Any changes in the foregoing shall be specifically disclosed in writing to the DEPARTMENT by the RECIPIENT in its request for payment.

C. Sources of LOAN Repayment

The obligation of the RECIPIENT to repay the LOAN from the sources identified below and to perform and observe all of the other agreements and obligations on its part contained herein shall be absolute and unconditional, and shall not be subject to diminution by setoff, counterclaim, or abatement of any kind.

2. Revenue-Secured; Lien Position. This LOAN is a Revenue-Secured Debt of the

RECIPIENT's Utility. This LOAN shall constitute a lien and charge upon the Net Revenue junior and subordinate to the lien and charge upon such Net Revenue of any Senior Lien Obligations. To secure the repayment of the LOAN from the DEPARTMENT, the RECIPIENT agrees to comply with all of the covenants and agreements herein including, but not limited to, those contained in Section VII of this AGREEMENT.

3. Other Sources of Repayment. The RECIPIENT may repay any portion of the LOAN from any funds legally available to it other than those pledged in Section V-C-2 hereof.

So long as the DEPARTMENT shall hold this LOAN, the RECIPIENT shall not be entitled to, and shall not effect, an economic Defeasance of the LOAN. The RECIPIENT also shall not refinance the PROJECT, including making an advance refunding of the LOAN, or obtain grants or loans additional to those listed in Section IV hereof to finance the PROJECT, without the written consent of the DEPARTMENT.

If the RECIPIENT defeases or advance refunds the LOAN or obtains additional grants or loans for the PROJECT without DEPARTMENT consent, it shall be required to use the proceeds thereof immediately upon their receipt, together with other available RECIPIENT funds, to repay

- (i) the LOAN Amount with interest, and
- (ii) any other obligations of the RECIPIENT to the DEPARTMENT under this AGREEMENT,

unless in its sole discretion the DEPARTMENT finds that repayment from those additional sources would not be in the public interest.

Failure to repay the LOAN Amount plus interest within the time specified in the DEPARTMENT's notice to make such repayment shall incur Late Charges under Section V-D-2 and shall be treated as a LOAN Default under Section VIII-A hereof.

D. Method and Conditions on Repayments

1. Semiannual Payments. Notwithstanding any other provision of this AGREEMENT, the first semiannual payment of principal and interest on this LOAN shall be paid not later than the earlier of

- (i) one (1) year after the PROJECT Completion Date or Initiation of Operation Date, or

Equal payments shall be due every six (6) months thereafter.

If the due date for any semiannual payment falls on a Saturday, Sunday, or designated holiday for Washington State agencies, the payment shall be due on the next business day for Washington State agencies.

Payments shall be mailed to:

Cashiering Section
Washington State Department of Ecology
P.O. Box 5128
Lacey, WA 98509-5128

In lieu of mailing payments, electronic fund transfers can be arranged by working with the DEPARTMENT'S Financial Manager.

No change to the amount of the semiannual principal and interest payments shall be made without a formal amendment to this AGREEMENT. The RECIPIENT will continue to make semiannual payments based on this AGREEMENT until the amendment is effective, at which time the RECIPIENT's payments shall be made pursuant to the amended AGREEMENT.

2. Late Charges. If any amount of the Final LOAN Amount or any other amount owed to the DEPARTMENT pursuant to this AGREEMENT remains unpaid after it becomes due and payable, the DEPARTMENT may assess a late charge (a "Late Charge"). The Late Charge shall be additional interest at the rate of one percent per month, or fraction thereof, starting on the date the debt becomes past due and continuing until the debt is paid in full. The RECIPIENT hereby agrees to pay such Late Charge. Nothing contained herein affects the DEPARTMENT'S default rights in Section VIII-C of this AGREEMENT.

3. Repayment Limitations. Repayment of the LOAN is subject to the following additional limitations, among others: those on Defeasance, refinancing and advance refunding, and additional financing contained in Section V-C-4; and on termination, default and recovery of payments contained in Section VIII hereof.

4. Prepayment of LOAN. So long as the DEPARTMENT shall hold this LOAN, the RECIPIENT may prepay the entire unpaid principal balance of and accrued interest on the LOAN, or any portion of the remaining unpaid principal balance of the LOAN Amount. Any prepayments on the LOAN will be applied first to any accrued interest due, and then to the outstanding principal balance of the LOAN Amount. If the RECIPIENT elects to prepay the entire remaining unpaid balance and accrued interest, the RECIPIENT shall first contact the DEPARTMENT's Revenue/Receivable Manager of the Fiscal Office.

VI. REPRESENTATIONS AND WARRANTIES

The RECIPIENT represents and warrants to the DEPARTMENT as follows:

A. **Existence; Authority.**

It is a duly formed and legally existing municipal corporation or political subdivision of the state of Washington or a federally recognized Indian tribe. It has full corporate power and authority to execute, deliver, and perform all of its obligations under this AGREEMENT and to undertake the PROJECT identified herein.

B. Application; Material Information.

All information and materials submitted by the RECIPIENT to the DEPARTMENT in connection with its LOAN application were when made, and are as of the date the RECIPIENT executes this AGREEMENT, true and correct. There is no material adverse information relating to the RECIPIENT, the PROJECT, the LOAN or this AGREEMENT known to the RECIPIENT which has not been disclosed in writing to the DEPARTMENT.

C. Litigation; Authority.

No litigation is now pending or, to the RECIPIENT'S knowledge, threatened, seeking to restrain or enjoin (i) the execution of this AGREEMENT, or (ii) the fixing or collection of the revenues, rates, and charges pledged to pay the principal of and interest on the LOAN, or (iii) in any manner questioning the proceedings and authority under which the AGREEMENT, the LOAN or the PROJECT are authorized. Neither the corporate existence or boundaries of the RECIPIENT nor the title of its present officers to their respective offices is being contested. No authority or proceeding for the execution of this AGREEMENT has been repealed, revoked, or rescinded.

D. Not an Excess Indebtedness.

This AGREEMENT and the LOAN to be made hereunder do not create an indebtedness of the RECIPIENT in excess of any constitutional or statutory limitations.

E. Not a General Obligation.

This AGREEMENT and the LOAN to be made hereunder do not constitute a general obligation debt of the RECIPIENT or the state of Washington.

F. Due Regard.

The RECIPIENT has exercised due regard for Maintenance and Operation Expense and the debt service requirements of the Senior Lien Obligations and any other outstanding obligations pledging the Gross Revenue of the Utility, and it has not obligated itself to set aside and pay into the Loan Fund a greater amount of the Gross Revenue of the Utility than in its judgment will be available over and above such Maintenance and Operation Expense and those debt service requirements.

VII. COVENANTS AND AGREEMENTS**A. Acceptance.**

The RECIPIENT accepts and agrees to comply with all terms, provisions, conditions, and commitments of this AGREEMENT, including all incorporated and referenced documents, and to fulfill all assurances, declarations, representations, and commitments made by the RECIPIENT in its application, accompanying documents and communications filed in support of its request for a LOAN.

B. Accounts and Records.

The RECIPIENT will keep proper and separate accounts and records in which complete and separate entries shall be made of all transactions relating to this AGREEMENT. The RECIPIENT shall keep such records for six (6) years after receipt of final loan disbursement.

C. Alteration and Eligibility of PROJECT.

During the term of this AGREEMENT, the RECIPIENT (i) shall not materially alter the design or structural character of the PROJECT without the prior written approval of the DEPARTMENT and (ii) shall take no action which would adversely affect the eligibility of the PROJECT as a Washington State Water Pollution Control Revolving Fund project under Chapter 173-98 WAC, "Uses and Limitations of the Water Pollution Control Revolving Fund or which would cause a violation of any covenant, condition, or provision herein.

D. Pledge of Net Revenue.

For so long as the LOAN is outstanding, the RECIPIENT irrevocably pledges the Net Revenue of the Utility to pay when due the principal of and interest on the LOAN.

E. Maintenance and Operation of Utility.

The RECIPIENT will at all times maintain and keep the Utility in good repair, working order and condition and also will at all times operate the Utility and the business in connection therewith in an efficient manner and at a reasonable cost.

F. Collection of ULID Assessments.

All ULID Assessments in the ULID shall be paid into the Loan Fund and used to pay the principal of and interest on the LOAN.

G. Reserve Requirement.

For loans that are Revenue-Secured Debt with terms greater than five (5) years, the RECIPIENT must accumulate a reserve for the LOAN equivalent to at least the Average Annual Debt Service on the LOAN during the first five (5) years of the repayment period of the LOAN. This amount shall be deposited in a Reserve Account in the LOAN Fund in approximately equal annual payments commencing within one (1) year after the Initiation of Operation or the PROJECT Completion Date, whichever comes first. "Reserve Account" means, for a LOAN that constitutes Revenue-Secured Debt, an account of that name created in the Loan Fund to secure the payment of the principal of and interest on the LOAN. The amount on deposit in the Reserve Account may be applied by the RECIPIENT (i) to make, in part or in full, the final repayment to the DEPARTMENT of the LOAN Amount or, (ii) if not so applied, for any other lawful purpose of the RECIPIENT once the LOAN Amount, plus interest and any other amounts owing to the DEPARTMENT hereunder, have been paid in full.

H. Free Service.

The RECIPIENT will not furnish Utility service to any customer free of charge if providing that free service will affect the RECIPIENT'S ability to meet the obligations of this AGREEMENT.

I. Sale or Disposition of Utility.

The RECIPIENT will not sell, transfer, or otherwise dispose of any of the works, plant, properties, facilities, or other part of the Utility or any real or personal property comprising a part of the Utility unless:

1. The facilities or property transferred are not material to the operation of the Utility, or shall have become unserviceable, inadequate, obsolete, or unfit to be used in the operation of the Utility or are no longer necessary, material, or useful to the operation of the Utility; or
2. The aggregate depreciated cost value of the facilities or property being transferred in any fiscal year comprises no more than three (3) percent of the total assets of the Utility; or
3. The RECIPIENT receives from the transferee an amount equal to an amount which will be in the same proportion to the net amount of Senior Lien Obligations and this LOAN then outstanding (defined as the total amount outstanding less the amount of cash and investments in the bond and loan funds securing such debt) as the Gross Revenue of the Utility from the portion of the Utility sold or disposed of for the preceding year bears to the total Gross Revenue for that period.

The proceeds of any transfer under this paragraph shall be used (i) to redeem promptly, or irrevocably set aside for the redemption of, Senior Lien Obligations and to redeem promptly the LOAN, and/or (ii) to provide for part of the cost of additions to and betterments and extensions of the Utility.

J. Insurance.

The RECIPIENT will at all times carry fire and extended coverage, public liability and property damage, and such other forms of insurance with responsible insurers and with policies payable to the RECIPIENT on such of the buildings, equipment, works, plants, facilities, and properties of the Utility as are ordinarily carried by municipal or privately-owned utilities engaged in the operation of like systems, and against such claims for damages as are ordinarily carried by municipal or privately-owned utilities engaged in the operation of like systems, or it will self-insure or will participate in an insurance pool or pools with reserves adequate, in the reasonable judgment of the RECIPIENT, to protect it against loss.

VIII. TERMINATION AND DEFAULT; REMEDIES**A. Termination and Default Events**

1. For Insufficient DEPARTMENT or RECIPIENT Funds. This AGREEMENT may be terminated by the DEPARTMENT for insufficient DEPARTMENT or RECIPIENT funds.

2. For Failure to Commence Work. This AGREEMENT may be terminated by the DEPARTMENT for failure of the RECIPIENT to commence PROJECT work.

3. Past Due Payments. The RECIPIENT will be in default of its obligations under this AGREEMENT when any LOAN repayment becomes sixty (60) days past due.

4. Other Cause. The obligation of the DEPARTMENT to the RECIPIENT is contingent upon satisfactory performance in full by the RECIPIENT of all of its obligations under this AGREEMENT. The RECIPIENT will be in default of its obligations under this AGREEMENT if, in the opinion of the DEPARTMENT, the RECIPIENT has unjustifiably failed to perform any obligation required of it by this AGREEMENT including, but not limited to, the PROJECT Schedule contained in Section IV-E hereof.

B. Procedures for Termination

If this AGREEMENT is terminated prior to PROJECT completion, the DEPARTMENT shall provide to the RECIPIENT a written notice of termination at least five (5) working days prior to the effective date of termination (the "Termination Date"). The written notice of termination by the DEPARTMENT shall specify the Termination Date and, when applicable, the date by which the RECIPIENT must repay any outstanding balance of the LOAN and all accrued interest (the "Termination Payment Date").

C. Termination and Default Remedies

1. No Further Payments. On and after the Termination Date or in the event of a default event, the DEPARTMENT may, in its sole discretion, withdraw the LOAN and make no further payments under this AGREEMENT.

2. Repayment Demand. In response to a termination event, except in the circumstances described in Section VIII-A-1 above, or in response to a default event, the DEPARTMENT may in its sole discretion demand that the RECIPIENT repay the outstanding balance of the LOAN Amount and all accrued interest.

3. Interest after Repayment Demand. From the time that the DEPARTMENT demands repayment of funds under Section VIII-B or Section VIII-C-2 hereof, amounts owed by the RECIPIENT to the DEPARTMENT shall accrue additional interest at the rate of one percent per month, or fraction thereof.

4. Accelerate Repayments. In the event of a default event, the DEPARTMENT may in its sole discretion declare the principal of and interest on the LOAN immediately due and payable. Repayments not made immediately upon such acceleration shall incur Late Charges as provided in Sections V-D-2 and VIII-C-5 hereof.

5. Late Charges. All amounts due to the DEPARTMENT and not paid by the RECIPIENT by the Termination Payment Date or after acceleration following a default event, as applicable, shall incur Late Charges as provided in Section V-D-2 hereof.

6. Intercept State Funds. In the event of a default event and in accordance with RCW 90.50A.060, "Defaults," any state funds otherwise due to the RECIPIENT may, in the DEPARTMENT's sole discretion, be withheld and applied to the repayment of the LOAN.

7. Property to DEPARTMENT. In the event of a default event and at the option of the DEPARTMENT, any property (equipment and land) acquired under this AGREEMENT may in the DEPARTMENT's sole discretion become the DEPARTMENT's property. In that circumstance, the RECIPIENT's liability to repay money shall be reduced by an amount reflecting the fair value of such property.

8. Documents and Materials. If this AGREEMENT is terminated, all finished or unfinished documents, data studies, surveys, drawings, maps, models, photographs, and reports or other materials prepared hereunder by the RECIPIENT shall, at the option of the DEPARTMENT, become DEPARTMENT property. The RECIPIENT shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials.

9. Collection and Enforcement Actions. In the event of a default event, the state of Washington reserves the right to take any actions it deems necessary to collect the amounts due or to become due, or to enforce the performance and observance of any obligation by the RECIPIENT, under this AGREEMENT.

10. Fees and Expenses. In any action to enforce the provisions of this AGREEMENT, reasonable fees and expenses of attorneys and other reasonable expenses (including, without limitation, the reasonably allocated costs of legal staff) shall be awarded to the prevailing party as that term is defined in RCW 4.84.330, "Actions on contract or lease . . .—Waiver prohibited."

11. Damages. 6. Unauthorized Expenditures. All payments to the RECIPIENT shall be subject to final audit by the DEPARTMENT and any unauthorized expenditure(s) charged to this loan shall be refunded to the DEPARTMENT by the RECIPIENT.

7. Mileage and Per Diem. If mileage and per diem are paid to the employees of the RECIPIENT or other public entities, it shall not exceed the amount allowed under Washington state law for state employees.

K. TERMINATION

1. For Cause. The obligation of the DEPARTMENT to the RECIPIENT is contingent upon satisfactory performance by the RECIPIENT of all of its obligations under this AGREEMENT. In the event the RECIPIENT unjustifiably fails, in the opinion of the DEPARTMENT, to perform any obligation required of it by this AGREEMENT, the DEPARTMENT may refuse to pay any further funds thereunder and/or terminate this AGREEMENT by giving written notice of termination.

A written notice of termination shall be given at least five (5) working days prior to the effective date of termination. In that event, all finished or unfinished documents, data studies, surveys, drawings, maps, models, photographs, and reports or other materials prepared by the RECIPIENT under this AGREEMENT, at the option of the DEPARTMENT, shall become Department property and the RECIPIENT shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials.

Despite the above, the RECIPIENT shall not be relieved of any liability to the DEPARTMENT for damages sustained by the DEPARTMENT and/or the State of Washington because of any breach of AGREEMENT by the RECIPIENT. The DEPARTMENT may withhold payments for the purpose of setoff until such time as the exact amount of damages due the DEPARTMENT from the RECIPIENT is determined.

2. Insufficient Funds. The obligation of the DEPARTMENT to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. When this AGREEMENT crosses over state fiscal years the obligation of the DEPARTMENT is contingent upon the

appropriation of funds during the next fiscal year. The failure to appropriate or allot such funds shall be good cause to terminate this AGREEMENT as provided in paragraph K.1 above.

When this AGREEMENT crosses the RECIPIENT's fiscal year, the obligation of the RECIPIENT to continue or complete the project described herein shall be contingent upon appropriation of funds by the RECIPIENT's governing body; Provided, however, that nothing contained herein shall preclude the

DEPARTMENT from demanding repayment of ALL funds paid to the RECIPIENT in accordance with Section O herein.

3. Failure to Commence Work. In the event the RECIPIENT fails to commence work on the project funded herein within four (4) months after the effective date of this AGREEMENT, or by any date mutually agreed upon in writing for commencement of work, the DEPARTMENT reserves the right to terminate this AGREEMENT.

L. WAIVER

Waiver of any RECIPIENT default is not a waiver of any subsequent default. Waiver of a breach of any provision of this AGREEMENT is not a waiver of any subsequent breach and will not be construed as a modification of the terms of this AGREEMENT unless stated as such in writing by the authorized representative of the DEPARTMENT.

M. PROPERTY RIGHTS

1. Copyrights and Patents. When the RECIPIENT creates any copyrightable materials or invents any patentable property, the RECIPIENT may copyright or patent the same but the DEPARTMENT retains a royalty-free, nonexclusive and irrevocable license to reproduce, publish, recover or otherwise use the material(s) or property and to authorize others to use the same for federal, state or local government purposes.

Where federal funding is involved, the federal government may have a proprietary interest in patent rights to any inventions that developed by the RECIPIENT as provided in 35 U.S.C. 200-212.

2. Publications. When the RECIPIENT or persons employed by the RECIPIENT use or publish information of the DEPARTMENT; present papers, lectures, or seminars involving information supplied by the DEPARTMENT; use logos, reports, maps or other data, in printed reports, signs, brochures, pamphlets, etc., appropriate credit shall be given to the DEPARTMENT.

3. Tangible Property Rights. The DEPARTMENT's current edition of "Administrative Requirements for Ecology Grants and Loans", Part V, shall control the use and disposition of all real and personal property purchased wholly or in part with funds furnished by the DEPARTMENT in the absence of state, federal statute(s), regulation(s), or policy(s) to the contrary or upon specific instructions with respect thereto in the Scope of Work.

4. Personal Property Furnished by the DEPARTMENT. When the DEPARTMENT provides personal property directly to the RECIPIENT for use in performance of the project, it shall be returned to the DEPARTMENT prior to final payment by the DEPARTMENT. If said property is lost, stolen or damaged while in the RECIPIENT's possession, the DEPARTMENT shall be reimbursed in cash or by setoff by the RECIPIENT for the fair market value of such property.

5. Acquisition Projects. The following provisions shall apply if the project covered by this

AGREEMENT includes funds for the acquisition of land or facilities:

- a. Prior to disbursement of funds provided for in this AGREEMENT, the RECIPIENT shall establish that the cost of land/or facilities is fair and reasonable.
- b. The RECIPIENT shall provide satisfactory evidence of title or ability to acquire title for each parcel prior to disbursement of funds provided by this AGREEMENT. Such evidence may include title insurance policies, Torrens certificates, or abstracts, and attorney's opinions establishing that the land is free from any impediment, lien, or claim which would impair the uses contemplated by this AGREEMENT.

6. Conversions. Regardless of the contract termination date shown on the cover sheet, the RECIPIENT shall not at any time convert any equipment, property or facility acquired or developed pursuant to this AGREEMENT to uses other than those for which assistance was originally approved without prior written approval of the DEPARTMENT. Such approval may be conditioned upon payment to the DEPARTMENT of that portion of the proceeds of the sale, lease or other conversion or encumbrance which monies granted pursuant to this AGREEMENT bear to the total acquisition, purchase or construction costs of such property.

N. RECYCLED/RECYCLABLE PAPER

All documents and materials published under this AGREEMENT shall be produced on recycled paper containing the highest level of post consumer and recycled content that is available. At a minimum, paper with ten (10) percent post consumer content and fifty (50) percent recycled content shall be used. Whenever possible, all materials shall be published on paper that is unbleached or has not been treated with chlorine gas and/or hypochlorite.

As appropriate, all materials shall be published on both sides of the paper and shall minimize the use of glossy or colored paper and other items which reduce the recyclability of the document.

O. RECOVERY OF PAYMENTS TO RECIPIENT

The right of the RECIPIENT to retain monies paid to it as reimbursement payments is contingent upon satisfactory performance of this AGREEMENT including the satisfactory completion of the project described in the Scope of Work. In the event the RECIPIENT fails, for any reason, to perform obligations required of it by this AGREEMENT, the RECIPIENT may, at the DEPARTMENT's sole discretion, be required to repay to the DEPARTMENT all loan funds disbursed to the RECIPIENT for those parts of the project that are rendered worthless in the opinion of the DEPARTMENT by such failure to perform.

Interest shall accrue at the rate of twelve percent (12%) per annum from the time the DEPARTMENT demands repayment of funds. If payments have been discontinued by the DEPARTMENT due to insufficient funds as in Section K.2 above, the RECIPIENT shall not be obligated to repay monies which had been paid to the RECIPIENT prior to such termination. Any property acquired under this AGREEMENT, at the option of the DEPARTMENT, may become the DEPARTMENT'S property and

the RECIPIENT'S liability to repay monies shall be reduced by an amount reflecting the fair value of such property.

P. PROJECT APPROVAL

The extent and character of all work and services to be performed under this AGREEMENT by the RECIPIENT shall be subject to the review and approval of the DEPARTMENT through the Project Manager or other designated official to whom the RECIPIENT shall report and be responsible. In the event there is a dispute with regard to the extent and character of the work to be done, the determination of the Project Manager or other designated official as to the extent and character of the work to be done shall govern. The RECIPIENT shall have the right to appeal decisions as provided for below.

Q. DISPUTES

Except as otherwise provided in this AGREEMENT, any dispute concerning a question of fact arising under this AGREEMENT which is not disposed of in writing shall be decided by the Project Manager or other designated official who shall provide a written statement of decision to the RECIPIENT. The decision of the Project Manager or other designated official shall be final and conclusive unless, within thirty days from the date of receipt of such statement, the RECIPIENT mails or otherwise furnishes to the Director of the DEPARTMENT a written appeal.

In connection with appeal of any proceeding under this clause, the RECIPIENT shall have the opportunity to be heard and to offer evidence in support of this appeal. The decision of the Director or duly authorized representative for the determination of such appeals shall be final and conclusive. Appeals from the Director's determination shall be brought in the Superior Court of Thurston County. Review of the decision of the Director will not be sought before either the Pollution Control Hearings Board or the Shoreline Hearings Board. Pending final decision of dispute hereunder, the RECIPIENT shall proceed diligently with the performance of this AGREEMENT and in accordance with the decision rendered.

R. CONFLICT OF INTEREST

No officer, member, agent, or employee of either party to this AGREEMENT who exercises any function or responsibility in the review, approval, or carrying out of this AGREEMENT, shall participate in any decision which affects his/her personal interest or the interest of any corporation, partnership or association in

which he/she is, directly or indirectly interested; nor shall he/she have any personal or pecuniary interest, direct or indirect, in this AGREEMENT or the proceeds thereof.

S. INDEMNIFICATION

1. The DEPARTMENT shall in no way be held responsible for payment of salaries, consultant's fees, and other costs related to the project described herein, except as provided in the Scope of Work.

2. To the extent that the Constitution and laws of the State of Washington permit, each party shall indemnify and hold the other harmless from and against any liability for any or all injuries to persons or property arising from the negligent act or omission of that party or that party's agents or employees arising out of this AGREEMENT.

T. GOVERNING LAW

This AGREEMENT shall be governed by the laws of the State of Washington.

U. SEVERABILITY

If any provision of this AGREEMENT or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this AGREEMENT which can be given effect without the invalid provision, and to this end the provisions of this AGREEMENT are declared to be severable.

V. PRECEDENCE

In the event of inconsistency in this AGREEMENT, unless otherwise provided herein, the inconsistency shall be resolved by giving precedence in the following order: (a) applicable Federal and State statutes and regulations; (b) Scope of Work; (c) Special Terms and Conditions; (d) Any terms incorporated herein by reference including the "Administrative Requirements for Ecology Grants and Loans"; and (e) the General Terms and Conditions.

C. Items

B. General

Recipients of Federal financial assistance from the U.S. Environmental Protection Agency must comply with the following statutes.

Title VI of the Civil Rights Acts of 1964 provides that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

The Act goes on to explain that the title shall not be construed to authorize action with respect to any employment practice of any employer, employment agency, or labor organization (except where the primary objective of the Federal financial assistance is to provide employment).

Section 13 of the 1972 Amendments to the Federal Water Pollution Control Act provides that no person in the United States shall on the ground of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under the Federal Water Pollution Control Act, as amended. Employment discrimination on the basis of sex is prohibited in all such programs or activities.

Section 504 of The Rehabilitation Act of 1973 provides that no otherwise qualified handicapped individual shall solely by reason of handicap be excluded from participation in, be denied the benefit of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. Employment discrimination on the basis of handicap is prohibited in all such programs or activities.

The Age Discrimination Act of 1975 provides that no person on the basis of age shall be excluded from participation under any program or activity receiving Federal financial assistance. Employment discrimination is not covered. Age discrimination in employment is prohibited by the Age Discrimination in Employment Act administered by the Equal Employment Opportunity Commission.

Title IX of the Education Amendments of 1972 provides that no person on the basis of sex shall be excluded from participation in, be denied the benefit of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance. Employment discrimination on

IA. "Applicant" means any entity that files an application or unsolicited proposal or otherwise requests EPA assistance.

IB. "Recipient" means any entity, other than applicant, which will actually receive EPA assistance.

IC. Self-explanatory.

II. Self-explanatory.

III. "Civil rights lawsuits" means any lawsuit or complaint alleging discrimination on the basis of race, color, national origin, sex, age, or handicap pending against the applicant and/or entity, which actually benefits from the grant. For example, if a city is the named applicant but the grant will actually benefit the Department of Sewage, civil rights lawsuits involving both the city and the Department of Sewage should be listed.

IV. "Civil rights compliance review" means any review assessing the applicant and/or recipient's compliance with laws prohibiting discrimination on the basis of race, color, national origin, sex, age, or handicap. If any part of the review covered the entity, which will actually benefit from the grant, it should be listed.

V. Self-explanatory.

VI. The word "community" refers to the area under the applicant and/or recipient's jurisdiction. The "community" might be a university or laboratory campus, or a community within a large city. If there is significant disparity between minority and nonminority populations to receive service, not otherwise satisfactorily explained, the Regional office may require a map, which indicates the minority and nonminority population served by this project, program or activity.

VII. This information is required so that reviewers may determine if a disparity in the proposed provision of services will exist in the event the application is approved for funding. Give population of recipient's jurisdiction, broken out by categories as specified.

In the event the applicant cannot provide the requested information because the funds will be distributed over a wide demographic area, which is yet to be determined, an explanation may be provided on a separate sheet. For example, a State applying for a capitalization grant under the State Revolving Fund program may not know which cities and counties will apply for, and receive, SRF loans.

IX. "Jurisdiction" means the geographical area over which applicant has the authority to provide service.

The information on this form is required to enable the U.S. Environmental Protection Agency to determine whether applicants and prospective recipients are developing projects, programs and activities on a nondiscriminatory basis as required by the above statutes.

Submit this form with the original and required copies of applications, requests for extensions, requests for increase of funds, etc. Updates of information are all that are required after the initial application submission.

If any item is not relevant to the project for which assistance is requested, write "NA" for "Not Applicable."

In the event applicant is uncertain about how to answer certain questions, EPA program officials should be contacted for clarification.

Send comments regarding the burden estimate, including suggestions for reducing this burden, to Chief, Information Policy Branch, PM-223, U.S. Environmental Protection Agency, 401 M Street, S.W., Washington, D.C. 20460; and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, D.C. 20503.
