8 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

9 **SECTION 1. Findings:**

10 A. Ordinance 15390 established a list of final King County agencies authorized
11 to occupy the new county office building and provided that no other county agency shall
12 be located in the new county office building unless authorized by ordinance.

13 B. Ordinance 15390 further provided that the executive shall submit a list of any
14 such proposed additional agencies.

15 C. Ordinance 15328 established a preliminary list of tenants for the new county
16 office building and provided that no other county agency shall be located in the new
17 county office building unless authorized by ordinance.

18 D. It is the county council's intent to provide flexibility in the programming of
19 space in the new county office building for prospective agencies that require five
20 thousand square feet or less to expedite resolution of space needs for smaller county
21 agencies.

22 E. Due diligence associated with the construction of a new building on Goat Hill,
23 as proposed in Proposed Ordinance 2006-0379, is related to construction or acquisition of
24 a building to house a consolidated elections facility, and/or a data center and/or the
25 sheriff's criminal investigation division.

26 F. Should these due diligence efforts in building on Goat Hill, or in acquiring or
27 building on another property, not be successful for siting the sheriff's criminal
28 investigation division, some combination of sheriff's personnel will be a top priority for
29 consideration as a tenant in the new county office building.

30 G. Space allocation in the new county office building shall be determined
31 through the due diligence process for the Goat Hill and related property search and
32 potential acquisition and shall be in concert with alternative procurement methods.
33 Results of the evaluation and analysis may take precedence over the current plan to locate
34 short-term temporary projects in the new county office building.

35 SECTION 2. Ordinance 15390, Section 2, is hereby amended to read as follows:
