2. Except as modified herein, the facts set forth in the King County Department of Natural Resources & Parks, Water and Land Resources Division, Preliminary Report for the March 8, 2006, public hearing are found correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this report submitted to the King County Council.

The following changes should be made to the staff report:

- A. The hearing date at the top of the staff report should read March 8, 2006, rather than 2005.
B. The zip code for the owners should be modified to eliminate the 's' at the end.

3. Timely application was made to King County for current use valuation of the subject property to begin in 2007. Notice of the application was given as required by law.
4. The property contains priority open space resources and is eligible for a total award of 25 points under the King County Public Benefit Rating System. The resulting current use value therefore would be 20% of market value for 9.08 acres of the property.
5. Credit may be awarded administratively for the Rural Stewardship Land category subject to Applicant submission of an approved Rural Stewardship Plan by June 1, 2006. If credit is awarded for this category, the total point award would increase to 30 but there would be no change to the property's current use valuation.

CONCLUSION:

1. Approval of current use valuation of 20% of market value for 9.08 acres of the property pursuant to the Public Benefit Rating System adopted by King County Ordinance No. 10511, as amended, would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

APPROVE current use valuation of 20% of market value for 9.08 acres of the subject property, subject to the conditions recommended in the Department of Natural Resources & Parks report for the March 8, 2006, public hearing, and the following additional condition:

1. Credit may be awarded administratively for the Rural Stewardship Land category as stated in Finding no. 5 above. Award for this category will increase the point total to 30 with no change to the current use valuation for the property.

Current use valuation shall be subject to all terms and conditions of RCW Chapter 84.34 and KCC Chapter 20.36, as may be amended from time to time, and all regulations and rules duly adopted to implement state law and county ordinances pertaining to current use valuation.

RECOMMENDED this 20th day of March, 2006.

King County Hearing Examiner

In order to appeal the recommendation of the Examiner, written notice of appeal must be filed with the Clerk of the King County Council with a fee of \$250.00 (check payable to King County Office of Finance) *on or before April 3, 2006*. If a notice of appeal is filed, the original and 6 copies of a written appeal statement specifying the basis for the appeal and argument in support of the appeal must be filed with the Clerk of the King County Council *on or before April 10, 2006*. The Examiner does not have authority to extend the time period unless the Office of the Clerk is not open on the specified closing date, in which event delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

If a written notice of appeal and filing fee are not filed within 14 days calendar days of the date of this report, or if a written appeal statement and argument are not filed within 21 calendar days of the date of this report, the Clerk of the Council shall place a proposed ordinance which implements the Examiner's recommended action on the agenda of the next available Council meeting. At that meeting, the Council may adopt the Examiner's recommendation, may defer action, may refer the matter to a Council committee, or may remand to the Examiner for further hearing or further consideration.

Action of the Council is final. The action of the Council on a recommendation of the Examiner shall be final and conclusive unless within twenty-one (21) days from the date of the action an aggrieved party or person applies for a writ of certiorari from the Superior Court in and for the County of King, State of Washington, for the purpose of review of the action taken.
