**PRELIMINARY REPORT:**

The Department of Natural Resources & Parks, Water and Land Resources Division Report on item no. E07CT078 was received by the Examiner on April 14, 2008.

**PUBLIC HEARING:**

After reviewing the report and examining available information on file with the application, the Examiner conducted a public hearing on the application as follows:

The hearing on item no. E07CT078 was held by the Examiner on April 23, 2008, in the Hearing Examiner's Conference Room, 400 Yesler Way, Room 404, Seattle, Washington.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the King County Hearing Examiner.

**FINDINGS, CONCLUSIONS & RECOMMENDATION:** Having reviewed the record in this matter, the Examiner now makes and enters the following:

**FINDINGS:**

1. **General Information:**

Owners:	Michael Feinstein, Leonard and LaVerne Talbott Frederick E. Fisk and Yvonne E. Belshaw

Categories recommended:	<b>Open space resources</b> Aquifer protection area Forest stewardship land (conditional) Rural open space Significant wildlife or salmonid habitat Watershed protection area  <b>Bonus category</b> Contiguous parcels under separate ownership
STR:	SW 14-22-03
Zoning:	RA-2.5

Parcel nos.:	142203-9065	142203-9087	142203-9088
Total acreage:	1.80 acres	1.61 acres	1.49 acres
Recommended PBRS:	1.43 acres	1.29 acres	1.14 acres
Parcel nos.:	142203-9099	142203-9035	142203-9014
Total acreage:	1.74 acres	2.12 acres	2.10 acres
Recommended PBRS:	1.38 acres	1.30 acres	1.24 acres
Parcel nos.:	142203-9038	142203-9039	142203-9040
Total acreage:	7.17 acres	2.05 acres	1.52 acres
Recommended PBRS:	4.09 acres	1.89 acres	1.52 acres

(The land area recommended for PBRS enrollment is the entire parcel less the excluded area, which is what has been calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)

2. Except as modified herein, the facts set forth in the King County Department of Natural Resources & Parks, Water and Land Resources Division, Preliminary Report for the April 23, 2008, public hearing are found correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this report submitted to the Metropolitan King County Council.

The following change was made to the staff report at hearing:

- A. On page 6, Watershed protection area, delete "Although credit for this category was not requested,"
3. Timely application was made to King County for current use valuation of the subject property to begin in 2009. Notice of the application was given as required by law.
  4. The property contains priority open space resources and is eligible for a total award of 26 points under the King County Public Benefit Rating System. The resulting current use valuation therefore would be 20% of market value for 15.28 acres of the property.
  5. Additional credit may be awarded administratively for the forest stewardship land category subject to Applicant submittal of a forest stewardship plan by September 1, 2008, and subsequent approval and commencement of implementation by October 1, 2008. Credit for this category would increase the total point award to 31 but there would be no change to the property's current use valuation.

#### CONCLUSION:

1. Approval of current use valuation of 20% of market value for 15.28 acres of the property pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment

of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

APPROVE current use valuation of 20% of market value for 15.28 acres of the subject property, subject to the conditions recommended in the Department of Natural Resources & Parks report for the April 23, 2008 public hearing and the following conditional allowance:

1. Credit may be awarded administratively for the forest stewardship land category as stated in Finding no. 5 above. Award for this category would increase the point total to 31 with no change to the current use valuation for the property.

Current use valuation shall be subject to all terms and conditions of RCW Chapter 84.34 and KCC Chapter 20.36, as may be amended from time to time, and all regulations and rules duly adopted to implement state law and county ordinances pertaining to current use valuation.

RECOMMENDED June 9, 2008.

hereinafter called the "Owner", and  
hereinafter called the "Granting Authority".

Whereas the owner of the above described real property having made application for classification of that property under the provisions of Chapter 84.34 RCW. And whereas, both the owner and granting authority agree to limit the use of said property, recognizing that such land has substantial public value as open space and that the preservation of such land constitutes an important physical, social, esthetic, and economic asset to the public, and both parties agree that the classification of the property during the life of this agreement shall be for:

**Open Space Land**

Now, therefore, the parties, in consideration of the mutual covenants and conditions set forth herein, do agree as follows:

1. During the term of this agreement, the land shall be used only in accordance with the preservation of its classified use.
2. No structures shall be erected upon such land except those directly related to, and compatible with, the classified use of the land.
3. This agreement shall be effective commencing on the date the legislative body receives the signed agreement from the property owner and shall remain in effect until the property is withdrawn or removed from classification.
4. This agreement shall apply to the parcels of land described herein and shall be binding upon the heirs, successors and assignees of the parties hereto.
5. The landowner may withdraw from this agreement if, after a period of eight years, he or she files a request to **withdraw** classification with the assessor. Two years from the date of that request the assessor shall withdraw classification from the land, and the applicable taxes and interest shall be imposed as provided in RCW 84.34.070 and 84.34.108.
6. After the effective date of this agreement, any change in use of the land, except through compliance with items (5), (7), or (9), shall be considered a **breach** of this agreement, and shall be subject to removal of classification and liable for applicable taxes, penalties, and interest as provided in RCW 84.34.080 and RCW 84.34.108.
7. A **breach** of agreement shall not have occurred and the additional tax shall not be imposed if removal of classification resulted solely from:
  - a) Transfer to a governmental entity in exchange for other land located within the State of Washington.
  - b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power in anticipation of the exercise of such power and having manifested its intent in writing or by other official action.

- c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the land owner changing the use of such property.
  - d) Official action by an agency of the State of Washington or by the county or city where the land is located disallowing the present use of such land.
  - e) Transfer of land to a church when such land would qualify for exemption pursuant to RCW 84.36.020.
  - f) Acquisition of property interests by State agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 (see RCW 84.34.108(6)(f)).
  - g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(e).
  - h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification.
  - i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120.
  - j) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.
  - k) The sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as forest land under chapter 84.33 RCW, or under chapter 84.34 RCW continuously since 1993. The date of death shown on the death certificate is the date used.
8. The county assessor may require an owner to submit data relevant to continuing the eligibility of any parcel of land described in this agreement.
  9. The owner may apply for reclassification as provided in Chapter 84.34 RCW.
  10. This agreement shall supersede any previous open space taxation agreement entered into for the subject property.
