500 BUILDING

OFFICE BUILDING LEASE

1. PARTIES. This Lease dated March 29, 2007 for reference purposes only, is made by and between RADOVICH PROPERTIES LLC (herein called "Landlord") and KING COUNTY, WASHINGTON (herein called "Tenant").

2. PREMISES Landlord does hereby lease to Tenant and Tenant hereby leases from Landlord that certain office space (herein call "Premises") indicated in Exhibit "A" attached hereto and hereby reference thereto made a part hereof, said Premises being agreed, for the purpose of this Lease, to have an area of approximately 33,148 rentable square feet known as "The 500 Building" located at 500 SW 7th Street, Suite "A-100" & Suite "A-200", Renton, Washington 98055, and legally described in Exhibit "B". All measurements shall be calculated in accordance with the measurement method promulgated by the Building Owners and Managers Association (BOMA) American National Standard Z65-1-1996 as a guideline

Said Lease is subject to the terms, covenants and conditions herein set forth and the Tenant covenants as a material part of this Lease.

3. TERM. The term of this Lease shall be for Ten (10) Years, commencing upon the substantial completion of tenant improvements, subject only to minor punch list items, scheduled to be June 1, 2007 and the Council Approval Contingency contained in Article 7.

4. POSSESSION.

4.a. If the Landlord, for any reason whatever, cannot deliver possession of the said Premises to the Tenant at the commencement of the term hereof, this Lease shall not be void or voidable, nor shall Landlord be liable to Tenant for any loss or damage resulting therefrom, nor shall the expiration date of the above term be in any way extended, but in that event, all rent shall be abated during the period between the commencement of said term and the time when Landlord delivers possession.

4.b. In the event that Landlord shall permit Tenant to occupy the Premises prior to the commencement date of the term, such occupancy shall be subject to all the provisions of this Lease.

5. RENT. Tenant agrees to pay to Landlord as rental, without prior notice or demand, for the sum of: See Article 36, on or before the first day of the first full calendar month of the term hereof and a like sum on or before the first day of each and every successive calendar month thereafter during the term hereof, except that the first months rent shall be paid upon the execution hereof. Rent for any period during the term hereof which is for less than one (1) month shall be a prorated portion of the monthly installment herein, based upon a thirty (30) day month. Said rental shall be paid to Landlord, without deduction or offset in lawful money of the United States of America, which shall be legal tender at the time of payment at the John C. Radovich Development Company, 2835 82nd Avenue SE, Suite 300, Mercer Island, WA 98040 or to such other person or at such other place as Landlord may from time to time designate in writing.

6. DESIGN WORK DEPOSIT. Tenant shall deposit with Landlord the sum of Sixty-five Thousand dollars (\$ 65,000) as security for Landlord's expenditures for design, permitting and predevelopment of Tenant Improvements to the Premises pending approval of the Lease by the King County Council.. Should the King County Council fail to approve this Lease, as required by Section 7, Landlord may retain a portion of the deposit equal to expenditures actually paid by Landlord for tenant improvement design work, permitting and predevelopment. Retention of a portion of the Design Work Deposit shall be Landlord's exclusive remedy for termination of this Lease based on the failure of the King County Council to approve said Lease. In the event the King County Council fails to approve this Lease and satisfy the Council Approval Contingency as provided in Section 7, and Landlord elects to retain a portion of the Design Work Deposit equal to the amount of actual expenditure by Landlord for design work, permitting or pre-

development, Landlord shall present to Tenant within 30 days of the failure to satisfy the Council Approval Contingency an itemized statement of actual expenditures and the remaining balance of the Design Work Deposit. In the event the King County Council approves this Lease, Landlord shall, within thirty (30) days, fully refund the amount of the Design Work Deposit back to Tenant.

7. **COUNCIL APPROVAL CONTINGENCY.** Notwithstanding Tenant's execution and delivery of this Lease, and except for the Design Work Deposit provisions of Section 6, this Lease and each of Landlord's and Tenant's rights and obligations hereunder are subject to and contingent upon approval of this lease by the King County Council on or prior to April 27, 2007 (the "Council Approval Contingency"). Tenant agrees to use its best efforts to obtain such approval as soon as possible. In the event the Council Approval Contingency is not satisfied on or prior to April 27, 2007, and except as to the provisions of Section 6, this Lease shall be null and void and of no further force and effect and Tenant shall have no right to use or otherwise occupy the Premises. The Landlord's and Tenants rights and obligations under Section 6 shall continue and survive a failure to satisfy the Council Approval Contingency by April 27, 2007. In the event the Contingency is satisfied on or prior to April 27, 2007, this Lease shall be fully effective and enforceable in accordance with its terms, and this Contingency shall be of no further force and effect.

8. **OPERATING EXPENSE ADJUSTMENTS.** For the purposes of this Article, the following terms are defined as follows:

Base Year: Year 2007

Comparison Year: Each calendar year of the term after the Base Year.

Direct Expenses: All direct costs of operation and maintenance, as determined by standard accounting practices, and shall include the following costs by way of illustration, but not be limited to: real property taxes and assessments; water and sewer charges, insurance premiums; utilities, janitorial services; costs incurred in the management of the Building; air-conditioning and heating; elevator maintenance; supplies; including maintenance and upkeep of all parking and common areas. ("Direct Expenses" shall not include depreciation on the Building of which the Premises are a part or equipment therein, loan payments, executive salaries or real estate brokers' commissions.)

If the Direct Expenses paid or incurred by the Landlord for the Comparison Year on account of the operation and maintenance on the Building of which the premises are a part are in excess of the Direct Expenses paid or incurred for the Base Year, then the Tenant shall pay 51.5% of the increase. This percentage is that portion of the total rentable area (64,399 RSF) of the Building occupied by the Tenant hereunder. Landlord shall endeavor to give to Tenant on or before the first day of March of each year following the respective Comparison Year a statement setting forth the amount, if any, of Tenant's share of Direct Expenses and increase in rent payable, but failure by Landlord to give such statement by said date shall not constitute a waiver by Landlord of its right to require an increase in rent. Upon receipt of the statement for the first Comparison Year, Tenant shall pay in full the total amount of increase due for the first Comparison Year, and in addition for the then current year, the amount of any such increase shall be used as an estimate for said current year and this amount shall be divided into twelve (12) equal monthly installments and Tenant shall pay to Landlord, concurrently with the regular monthly rent payment next due following the receipt of such statement, an amount equal to one (1) monthly installment multiplied by the number of months from January in the calendar year in which said statement is submitted to the month of such payment, both months inclusive. Subsequent installments shall be payable concurrently with the regular monthly rent payments for the balance of that calendar year and shall continue until the next Comparison Year's statement is rendered. If the next or any succeeding Comparison Year results in a greater increase in Direct Expenses, then upon receipt of a statement from the Landlord, Tenant shall pay a lump sum equal to such total increase in Direct Expenses over the Base Year, less the total of the monthly installments of estimated increases paid in the previous calendar year for which comparison is then being made to the Base Year; and the estimated monthly installments to be paid for the next year, following said Comparison year, shall be adjusted to reflect such increase. If an any

Comparison Year the Tenant's share of Direct Expenses be less than the preceding year, then upon receipt of Landlord's statement, any overpayment made by Tenant on the monthly installment basis provided above shall be credited towards the next monthly rent falling due and the estimated monthly installments of Direct Expenses to be paid shall be adjusted to reflect such lower Direct Expenses for the most recent Comparison Year.

Even though the term has expired and Tenant has vacated the Premises, when the final determination is made of Tenant's share of Direct Expenses for the year in which this Lease terminates, Tenant shall immediately pay any increase due over the estimated expenses paid and conversely any overpayment made in the event said expenses decrease shall be immediately rebated by Landlord to Tenant.

Notwithstanding anything contained in this Article, the rental payable by Tenant shall in no event be less than the rent specified in Article 5 hereinabove.

9. USE. Tenant shall use the Premises for general office purposes and shall not use or permit the Premises to be used for any other purpose without the prior written consent of Landlord.

Tenant shall not do or permit anything to be done in or about the Premises nor bring or keep anything therein which will in any way increase the existing rate of or affect any fire or other insurance upon the Building or any of its contents, or cause cancellation of any insurance policy covering said Building or any part thereof or any of its contents. Tenant shall not do or permit anything to be done in or about the Premises which will in any way obstruct or interfere with the rights of other tenants or occupants of the Building or injure or annoy them or use or allow the Premises to be used for any unlawful purposes, nor shall Tenant cause, maintain or permit any nuisance in, on or about the Premises. Tenant shall not commit or suffer to be committed any waste in or upon the Premises.

10. COMPLIANCE WITH LAW. Tenant shall not use the Premises or permit anything to be done in or about the Premises which will in any way conflict with any law, statute, ordinance or governmental rule or regulation now in force or which may hereafter be enacted or promulgated. Tenant shall, at its sole cost and expense, promptly comply with all laws, statutes, ordinances and governmental rules, regulations or requirements now in force or which may hereafter be in force, and with the requirements of any board of fire insurance underwriters or other similar bodies now or hereafter constituted, relating to, or affecting the condition, use or occupancy of the Premises, excluding structural changes not related to or affected by Tenant's improvements or acts. The judgment of any court of competent jurisdiction or the admission of Tenant in any action against violated by law, statute, ordinance or governmental rule, regulation or requirement, shall be conclusive of that fact as between the Landlord and Tenant.

11. ALTERATIONS AND ADDITIONS. Tenant shall not make or suffer to be made any alterations, additions or improvements to or of the premises or any part thereof without the written consent of Landlord first had and obtained and any alterations, additions or improvements to or of said Premises, including, but not limited to wall covering, paneling and built-in cabinet work, but excepting movable furniture and trade fixtures, shall on the expiration of the term become a part of the realty and belong to the Landlord and shall be surrendered with the Premises. In the event Landlord consents to the making of any alterations, additions or improvements to the Premises by Tenant, the same shall be made by Tenant at Tenant's sole cost and expense, and any contractor or person selected by Tenant to make the same must first be approved of in writing by the Landlord. Upon the expiration or sooner termination of the term hereof, Tenant shall, upon written demand by Landlord, given at least thirty (30) forthwith and with all due diligence remove any alterations, additions, or improvements made by Tenant, designated by Landlord to be removed, and Tenant shall, forthwith and with all due diligence at its sole cost and expense, repair any damage to the Premise caused by such removal.

12. REPAIRS.

12.a. By taking possession of the Premises, Tenant shall be deemed to have accepted the Premises as being in good, sanitary order, condition and repair. Tenant shall, at Tenant's sole cost and expense, keep the Premises and every part thereof in good condition and repair, damage thereto from causes beyond the reasonable control of

Tenant and ordinary wear and tear excepted. Tenant shall upon the expiration or sooner termination of this Lease hereof surrender the Premises to the Landlord in good condition, ordinary wear and tear and damage from causes beyond the reasonable control of Tenant excepted. Except as specifically provided in an addendum, if any, to this Lease, Landlord shall have no obligation whatsoever to alter, remodel, improve, repair, decorate or paint the Premises or any part thereof and the parties hereto affirm that Landlord has made no representations to Tenant respecting the condition of the Premises or the Building except as specifically herein set forth.

12.b. Notwithstanding the provisions of Article 11.a. hereinabove, Landlord shall repair, replace and maintain the structural portions of the Premises and the Building including, without limitation, the basic plumbing and plumbing fixtures, air conditioning, heating, elevator and electrical systems, installed or furnished by Landlord, unless such maintenance and repairs are caused in part or in whole by the act, neglect, fault or omission of any duty by the Tenant, its agents, servants, employees or invitees, in which case Tenant shall pay to Landlord the reasonable cost of such maintenance and repairs, except, and to the extent that, such costs are covered by insurance carried by Landlord as part of Direct Expenses. Landlord shall not be liable for any failure to make any such repairs or to perform any maintenance unless such failure shall persist for any unreasonable time after written notice of the need of such repairs or maintenance is given to Landlord by Tenant. Except as provided in Article 22 hereof, there shall be no abatement of rent and no liability of Landlord by reason of any injury to or interference with Tenant's business arising from the making of any repairs, alterations or improvements in or to any portion of the Building or the Premises or in or to fixtures, appurtenances and equipment therein. Tenant waives the right to make repairs at Landlord's expense under any law, statute or ordinance now or hereafter in effect.

13. LIENS. Tenant shall keep the Premises and the property in which the Premises are situated free from any liens arising out of any work performed, materials furnished or obligations incurred by Tenant. Landlord may require, at Landlord's sole option, that Tenant shall provide to Landlord, at Tenant's sole cost and expense, a lien and completion bond in an amount equal to one and one-half (1 1/2) times any and all estimated cost of any improvements, additions, or alterations in the Premises, to insure Landlord against any liability for mechanics' and materialmen's liens and to insure completion of the work.

14. ASSIGNMENT AND SUBLETTING. Tenant shall not either voluntarily or by operation of law, assign, transfer, mortgage, pledge, hypothecate or encumber this Lease or any interest therein, and shall not sublet the said Premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person (the employees, agents, servants and invitees of Tenant excepted) to occupy or use the said Premises, or any portion thereof, without the prior written consent of Landlord, which shall not be unreasonably withheld, conditioned, or delayed. Any such assignment or subletting without such consent shall be void, and shall, at the option of the Landlord, constitute a default under this Lease. Landlord shall have the right, but not the obligation, to cancel the lease and release the premises to a third party in the event Tenant elects to sublease the space.

15. HOLD HARMLESS. Tenant shall indemnify and hold harmless Landlord against and from any and all claims arising from the Tenant's use of the Premises for the conduct of its business or from any activity, work, or other thing done, permitted or suffered by the Tenant in or about the Building, and shall further indemnify and hold harmless Landlord against any and all claims arising from any breach or default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or arising from any act or negligence of the Tenant, or any officer, agent, employee, or guest of Tenant, and from all and against all cost, attorney's fees, expenses and liabilities incurred in or about any such claim or any action or proceeding brought thereon, and, if any case, action or proceeding be brought against Landlord by reason of any such claim, Tenant upon notice from Landlord shall defend the same at Tenant's expense. Tenant as a material part of the consideration to Landlord hereby assumes all risk to damage to property or injury to persons, in, upon or about the Premises, from any

cause other than Landlord's negligence. Landlord or its agents shall not be liable for any damage to property entrusted to employees of the Building, nor for loss or damage to any property by theft or otherwise, nor for any injury to or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Building or from the pipes, appliances or plumbing works therein or from the roof, street or subsurface or from any other place resulting from dampness or any other cause whatsoever, unless caused by or due to the negligence of Landlord, its agents, servants or employees. Landlord or its agents shall not be liable for interference with the light or other incorporeal hereditaments, loss of business by Tenant, nor shall Landlord be liable for any latent defect in the Premises or in the Building. Tenant shall give prompt notice to Landlord in case of fire or accidents in the Premises or in the Building or of defects therein or in the fixtures or equipment.

16. SUBROGATION. Landlord and Tenant hereby mutually waive their respective rights of recovery against each other for any loss to the Building, the Premises, Landlord's or Tenant's fixtures, personal property, leasehold improvements or business which may occur by reason of fire, acts of God or other casualty, regardless of the cause or origin, including the negligence of Landlord or Tenant and their agents, officers and employees. Each party shall obtain any special endorsements, if required by their insurer to evidence compliance with the aforementioned waiver.

17. INSURANCE. Tenant and Landlord each, shall, at their own expense, obtain and keep in force during the term of this Lease a policy of Commercial General Liability insurance with minimum limits of coverage of \$1,000,000/\$2,000,000 each occurrence and in the aggregate insuring each against any liability arising out of the ownership, use, occupancy or maintenance of the Premises and all areas of appurtenant thereto. The limit of said insurance shall not, however, limit the liability of the insured hereunder. Tenant may self-insure its obligations hereunder. Tenant and Landlord shall deliver to each other prior to occupancy of the Premises copies of policies of liability insurance required herein or certificates evidencing the existence and amounts of such insurance or self-insurance. No policy shall be cancellable or subject to reduction of coverage except after ten (10) days' prior written notice to Landlord.

Landlord shall keep the Building insured against loss or damage by fire, with the usual extended coverage endorsements, in the amount of the full replacement value thereof above foundations and so as to prevent application of co-insurance provisions. Such insurance shall cover improvements in the Premises owned by Landlord to the extent that the same are customarily insurable as part of realty, but shall not cover Tenant's moveable trade fixtures, furniture, furnishings, decorative effects or equipment.

18. SERVICES AND UTILITIES. Provided that the Tenant is not in default hereunder, Landlord agrees to furnish to the Premises during building hours of generally recognized business days and subject to the rules and regulations attached, and made a part of this Lease, for the Building of which the Premises are a part, electricity for normal lighting and fractional horsepower office machines, heat and air conditioning required in Landlord's judgment for the comfortable use and occupation of the Premises, and janitorial service. Landlord shall also continuously maintain and keep adequately lighted the common stairs, common entries and toilet rooms in the Building of which the Premises are a part. Landlord shall not be liable for, and Tenant shall not be entitled to, any reduction of rental by reason of Landlord's failure to furnish any of the foregoing when such failure is caused by accident, breakage, repairs, strikes, lockouts or other labor disturbances or labor disputes of any character, or by any other cause, similar or dissimilar, beyond the reasonable control of Landlord. Landlord shall not be liable under any circumstances for a loss of or injury to property, however occurring, through or in connection with or incidental to failure to furnish any of the foregoing. Wherever heat generating machines or equipment are used in the Premises which affect the temperature otherwise maintained by the air conditioning system, Landlord reserves the right to install supplementary air conditioning units in the Premises and the cost thereof, including the cost of installation, and the cost of operation and maintenance thereof shall be paid by Tenant to Landlord upon demand by Landlord.

Tenant will not, without written consent of Landlord, use any apparatus or device in the Premises, including, but without limitation thereto, electronic data processing

machines, punch card machines, and machines using in excess of 120 volts, which will in any way increase the amount of electricity usually furnished or supplied for the use of the Premises as general office space; nor connect with electric current except through existing electrical outlets in the Premises, any apparatus or device, for the purpose of using electric current. If Tenant shall require water or electric current in excess of that usually furnished or supplied for the use of the premises as general office space, Tenant shall first procure the written consent of Landlord, which Landlord may refuse, to the use thereof and Landlord may cause a water meter or electrical current meter to be installed in the Premises, so as to measure the amount of water and electric current consumed for any such use. The cost of any such meters and of installation, maintenance and repair thereof shall be paid for by the Tenant and Tenant agrees to pay to Landlord promptly upon demand therefore by Landlord for all such excess water and electric current consumed as shown by said meters, at the rates charged for such services by the local public utility furnishing the same, plus any additional expense incurred in keeping account of the water and electric current so consumed. If a separate meter is not installed, such excess cost for such water and electric current will be established by an estimate made by a utility company or electrical engineer.

19. **PROPERTY TAXES.** Tenant shall pay, or cause to be paid, before delinquency, any and all taxes levied or addressed and which become payable during the term hereof upon all Tenant's leasehold improvements, equipment, furniture, fixtures and personal property located in the Premises; except that which has been paid for by Landlord, and is the standard of the Building. In the event any or all of the Tenant's leasehold improvements, equipment, furniture, fixtures and personal property shall be assessed and taxed with the Building, Tenant shall pay to Landlord its share of such taxes within ten (10) days after delivery to Tenant by Landlord of a statement in writing setting forth the amount of such taxes applicable to Tenant's property.

20. **RULES AND REGULATIONS.** Tenant shall faithfully observe and comply with the rules and regulations that Landlord shall from time to time promulgate. Landlord reserves the right from time to time to make all reasonable modifications to said rules. The additions and modifications to those rules shall be binding upon Tenant upon delivery of a copy of them to Tenant. Landlord shall not be responsible to Tenant for the nonperformance of any said rules by any other tenants or occupants. Landlord agrees to enforce such rules and regulations in a nondiscriminatory and uniform manner.

21. **HOLDING OVER.** If Tenant remains in possession of the Premises or any part thereof after the expiration of the term hereof, with the express written consent of Landlord, such occupancy shall be a tenancy from month to month at a rental of twice the amount of the last monthly rental, plus all other charges payable hereunder, and upon all the terms hereof applicable to a month tenancy.

22. **ENTRY BY LANDLORD.** Landlord reserves and shall at any all times have the right to enter the Premises, inspect the same, supply janitorial service and any other service to be provided by Landlord to Tenant hereunder, to submit said Premises to prospective purchasers or tenants, to post notices of non-responsibility, and to alter, improve or repair the Premises and any portion of the Building of which the Premises are a part that Landlord may deem necessary or desirable, without abatement of rent and may for that purpose erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, always providing that the entrance to the Premises or the Building shall not be blocked thereby, and further providing that the business of the Tenant shall not be interfered with unreasonably. Tenant hereby waives any claim for damages or for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby, provided that the rights reserved to Landlord therein are exercised in a reasonable and prudent manner, taking due care to preserve Tenant's property from damage and to minimize interference with Tenant's business and use of the Premises. For each of the aforesaid purposes, Landlord shall at all times have and retain a key with which to unlock all of the doors in, upon and about the Premises, excluding Tenant's vaults, safes and files, and Landlord shall have the right to use any and all means which Landlord may deem property to open said doors in an emergency, in order

to obtain entry to the Premises without liability to Tenant except for any failure to exercise due care for Tenant's property. Any entry to the Premises obtained by Landlord by any of said means, or otherwise shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion thereof.

23. RECONSTRUCTION. In the event the Premises or the Building of which the Premises are a part are damaged as a result of any cause other than the perils covered by fire and extended coverage insurance, then Landlord shall forthwith and in no event longer than thirty days or within thirty days of issuance of Building Permit if permit is required, repair the same, provided the extent of the destruction be less than ten (10%) percent of the then full replacement cost of the Premises or the Building of which the Premises are a part. In the event the destruction of the Premises or the Building is to an extent greater than ten (10%) percent of the full replacement cost and is not covered by insurance, or to the extent the damage is fifty (50%) percent or greater of the Building or Tenant's Premises and is covered by fire or other casualty insurance, then Landlord and Tenant shall each have the option; (1) to repair or restore such damage, this Lease continuing in full force and effect, but the rent to be proportionately reduced as hereinabove in this Article provided; or (2) give notice to the other party at any time within thirty (30) days after such damage terminating this Lease as of the date specified in such notice, which date shall be not less than thirty (30) and no more than sixty (60) days after the giving of such notice. In the event of giving such notice, this Lease shall expire and all interest of the Tenant in the Premises shall terminate on the date so specified in such notice and the rent, reduced by an appropriate amount, based upon the extent, if any, to which such damage materially interfered with the business carried on by the Tenant in the Premises, shall be paid up to date of such termination.

Landlord shall not be required to repair any injury or damage by fire or other cause, or to make any repairs or replacements of any panels, decoration, office fixtures railings, floor coverings, partitions, or any other property installed in the Premises by Tenant except for any such decoration, etc., installed by Landlord, or Tenant as part of the initial build-out.

The Tenant shall not be entitled to any compensation or damages from Landlord for loss of the use of the whole or any part of the Premises, Tenant's personal property or any inconvenience or annoyance occasioned by such damage, repair, reconstruction or restoration.

24. DEFAULT. The occurrence of any one or more of the following events shall constitute a default and breach of this Lease by Tenant.

24.a. The failure by Tenant to make any payment of rent or any other payment required to be made by Tenant hereunder, as and when due, where such failure shall continue for a period of three (3) days after written notice thereof by Landlord to Tenant.

24.b. The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by the Tenant, other than described in Article 23.b. above, where such failure shall continue for a period of thirty (30) days after written notice thereof by Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commences such cure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion.

24.c. The making by Tenant of any general assignment or general arrangement for the benefit of creditors; or the filing by or against Tenant of a petition to have Tenant adjudged a bankrupt, or a petition or reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition failed against Tenant, the same is dismissed within sixty (60) days); or the appointment of a trustee or a receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or the attachment, execution or other judicial seizure of substantially all of the Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged in thirty (30) days.

25. REMEDIES IN DEFAULT. In the event of any such material default or breach by Tenant, Landlord may at any time thereafter, with or without notice or demand and without limiting Landlord in the exercise of a right or remedy which Landlord may have by reason of such default or breach:

25.a. Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord. In such event Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default including but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises, reasonable attorney's fees, any real estate commission actually paid; the worth at the time of award by the court having jurisdiction thereof of the amount by which the unpaid rent for the balance of the term after the time of such award exceeds the amount of such rental loss for the same period that Tenant proves could be reasonably avoided; that portion of the leasing commission paid by Landlord and applicable to the unexpired term of this Lease. Unpaid installments or rent or other sums shall bear interest from the date due at the rate of ten (10%) percent per annum. In the event Tenant shall have abandoned the Premises, Landlord shall have the option of (a) taking possession of the Premises and recovering from Tenant the amount specified in this paragraph, or (b) proceeding under the provisions of the following Article 23.b.

25.b. Maintain Tenant's right to possession, in which case this Lease shall continue in effect whether or not Tenant shall have abandoned the Premises. In such event Landlord shall be entitled to enforce all of Landlord's rights and remedies under this Lease, including the right to recover the rent as it becomes due hereunder.

25.c. Pursue any other remedy now or hereafter available to Landlord under the laws or judicial decision of the State in which the Premises are located.

26. EMINENT DOMAIN. If more than twenty-five (25%) per cent of the Premises shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain, either party hereto shall have the right, at its option, to terminate this Lease, and Landlord shall be entitled to any and all income, rent, award, or any interest therein whatsoever which may be paid or made in connection with such public or quasi-public use or purpose, and Tenant shall have no claim against Landlord for the value of any unexpired term of this Lease. If any part of the Building other than the Premises may be so taken or appropriated, Landlord shall have the right at its option to terminate this Lease and shall be entitled to the entire award as above provided.

Notwithstanding Article 24, Tenant may, in a separate action, make any claim permitted under applicable law against the condemning authority as long as any award to Tenant shall in no way reduce the award to Landlord; and, if the Lease is not terminated pursuant to Article 24, the rent payable under this Lease during the unexpired portion of the term shall be reduced, effective as of the date of taking of the Premises pursuant to such condemnation, in proportion to the reduction of the area of the Premises which Tenant can reasonably use to conduct its business.

27. OFFSET STATEMENT. 30. GENERAL PROVISIONS.

(i) Plats and Riders. Clauses, plats and riders, if any, signed by the Landlord and the Tenant and endorsed on or affixed to this Lease are a part hereof.

(ii) Waiver. The waiver by Landlord of any term, covenant or condition shall not be deemed to be a waiver of such term, covenant or condition on any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, other than the failure of the Tenant to pay the particular rental so accepted, regardless of Landlord's knowledge of such preceding breach at the time of the acceptance of such rent.

(iii) Notices. All notices and demands which may or are to be required or permitted to be given by either party to the other hereunder shall be in writing. All notices and demands by the Landlord to the Tenant shall be sent by United States Mail, postage prepaid, addressed to the Tenant at the Premises, or to such other place as Tenant may from time to time designate in a notice to the Landlord. (iv) Joint Obligations. If there be more than one Tenant the obligations hereunder imposed upon Tenants shall be joint and several.

(v) Marginal Headings. The marginal headings and Article titles to the Articles of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

(vi) Time. Time is of the essence of this Lease and each and all of its provisions in which performance is a factor.

(vii) Successors and Assigns. The covenants and conditions herein contained, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of the parties hereto.

(viii) Recordation. Neither Landlord nor Tenant shall record this Lease or a short form memorandum hereof without the prior written consent of the other party.

(ix) Quiet Possession. (x) Late Charges. Tenant hereby acknowledges that late payment by Tenant to Landlord of rent or other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Landlord by terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of rent or of a sum due from Tenant shall not be received by Landlord or Landlord's designee within ten (10) days after said amount is due, then Tenant shall pay to Landlord a late charge equal to ten (10) per cent of such overdue amount. The parties hereby agree that such late charges

represent a fair and reasonable estimate of the cost that Landlord will incur by reason of the late payment by Tenant. Acceptance of such late charges by the Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder.

(xi) Prior Agreements. This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior agreements or understanding pertaining to any such matters shall be effective for any purpose. This Lease shall not be effective or binding on any party until fully executed by both parties hereto.

(xii) Inability to Perform. This Lease and the obligations of the Landlord and Tenant hereunder shall not be affected or impaired because the Landlord or Tenant is unable to fulfill any of its obligations hereunder or is delayed in doing so, if such inability or delay is caused by reason of strike, acts of God, or any other cause beyond the reasonable control of the Landlord or Tenant.

(xiii) Attorneys' Fees. In the event of any action or proceeding brought by either party against the other under this Lease the prevailing party shall be entitled to recover all costs and expenses including the fees of its attorneys in such action or proceeding in such amount as the court may adjudge reasonable at attorneys' fees.

(xiv) Sale of Premises by Landlord. In the event of any sale of the Building, Landlord shall be and is hereby entirely freed and relieved of all liability under any and all of its covenants and obligations contained in or derived from this Lease arising out of any act, occurrence or omission occurring after the consummation of such sale; and the purchaser, at such sale or any subsequent sale of the Premises shall be deemed, without any further agreement between the parties or their successors in interest or between the parties and any such purchaser, to have assumed and agreed to carry out any and all of the covenants and obligations of the Landlord under this Lease.

(xv) Subordination, Attornment. Upon request of the Landlord, Tenant will in writing subordinate its rights hereunder to the lien of any first mortgage, or first deed of trust to any bank, insurance company or other lending institution, now or hereafter in force against the land and Building of which the Premises are a part, and upon any buildings hereafter placed upon the land of which the Premises are a part, and to all advances made or hereafter to be made upon the security thereof.

In the event any proceedings are brought for foreclosure, or in the event of the exercise of the power of sale under any mortgage or deed of trust made by the Landlord covering the Premises, the Tenant shall attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as the Landlord under this Lease.

The provisions of the Article to the contrary notwithstanding, and so long as Tenant is not in default hereunder, this Lease shall remain in full force and effect for the full term hereof.

(xvi) Name. Tenant shall not use the name of the Building or of the development in which the Building is situated for any purpose other than as an address of the business to be conducted by the Tenant in the Premises.
