Copies of the said report will be attached to the copies of this report submitted to the King County Council.

CONCLUSIONS:

1. Approval of current use valuation for 8.51 acres of the subject property, pursuant to the Public Benefit Rating System adopted by King County Ordinance No. 10511, as amended, would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.
2. Timely application has been made to King County for the current use valuation of the subject property to begin in 2005. Notice of said application was given in the manner required by law.
3. The subject property contains priority open space resources and is entitled to bonus points pursuant to the King County Public Benefit Rating System, which justify a total award of 23 points. The resulting current use value is 20% of market value for 8.51 acres of the subject property.
4. Credit may be awarded administratively for the Forest Stewardship Land category if the Applicant provides by December 1, 2004, and a County forester approves by December 31, 2004, a forest stewardship plan. Award of this category will not affect the current use valuation of the enrolled property.
5. The primary purpose of this application is to add to the acreage currently enrolled in the PBRS program. A new Open Space Taxation Agreement signed as a result of this recommendation will supersede the previous agreement signed for DNR&P file no. E99CT032.

RECOMMENDATION:

APPROVE the request for current use valuation of 20% of market value for 8.51 acres of the subject property, subject to the conditions recommended in the Department of Natural Resources & Parks report for the March 26, 2004, public hearing, and the following additional conditions of approval:

1. Points may be awarded administratively for the Forest Stewardship Land category as indicated in conclusion no. 4 above.
2. An Open Space Taxation Agreement signed as a result of this recommendation will supersede the agreement signed for Department of Natural Resources and Parks file no. E99CT032.

Current use valuation shall be subject to all terms and conditions of RCW 84.34 and King County Code Chapter 20.36, as the same may be amended from time to time, and all regulations and rules duly adopted to implement state law and county ordinances pertaining to current use valuation.
