2 320th Avenue NE, File V-2525; Petitioners: Warren Moon
3 of The Awareness Society, Paul Martin and Sandra
4 Grumman.

6 STATEMENT OF FACTS:

7 1. A petition has been filed requesting vacation of a portion of 320th
8 Avenue NE hereinafter described.

9 2. The department of transportation notified the various utility companies
10 serving the area and has been advised that easements have either been
11 obtained or are not required within the vacation area.

12 3. The department of transportation records indicates that King County
13 has not been maintaining 320th Avenue NE. The records indicate that no
14 public funds have been expended for its acquisition.

15 4. The department of transportation considers the subject portion of the
16 right of way useless as part of the King County road system and believes

17 the public would benefit by the return of this unused area to the public tax
18 rolls.

19 5. The right of way is classified as "C-Class" and, in accordance with
20 K.C.C. 14.40.020, the compensation due King County is based on fifty
21 percent of the assessed value of the subject right of way, which was
22 determined from records of the department of assessments. King County
23 is in receipt of \$4,988.75 from the petitioners.

24 6. The petitioner has provided an access and utility easement over the
25 subject vacation area. The easement was recorded under Recording No.
26 20070717000641, records of King County, Washington.

27 Due notice was given in the manner provided by law and a hearing was
28 held by the office of the hearing examiner on the 18th day of October
29 2006.

30 In consideration of the benefits to be derived from the subject vacation the
31 council has determined that it is in the best interest of the citizens of King
32 County to grant said petition.

33 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

34 SECTION 1. The council, on the effective date of this ordinance, hereby vacates
35 and abandons that portion of 320th Avenue NE as conveyed to King County by the

Examiner's:	Approve road vacation with revised easement finding

DEPARTMENT'S REPORT:

The Department of Transportation's written report to the King County Hearing Examiner for Item No. V-2525 was received by the Examiner on August 30, 2006.

PUBLIC HEARING:

After reviewing the Department's Report and examining available information on file with the petition, the Examiner conducted a public hearing on the subject as follows:

The hearing on Item No. V-2525 was opened by the Examiner on October 18, 2006, in the Hearing Examiner's Conference Room, 400 Yesler Way, Seattle, WA 98104. The hearing was continued administratively for receipt of revised ordinance language and a copy of a acceptable access and utility easement, which were received in complete acceptable form on August 20, 2007. Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the Hearing Examiner.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

1. General Information:

Road name and location:	Portion of 320th Avenue Northeast (aka Cedar Road)
Right of way classification:	C
Area:	34,538 square feet
Compensation:	\$4,988.75

2. The Notice of Hearing on the Department's report was given as required by law, and a hearing on the report was conducted by the Examiner on behalf of the Metropolitan King County Council.
3. Except as provided below, the Examiner adopts and incorporates herein by this reference the facts set forth in the Department's report to the Examiner for the October 18, 2006, public hearing and the statement of facts contained in Proposed Ordinance No. 2006-0371. The Department's report will be attached to those copies of this report and recommendation that are submitted to the County Council.
4. Maps showing the vicinity of the proposed vacation and the specific area to be vacated appear in the hearing record as exhibit nos. 7 and 9.
5. The subject right-of-way is not currently opened, constructed or maintained for public use, and is not known to be used informally for access to any property.
6. The Petitioner and other grantors have executed and recorded a private access and utility easement to the adjoining Chen property to provide for sufficient access and utility provision in lieu of the right-of-way requested to be vacated.
7. Vacation of the right-of-way would have no adverse effect on the provision of access and fire and emergency services to the abutting subject property and surrounding area.

- 8. An easement to Puget Sound Energy necessary to be retained for the construction, repair and maintenance of its utility facilities has been granted and recorded. No other easements are necessary to be retained for the construction, repair and maintenance of public utilities and services.
- 9. The right-of-way is not necessary for the present or future public road system for travel or utilities purposes.
- 10. The compensation required by law to be paid as a condition precedent to vacation of this road has been deposited with King County.

CONCLUSION:

- 1. The right-of-way segment subject to this petition is useless as part of the King County road system, and the public will be benefited by its vacation.

RECOMMENDATION:

APPROVE proposed Ordinance No. 2006-0371 to vacate the subject road right-of-way.

RECOMMENDED September 26, 2007.
