Section 1.** The County and Union recognize the mutual benefit to be attained by affording
3 training opportunities to employees and shall provide information and access to training opportunities
4 for its employees, within budgeted appropriations. The training opportunities shall be guided by, but
5 not limited to the overall objectives of encouraging and motivating employees to improve and
6 develop their personal capabilities.

7 **Section 2.** The County and its employees value a safe working environment and recognize
8 their mutual obligation to maintain safety standards set forth in applicable state and federal
9 regulations.

10 **Section 3.** Wastewater Treatment Division policies on safety shoes and safety shoes
11 vouchers, safety eyewear and safety prescription eyewear vouchers, hearing conservation, and
12 respiratory protection programs, and amendments thereto, shall apply to employees covered under
13 this Agreement.

14 **Section 4.** The County shall investigate and analyze the need for ergonomic adjustments
15 requested by employees.

1 **ARTICLE 17: GRIEVANCE PROCEDURE**

2 **Section 1. Intent.** In the interest of continued good employee relations and morale, the
3 County and Union recognize the importance and desirability of settling grievances promptly and
4 fairly. To accomplish such, every effort will be made to settle grievances at the lowest possible level
5 of supervision. Further, employees who choose to utilize the procedure set forth in this Article will
6 be free from coercion, discrimination, or reprisal for seeking a resolution to their grievances.

7 **Section 2. Definition.** A grievance shall be defined as an alleged violation of any of the
8 express written terms of this Agreement.

9 **Section 3. Pre-grievance process.** Employees believing that they have a grievance are
10 expected to attempt to resolve the issue with the appropriate unit leadership within fourteen (14)
11 calendar days of the occurrence of the event.

12 **Section 4. Grievance process.**

13 **Step 1.** An employee or the union on behalf of the employee, may file written
14 grievance with the Hazardous Waste Program Manager or Industrial Waste Program Manager within
15 fourteen (14) calendar days of the conclusion of the pre-grievance process or thirty (30) calendar days
16 of the occurrence of the event, whichever is sooner. The Hazardous Waste Program Manager or
17 Industrial Waste Program Manager shall meet with the employee, the Union Designee, the Division
18 Personnel Representative, and whoever else is appropriate for the purpose of addressing and resolving
19 the grievance. Both the Union and management agree to consult as appropriate and acquire expertise
20 as needed to resolve the grievance. The Hazardous Waste Program Manager or Industrial Waste
21 Program Manager, after consulting with the Division Director, shall issue a written response within
22 thirty (30) calendar days of its receipt.

23 If at any point in the grievance process the Union determines that the grievance has no merit,
24 the grievance will be withdrawn.

25 **Step 2.** If the grievance is not resolved at Step 1, the grievance may be presented to
26 the King County Director of HRD within fourteen (14) calendar days after the conclusion of Step 1.
27 The Director of HRD or designee shall hear the grievance and respond in writing to the employee and
28 the Union representative within thirty (30) calendar days after receipt of the Step 2 grievance.

1 **Step 3. Mediation.** Within 14 calendar days after the conclusion of Step 2, either
2 party can request mediation to reach resolution. If both parties agree, an impartial and mutually
3 agreed upon mediation service such as Public Employment Relations Commission (PERC) or Federal
4 Mediation and Conciliation Service (FMCS) will be engaged to facilitate the process.

5 **Step 4.** The Union Representative may advance the grievance to arbitration within
6 thirty calendar days of the conclusion of the Steps 2 or 3 unless the grievance is resolved or lacks
7 merit.

8 Time limits for any of the above steps may be extended by written consent of the
9 parties.

10 **Section 5. Arbitration**

11 **A.** Should arbitration be requested, the request must be made within thirty (30) days
12 of receiving the Step 2 grievance or Step 3 mediation decision. The request for arbitration shall be
13 submitted in writing to the Director of HRD/designee.

14 **B.** The parties shall select an arbitrator. In the event that the parties are unable to
15 agree upon the arbitrator, then the arbitrator shall be selected from a panel of five (5) arbitrators
16 furnished by the Federal Mediation and Conciliation Service (FMCS). The parties shall select the
17 arbitrator from the names on the list. The Union shall strike first.

18 **C.** The arbitrator shall have no power to change, alter, detract from, or add to the
19 provisions of this Agreement, but shall have the power only to apply and interpret the provisions of
20 this written Agreement in reaching a decision on the issue. The decision by the arbitrator shall be
21 binding on both parties.

22 **D.** No matter may be arbitrated which the County, by law, has no authority over or has
23 no authority to change.

24 **E.** Each party to an arbitration proceeding shall bear the full cost of its
25 representatives, attorneys, and witnesses, regardless of the outcome of the arbitration. Payment and
26 scheduling for the time of County employees during an arbitration proceeding shall be discussed
27 between the Union and the County prior to the proceeding. The arbitrator's fees and expenses and
28 any court reporter's fee and expenses agreed to by the Union and the County shall be paid equally by

1 both parties.

2 F. Selection of this conflict resolution procedure for the resolution of a grievance shall
3 preclude the use of any other procedure in resolving the matter at issue.

4 G. Time limits will be extended by written consent of the parties.

5 **Section 6. Unfair Labor Practice.**

6 The parties agree that thirty (30) days prior to filing a Unfair Labor Practice ULP complaint
7 with PERC, the complaining party will notify the other party, in writing, meet, and make a good faith
8 attempt to resolve the issue unless the deadline for filing with PERC would otherwise pass. For the
9 County, the notice shall be sent to the Director of HRD/designee.

2 The parties acknowledge that each has had the unlimited right within the law and the
3 opportunity to make demands and proposals with respect to any matter deemed a proper subject for
4 collective bargaining. The results of this exercise of that right and opportunity are set forth in this
5 Agreement. Therefore, the County and the Union, for the duration of this Agreement, each agree to
6 waive the right to oblige the other party to bargain with respect to any subject or matter not
7 specifically referred to or covered in this Agreement. Notwithstanding the above, should the parties

MEMORANDUM OF AGREEMENT
BETWEEN
WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES
LOCAL 1652R – INDUSTRIAL AND HAZARDOUS WASTE
AND
KING COUNTY

Subject: Productivity Initiative

This Memorandum of Agreement between Washington State Council of County and City Employees (WSCCCE), Local 1652R representing employees in the Industrial and Hazardous Waste Units of the King County, Department of Natural Resources and Parks (DNRP), and King County operates to extend the Productivity Initiative in the Wastewater Treatment Division to the employees in the Wastewater Treatment Division's Industrial Waste Unit.

The management of King County Department of Natural Resources Wastewater Treatment Division, and WSCCCE Local 1652R, agree to engage in a competitiveness and productivity initiative for the benefit of the employees of the division, and the ratepayers of King County, our "customers." Recognizing the inevitability of change, the parties to this agreement intend to work together to manage that change to their mutual benefit. We believe the partnership we are employing will continue to provide our customers with the best and most efficient, state of the art wastewater treatment utility in the country, while securing excellent family wage jobs and rewarding careers for the employees of the division.

In order to accomplish this change successfully, we agree to the following:

1. There will be no involuntary layoffs due to the Productivity Initiative during the period the Productivity Pilot Program is in effect between Wastewater Treatment Division of DNRP and King County government. Any reductions in force necessary to help meet Productivity Initiative goals will be accomplished through attrition.
2. This agreement acknowledges the partnership among the management of King County DNRP, Wastewater Treatment Division, the County, and WSCCCE Local 1652R to manage the change process as the Productivity Pilot Program is implemented, and on a continual basis thereafter.
3. Management is committed to providing adequate resources for appropriate and necessary training, career development, and incentives consistent with the business needs, within the financial constraints of the business plan.

4. The goals of the Productivity Incentive Program are as follows:

A. Provide financial incentives to employees to achieve higher than projected savings to the sewer ratepayers.

B. Encourage teamwork.

C. Encourage employee involvement and "ownership" of the business.

The parameters of the Productivity Incentive Program shall be consistent with the commitments and performance guarantees as set forth in the Wastewater Productivity Pilot Program, adopted by Motion 11156.

5. Productivity Incentive Fund for Wastewater Operating Fund: The Productivity Incentive Fund, as defined herein, shall be established each calendar year after the baseline annual operating target savings identified in the aforementioned Productivity Pilot Program are met and verified through an independent review. Fifty percent (50%) of additional permanent and ongoing savings shall be retained by the Wastewater Treatment Division, and fifty percent (50%) of additional savings shall be assigned to a productivity incentive fund. "Permanent and ongoing" shall include one-time savings that can be shown to be the result of efforts of employees and verified as real savings in a given accounting period, which may be temporary in nature. A minimum of twenty-five percent (25%) of the funds assigned to the Productivity Incentive Fund shall be paid out in cash to all employees participating in the Productivity Initiative with the remaining seventy-five percent (75%) distributed in accordance with Section 7 of this Memorandum of Agreement.

Bargaining unit employees will be placed on the King County 10-step Squared Salary Schedule applicable to the employee's FLSA designation, as follows:

1. Effective January 1, 2003, all bargaining unit employees shall receive the 2003 cost-of-living adjustment for the range and step in effect on January 1, 2003 on the 2003 10-step standardized salary schedule. Employees shall continue to be paid pursuant to the 2003 10-step standardized salary schedule until the new pay ranges become effective and 10-step squared salary schedule placement occurs as indicated herein.

a. Employees in classifications previously placed on the 10-step squared pay schedule shall receive the 2003 cost-of-living adjustment for the range and step in effect on January 1, 2003. The squared pay schedule placement procedures outlined below shall not apply to these employees.

2. On July 1, 2003, employees in classifications for which there is no change in pay range, and whose base rate of pay on June 30, 2003 (on the standardized salary schedule) exceeds the base rate of pay for the top step of the pay range for the classification on the applicable 2003 10-step squared pay schedule, shall continue to be paid on the standardized salary schedule, including cost-of-living adjustments, through December 31, 2003. Effective January 1, 2004, these employees shall be placed at the top step of the same pay range on the 2004 10-step squared pay schedule.

3. On July 1, 2003, employees in classifications that are assigned a pay range higher than the pay range in effect on June 30, 2003 (on the standardized salary schedule) shall be placed at the same step of the new range on the applicable 2003 10-step squared pay schedule.

4. On July 1, 2003, employees in classifications for which there is no change in pay range, and who are not in the group of employees described in 2 above, will be placed at the step on the applicable 2003 10-step squared pay schedule that is closest to, but does not constitute a

decrease, from the employee's base rate of pay, including cost-of-living adjustments, on June 30, 2003.

5. The following procedure shall apply to bargaining unit engineer positions:

a. Effective August 29, 2001, the two employees in engineering positions shall be allocated to the Engineer III classification, pursuant to an October 1, 2001 accretion agreement. Classification appeals may be processed through the King County classification appeal process when this Agreement becomes effective. The deadline for filing an appeal will be twenty (20) calendar days after the Agreement is effective.

b. Step placement and retroactive pay shall be determined by applying the range 64 standardized pay schedule, including cost-of-living adjustments, for the applicable years as follows: Step 1 in 2001; Step 2 in 2002; Step 3 in 2003. On July 1, 2003, employees will be placed at the step on the applicable 2003 10-step squared pay schedule that is closest to, but does not constitute a decrease, from the employee's base rate of pay, including cost-of-living adjustments, on June 30, 2003.

Each member of the bargaining unit who is employed by the Industrial or Hazardous Waste Units at the time the Agreement becomes effective, will receive a one-time gain sharing supplement of twenty-four hours of vacation. Such vacation will be forfeited if not used by December 31, 2004.
