STATEMENT OF FACTS:

9

1. Under K.C.C. 4.56.115, the King County council may authorize the
King County executive to grant an easement on county property.

10

11

2. The White Center Food Bank in cooperation with the King County
Housing Authority has requested an easement in council district 8 in order
to install, operate and maintain a food bank facility for the distribution of
food and related items to low income individuals and families in the south
King County area.

12

13

14

15

16

3. Lakewood park was conveyed to King County by the United States
government in 1956 under the direction of the Public Housing

17

18 Administration, under the authority of the United States Housing Act of
19 1937.

20 4. The board of county commissioners passed Resolution 21374 in 1960
21 authorizing the construction of the new southwest district health office on
22 portion the Lakewood park property. The office is just southwest of the
23 intersection of Southwest 108th Street and 8th Avenue Southwest.

24 5. Interim use of portions of this site by the White Center Food Bank, as
25 authorized by the food bank operations easement approved by this
26 Ordinance, shall not be construed as a cessation of use by the Seattle-King
27 County department of public health for purposes of King County
28 Resolution 21374.

29 6. The White Center Food Bank operated and maintained a food bank in
30 White Center on King County Housing Authority property for many years,
31 but it has been necessary to remove it in order for the housing authority to
32 redevelop Park Lake Homes into the new Greenbridge community.

33 7. The King County council in Ordinance 15222 authorized the Executive
34 to apply for a Community Development Block Grant federally-guaranteed
35 loan of \$6.85 million to assist the housing authority with the Greenbridge
36 redevelopment. Of this amount, \$500,000 is intended for the replacement
37 of the White Center Food Bank.

38 8. The Seattle-King County department of public health is responsible for
39 the operation and management of the building, facilities and grounds of
40 the southwest district department of public health office. The food bank

41 and distribution facility will be located on a portion of the property
42 managed by the department of public health as depicted on Attachment A
43 to this ordinance. The food bank and distribution facility will be operated
44 by a bona fide nonprofit organization and provide services to the poor and
45 infirm.

46 9. The food bank facility and operations will not interfere with client
47 access to the department of public health office, and its services will
48 complement the department of public health's women, infants and children
49 nutrition program.

50 10. The food bank and distribution easement will terminate fifteen years
51 after the date of execution with provisions that would limit duration if
52 grantee fails to comply with the terms and conditions of the easement and
53 if it is determined that the facility no longer serves the public interests.

54 11. The easement request has been referred to the relevant county
55 departments for review.

56 12. The King County executive has recommended approval of this
57 easement request.

58 13. The King County real estate service section have reviewed and
59 approved the food bank and distribution easement.

60 14. The King County prosecuting attorney's office has approved the
61 easement as to form.

62 15. The King County council finds that the granting of this easement
63 would not interfere with the use of the county property for health related

64 purposes or park purposes, and the area is surplus to the county's present
65 and foreseeable needs.

66 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

67 The county executive is authorized to grant a food bank and distribution
68 easement, substantially in the form of Attachment B to this ordinance, for the following

Prior to undertaking construction or engaging in use of the food bank facility, the Grantee shall obtain Department of Health approval of plans and schedules to avoid such conflicts and shall thereafter obtain Department of Health approval of any changes to such plans and schedules.
3. RESTORATION AFTER INSTALLATION. Construction of the food bank facility may to the minimum amount necessary use Grantor's property located outside the Easement Area, provided that prior to such use it obtains a Special Use Permit from the Real Estate Services Section. 4. EMERGENCY SITUATIONS. In the event of an emergency involving Grantee's facilities within this Easement, the Grantee will take immediate steps to perform any necessary repairs. If the Grantee fails to perform any necessary repairs, the Grantor may do all work necessary at the sole cost and expense of Grantee.
5. DAMAGES. If any damage is caused by reason of performing any act authorized by this Easement, Grantee will promptly pay the damaged party the amount necessary to put the damaged party in the position he would have been in had the damage not occurred.

7. INDEMNITY AND HOLD HARMLESS. Grantee agrees to indemnify and hold harmless King County as provided herein to the maximum extent possible under law. Accordingly, the Grantee agrees for itself, its successors and assigns to defend, indemnify, and hold harmless King County, its appointed and elected officials, and employees from and against liability for all claims, demands, suits, and judgments including costs of defense thereof for injury to persons, death, hazardous materials contamination, or property damage which is caused by or arises out of Grantee's exercise of rights and privileges granted by this Easement. Grantee's obligations under this section shall include:

- (a) The duty to promptly accept tender of defense and provide defense to the King County at the Grantee's own expense.

Nothing contained within these insurance requirements shall be deemed to limit the scope, application and/or limits of the coverage afforded, which coverage will apply to each insured to the full extent provided by the terms and conditions of the policy(s).
