Ordinance 15473

Proposed No. 2006-0129.4

Sponsors Ferguson

1 AN ORDINANCE authorizing the King County executive
2 to lease two hundred eighty park and ride stalls from
3 Northgate Mall Partnership; and declaring an emergency.

4

5

6 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

7 SECTION 1. Findings:

8 A. King County's growth management policies promote the creation of housing
9 in urban areas to minimize sprawl and encourage urban development, walking and other
10 benefits of downtown development.

11 B. Consolidation of the park and ride spaces adjacent to the Northgate Transit
12 Center provides important benefits to Metro's customers and provides better service and
13 reliability.

14 C. King County will gain significant sales tax and property tax revenues through
15 the redevelopment of parcels adjacent to the Northgate Transit Center.

16 D. Northgate Mall Partnership, the current owner of the Northgate Mall, is
17 planning an expansion of the mall and is developing a structured parking garage as part
18 of the retail expansion.

19 E. The development will include construction of a parking garage.

20 F. Shared parking stalls reduce the area devoted to automobiles and promote
21 more pedestrian friendly urban environments. The Northgate Mall Partnership parking
22 garage will provide parking for park and ride users, and visitors to the Northgate Mall
23 thus reduce the land area dedicated to surface parking.

24 G. The plan to replace existing park and ride facilities that are presently provided
25 at the Northgate park and ride lot located at 11203 5th Avenue NE, Seattle, Washington,
26 and to convey that lot to the city of Seattle requires the execution of leases for
27 replacement garage parking space with two project developers as well as a purchase and
28 sale agreement with the city of Seattle, together with an appropriation necessary to fund
29 the leases. The project developers have existing deadlines for the execution of leases
30 with the county and for the conveyance of property between them that are necessary to
31 support their project financing that will expire during the first week in June 2006. Delay
32 of execution of these agreements past those deadlines would create a significant risk of
33 cancellation of the projects or substantial project delays and cost increases to the county.
34 Unless this ordinance is enacted as an emergency ordinance, it will not be possible to
35 accomplish the timely execution of the leases and purchase and sale agreement, all of
36 which are necessary to allow the plan to proceed.

37 SECTION 2. The King County executive is hereby authorized on behalf of the
38 county to execute a lease agreement with Northgate Mall Partnership for the lease of two

39 hundred eighty parking stalls in substantially the same form as Attachment A to this
40 ordinance, provided that the lease shall not be executed until the effective date of Ordinance
41 15474 (Proposed Ordinance 2006-0130).

42 SECTION 3. The appropriate county officials, agents and employees are hereby
43 authorized to take all actions necessary to implement the lease and all actions up to now
44 taken by county officials, agents and employees consistent with the terms and purposes of
45 the purchase and sale agreement are hereby ratified, confirmed and approved.

46 SECTION 4. If any one or more of the covenants or agreements provided in this
47 ordinance to be performed on the part of the county is declared by any court of competent
48 jurisdiction to be contrary to law, then such covenant or covenants, agreement or
49 agreements, are null and void and shall be deemed separable from the remaining
50 covenants and agreements of this ordinance and shall in no way affect the validity of the
51 other provisions of this ordinance or the lease agreement.

52 SECTION 5. The council finds as a fact and declares that an emergency exists

53 and that this ordinance is necessary for the immediate preservation of public peace, health
54 or safety or for the support of county government and its existing public institutions.
55

Ordinance 15473 was introduced on 3/13/2006 and passed as amended by the Metropolitan King County Council on 5/22/2006, by the following vote:

Lease # _____

LEASE AGREEMENT

THIS LEASE AGREEMENT, dated _____, 2006 (for reference purposes only), is made by and between NORTHGATE MALL PARTNERSHIP, a Delaware general partnership (hereinafter called Lessor) and King County, a political subdivision of the State of Washington (hereinafter called Lessee):

WITNESSETH:

1. Premises: Lessor does hereby agree to lease to Lessee, upon the following terms and conditions, 280 parking stalls as described herein and depicted on the attached site plan dated March 9, 2006, attached as Exhibit A and incorporated herein by reference, hereinafter called the ' ' Premises ' ', located on the top two floors of a new parking garage to be constructed by Lessor, hereinafter called the ' ' Garage ' ', which is located on a portion of real property in Seattle, Washington, which real property is also depicted in Exhibit A and incorporated herein by reference.

2. Term: The term of this lease shall be for Twenty (20) years, commencing on the 1st day of the month following delivery of possession of the entire Premises ("Commencement Date"), provided, in no event shall delivery occur later than June 1, 2007, subject to force majeure and timely processing and issuance of permits by the City of Seattle. Lessee shall have the right to extend the lease for two (2) additional ten year periods. Lessee must deliver written notice to Lessor of its election to exercise its extension right within 120 days of the termination of the initial lease term or the extended lease term.

3. Preparation of Premises and Delivery of Possession: Prior to the commencement of the term hereof, Lessor shall arrange for construction of the Garage pursuant to the construction plans set forth in Exhibit B attached hereto or as otherwise agreed to by the parties in writing. The Premises shall be deemed completed and Premises delivered on the date these improvements are completed in accordance with Exhibit B and open for public use.

4. Initial Payment and Rent:

4.1. Lessee covenants and agrees to pay Lessor, at Lessor's address, without deduction or offset, in the first year of the lease term the following:

a. The first installment of an initial payment in the amount of One Million, Two Hundred Twenty Seven Thousand Five Hundred Dollars (\$1,227,500) within 30 days of receiving notice from Lessor of completion of 50% of construction activity;

b. The remainder of an initial payment in the amount of **One Million, Two Hundred Twenty Seven Thousand Five Hundred Dollars (\$1,227,500)** within 30 days of delivery of possession; and

c. Rent for the first year of the lease term in the amount of \$100,000 within 30 days of delivery of possession.

4.2. For each year thereafter, payable in advance, without prior notice or demand, on the anniversary of the Commencement Date, the rent shall be as follows:

Year two through Year five - \$100,000.

Year six through Year ten - \$110,000

Year eleven through Year fifteen - \$120,000

Year sixteen through Year twenty - \$130,000

Year twenty-one through Year twenty-five - \$140,000

Year twenty-six through Year thirty - \$150,000

Year thirty-one through Year thirty-five- \$160,000

Year thirty-six through Year forty - \$170,000

4.3. In addition, Lessee shall pay Lessor as Additional Rent Twenty Five Percent (25%) of the property tax paid by Lessor based on the assessed value of the Garage. Lessor shall invoice the Lessee at least thirty (30) days prior to the anniversary date of the lease term for the Lessee's portion of the property tax paid by Lessor over the previous twelve (12) months. Payment is conditioned on Lessor providing supporting documentation for the amount invoiced if requested by Lessee. Payment of the property tax invoice from Lessor shall be due along with the rent payment; provided that if Lessee requests supporting documentation, payment is not due until documentation acceptable to Lessee is provided and the amount due is only the amount justified by such documentation as mutually determined by the parties.

5 **Use of Premises by Lessee:** The Lessee shall have exclusive use of the Premises for transit passenger parking between 5:00 a.m. and 9:00 a.m. on weekdays (excluding federal holidays, the day after Christmas, and the Friday after Thanksgiving). The Lessee will have shared use of the Premises after 9:00 a.m. on weekdays. The Garage will be closed from 12:00 a.m. (midnight) until 5 a.m. and no overnight parking will be allowed. Lessee shall possess all rights necessary for transit passengers to access and use the Premises, including the rights of ingress and egress and rights to use stairs and elevators. The Garage shall include at a minimum a stairwell in the southwest corner of the Garage and a stairway to 103rd Street at Second Avenue.

The Garage also shall include a wheelchair accessible elevator near the sky-bridge on the north side of the Garage.

6. **Utilities:** The Lessor shall provide for, at its sole expense, all required utilities.

7. **Maintenance, repairs, security and enforcement:** Lessor shall be solely responsible for the maintenance, repair, operation and security of the Premises and the Garage in which they are contained. The Garage and the Premises shall be maintained by Lessor as a safe, secure, well-maintained and functional "first-class" retail parking facility. The Lessor shall also be responsible for ensuring that the Premises is used only by Lessee and its customers between the hours of 5 a.m. and 9 a.m. and to taking any enforcement measures necessary to ensure such exclusive use. The Lessee shall pay a set annual fee to Lessor for operation and maintenance of the Premises. This fee shall be \$44,780 per year, due on the first anniversary of the Commencement Date, and each anniversary date thereafter, for all inclusive operating and maintenance costs and shall be increased annually by CPI (same as \$240/stall/year times 25% of garage capacity, 186.25stalls) and shall also constitute Additional Rent herein.

The CPI referred to herein shall be the Consumer Price Index for Seattle-Tacoma-Bremerton for All Urban Consumers (1982-84=100) published by the United States Department of Labor's Bureau of Labor Statistics ("CPI") for which the first full calendar month of the lease term shall be the "Base Index". The CPI for each year referred to in this section shall be the "Adjustment Index" to compute maintenance fee adjustments to commence with each said year. If the applicable Adjustment Index has increased over the Base Index, then the maintenance fee payable under this Lease for that year shall be the maintenance fee set forth in this paragraph multiplied by a fraction, the numerator of which is the appropriate Adjustment Index and denominator of which is the Base Index. If, during the Lease Term, the maintenance fee payable under this paragraph is changed by an amendment to this Lease, said maintenance fee payable pursuant to the latest Lease amendment shall be the maintenance fee which is adjusted by the formula set forth in this paragraph. If any index is calculated from a base different from the base period 1982-84=100, such index shall be converted to a base period of 1982-84=100 by use of a conversion factor supplied by said Bureau of Labor Statistics. If the CPI is discontinued or replaced during the term of this Lease, such other governmental Cost of Living Index or computation which replaces the CPI, as agreed upon by the Lessor and Lessee, shall be used in order to obtain substantially the same result as would be obtained if the CPI had not been discontinued or replaced.

8. **Signs:** Lessor shall install and maintain interior and exterior signs provided by Lessee, subject to mutual agreement of the parties, to designate the spaces available for use by Lessee's patrons and provide direction thereto. Prior to delivery of the Premises, Lessee shall install those signs Lessee provides with sufficient lead time to allow for timely installation.

9. **Indemnity and Hold Harmless:** Lessor and Lessee mutually agree that in any and all causes of action and/or claims, or third party claims, arising under the terms, activities, use and /or operations of this Lease, including the Premises, a party shall be responsible to the other only to the extent of its comparative fault in causing alleged damages or injuries. Each party agrees to indemnify the other to the extent of the indemnitor's and indemnitee's proportional share.

As to any and all causes of actions and/or claims, or third-party claims, arising under the sole fault of a party to this Lease, said party shall have a duty to defend, save, and hold the other party harmless, and upon failure to do so, said party shall pay reasonable attorney's fees, costs and expenses incurred by the other party to this Lease in defense of said claims and/or actions.

10. **Insurance:** Lessor shall maintain Property and General Liability insurance in amounts acceptable to Lessee and shall include Lessee as a named insured on these policies. Lessor shall provide Lessee with certificates of insurance and endorsement in a form acceptable to Lessee if requested by Lessee.

11. **Termination:** This Section 11 is in addition to any other provision of this Lease authorizing or otherwise relating to early termination of said Lease.

11.1. **Termination of Convenience by Lessee.** Lessee may terminate the lease for its convenience at anytime after the fifth (5th) lease year of the term of this lease by providing six (6) months' advance notice.

11.2. **Termination of Convenience by Lessor.** Lessor shall have the right to terminate the lease, which termination shall be effective at any time after year 20, by providing at least two years' notice prior to the termination date.

11.3. **Completion of Construction.** If Lessor fails to deliver possession of the entire Premises to Lessee on or before June 1, 2007, subject to force majeure, as defined in Section 27 below and timely processing and issuance of permits by the City of Seattle, then Lessee shall have the right to elect either to enforce the lease through a judicial action for damages and injunctive relief or to terminate this Lease for non-delivery of the Premises. If Lessee exercises this right to terminate, Lessor shall return to Lessee in its entirety the first installment paid pursuant to Section 4.1(a) herein.

11.4. **Damage or Destruction.** In the event that the Premises or any portion thereof are substantially damaged or destroyed so as to hinder effective use of the Premises for Lessee's authorized use, as defined herein and Lessor does not provide replacement stalls, Lessee may elect to terminate this Lease, upon thirty (30) days' written notice to Lessor. If Lessee exercises this right to terminate, Lessor shall reimburse Lessee \$2,455,000 depreciated on a straight-line basis over twenty (20) years starting from the Commencement Date.

11.5. **Breach.**

- a. Lessor may terminate this Lease upon ten (10) days' prior written notice to Lessee if Lessee fails to pay rent, including all Additional Rent, of this Lease by the tenth (10th) day after it is due.
- b. Lessor or Lessee may terminate this Lease if the other party breaches or fails to perform or observe any of the terms and/or conditions of this Lease, other than payment of rent, and fails to cure such breach or default within thirty (30) days after written notice from the non-

breaching party or such longer period, up to sixty (60) days, as may be reasonably required, to diligently complete a cure commenced within that thirty (30) day period and being diligently and continuously pursued by the breaching party.

- c. Excluding the election of remedies set forth in Section 11.3 above, the remedies for breach set forth in 11.5.a. and 11.5.b. above are not exclusive, and Lessor or Lessee may pursue all rights they may have at law or in equity in addition to and notwithstanding such provisions.

11.6. **Termination Process.** Unless otherwise specified in this Lease, prior written notice of termination shall be delivered by certified mail, return receipt requested, and shall be effective upon receipt of such notice, as evidenced by the return receipt. Upon such termination, Lessee shall be entitled to the reimbursement of any rent prepaid by Lessee for any period after termination, except that initial payments, other than rent or Additional Rent, due for the first year of the Lease shall not be reimbursed or refunded in whole or in part except pursuant to Sections 11.3 and 11.4.

12. **Subletting and Assignment:** Lessee shall not sublet the whole or any part of the Premises, nor assign this lease or any interest thereof, without the prior written consent of the Lessor, which consent may be granted or withheld in Lessor's sole and absolute discretion.

13. **Prevailing Wage:** All contractors and subcontractors employed on construction of the Garage shall pay the prevailing rate of wages as defined in Chapter 39.12 of the Revised Code of Washington.

14. **Liens:** Lessor and Lessee shall keep the Premises and the Garage free from any liens arising out of any work performed, materials furnished, or obligations incurred by Lessee or Lessor.

15. **Hazardous Substances:**

15.1 Lessor and Lessee mutually agree that no generation, use, release, handling, transportation, treatment or storage of hazardous substances (Hazardous Substances) exist on the Premises, except as may be contained in solvents, paints, cleaners and other chemical agents, compounds or products used in the normal course of construction, maintenance, repair and operation of the Garage and the immediate environs ("Normal Use Substances"). Except for Normal Use Substances, Lessor acknowledges and fully discloses that the Premises contain no Hazardous Substances as defined by applicable law. Upon the execution of this lease, if Lessor or Lessee subsequently discovers the existence of Hazardous Substances on the Premises, Lessor and Lessee shall disclose to each other this material fact and act within full compliance of all applicable laws, regulations and safety practices governing Hazardous Substances. Lessor and Lessee further mutually agree that in any and all causes of action and/or claims, or third-party claims, arising under the terms, activities, use and/or operations of this lease, each party shall be responsible, to the extent of each other's comparative fault in causing the alleged damages or injuries. Notwithstanding Section 9 (above), each party agrees to indemnify, defend and hold harmless Lessor or Lessee, its appointed and elected officials, employees, from and against any and all claims, liabilities, damages, and expenses, including reasonable attorney's fees, asserted against Lessor or Lessee by a third party, including without limitation, any agency or instrumentality of the federal government, state or local

government, for bodily injury, including death of a person, physical damage to or loss of use of property, or clean-up activities (including but not limited to investigation, study, response, remedial action, or removal), fines or penalties arising out of or relating to the presence, release, or threat of release of a Hazardous Substance existing or emanating from the Premises, except that Lessee's obligation to indemnify shall not extend to Hazardous Substances or the release of same which existed or emanated from the Premises prior to Lessee's possession of the Premises. Lessor's and Lessee's obligations under this paragraph shall survive the expiration or other termination of this lease.

15.2 **Definition of Hazardous Substances:** "Hazardous Substances" as defined in this lease shall mean:

- a. Any toxic substances or waste, sewage, petroleum products, radioactive substances, medicinal, bacteriological, or disease-producing substances; or
- b. Any dangerous waste, hazardous waste, or hazardous substance as defined in:
 - i. Comprehensive Environmental Response, Compensation and Liability Act of 1980, as now or hereinafter amended (42 U.S.C. 9610 et seq.);
 - ii. Resource Conservation and Recovery Act, as now or hereafter amended (42 U.S.C. 6901 et seq.);
 - iii. Washington Model Toxics Control Act, as now or hereinafter amended (R.C.W. Chs. 70.105, 70.105A and 70.105D); or
- c. Any pollutant, contaminants, substances, as defined above, posing a danger or threat to public health or welfare, or to the environment, which are regulated or controlled by any federal, state and local laws, and regulation, as now or hereafter amended.

16. **Waiver of Subrogation:** Lessor and Lessee agree that they shall not make a claim against or seek recovery from the other for any loss or damage to their property, or the property of others, resulting from fire or other hazards covered by fire and extended coverage insurance and each hereby releases the other from any such claim or liability regardless of the cause of such loss or damage so covered by insurance. In the event of any increased cost or impairment of ability to obtain such insurance, the party suffering such increased cost or impairment may terminate such waiver and release upon written notice to the other party hereto. Such waiver is conditioned upon the parties having had their respective insurance companies issue a policy or endorsement providing that the waiver or release of subrogation rights shall not adversely affect or impair such policies or recovery by the insured thereunder.

17. **Holding-Over:** If, with Lessor's written consent, which consent may be granted or withheld in Lessor's sole and absolute discretion, Lessee holds possession of the Premises after the term of this lease or any extension thereof, Lessee shall become a tenant from year-to-year upon the terms herein specified, but at a yearly rent equivalent to 125% of the then prevailing rent payable by Lessee at the expiration of the term of this lease or any extension thereof and subject, without limitation, to the continued application of all of the provisions of Sections 4 and 5 herein, payable in advance on the anniversary of the Commencement Date.

18. **Surrender of Premises:** At the end of the term of this lease or any extension thereof or other sooner termination of this lease, Lessee will peaceably deliver up to Lessor possession of the Premises.

19. **Costs and Attorney's Fees:** If, by reason of any default or breach on the part of either party in the performance of any of the provisions of this lease, a legal action is instituted, the losing party agrees to pay all reasonable costs and attorney's fees in connection therewith. It is agreed that the venue of any legal action brought under the terms of this lease will be in the county in which the Premises are situated.

20. **Subordination:** If a lender requires that this lease be subordinated to any encumbrance now of record or any encumbrance recorded after the date of this lease, this lease shall be subordinated to that encumbrance, if Lessor first obtains from the lender a written agreement that provides substantially the following:

20.1 As long as Lessee is not in default under this lease, no foreclosure of, deed given in lieu of foreclosure of, or sale under the encumbrance, and no steps or procedures taken under the encumbrance, shall affect Lessee's rights under this lease.

20.2 The provisions in this lease concerning the disposition of insurance proceeds on destruction of the Premises, and the provisions in this lease concerning the disposition of any condemnation award shall prevail over any conflicting provisions in the encumbrance.

20.3 Lessee shall attorn to any purchaser at any foreclosure sale, or to any grantee or transferee designated in any deed given in lieu of foreclosure.

20.4 Lessee shall execute the written agreement and any other documents required by the lender to accomplish the purposes of this paragraph.

21. **Successors and Assigns:** All of the agreements, conditions and provisions of this lease shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors and assigns of Lessor and Lessee.

22. **Anti-Discrimination:** In all services or activities, and all hiring or employment made possible by or resulting from this lease, there shall be no discrimination against any employee or applicant for employment because of sex, age (except minimum age and retirement provisions), race, color, creed, national origin, marital status, sexual orientation, or the presence of any sensory, mental, or physical handicap, unless based upon a bona fide occupational qualification. This requirement shall apply to but not be limited to the following: employment, advertising, lay-off or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Lessor shall not violate any of the terms of R.C.W. 49.60, Title VII of the Civil Rights Act of 1964 or King County Code 12.16.020. Any proven violation of this provision shall be considered a violation of a material provision of this lease and shall be grounds for cancellation, termination, or suspension, in whole or in part, of the lease and may result in ineligibility for further agreements. The Lessor will also comply with other anti-discrimination laws or requirements of any and all jurisdictions having authority.

23. **Rules and Regulations:** Lessee shall faithfully observe and comply with the rules and regulations which shall apply to and be for the mutual benefit of all users of the Garage in which the Premises are located, and all reasonable modifications of and additions thereto from time-to-time put in effect by Lessor.

24. **Quiet Enjoyment:** Lessor covenants and agrees that Lessee, upon performance of all Lessee's obligations under this lease, shall lawfully and quietly hold, occupy and enjoy the Premises during the term of this lease without disturbance by Lessor or by any person having title paramount to Lessor's title or by any person claiming under Lessor, subject to the other terms and provision of this lease and subject to all mortgages, underlying leases and other underlying matters of record to which this lease is or may become subject to and subordinate. Lessor shall not be responsible for interruption of utilities or other adverse effects on Lessee's quiet enjoyment which arise through no fault of Lessor.

25. **Notices:** All notices by either party to the other shall be in writing and may be delivered personally or by certified or registered mail to the following addresses:
