PRELIMINARY REPORT:

The Department of Natural Resources & Parks, Water and Land Resources Division Report on item no. E05CT053 was received by the Examiner on April 5, 2006.

PUBLIC HEARING:

After reviewing the report and examining available information on file with the application, the Examiner conducted a public hearing on the application as follows:

The hearing on item no. E05CT053 was opened by the Examiner at 2:01 p.m., April 19, 2006, in the Hearing Examiner's Conference Room, 400 Yesler Way, Room 404, Seattle, Washington, and closed at 2:05 p.m.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the King County Hearing Examiner.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

1. **General Information:**

Property location: 26715 SE 168th Street
Issaquah, WA 98027

Zoning: RA-5

Parcel no. 252306-9070
Total acreage: 5.01
Requested for PBRS: 4.00
Recommended PBRS: 2.74*

COMMENT: *Under current conditions, 2.74 acres can be enrolled in PBRS. An additional 1.18 acres could be added if a letter from the Bonneville Power Administration (BPA) is submitted and accepted by the County - see Finding no. 5 for details. This would increase the total enrolled acreage to 3.92 acres.

STR: SW 25-23-06

2. Except as modified herein, the facts set forth in the King County Department of Natural Resources & Parks, Water and Land Resources Division, Preliminary Report for the April 19, 2006, public hearing are found correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this report submitted to the King County Council.

3. Timely application was made to King County for current use valuation of the subject property to begin in 2007. Notice of the application was given as required by law.
4. The property contains priority open space resources and is eligible for a total award of 10 points under the King County Public Benefit Rating System. The resulting current use value therefore would be 50% of market value for 2.74 acres of the property.
5. An additional 1.18 acres may be added administratively under the resource restoration category if a letter from the Bonneville Power Administration (BPA) to the land owner is submitted and accepted by the County by September 1, 2006. This letter should state that the BPA is aware of the landowner's plans to restore and maintain the area under the BPA transmission lines and that the BPA agrees not to clear vegetation or use pesticides and herbicides in the area being restored.

CONCLUSION:

1. Approval of current use valuation of 50% of market value for 2.74 acres of the property pursuant to the Public Benefit Rating System adopted by King County Ordinance No. 10511, as amended, would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

APPROVE current use valuation of 50% of market value for 2.74 acres of the subject property, subject to the conditions recommended in the Department of Natural Resources & Parks report for the April 19, 2006, public hearing, and the following additional condition of approval:

1. Additional acreage may be enrolled pursuant to receipt and County approval of a letter from the BPA to the land owner as stated in Finding no. 5 above. Enrollment of the additional 1.18 acres would increase the total enrolled acreage to 3.92 acres.

Current use valuation shall be subject to all terms and conditions of RCW Chapter 84.34 and KCC Chapter 20.36, as may be amended from time to time, and all regulations and rules duly adopted to implement state law and county ordinances pertaining to current use valuation.

RECOMMENDED this 3rd day of May, 2006.

King County Hearing Examiner
