PRELIMINARY REPORT:

The Department of Natural Resources & Parks, Water and Land Resources Division Report on item no. E05CT058 was received by the Examiner on April 4, 2006.

PUBLIC HEARING:

After reviewing the report and examining available information on file with the application, the Examiner conducted a public hearing on the application as follows:

The hearing on item no. E05CT058 was opened by the Examiner at 1:48 p.m., April 26, 2006, in the Hearing Examiner's Conference Room, 400 Yesler Way, Room 404, Seattle, Washington, and closed at 2:05 p.m.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the King County Hearing Examiner.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

1. **General Information:**

Owner: Ty Hansen
23419 SE 217th Place
Maple Valley, WA 98038

Property location: 13400 486th Avenue SE
North Bend, WA 98045

PBRs categories requested: **Open space resources**
Aquifer protection area
Buffer to public land
Rural stewardship land
Special animal site

Categories recommended: **Open space resources**
Buffer to public land
Rural stewardship land
Significant wildlife or salmonid habitat

COMMENT: Enrollment for this property in the PBRs program is contingent on credit being awarded for the rural stewardship land category. Without award of credit for this category, credit for the other two categories would not be recommended, which would result in a point total of 0.

Zoning: F
Parcel no. 172309-9034
Total acreage: 3.40
Requested for PBRs: 2.10
Recommended PBRs: 2.10
STR: NW 17-23-09

2. Except as modified herein, the facts set forth in the King County Department of Natural Resources & Parks, Water and Land Resources Division, Preliminary Report for the April 26, 2006, public hearing are found correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this report submitted to the King County Council.
3. Timely application was made to King County for current use valuation of the subject property to begin in 2007. Notice of the application was given as required by law.
4. Credit for the rural stewardship land category is contingent on Applicant submission and County approval of a rural stewardship plan by September 1, 2006. Failure to qualify for this category will result in ineligibility of the property for the PBRs program at this time.

5. Credit for the buffer to public land and significant wildlife or salmonid habitat area categories is also contingent upon credit being awarded for the rural stewardship land category because the buffer is already provided dimensionally by the Critical Areas Ordinance (KCC 21A.24.358) and eligibility for PBRS benefit must therefore be based on an added public benefit such as through resource restoration provided by implementation of a rural stewardship plan.
6. Contingent on submittal and approval of a rural stewardship plan by September 1, 2006, the property contains priority open space resources and is eligible for a total award of 13 points under the King County Public Benefit Rating System. The resulting current use value therefore would be 40% of market value for 2.10 acres of the property.

CONCLUSION:

1. Contingent upon submission and approval of a rural stewardship plan, approval of current use valuation of 40% of market value for 2.10 acres of the property pursuant to the Public Benefit Rating System adopted by King County Ordinance No. 10511, as amended, would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

APPROVE current use valuation of 40% of market value for 2.10 acres of the subject property, subject to the conditions recommended in the Department of Natural Resources & Parks report for the April 26, 2006, public hearing, and the following additional conditions of approval:

1. Enrollment in the PBRS program is contingent upon receipt and implementation of a rural stewardship plan for the subject property as indicated in Finding nos. 4-6 above.

Current use valuation shall be subject to all terms and conditions of RCW Chapter 84.34 and KCC Chapter 20.36, as may be amended from time to time, and all regulations and rules duly adopted to implement state law and county ordinances pertaining to current use valuation.

RECOMMENDED this 8th day of May, 2006.

King County Hearing Examiner

AND ADDITIONAL ACTION REQUIRED**

In order to appeal the recommendation of the Examiner, written notice of appeal must be filed with the Clerk of the King County Council with a fee of \$250.00 (check payable to King County Office of Finance) *on or before May 22, 2006*. Filing requires actual delivery to the Office of the Clerk of the Council, Room 1025, King County Courthouse, 516 3rd Avenue, Seattle, Washington 98104, prior to the close of business (4:30 p.m.) on the date due. Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. The Examiner does not have authority to extend the time period unless the Office of the Clerk is not open on the specified closing date, in which event delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

If a written notice of appeal and filing fee are not filed within 14 days calendar days of the date of this report, or if a written appeal statement and argument are not filed within 21 calendar days of the date of this report, the Clerk of the Council shall place a proposed ordinance which implements the Examiner's recommended action on the agenda of the next available Council meeting. At that meeting, the Council may adopt the Examiner's recommendation, may defer action, may refer the matter to a Council committee, or may remand to the Examiner for further hearing or further consideration.

Action of the Council is final. The action of the Council on a recommendation of the Examiner shall be final and conclusive unless within twenty-one (21) days from the date of the action an aggrieved party or person applies for a writ of certiorari from the Superior Court in and for the County of King, State of Washington, for the purpose of review of the action taken.
