1 **ARTICLE 2: DEFINITIONS**

2 **2.1. Employee Categories.**

3 **A. Regular full-time Employee.** An individual employed in a position established in  
4 the County budget as an authorized FTE and which will require at least twenty-six (26) weeks of  
5 service per year with a work schedule of not less than forty (40) hours per week. Regular full-time  
6 employees are career service employees who are not on probation.

7 **B. Regular Part-time Employee.** An individual employed in a position established  
8 in the County budget as an authorized FTE and which will require at least twenty-six (26) weeks of  
9 service per year at the work schedule established for the position and which has an established work  
10 schedule of less than forty (40) hours per week, but at least half time. Regular part-time employees  
11 are career service employees who are not on probation.

12 **C. Temporary Employee.** An individual employed in a position which is not a  
13 position established in the County budget as an authorized FTE and who works less than one  
14 thousand forty (1040) hours in a calendar year. These employees are not career service and are not  
15 eligible for vacation leave, sick leave, holiday pay or other paid leaves, medical, dental or other  
16 insurance benefits. They are eligible for participation in the PERS as provided by state law.

17 **D. Term Limited Temporary Employee.** A term-limited temporary employee is a  
18 temporary employee who is employed in a term limited temporary position. Term limited temporary  
19 employees are not members of the career service. They may not be employed in term limited  
20 temporary positions longer than three (3) years beyond the date of hire, except that for grant-funded  
21 projects, capital improvement projects, and information systems technology projects the maximum  
22 period may be extended for up to five (5) years upon approval of the director of the Department of  
23 Executive Services, Human Resources Division (HRD).

24 **E. Seasonal Employee.** A temporary employee in a position (for) which:

25 1. Is not a position established in the County budget as an authorized FTE or  
26 career service;

27 2. Will require less than one thousand forty (1040) hours in a calendar year;

28 and

1                   3. The need exists at regular, predictable intervals during the year.  
2 These employees are not eligible for vacation leave, sick leave, holiday pay or other paid leaves,  
3 medical, dental or other insurance benefits. They are eligible for participation in the PERS as  
4 provided by state law.

5           **2.2. Temporary Lead Worker Assignment.** Temporary lead worker assignments may be  
6 made at the discretion of the Section Manager as a means of ensuring efficient and effective  
7 performance of work. This person has responsibility for scheduling, coordinating, assigning and  
8 overseeing the work and providing input to employee performance evaluations. Duties of the  
9 temporary lead worker shall not include hiring, firing, or disciplining of others. In the event a  
10 performance feedback system is implemented as provided in Section 11.11, such feedback may be  
11 considered in making these assignments.

12           **2.3. Regular or Temporary Employment.** For work performed by County employees  
13 represented by this Agreement, the County and the Union have the common goal of maintaining a  
14 stable, qualified work force. To this end, the following principles will guide the assignment of work  
15 to employees represented under this Agreement, when such work is performed by County employees.

16           A. Work that is year-round in nature, requiring employees with consistent and defined  
17 skills, should be performed by regular full-time or regular part-time employees.

18           B. The following work may be performed by part-time, temporary (including term-  
19 limited temporary) or seasonal employees. Work that is:

- 20                   ● seasonal or cyclical in nature
- 21                   ● time-limited
- 22                   ● project specific
- 23                   ● requiring specific skills that are not available in the County's regular work  
24                   force; or
- 25                   ● requiring an employee to work less than half-time.

26           C. In fulfilling the above principles, the County will develop and maintain staffing  
27 plans that define the work being assigned to regular full-time or regular part-time and temporary,  
28 (including term-limited temporary), or part-time employees.

1           **2.4. Temporary Employees.** Seasonal, temporary and term-limited temporary employees are  
2 supplementary to the regular work force and shall not be used to supplant regular full-time or regular  
3 part-time positions or undermine the integrity of the bargaining unit. These employees are employed  
4 at will and part of the bargaining unit and subject to the terms of this Agreement.

5           **2.5. Seasonal Employees seeking a Regular Position.** Seasonal employees who have  
6 worked a cumulative total in excess of one thousand-forty (1040) hours and who have demonstrated  
7 continuous satisfactory performance shall be considered for regular positions along with candidates  
8 from outside the organization. The decision as to which applicant will be selected to fill the vacancy  
9 shall be the sole prerogative of the appointing authority.

10           **2.6. .67 Full-time Employee.** For Parks Specialists II positions that are designated as .67  
11 FTE, the following shall apply:

12                   A. During the four (4) months period during which these employees are not working,  
13 they retain employment status for certain purposes; however, they are eligible, in accordance with  
14 law, for unemployment compensation and for COBRA during this period.

15                   B. These employees have access to year-round positions in the Parks Division  
16 pursuant to Section 10.12 of this Agreement.

17                   C. These employees accrue sick leave, vacation leave and compensatory time in  
18 accordance with the schedules in Articles 6, 7 and 8 during the period in which they are working and  
19 have no accruals during the period in which they are not working. Accrued leave may be used only  
20 during the period during which the employee is working. Any leave which is not used during the  
21 work period is carried over to the next work period; provided, however, employees may choose to  
22 cash-out any or all of their accrued vacation leave and/or compensatory time off at the conclusion of  
23 each work period. In the event the employee resigns, s/he will be paid for unused vacation  
24 leave/compensatory time as provided under the terms of this Agreement.

25                   D. Contract provisions governing holidays (Article 5) are applicable to .67 FTE  
26 employees. The employees are not paid for holidays which occur when they are not actually working.  
27 Personal holidays will accrue at 16 hours x .67, with half (1/2) the accrued hours being placed in the  
28 employee's vacation account in October and the remaining half in November or at the end of their

1 working period, whichever comes first.

2 E. During the working period, payment is made into the PERS for the .67 employees  
3 in accordance with law.

4 F. The .67 FTE employees are eligible to contribute into deferred compensation  
5 during the period they are working.

6 G. The first six (6) months of employment for the .67 FTE employees is the  
7 probationary period. Section 13.10 of the Agreement and the Personnel Guidelines will apply.

8 H. The .67 employees accrue bargaining unit seniority during the time the employee is  
9 working. Seniority is "frozen" during the period the employee is not working and resumes accruing  
10 at the next start date of the next work period.

11 I. The County will hire no more than four (4), .67 FTE's during the term of the  
12 Agreement.

13 **2.7. Definition of Days.** Unless otherwise provided, days as used under the Agreement will  
14 refer to calendar days.

15 **2.8. General Definition.** Unless otherwise defined under the King County Code or this  
16 Agreement, all words will have their usual and customary meaning.

1 **ARTICLE 3: UNION RECOGNITION AND MEMBERSHIP**

2       **3.1. Union Recognition.** The County recognizes the Union as the exclusive representative  
3 having jurisdiction over the body of work performed by classifications included in the bargaining unit  
4 which are specified in Addendum "A" of this Agreement.

5       **3.2. Union Membership/Representation Fee.** It shall be a condition of employment that all  
6 employees covered by this Agreement who are members of the Union in good standing on the  
7 effective date of this Agreement shall remain members in good standing and those who are not  
8 members on the effective date of this Agreement shall become and remain members in good standing  
9 in the Union or pay a representation (fair share dissenter) fee. It shall also be a condition of  
10 employment that all employees covered by this Agreement and hired on or assigned into the  
11 bargaining unit on or after its effective date shall, on the thirtieth (30th) day following the beginning  
12 of such employment, become and remain members in good standing in the Union or pay a  
13 representation (fair share dissenter) fee.

14       **3.3. Religious Tenets or Beliefs.** Nothing contained in this Article shall require an employee  
15 to join the Union who can substantiate, in accordance with existing law, bona fide religious tenets or  
16 beliefs that prohibit the payment of dues to union organizations. Such employee shall pay an amount  
17 of money equivalent to regular union dues to a non-religious charitable organization mutually agreed  
18 upon by the employee and the Union to which such employee would otherwise pay the dues. The  
19 employee shall furnish written proof that such payment has been made.

20       **3.4. Dues Deduction.** Upon receipt of written authorization individually signed by a  
21 bargaining unit employee, the County shall have deducted from the pay of such employee the amount  
22 of dues or representational fees as certified by the Secretary-Treasurer of the Union and transmit the  
23 same to the Union. The Union will indemnify, defend and hold the County harmless against any  
24 claims made and against any suit instituted against the County on account of any check-off of dues for  
25 the Union. The Union agrees to refund to the County any amounts paid to it in error on account of  
26 the check-off provision upon presentation of proper evidence thereof.

27       **3.5. Cause for Discharge.** Failure by an employee to abide by the above provisions shall  
28 constitute grounds for discharge of such employee; provided, that when an employee fails to fulfill

1 the above obligations the Union shall provide the employee and the County with a thirty (30) day  
2 notification of the Union's intent to initiate discharge action and during this period the employee may  
3 make restitution in the amount which is overdue.

4 **3.6. Membership Application.** The County will require all new employees hired into a  
5 position included in the bargaining unit to sign a form (in triplicate) which will inform them of the  
6 Union's exclusive recognition. One (1) copy of the form will be retained by the County, one (1) by  
7 the employee and the original sent to the Union. The Parks Division will provide a union  
8 membership application in their new hire packet. The County will notify the Union of any employee  
9 leaving the bargaining unit because of termination, layoff, leave of absence or dismissal.

10 **3.7. Bargaining Unit List.** The County will transmit to the Union twice a year, upon written  
11 request, a current listing of all employees in the unit. Such list shall indicate the name of the  
12 employee, wage rate, job classification, work shift and business unit.

13 **3.8. COPE Payroll Deduction.** The County shall, upon receipt of a written authorization  
14 form that conforms to legal requirements, deduct from the pay of a bargaining unit employee the  
15 amount of contribution the employee voluntarily chooses for deduction for political purposes and  
16 shall transmit the same to the Union.

1 **ARTICLE 4: RIGHTS OF MANAGEMENT**

2           **4.1. Management Rights.** The management of the County and the direction of the work  
3 force is vested exclusively in the County subject to the terms of this Agreement. Except to the extent  
4 there is contained in this Agreement express and specific provisions to the contrary, all power,  
5 authority, rights and jurisdictions of the County are retained by and reserved exclusively to the  
6 County, including, but not limited to, the right to manage the work of employees; to discipline,  
7 transfer, and evaluate employees; to determine and implement methods, means and assignments,  
8 establish classifications and select personnel by which operations are to be conducted, including  
9 staffing levels; and to initiate, prepare, modify and administer the budget.

10           **4.2. Release from Work.** When the County has no work available for employees in specific  
11 classifications, nothing in this Agreement shall prohibit the County from assigning such employees to  
12 perform other work as directed or, in absence of other necessary work, to send the employee home.

1 **ARTICLE 5: HOLIDAYS**

2 **5.1. Holidays.** Regular, probationary and term-limited temporary employees shall be granted  
3 the following holidays with pay:

20 and any designated by public proclamation of the chief executive of the state as a legal holiday, as  
21 approved by Council.

22 **5.2. Day of Observance.** Whenever a holiday falls on a Sunday, the following Monday shall  
23 be observed as the holiday, and any holiday falling on a Saturday shall be observed on the preceding  
24 Friday.

25 **5.3. Overtime Calculation.** Holidays paid for but not worked shall be recognized as time  
26 worked for purposes of determining weekly overtime for all employees.

27 **5.4. Holiday Premium.** Work performed on holidays shall be paid at a premium rate of one  
28 and one-half (1-1/2) times the regular rate.

1           **5.5. Part-time Holiday Benefit.** Regular, probationary and term-limited temporary  
2 employees who work a part-time schedule shall receive the regular holiday pay prorated in  
3 accordance with their regular schedule. For example:

Scheduled Hours per Week	Pro-rated Hours of Annual Holiday Earnings	Holiday Compensation for Each of the 12 Holidays
32.0	76.8	6.4 hours
40.0	96.0	8.0 hours

4  
5  
6  
7  
8  
9  
10           **5.6. Holiday Premium Pay for Seasonal Employees.** Seasonal employees shall be paid  
11 time and one-half (1-1/2) for hours worked on the observed County holiday.

12           **5.7. Pay Status and Eligibility.** An employee must be in a pay status either the employee's  
13 scheduled working day before or the employee's scheduled working day after a holiday in order to  
14 receive holiday pay. An employee leaving County employment the day prior to the holiday shall not  
15 receive holiday pay.

16           **5.8. Personal Holidays.** Each employee eligible for holiday pay shall receive two (2)  
17 additional personal holidays; provided, that no employee shall be granted more than ninety-six (96)  
18 hours of holiday time in a calendar year. These days shall be administered through the vacation plan.  
19 One (1) day will be added to each employee's vacation accrual on the first day of October and the  
20 first day of November of each year. Employees will be able to use these days in the same manner as  
21 they use vacation days earned.

22           **5.9. Augmenting Holiday Pay.** If an employee's regularly scheduled work hours exceed the  
23 number of holiday hours earned on any non-work holiday, the employee shall have the option of  
24 using accrued vacation hours to allow total compensation hours to equal the number of hours in the  
25 regular work schedule.

26           **5.10. Work on a Holiday.** Employees who work on a holiday have the option of earning  
27 compensatory time at one and one-half (1-1/2) times the regular rate of pay in lieu of receiving  
28 premium pay of one and one-half (1-1/2) times the regular rate of pay. Employees whose holiday

1 falls on a scheduled day off will accrue the holiday hours to be used during the calendar year at  
2 straight time. Holiday hours accrued under this Section will not count as hours worked for the  
3 purpose of determining weekly overtime in the week they are accrued.

4 **5.11. Aquatics Center.** For an Operating Engineer II assigned to the Aquatics Center, if a  
5 holiday is officially observed on a Friday that is a regular day off, the holiday will be taken on the last  
6 regular work day of that week. If a holiday is officially observed on a Monday that is a regular day  
7 off, the holiday will be taken on the next regular work day of that week.

8 **5.12. Holidays falling on the Weekend.** Employees whose regular work schedules include a  
9 weekend holiday will instead work the observed County holiday at straight time and get the actual  
10 holiday off. If the employee is required to work on the actual holiday that falls on a weekend, the  
11 employee will receive holiday premium pay at a one and one-half (1-1/2) times the regular rate of pay  
12 for all hours worked. Each District's Parks Specialist III shall schedule their district employees as  
13 directed by the Section Manager.

**ARTICLE 6: VACATIONS**

9 who leave King County employment for any reason after successful completion of six (6) months of  
10 County service in a leave eligible position will be paid for their unused vacation up to the maximum  
11 specified herein, except for PERS I as provided in Section 6.9. Employees shall not be eligible to

10 sick leave benefits. Verification from a licensed health care provider may be required to substantiate

12 management has uniform documentation to support a history of excessive or patterned absenteeism,  
13 an employee may be put on written notice by the Section Manager, that for a period not to exceed six

4 days not to exceed eight (8) hours each to be completed in a nine (9) hour period and not to exceed

22 through Friday, with forty (40) hours being the full-time schedule.

23 **B.** A Parks Specialist II assigned as a Utility Worker to a District or to the mow crew  
24 will not cause a Parks Specialist II assigned as a Maintenance Specialist II in the same District or to  
25 the mow crew, to lose the schedule to which he/she was assigned prior to the placement of the Utility  
26 Worker.

27 **10.5. Special Schedules.** The supervisors and lead workers may change the scheduled hours  
28 and provide special schedules for special operations such as snow removal, flood control and

1 sanding operations, and other special schedules such as watchmen or other personnel on special  
2 activities; provided, however, special clothing and special equipment will be made available for  
3 special operations.

4 **10.6. Notice for Special Schedules or Shift Change.** Normally, at least five (5) working  
5 days advance notice shall be given the employee prior to the commencement of a special schedule or  
6 shift change, except in the case where snow removal, flood control and sanding operations may be  
7 anticipated, in which case an "alert" or "stand-by" status advance warning is sufficient.

8 A. An employee who works performing tasks considered "special operations" as  
9 defined above will have such experience recognized by a letter placed in the personnel file of the  
10 employee with a copy to the employee. Shift changes shall not be used to circumvent overtime pay.

11 **10.7. Shift Start for Operating Engineers.** Schedule for Operating Engineers shall be paid  
12 at the rate of one and one-half (1-1/2) times their regular rate of pay for any hours worked prior to  
13 5:00 a.m. unless the earlier starting time has been requested for the convenience of the employee and  
14 approved by the Section Manager or if mutually agreed upon by the employee and Section Manager  
15 in which case no premium rate shall be paid for hours worked before 5:00 a.m.

16 A. Cleaning schedules shall be established by the Section Manager in consultation  
17 with the Operating Engineer(s) assigned to the pool.

18 **10.8. Safety Meetings.** Where regular safety meetings are conducted, employees will be  
19 released from work with pay to attend.

20 **10.9. Release From Duty.** If an employee is scheduled to work but no work exists, the  
21 County must notify the employee at least two (2) hours prior to the beginning of the normal shift or a  
22 four (4) hour minimum pay will prevail.

23 **10.10. Definition of Hours Worked.** For purposes of this Article, "hours worked" shall  
24 mean all compensated hours.

25 **10.11. Promotions.** Promotions shall be made in accordance with the Personnel Guidelines.  
26 Any regular employee who is promoted and does not successfully complete the probationary period  
27 for that position shall have rights back to his/her former position; this includes employees promoted  
28 out of the bargaining unit.

1           **10.12. Transfers.** Prior to the initiation of any competitive process to fill a vacant bargaining  
2 unit position, any member of the bargaining unit holding the same classification as that of the vacant  
3 position shall be given the opportunity to make a lateral transfer to the vacant position. Such lateral  
4 transfers shall be accomplished in the following manner.

5           A. Transfer opportunities shall be announced to bargaining unit employees through  
6 the following means:

- 7                   1. E-mail
- 8                   2. Interdepartmental mail
- 9                   3. Labor Management Committee (LMC) meetings
- 10                  4. Posting on bulletin boards at all business unit shops

11           B. Announcement shall be made at least fourteen (14) calendar days in advance of the  
12 selection.

13           C. Following the closing date of the announcement, management and at least one (1)  
14 union representative shall meet to review the transfer requests received and determine the placement  
15 of applicants on the basis of classification seniority.

16           D. Selection qualifications may be added to a position announcement upon mutual  
17 agreement of management and the union, where the unique characteristics of a vacant position would  
18 justify such selective qualification requirements. Exceptions to seniority may be made in cases where  
19 a transfer applicant does not meet the minimum requirements for the vacant position.

20           E. The winning bidder(s) shall be advised in writing of their selected position within  
21 five (5) working non-holiday days of selection. A revised organizational chart shall be distributed to  
22 all employees via e-mail, and shall be posted at all shops.

23           F. Employees in a probationary status may not submit transfer requests, except in  
24 cases where the probationary employee is being displaced as a result of Division reorganization or  
25 reduction-in force.

26           **10.13. Special Events Staffing.**

27           A. In an effort to limit costs, these principles will guide the staffing plan for special  
28 event(s). For purposes of this Section, special events are defined as those having an event

1 producer/sponsor and having a site plan for the special event. The King County Fair is specifically  
2 excluded. District refers to any district, business unit, aquatics facility or other such organizational  
3 structure within which a special event occurs for which this procedure applies.

4 1. District staff will not be displaced.

5 2. Adequate supervision of people will be supplied by Parks staff.

6 3. Parks staff or other adequately trained people will perform critical functions  
7 such as traffic control or aquatic facility set-up.

8 4. There are certain key functions which need to be performed by Parks staff  
9 or other adequately trained people. These include, but are not limited to, supervision of facilities  
10 maintenance, traffic control at critical inter-sections, aquatic facility set-up, oversight of parking and  
11 maintenance and relief for these functions.

12 5. Overtime will be offered first to regular Parks district employees before  
13 being offered to Parks district's seasonal employees.

14 6. Overtime for Parks staff from outside of the district will be offered first to  
15 regular employees before being offered to seasonal employees and will be scheduled according to the  
16 staffing plan. A seniority wheel shall be established by the LMC on an annual basis for employees  
17 from outside the district for purposes of this sub-section.

18 a. Work offered to Parks employees outside of the district the event is  
19 being held will be offered to Parks staff who are qualified to perform the work.

20 b. Nothing contained in this Section will preclude the Recreation staff  
21 employees from assisting with "put ups" and "take downs" during the event or from performing  
22 duties as necessary to insure the success of the event.

23 **B.** The following steps will be followed when an event producer/sponsor uses its  
24 people to assist Parks employees with litter/garbage control at special events.

25 1. The event producer/sponsor will submit a detailed plan to the site PS III  
26 within thirty calendar (30) days of the event. The plan will define how its people will be utilized, the  
27 number of people the event producer/sponsor will supply and the number of hours they will work in a  
28 shift.

1                                   2. The PS III shall develop a staffing plan.

2                                   3. The site PS III will submit to the Section Manager the staffing and the cost  
3 of providing extra coverage and will coordinate with the recreation section to prevent scheduling  
4 conflicts.

5                                   4. Available regular Parks employees can be pulled from other districts to  
6 work special events if the event producer/sponsor people fail to show up. Regular Parks employees  
7 will be given a five (5) day notice before each event that a change in work site may be necessary.

8                                   C. Should an event producer/sponsor request the use of non-paid volunteer staff, the  
9 following will occur.

10                                  1. A written plan shall be provided to the PS III/aquatics staff in charge of the  
11 event location.

12                                  2. The number of Parks staff necessary to work the event will be identified by  
13 the PS III/aquatics staff.

14                                  3. The number of positions will be identified by the PS III/aquatics staff and  
15 provided to the event producer/sponsor.

16                                  4. The event producer/sponsor will provide a list of volunteers to the PS III at  
17 least fourteen calendar (14) days in advance and arrange for them to attend orientation and training  
18 session(s).

19                                  5. Following the orientation, the PS III/aquatics staff will determine if they are  
20 acceptable and qualified to perform the work.

21                                  6. The PS III/aquatics staff may request the Section Manager to assign  
22 additional Parks staff to the event.

23                                  D. For events at aquatics facilities, a site plan will be prepared with the event host  
24 prior to the event covering the necessary pool, deck, media set-up and room set-up as well as required  
25 equipment, etc.

26                                  E. Should there be a conflict between the County and the Union regarding an event,  
27 appropriate Management and Union representatives will meet as soon as possible to resolve the  
28 conflict.

1           **10.14. Capital Projects:** The parties agree that the bargaining unit employees will get the  
2 first opportunity to perform small capital project work that is within the scope of the bargaining unit's  
3 historical work. Small capital projects are defined by law.

4           **A.** Bargaining unit employees assigned to small capital project work will receive  
5 training, if necessary, including required certifications and licenses, to perform the work. In the event  
6 that an employee is not qualified to perform the work, but another employee is qualified to do the  
7 work, the employee that is qualified will be assigned to the project.

8           **B.** The parties agree to identify work in large Parks Division capital projects that are  
9 within the scope of the bargaining unit's historical work that will be assigned to bargaining unit  
10 employees; provided, the work can be performed within time constraints and budget.

11           **C.** If the parties determine the bargaining unit is unable to perform the work within  
12 the time constraints and budget, the parties agree the County can contract the work. Provided further,  
13 the project work is assigned as regular work and the assignment of the work does not adversely affect  
14 the regular maintenance work of the bargaining unit unless it is necessary to accomplish the terms of  
15 Section 14.12.

16           **D.** PS IIIs or OEs will provide the oversight of bargaining unit employees assigned to  
17 CIP projects within their work units.

18           **E.** The Labor-Management Committee, or sub-committee thereof, will address and  
19 resolve issues arising with the small and large capital projects.

1 **ARTICLE 11: MEDICAL, DENTAL AND LIFE INSURANCE**

2           **11.1.** The County shall maintain the current level of benefits under its medical, dental, vision  
3 and life insurance programs during the life of this Agreement subject to modification by the Joint  
4 Labor-Management Insurance Committee (JLMIC) as provided in Section 11.3.

5           **11.2.** The JLMIC shall be comprised of representatives from the County and the King County  
6 Labor Coalition whose function shall be to review, study, and make recommendations relative to  
7 existing medical, dental, and life insurance programs.

8           **11.3.** The Union and the County agree to incorporate changes to employee insurance benefits  
9 which the County may implement as a result of the agreement of the JLMIC.

10           **11.4.** Regular, probationary and term-limited temporary employees are eligible for benefits  
11 under this Article.

1 **ARTICLE 12: MISCELLANEOUS**

2 **12.1. Mileage Reimbursement.** All employees who have been authorized to use their own  
3 transportation on County business shall be reimbursed at the rate established by the County Council.

4 **12.2. Classification Specifications.** The County shall furnish the Union with classification  
5 specifications for all classifications in the bargaining unit on written request. The County will notify  
6 the Union of proposed revisions to the classification specifications and the County and the Union  
7 shall meet to review the proposed revisions prior to implementation upon written request of the  
8 Union.

9 **12.3. Job Descriptions.** The Parks Division shall furnish the Union with job descriptions  
10 describing the function, scope and complexity of specific positions and the knowledge, abilities and  
11 qualifications for the positions.

12 **12.4. Uniforms.** Uniforms and their replacement, excluding maintenance, the County  
13 requires employees to wear while on duty shall be paid for by the County. A division-wide employee  
14 committee shall be convened to review and revise the Parks uniform policy, as appropriate. The  
15 employee committee shall develop recommendations for uniform attire, within established funding  
16 allocations. The uniform policy and any subsequent changes thereto which affect bargaining unit  
17 members must be approved by the Labor-Management Committee. In the event agreement is not  
18 reached on a division-wide uniform policy, the Union and management may consider implementing a  
19 uniform policy for bargaining unit members.

20 **12.5. Training.** The County recognizes the mutual benefit to be attained by affording  
21 training opportunities to employees relating to their job duties and shall provide information and  
22 access to training opportunities, within budgeted appropriations. The training opportunities shall be  
23 guided by, but not limited to, the overall objectives of encouraging and motivating employees to  
24 enhance their personal capabilities in performance of their jobs. All employees shall have equal  
25 access to training. The County may provide employees release time to attend training programs that  
26 will be beneficial to their job performance. Notice of all such training opportunities which  
27 management deems appropriate will be made available to all employees in writing. If the County  
28 requires attendance at such training programs, the County will pay the expenses incurred.

1           **12.6. Procedures Changes.** Changes in written procedural guidelines or other work rules or  
2 regulations will be implemented only upon written notification of revisions to the Union. No  
3 employee shall be held responsible for violation of a written instruction, regulation, rule or guideline  
4 provided oral instructions to do so were received from supervisory personnel.

5           **12.7. Meet and Confer.** Matters of common concern to the parties will be the subject of a  
6 meet and confer discussion upon request of either Section Manager or Union Representative. Such  
7 meetings will be scheduled at the mutual convenience of both parties.

8           **12.8. Labor-Management Committee (LMC).** LMC meetings will be held on at least a  
9 quarterly basis. The purpose will be to deal jointly with issues and to maintain and improve labor-  
10 management relations. The LMC does not have the authority to hear active grievances or circumvent  
11 the grievance process contained within this Agreement. Further, the LMC is authorized to bargain  
12 pursuant to a specific provision contained in this Agreement, or upon agreement by the parties'  
13 authorized bargaining agents who shall be present when bargaining. LMC meeting agendas and  
14 minutes from the prior meeting shall be distributed to LMC members at least three (3) working days  
15 in advance of the meeting. The jointly approved minutes shall stand as the official record of  
16 decisions made by the LMC. In addition, the LMC will maintain a decision log summarizing all  
17 agreements reached by the LMC. Agenda items shall be submitted by both Union and the County and  
18 shall be limited to items of a group, rather than an individual, interest and concern.

19           **12.9. Union Notification.** When a significant change in work processes or methods is  
20 contemplated, the Union will be notified in writing. Except in emergencies, changes in work  
21 processes must be discussed at the LMC before they are implemented.

22           **12.10. Bus Passes.** Employees who are benefit eligible will also be eligible for a bus pass  
23 and other benefits of the King County Employee Transportation Program.

24           **12.11. Performance Feedback System.** The Parks Division intends to develop a  
25 performance feedback system in an effort to promote open and constructive two-way communication  
26 and to promote employee growth and development. Local 925 shall appoint representatives to serve  
27 on a division-wide committee to develop the performance feedback system. The performance  
28 feedback system and details of implementation must be approved by the LMC.

1           **12.12. Payroll Process Change.** If during the life of this Agreement the Council or  
2 Executive adopts a biweekly payroll plan, the parties agree to adopt the plan.

1 **ARTICLE 13: DISPUTE RESOLUTION PROCEDURES**

2 **13.1. Purpose.** King County recognizes the importance and desirability of settling grievances  
3 promptly and fairly in the interest of continued good employee relations and morale. The following  
4 process is outlined to accomplish this. Every effort will be made to settle grievances at the first level  
5 of supervision.

6 **13.2.** Employees will be unimpeded and free from restraint, interference, coercion,  
7 discrimination or reprisal in seeking adjudication of their grievances.

8 **13.3. Definitions.**

9 **A.** Grievance - An issue raised by an employee or his/her union representative relating  
10 to the interpretation of the employee's rights, benefits or conditions of employment as contained in  
11 this Agreement.

12 **B.** Institutional Grievance - An issue raised by the Union or the County related to  
13 interpretation or application of this contract.

14 **13.4. Procedure.**

15 **A. Step 1.** A grievance shall be presented by the affected employee and his/her union  
16 representative, if the employee wishes, to the employee's immediate supervisor within twenty-one  
17 (21) calendar days of the event which gives rise to the grievance. The immediate supervisor shall  
18 work with the employee and the Union representative to investigate and resolve the grievance within  
19 twenty-one (21) calendar days after the employee contact. Any grievance not presented in writing to  
20 the next level of this procedure, within the time limits contained in this procedure, shall be presumed  
21 resolved. A record of the grievance and its resolution shall be kept on a form mutually acceptable to  
22 the County and the Union.

23 **B. Step 2.** If a grievance cannot be resolved at Step 1, the matter may be referred to  
24 the Division Director for resolution. To be considered timely, this referral must occur within twenty-  
25 six (26) days of the employee's initial contact with his/her immediate supervisor. The referral shall  
26 be in writing from the Union and shall describe the specific event(s) giving rise to the grievance, the  
27 Section(s) of the Agreement allegedly violated, and the remedy sought.

28 **1.** The Division Director or his/her designee, the employee, and the Union

1 representative will work to resolve the grievance within thirty (30) days of its referral to Step 2.  
2 During this process, mediation may be used with the agreement of the Division Director and the  
3 Union representative. If mediation is agreed to, a mediator will be selected from a mutually agreeable  
4 source.

5                   2. If the Union representative, the employee, and the Division Director are  
6 unable to reach agreement resolving the grievance, the decision of the Division Director shall be  
7 presented to the employee and the Union in writing within thirty-five (35) days of the referral to Step  
8 2. Additionally, if there is no resolution, the Division Director's final pre-arbitration response must  
9 be concurred in by the Labor Negotiator who will be the Union's contact for the employer thereafter  
10 in the process.

11                   C. **Step 3.** Any grievance not resolved at Step 2 may be submitted to arbitration. Any  
12 such submittal must occur within thirty (30) days of the Division Director's Step 2 decision and must  
13 specify the exact question to be arbitrated or the grievance shall be presumed resolved.

14                   **13.5. Arbitration Procedure.** Should arbitration be necessary either after an attempt to  
15 mediate the grievance or directly after Step 2, the parties shall select a third disinterested party to  
16 serve as arbitrator. In the event that the parties are unable to agree upon an arbitrator, then the  
17 arbitrator shall be selected from a panel of seven (7) arbitrators furnished by the American Arbitration  
18 Association (AAA) or the Federal Mediation and Conciliation Service (FMCS), whichever source is  
19 mutually acceptable. The arbitrator will be selected from the list by both the County representative  
20 and the Union, each alternately striking a name from the list until only one (1) name remains. The  
21 party to strike first will be determined by a coin toss. The arbitrator under voluntary labor arbitration  
22 rules of the Association shall be asked to render a decision promptly and the decision of the arbitrator  
23 shall be final and binding on both parties.

24                   A. No matter may be arbitrated which the County, by law, has no authority over, has  
25 no authority to change, or has been delegated to any civil service commission or personnel board, as  
26 defined in RCW 41.56.

27                   B. The arbitrator shall have no power to change, alter, detract from or add to the  
28 provisions of this Agreement, but shall have the power only to apply and interpret the provisions of

1 this Agreement in reaching a decision.

2 C. The arbitrator's fee and expenses and any court reporter's fee and expenses shall  
3 be borne equally by both parties. Each party shall bear the full cost of its representation, including  
4 attorneys fees, regardless of the outcome of the arbitration.

5 **13.6. Alternative Dispute Resolution (ADR) Procedures.**

6 A. **Unfair Labor Practice.** The parties agree that thirty (30) days prior to filing a  
7 ULP complaint with PERC, the complaining party will notify the other party, in writing, meet, and  
8 make a good faith attempt to resolve the concerns unless the deadline for filing with PERC would  
9 otherwise pass or the complaining party is seeking a temporary restraining order as relief for the  
10 alleged ULP.

11 B. **Grievance.** After a grievance is initially filed, the following ADR process may be  
12 followed, with mutual consent of the Union and the division. This process will not exceed ten (10)  
13 days:

14 1. A meeting will be arranged by the Union representative, division  
15 management representative and the Labor Negotiator (or their designees) to attempt to resolve the  
16 matter.

17 2. The meeting will include a mediator(s) and the affected parties. The parties  
18 may mutually agree to other participants such as union and management representatives or subject  
19 matter experts.

20 3. The parties will meet at mutually agreeable times to attempt to resolve the  
21 matter.

22 4. If the matter is resolved, the grievance will be withdrawn.

23 5. If the matter is not resolved, the grievance will continue through the  
24 grievance process.

25 6. The moving party can initiate the next step in the grievance process at the  
26 appropriate times, irrespective of this process.

27 7. Offers to settle and aspects of settlement discussions will not be used as  
28 evidence or referred to if the grievance is not resolved by this process.

1 C. This Section does not supersede or preclude any use of grievance mediation later in  
2 the grievance process.

3 **13.7. Institutional Disputes.** After informal attempts to resolve institutional disputes, if  
4 either the Union or management wishes to raise a dispute as to the application of this agreement, an  
5 institutional grievance may be filed with the other party.

6 A. After the institutional grievance is filed, the parties will meet to attempt to resolve  
7 the matter within the next sixty (60) days. Grievance mediation can be used if both parties agree.  
8 Mediation services will be requested from a mutually acceptable source. If the matter is not settled  
9 within these sixty (60) days, the grieving party may invoke arbitration. The employer's final pre-  
10 arbitration response or formal invocation of arbitration must be concurred in by the Labor Negotiator,  
11 which will be the Union's contact for the employer thereafter in this process.

12 B. If arbitration is invoked, the arbitration procedures set forth in Section 13.5 shall  
13 apply.

14 **13.8. No Right to Strike or Lockout.** There shall be no strikes, cessation of work or lockout  
15 while disputes are being resolved or during arbitration.

16 **13.9. Exclusive Process.** The right to process and settle grievances arising out of any  
17 provision of this Agreement is wholly, to the exclusion of any other means available, dependent upon  
18 the provisions of this Article. The Union and the County agree to act promptly and fairly in all  
19 grievances.

20 **13.10. Probationary Employees.** All newly hired and promoted regular employees must  
21 serve a probationary period as defined in the Personnel Guidelines. As those Personnel Guidelines  
22 specify that the probationary period is an extension of the hiring process, the provisions of this Article  
23 will not apply to employees if they are discharged during their initial probationary period or are  
24 demoted during the promotional probationary period for not meeting the requirements of the  
25 classification. Grievances brought by probationary employees involving issues other than discharge  
26 or demotion may be processed in accordance with this Article.

27 **13.11. Temporaries.** Seasonals, temporary and term-limited temporary employees shall have  
28 no right to grieve their discharge. Grievances brought by seasonals, temporary and term-limited

1 temporary employees involving issues other than discharge may be processed in accordance with this  
2 Article.

3 **13.12. Time Limits.** The time limits set forth in this Article may be extended upon written  
4 consent of both parties. Unless a written extension has been granted, failure of the grievant to pursue  
5 the grievance to the appropriate step within the time limits set forth herein shall constitute a waiver of  
6 the grievant's right to pursue the grievance to the next step. Failure of the County to respond to the  
7 grievant within the time limits set forth herein shall automatically move the grievance to the next step  
8 with notice provided to the management person at the next applicable step by the Union.

9 **13.13. Step for Filing of Grievance.** A grievance may be filed at any step that is mutually  
10 agreed upon in writing by the County and the Union.

11 **13.14. Waiver of Grievance Steps.** The Union and County may agree in writing to waive  
12 any of the above steps.

1 **ARTICLE 14: REDUCTION IN FORCE (RIF) AND RE-HIRE**

2       **14.1. Layoff.** The County and the Union recognize the value of well trained and qualified  
3 employees and agree that other employment options should be explored prior to laying off a regular  
4 employee. In addition, the County and the Union recognize the value of two-way communication in  
5 facilitating workforce transitions as a result of lay-offs. The following process is established to assure  
6 that communication and exploration of alternatives to lay-off are achieved.

7               **Step 1.** At the time division management proposes a facility closure, transfer of  
8 facility ownership, service reductions, budget reductions or other actions which could result in  
9 employee lay-offs within this bargaining unit, division management shall make this information, as  
10 well as information about the reasons for the proposed or actual action, the likely time frame within  
11 which such action will occur, and the extent of the impact on the workforce, available to the LMC as  
12 soon as practical.

13               **Step 2.** The LMC shall be convened specifically to discuss the proposed layoffs and  
14 recommend alternatives, including but not limited to employee re-training for other vacant positions,  
15 and transfer to vacant positions.

16       **14.2. Transfer of Facility - Placement Assistance.** If employment opportunities for affected  
17 employees are not found within the County, and the facility is transferred to another jurisdiction as a  
18 result of annexation or incorporation, the County will demonstrably try to get the new owner to hire  
19 County employees. The County will advise the LMC of its efforts to get the new owners of County  
20 facilities to hire laid-off County employees.

21       **14.3. Layoff by Classification.** Employees laid-off shall be laid-off according to seniority  
22 within their classification. In the event that an employee is unable to bump under this provision, s/he  
23 may elect to bump as provided under Section 13.4, or accept the layoff.

24       **14.4. Bumping in Classification Series.** Employees scheduled to be laid-off may exercise  
25 their right to bump employees in a lower paid classification series within this bargaining unit,  
26 provided that the employee has performed and is still qualified to perform the duties of the lower paid  
27 classification, and the employee has more classification seniority than the employee being bumped.  
28 Such action shall take place prior to the date the layoff is to be effective.

1           **14.5. Position Moving.** If a bargaining unit position is eliminated or is moved from one  
2 business area/unit to another business area/unit, the employee who held that position can move with  
3 the position, move into another vacant position within his/her classification, or bump a less senior  
4 employee in the classification. The LMC may develop and modify when necessary a process for  
5 administering this provision.

6           **14.6. Bumping.**

7           **A.** Employees scheduled for layoff under Sections 14.3 and/or 14.4 and employees  
8 whose positions have been moved under Section 14.5 will be notified of the pending action and are  
9 considered at risk. Employees who are less senior than the at-risk employee will also be notified.

10           **B.** The County and Union shall jointly establish an appointment schedule for the  
11 employees to make bumping decisions, if needed, based on classification seniority.

12           **C.** The notice to employees will include a description of the bumping process to be  
13 followed by an appointment confirmation slip. Affected employees must return the appointment  
14 confirmation with the timeframe required, indicating their preference to appear for the appointment in  
15 person, participate by telephone, or by proxy.

16           **D.** Parks management and the Union shall jointly administer the bump process.

17           **14.7. Supported Employment.** Employees who are classified as PSI and are in the  
18 Supported Employment Program cannot bump or be bumped under the terms of this Article. Issues  
19 concerning the lay off of employees in the Supported Employment Program, if any, will be resolved

2 shall be recalled to employment in a classification with a higher pay range than the pay range of the  
3 classification held at the time of layoff. In the event the classification from which the employee was  
4 laid off moves to a higher pay range, the employee will continue to have recall rights to that  
5 classification or to any new classification which includes the classification held at the time of layoff.

6 **14.11. Probation.** Employees who elect to bump as provided herein or are recalled will not

8 successfully passed probation in said classification.

9 **14.12. Staffing Levels.** The County agrees to retain at least 69 regular bargaining unit FTEs

13 during the term of the Agreement (expiring December 31, 2007) will the FTE level be reduced below  
14 50 regular 12-month full-time bargaining unit FTEs. In the event no successor agreement is reached

3 discriminate against any individual with respect to compensation, terms, conditions, or privileges of  
4 employment because of race, color, religion, national origin, sexual orientation, marital status, age,  
5 sex, ancestry, veteran's status, or the presence of a sensory, mental, or physical disability.

6       **16.2. Savings Clause.** Should any part hereof or any provision herein contained be rendered  
7 or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a  
8 court of competent jurisdiction, such invalidation of such part or provision of this Agreement shall  
9 not invalidate the remaining portions hereof; provided, however, upon such invalidation the parties  
10 agree immediately to meet and negotiate such parts or provisions affected. The remaining parts or  
11 provisions shall remain in full force and effect.

12       **16.3. Work Stoppages and Employer Protection.** The County and the Union agree that the  
13 public interest requires efficient and uninterrupted performance of all County services and to this end  
14 pledge their best efforts to avoid or eliminate any conduct contrary to this objective. The County  
15 agrees to not lock out employees covered under this Agreement. Specifically, the Union shall not  
16 cause or condone any work stoppage, including any strike, slowdown or refusal to perform any  
17 customarily assigned duties, sick leave absence which is not bona fide, or other interference with  
18 County functions by employees under this Agreement and should same occur, the Union agrees to  
19 take appropriate steps to end such interference. Any concerted action by any employee in the  
20 bargaining unit shall be deemed a work stoppage if any of the above activities have occurred. Being  
21 absent without authorized leave shall be considered as an automatic resignation. Such a resignation  
22 may be rescinded by the Section Manager if the employee presents satisfactory reasons for his/her  
23 absence within three (3) calendar days of the date his/her automatic resignation became effective.

24               A. Upon notification in writing by the County to the Union that any of its members  
25 are engaged in a work stoppage, the Union shall immediately, in writing, order such members to  
26 immediately cease engaging in such work stoppage and provide the County with a copy of such order.  
27 In addition, if requested by the County, a responsible official of the Union shall publicly order such  
28 Union employees to cease engaging in such a work stoppage.

1                   B. Any employee who commits any act prohibited in this Section will be subject in  
2 accord with the County's Work Rules to the following action or penalties:

3                   1. Discharge.

4                   2. Suspension or other disciplinary action as may be applicable to such  
5 employee.

6                   **16.4. Waiver Clause.** The parties acknowledge that each has had the unlimited right within  
7 the law and the opportunity to make demands and proposals with respect to any matter deemed a  
8 proper subject for collective bargaining. The results of the exercise of that right and opportunity are  
9 set forth in this Agreement. Therefore, the County and the Union, for the duration of this Agreement,  
10 each agrees to waive the right to oblige the other party to bargain with respect to any subject or matter  
11 not specifically referred to or covered in this Agreement.

1 **ARTICLE 17: CONTRACTING OUT**

2       **17.1. Contracting.** The County agrees not to contract out or assign to another agency or  
3 individual the work normally performed by members of the bargaining unit if the contracting out or  
4 assignment of such work eliminates, jeopardizes, or reduces the normal workload of the bargaining  
5 unit. The County agrees to inform the Union of any contracting out under this Section.

6       **17.2. Partnerships with Other Parties.** Notwithstanding the provisions of Section 16.1, in  
7 implementing Association Development & Operations Partnerships (ADOP) programs and other  
8 partnerships (internal and external to the Parks Division) and as a means of resolving unfair labor  
9 practice and grievance disputes arising from the contracting out of bargaining unit work at Redmond  
10 Ridge Park, the parties agree as follows:

11           **A.** The County agrees that no bargaining unit FTEs will be reduced or eliminated as a  
12 result of implementing an ADOP or other form of partnership agreement.

13           **B.** The Parks/Local 925 LMC shall be advised when an ADOP or other form of  
14 partnership agreement is officially submitted to the County. The LMC will be briefed, and input  
15 sought, regarding the activities envisioned in the agreements with outside parties.

16           **C.** The Parks/Local 925 LMC will work collaboratively on the development of  
17 templates for agreements with other parties, and will jointly review and resolve issues. In the event  
18 agreement cannot be reached, the parties shall seek mediation assistance at the earliest availability.

19           **D.** At the earliest opportunity, the appropriate Local 925 bargaining unit employee(s)  
20 shall be involved in the coordination and implementation of the operations, maintenance, installation,  
21 and development of Parks' property and/or facilities by other parties, which fall appropriately within  
22 the scope of the bargaining unit work.

23           **E.** The parties will review and/or develop as needed site/project specific descriptions  
24 of tasks/duties of other parties.

25           **F.** If an ADOP or other partnership agreement permits the other party to subcontract

27 shall specify that King County Parks is the sole source to provide such services.

28           **G.** When new or renewed agreements permits the other party to subcontract

5 management costs up through the Division level.

6           **H.** Donations to Parks (e.g. property, equipment, vehicles, volunteer time) must be  
7 disclosed to the Parks/Local 925 Labor-Management Committee (LMC) on a timely basis. The LMC  
8 shall review this information and make recommendations on proper siting, installation, maintenance,  
9 etc.

10           **I.** When the Parks/Local 925 LMC reviews volunteer agreements, they shall jointly  
11 develop plans to direct, train and supervise volunteers.

12           **J.** PS IIIs or OEs will provide the oversight of bargaining unit employees assigned to  
13 ADOP projects within their work units.

14           **17.3. Grounds Maintenance at KCAC.** Grounds maintenance at the King County Aquatic  
15 Center will be performed by members of the Local 925 bargaining unit. Staff will develop a plan by  
16 October 31, 2005, subject to Park Management's approval, for maintaining the grounds at current  
17 levels/standards and with no increase in expenditure.

1 **ARTICLE 18: EMPLOYEE RIGHTS**

2 **18.1. Off-duty Activities.** The off-duty activities of employees shall not be cause for  
3 disciplinary action unless said activities are detrimental to the employee's work performance or the  
4 program of the agency.

12 investigation and take disciplinary action within fourteen (14) calendar days of the alleged violation,  
13 the disciplinary action shall be taken within fourteen (14) calendar days of the conclusion of the  
14 investigation or such action will be null and void. All investigations related to disciplinary matters

16 level of supervision outside of the bargaining unit.

18 personnel file(s) if the employee so authorizes in writing. Material placed into the employee's file(s)  
19 relating to job performance or personal character shall be brought to his or her attention. The  
20 employee may challenge the propriety of including such material in the file(s) and if successful in that  
21 challenge, the material shall be removed. The employee shall have the right to insert documentation  
22 into the file(s), providing such documentation is relevant to the challenge. Unauthorized persons
