11 **Term of Agreement**
12 **January 1, 2009 - December 31, 2010**

13 These Articles constitute an agreement, terms of which have been negotiated in good faith,
14 between KING COUNTY (“the County”) and TEAMSTERS LOCAL 117 (“the Union”). This
15 Agreement shall be subject to approval by Ordinance by the Metropolitan King County Council.

16 **ARTICLE 1: PURPOSE**

17 The purpose of this Agreement is to promote the continued improvement of the relationship
18 between King County and its employees represented by the Union. The articles of this Agreement set
19 forth the wages, hours and working conditions for the bargaining unit employees.

1 **ARTICLE 2: UNION RECOGNITION AND MEMBERSHIP**

2 **Section 2.1 Recognition.** The County recognizes the Union as the exclusive collective
3 bargaining representative of all employees whose job classifications are listed in the attached
4 Addendum A and Addendum B made a part hereof by this reference.

5 **Section 2.2 Union Membership.** It shall be a condition of employment that all employees
6 covered by this agreement who are members of the Union in good standing on the effective date of
7 this agreement shall remain members in good standing and those who are not members on the
8 effective date of this agreement shall, on the thirtieth day following the effective date of this
9 agreement, become and remain members in good standing in the Union, or pay fees to the Union to
10 the extent permitted by law. It shall also be a condition of employment that all employees covered by
11 this agreement and hired or assigned into the bargaining unit on or after its effective date shall, on the
12 thirtieth day following the beginning of such employment, become and remain members in good
13 standing in the Union, or pay fees to the Union to the extent permitted by law.

14 Provided however, that nothing contained in this section shall require an employee to join said
15 Union who can substantiate in accordance with case law bona fide religious tenets or teachings that
16 prohibits the payment of dues or initiation fees to Union organizations. Such employee shall pay an
17 amount of money equivalent to regular union dues and initiation fee; said amounts shall be paid to a
18 non-religious charity mutually agreed upon by the employee affected and the Union to which such
19 public employee would otherwise pay the dues and initiation fee. The public employee shall furnish
20 proof to the Union each month that such payment has been made.

21 Employees outside of the bargaining unit may be temporarily assigned to work within the
22 bargaining unit for a period not to exceed thirty (30) days.

23 **Section 2.3 Dues Deduction.** Upon receipt of written authorization individually signed by a
24 bargaining unit employee, the County shall have deducted from the pay of such employee the amount
25 of dues and initiation fee or the appropriate fair share payment for temporary employees, as certified
26 by the Secretary-Treasurer of the Union, and shall transmit the same to the Secretary-Treasurer of the
27 Union.

28 The Union will indemnify, defend and hold the County harmless against any claims made and

1 against any suit instituted against the County on account of any check-off of dues for the Union. The
2 Union agrees to refund to the County any amounts paid to it in error on account of the check-off
3 provision upon presentation of proper evidence thereof.

4 **Section 2.4 New Bargaining Unit Member Reporting.** The County will require all new
5 employees hired, transferred, or promoted into a position included in the bargaining unit to complete
6 a form to inform the Union of their hire. One copy of the form will be retained by County payroll,
7 one copy of the form will be given to the employee and the original will be sent to the Union. The
8 County will notify the Union of any employee leaving the bargaining unit.

9 **Section 2.5 Bargaining Unit Lists.** The County will transmit to the Union a current listing
10 of all employees in the bargaining unit within thirty (30) days of the Union's request for such a list,
11 not to exceed twice per calendar year. For all employees performing bargaining unit work, the list
12 shall include the name of the employee, classification, home address, department and salary.

13 **Section 2.6 Union Security and Job Removal.** Failure by an employee to satisfy the
14 requirements of Section 2 shall constitute cause for dismissal; provided that King County has no duty
15 to act until the Union makes a written request for discharge and verifies that the employee received
16 written notification of the delinquency including the amount owing, the method of calculation, and
17 notification that non-payment after a period of no less than seven (7) days will result in discharge by
18 the County. A copy of each written notification shall be mailed to the County concurrent with its
19 mailing to the employee.

20 **Section 2.7 Payroll Deduction for Political Contributions – Democratic, Republican,**
21 **Independent Voter Education (D.R.I.V.E.).** The Employer agrees to deduct voluntary
22 contributions from the paycheck of all employees covered by the Agreement who individually elect to
23 make contribution to D.R.I.V.E. D.R.I.V.E. shall notify the Employer of the amounts designated by
24 each contributing employee that are to be deducted from his/her paycheck for all weeks worked. The
25 phrase "weeks worked" excludes any week other than a week in which the employee earned a wage.
26 The Employer shall transmit to D.R.I.V.E. National Headquarters on a monthly basis, in one check,
27 the total amount deducted along with the name of each employee on whose behalf a deduction is
28 made, and the amount deducted from the employee's paycheck.

1 **ARTICLE 3: RIGHTS OF MANAGEMENT**

2 **Section 3.1 Management Rights.** The Union recognizes the prerogatives of the County to
3 operate and manage its affairs in all respects in accordance with its responsibilities and powers of
4 authority, subject to the terms and conditions of this Agreement.

5 **Section 3.2 Specific Enumerated Rights.** The County shall have the right to discipline and
6 discharge for just cause, the right to layoff employees for lack of work or funds; or for the occurrence
7 of conditions beyond the control of the County; or when such continuation of work would be wasteful
8 and unproductive. The County shall further have the right to hire, appoint, promote, train, assign and
9 direct the workforce; develop and modify classification specifications, allocate positions to those
10 classifications, determine reasonable schedules of work, schedule overtime work, and to establish the
11 methods and processes by which work is performed, the right to establish reasonable rules; and the
12 right to take whatever actions are necessary in emergencies in order to assure the proper functioning
13 of the Department.

14 **Section 3.3** The County shall not contract out work which the members of the Union have
15 historically performed unless it is required by law or is a business necessity due to an emergency
16 situation or to augment the workforce on a short-term, temporary basis. Except for emergency
17 situations, the County shall provide notice to the Union of its intent to contract out and, upon request,
18 bargain the decision and/or effects of that decision. Except as provided herein, under no
19 circumstance shall the County agree to any long-term or permanent contracting out of bargaining unit
20 work. Nothing in this provision shall limit what the County has historically contracted out, and no
21 jobs will be eliminated due to contracting out. Term limited temporary (“TLT”) employees will only
22 be utilized to perform bodies of work in accordance with King County Code.

1 **ARTICLE 4: HOLIDAYS**

2 **Section 4.1 Recognized Holidays.** Employees covered by this Labor Agreement shall be
3 eligible for holidays with pay as provided by King County Code 3.12.230. Should King County Code
4 be revised, the Union shall be advised of such revision and if after bargaining regarding the revision,
5 the Union wishes to adopt such revision, it shall become part of the Labor Agreement.

22 paid holiday.

23 **Section 4.3 Personal Holidays.** Personal holidays shall be administered through the
24 vacation plan. One (1) day shall be available for use on the first of October and one (1) on the first

5 to receive holiday pay. An employee leaving County employment the day prior to the holiday shall

18 **E. Alternate/Flextime Work Schedules.** Hourly employees on alternative work
19 schedules/flextime (working four days in five, or nine days in ten) who take holiday time off in excess
20 of the seven (7) or eight (8) hours of holiday provided, and who do not adjust their work schedules as
21 provided in D. above shall make up the difference using accrued vacation time, compensatory time,
22 or leave without pay. If a holiday falls on an hourly employee's regular day off, due to an alternative
23 or flex work schedule, the employee will be paid for the holiday as provided in Section 4.4.D above.
24 In lieu of holiday pay, the employee may be granted paid time off equivalent to the holiday, to be
25 scheduled by mutual agreement with the supervisor within the same pay period when the holiday

18 possible. Managers will respond at the earliest opportunity, but no more than ten working days after
19 employee vacation requests.

20 **D. Dispute Resolution Regarding Vacation Approval.** Business needs within
21 divisions and work groups affect how management responds to employee vacation requests. Labor
22 Management Committees are an appropriate forum for discussion of policies and procedures for
23 vacation approval.

1 **ARTICLE 6: SICK LEAVE**

2 **Section 6.1 Sick Leave Ordinance.** Employees covered by this Labor Agreement shall be
3 eligible for sick leave benefits as provided by King County Code 3.12.220. Should King County

6 **Section 6.2 Sick Leave Accrual.** Regular, provisional, probationary and term-limited
7 temporary employees shall accrue sick leave benefits at the rate of 0.04616 hours for each hour in
8 regular pay status excluding overtime up to a maximum of eight (8) hours per month. Sick leave
9 shall not begin to accrue until the first of the month following the month in which the employee
10 commenced employment. The employee is not entitled to sick leave if not previously earned. If the
11 County adopts a payroll system that allows sick leave accruals to begin the first day of employment,
12 such change shall become effective immediately.

13 **Section 6.3 Vacation in Lieu of Sick Leave -** During the first six (6) months of service in a
14 leave eligible position, employees eligible to accrue vacation leave may, at the manager's discretion,
15 use any accrued days of vacation leave as an extension of sick leave. If an employee does not work a

19 **Section 6.4 Unlimited Accrual.** There shall be no limit to the hours of sick leave benefits
20 accrued by an eligible employee.

21 **Section 6.5 Separation and Return From Separation.** Separation from or termination of
22 County employment except by reason of retirement or layoff due to lack of work, funds, efficiency
23 reasons or separation for non disciplinary medical reasons, shall cancel all sick leave accrued to the
24 employee as of the date of separation or termination. Should the employee resign, be separated for
25 non-disciplinary medical reasons or be laid off and return to County employment within two years,
26 accrued sick leave shall be restored; provided, that such restoration shall not apply where the former
27 employment was in a term-limited position.

28 **Section 6.6 Sick Leave Payout Upon Separation.** Employees eligible to accrue leave and

4 unused, accumulated sick leave multiplied by the employee's rate of pay in effect upon the date of
5 leaving County employment less mandatory withholdings.

6 **Section 6.7 Coordination With Workers' Compensation Benefits.** An employee must use
7 all of his or her sick leave before taking unpaid leave for his or her own health reasons. If the injury
8 is compensable under the County's workers compensation program, then the employee has the option
9 to augment or not augment time loss payments with the use of accrued sick leave. For a leave for
10 family reasons, the employee shall choose at the start of the leave whether the particular leave would
11 be paid or unpaid; but when an employee chooses to take paid leave for family reasons, he or she may
12 set aside a reserve of up to eighty (80) hours of accrued sick leave. An employee who has exhausted
13 all of his or her sick leave may use accrued vacation leave before going on leave of absence without
14 pay, if approved by his or her appointing authority.

15 **Section 6.8 Use of Sick Leave.** Accrued sick leave shall be used for the following reasons:

16 A. The employee's bona fide illness; provided, that an employee who suffers an
17 occupational illness may not simultaneously collect sick leave and worker's compensation payments
18 in a total amount greater than the net regular pay of the employee;

19 B. The employee's incapacitating injury, provided that:

20 An employee injured on the job may not simultaneously collect sick leave and worker's
21 compensation payments in a total amount greater than the net regular pay of the employee; though an
22 employee who chooses not to augment his or her worker's compensation time loss pay through the
23 use of sick leave shall be deemed on unpaid leave status;

24 C. An employee who chooses to augment worker's compensation payments with the
25 use of accrued sick leave shall notify the worker's compensation office in writing at the beginning of
26 the leave;

27 D. Exposure to contagious diseases and resulting quarantine.

28 E. A female employee's temporary disability caused by or contributed to by

1 pregnancy and childbirth.

2 F. The employee's medical, ocular or dental appointments, provided that the
3 employee's supervisor has approved the scheduling of sick leave for such appointments.

4 G. To care for the employee's child if the child has an illness or health condition
5 which requires treatment or supervision from the employee;

6 H. An employee may not collect sick leave for physical incapacity due to any injury or
7 occupational illness which is directly traceable to employment other than with the County.

8 I. To care for other family members, if:

10 and has worked a minimum of one thousand forty hours (1040) in the preceding twelve (12) months
11 for an employee on a forty (40) hour workweek, or nine hundred ten (910) hours for an employee on a
12 thirty-five (35) hour workweek);

13 2. the family member is the employee's spouse or domestic partner, the
14 employee's child, a child of the employee's spouse or domestic partner, the parent of the employee,
15 employee's spouse or domestic partner or an individual who stands or stood in loco parentis to the
16 employee, the employee's spouse or domestic partner, or the grandparent of the employee; and

17 3. the reason for the leave is one of the following:

20 within twelve months of the birth, adoption or placement;

21 b) the care of the employee's child or child of the employee's spouse
22 or domestic partner whose illness or health condition requires treatment or supervision by the
23 employee; or

24 c) Care of a family member who suffers from a serious health
25 condition.

26 **Section 6.9 Federal and State Law.** To the extent that a federal or Washington State law
27 provides more extensive benefits for use of paid leave for family care, the Union and County agree
28 that federal and/or state law shall prevail.

1 **Section 6.10 King County Family and Medical Leave.** An eligible employee may take a
2 total of up to eighteen weeks unpaid leave for his or her own serious health condition, and for family
3 reasons as provided in Sections 6.8.G and 6.8.I combined, within a twelve (12) month period. The
4 twelve month period is counted as rolling backward from the date the employee goes on leave. To be
5 eligible for leave to care for a family member, an employee must have been employed by the county
6 for twelve months or more at any time, and worked a minimum of nine hundred ten (910) hours for
7 an employee on a thirty-five (35) hour workweek, or one thousand forty (1040) hours for an employee
8 on a forty (40) hour workweek in the preceding twelve months (paid leaves such as holiday, vacation
9 and sick leave are not considered hours worked). The leave may be continuous, which is consecutive
10 days or weeks, or intermittent, which is taken in whole or partial days as needed. Intermittent leave is
11 subject to the following conditions:

12 **A. Intermittent Leave for Birth/Adoption.** When leave is taken after the birth or

17 condition of the employee or family member of the employee; and

18 **C. Possible Transfer.** If an employee requests intermittent leave or leave on a
19 reduced leave schedule under section B. above, that is foreseeable based on planned medical
20 treatment, the appointing authority may require the employee to transfer temporarily to an available
21 alternative position for which the employee is qualified and that has equivalent pay and benefits and
22 that better accommodates recurring periods of leave than the regular position of the employee.

23 **Section 6.11 Coordination of Donated Leave.** Use of donated leave shall run concurrently
24 with the eighteen work week family medical leave entitlement.

25 **Section 6.12 Continuation of Health Care Benefits.** The County shall continue its
26 contribution toward health care during any unpaid leave taken under Section 6.10.

27 **Section 6.13 Return to Work.** An employee who returns from unpaid family or medical
28 leave within the time provided in this Article is entitled, subject to bona fide layoff provisions, to:

20 be selected as provided in Article 13, Section 13.2. The third party will determine whether the
21 employee's position is appropriately classified, or if not, will determine the appropriate classification
22 for the position within the existing classification system. The third party will not have the authority
23 to establish new job classifications or modify an existing class specification. The decision of the
24 neutral will be binding on the parties.

25 **Section 8.4.D Classification Revisions.** If the County adopts revisions to any

8 this Agreement at a higher salary range than that agreed upon for bargaining unit members covered by
9 this Agreement, the Agreement may be reopened by the parties for the purpose of negotiating the
10 application of the higher salary range for employees covered by this Agreement. The parties agree

4 required job-related training. Employees will be on paid work time when attending training required
5 by management.

6 **Section 12.8 Personnel Records.** The County will maintain one official personnel file for
7 each employee. The personnel file shall contain official documents of employment, promotions,
8 discipline and other personnel and career-related records of the employee.

9 **12.8.A. Employee Access.** The employee may examine the employee's personnel
10 file. Employees upon request may receive one copy from their personnel file copied at no cost.
11 Material relating to job performance or personal character will be provided to the employee prior to
12 placement in the personnel file. The employee may challenge the propriety of including it in the file,
13 and/or submit the employee's own documentation to be attached to the challenged material.
14 Employees may request to have materials that reflect favorably on their performance or character
15 included in their personnel file.

16 **12.8.B. Disclosure.** Personnel records shall not be disclosed except to persons
17 authorized under County policies, or as provided by law. An employee whose personnel file or
18 personnel data is subject to a public disclosure demand will be notified of the demand on a timely
19 basis, as provided in the King County Personnel Records Management Guidelines.

1 **ARTICLE 13: GRIEVANCE PROCEDURE**

2 King County recognizes the importance and desirability of settling grievances promptly and
3 fairly in the interest of continued good employee relations and morale and to this end the following
4 procedure is outlined. To accomplish this, every effort will be made to settle grievances at the lowest
5 possible level of supervision.

6 Employees shall be unimpeded and free from restraint, interference, coercion, discrimination
7 or reprisal in seeking adjudication of their grievance.

8 **Section 13.1 Definition.**

9 Grievance - A grievance shall be defined as an alleged violation of any of the express terms of
10 this Agreement, except that verbal or written reprimands, and grievances under Article 14 (EEO) are
11 not subject to Step 5 of the grievance procedure.

12 Other matters may arise in the course of employment that do not meet the above definition of
13 a grievance. Employees are encouraged to discuss their concerns or potential problems informally
14 with supervisors and/or managers. Union representatives may participate in such discussions if
15 requested by the employee.

16 Probationary, term-limited, part-time and temporary employees shall not have the right to
17 pursue grievances over terminations of employment but shall be able to pursue grievances as
18 otherwise provided in this Section.

19 **Section 13.2 Procedure.**

20 **Step 1.** A grievance shall be presented in writing by the aggrieved employee (and
21 representative, if the employee wishes) within twenty (20) working days of the occurrence or
22 knowledge of such grievance, to the employee's immediate supervisor. The grievance statement shall
23 include the date(s) of the alleged violation, the Article and Section of this Agreement believed to be
24 violated, and the requested remedy. The supervisor shall gain all relevant facts and shall attempt to
25 adjust the matter and respond in writing to the employee within twenty (20) working days. If a
26 supervisor fails to so issue, the Union may proceed to Step 2 of this grievance procedure. If a
27 grievance is not pursued to the next higher level within ten (10) working days after the supervisor's
28 response, it shall be presumed resolved.

1 **Step 2.** If, after thorough discussion with the immediate supervisor, the grievance has
2 not been satisfactorily resolved the written grievance shall then be presented to the division manager
3 for investigation, discussion and written reply. The division manager or designee shall make a
4 written decision available to the aggrieved employee within ten (10) working days after receipt of the
5 written grievance statement. If a supervisor fails to so issue, the Union may proceed to Step 3 of this
6 grievance procedure. If the grievance is not pursued to the next higher level within ten (10) working
7 days following the division manager's or designee's response, it shall be presumed resolved.

8 **Step 3.** If, after thorough evaluation, the decision of the division manager has not
9 resolved the grievance to the satisfaction of the parties the grievance may be presented in writing to
10 the department director or his/her designee. All letters, memoranda, and other written materials shall
11 be made available for the review and consideration of the department director or his/her designee.
12 The director or designee may interview the employee and/or representative and receive any additional
13 related evidence which may be deemed pertinent to the grievance. The director or designee shall
14 make a written decision available within ten (10) working days after submission to Step 3. If a
15 supervisor fails to so issue, the Union may proceed to Step 4 of this grievance procedure. If the
16 grievance is not pursued to the next higher level within ten (10) working days after the department
17 director or designee's response, it shall be presumed resolved.

18 **Step 4.** If, after thorough evaluation, the decision of the department director or
19 designee has not resolved the grievance to the satisfaction of the employee, the grievance may be
20 presented to the Director of the Human Resources Division (HRD), Department of Executive
21 Services or his/her designee for review. The HRD Director may request information in addition to
22 that in the grievance file, and shall determine the scope and method of review. The HRD Director or
23 his/her designee shall render a decision within ten (10) working days of his/her receipt of the
24 grievance file. If the HRD Director fails to so issue, the Union may proceed to Step 5 of this
25 grievance procedure.

26 **Step 5.** Either signatory party may request arbitration within thirty (30) calendar days
27 of the conclusion of Step 4. A request for arbitration must be submitted in writing to the King
28 County Labor Relations Manager or designee, or to the Union representative if the County requests

1 arbitration. The arbitration request must specify:

- 2 a) Identification of section(s) of Agreement allegedly violated;
- 3 b) Details or nature of the violation;
- 4 c) Position of party who is referring the grievance to arbitration;
- 5 d) Questions which the arbitrator is being asked to decide; and
- 6 e) Remedy sought.

7 The parties shall then select a third disinterested party to serve as an arbitrator. In the event
8 that the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected from a panel
9 of seven arbitrators furnished by the Federal Mediation and Conciliation Services or another agency if
10 the parties agree. The arbitrator will be selected from the list by both the County representative and
11 the Union, each alternately striking a name from the list until only one name remains. The arbitrator
12 shall be asked to render a decision promptly and the decision of the arbitrator shall be final and
13 binding on both parties.

14 The arbitrator shall have no power to change, alter, detract from or add to the provisions of
15 this Agreement, but shall have the power only to apply and interpret the provisions of this Agreement
16 in reaching a decision.

17 The arbitrator's fee and expenses and any court reporter's fee and expenses shall be borne
18 equally by both parties. Each party shall bear the cost of any witnesses appearing on that party's
19 behalf. Regardless of the outcome of the arbitration, each party shall bear the cost of its own legal
20 representation.

21 No matter may be arbitrated which the County by law has no authority over, has no authority
22 to change, or has been delegated to any civil services commission or personnel board as defined in
23 Chapter 108, Extraordinary Session, 1967, Laws of the State of Washington.

24 There shall be no strikes, cessation of work or lockout during such conferences or arbitration.

25 **Section 13.3 Just Cause Standard.** The Employer shall not discharge, suspend, nor
26 otherwise discipline a career service employee for other than just cause. Copies of all warning
27 notices, suspensions and discharges shall be forwarded to the Union when issued to the employee.
28 All disciplinary letters shall notify the employee of their appeal rights through this grievance

1 procedure and the time frame for initiating a grievance.

2 **Section 13.4 Union Representation.** In the event the Employer requires an employee to
3 attend a meeting for purposes of questioning an employee with respect to an incident which may lead
4 to termination of that employee, the employee shall be advised of his/her right to be accompanied by
5 a representative of the Union and if the employee desires Union representation in said matter, he/she
6 shall notify the Employer at that time and shall be provided a reasonable time to arrange for Union
7 representation.

8 **Section 13.5 Extension of Timeframes.** The parties may extend the above described
9 deadlines in writing by mutual agreement of the parties.

10 **Section 13.6 Election of Remedies.** A career service employee who is covered by this
11 Agreement has access either to the grievance procedure herein, or the grievance procedure contained
12 in the King County Personnel Guidelines. Selection of one procedure will preclude access to the
13 other to resolve the grievance. Selection must be made at the conclusion of Step 1 of the procedure
14 set forth in the Personnel Guidelines or at the conclusion of Step 2 of the grievance procedure in
15 Article 13. The employee's selection is final.

16 **Section 13.7 Expedited Arbitration.** If both parties agree, the arbitration may be expedited.
17 If one party desires expedited arbitration, the other party will not unreasonably withhold its consent.
18 In conducting an expedited arbitration, the parties shall select an arbitrator and schedule the
19 arbitration for a date no later than thirty (30) days after the issue is submitted to arbitration. The
20 parties will not submit post-hearing briefs, and the arbitrator will be asked to issue a bench decision,
21 but in any event will be required to issue a decision within seven (7) days of the close of the hearing.

22 **Section 13.8 Mediation.** At any step after Step 2 of this procedure, the parties may agree to
23 request the assistance of a mutually acceptable neutral third party to serve as a mediator. This shall
24 not preclude either party from submitting the matter to arbitration as specified in Step 5. If no
25 arbitration request has been submitted prior to mediation, either party may request arbitration within
26 thirty (30) days after the mediator or one of the parties declares impasse.

27 **Section 13.9 Union Right and Responsibility To Process Grievances.** The Union shall not
28 be required to press employee grievances if, in the Union's opinion, such lack merit. With respect to

1 the processing, disposition and/or settlement of any grievance, including hearings and final decision
2 of any arbitrator, the Union shall be the exclusive representative of the employee.

1 **ARTICLE 14: EQUAL EMPLOYMENT OPPORTUNITY**

2 The County and the Union shall not unlawfully discriminate against any individual employees
3 with respect to compensation, terms, conditions or privileges of employment by reason of race, color,
4 sex, religion, national origin, religious belief, marital status, age, sexual orientation, political
5 ideology, ancestry or disability. Allegations of unlawful discrimination shall not be a proper subject
6 for adjudication under the grievance arbitration procedure of Article 13 of this Agreement.
7 Grievances involving allegations of discrimination that are not resolved through the grievance
8 procedure of Article 13 may be referred by the grievant to the appropriate government agency.

1 **ARTICLE 15: SAVINGS CLAUSE**

2 Should any part hereof or any provision herein contained be rendered or declared invalid by
3 reason of any existing or subsequently enacted legislation or by any decree of a court of competent
4 jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the
5 remaining portions hereof; provided, however, upon such invalidation the parties agree to meet and
6 negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full
7 force and effect.

1 **ARTICLE 16: WORK STOPPAGES AND EMPLOYER PROTECTION**

2 **Section 16.1 No Strike, Work Stoppage or Slowdown.** The Employer and the Union agree
3 that the public interest requires efficient and uninterrupted performance of all County services and to
4 this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective.
5 Specifically, the Union shall not cause or condone any work stoppage, including any strike,
6 slowdown, or refusal to perform any customarily assigned duties, sick leave absence which is not
7 bona fide, or other interference with County functions by employees under this Agreement and should
8 same occur, the Union agrees to take appropriate steps to end such interference. Any concerted action
9 by any employees in any bargaining unit shall be deemed a work stoppage if any of the above
10 activities have occurred.

11 **Section 16.2 Union Obligation.** Upon notification in writing by the County to the Union
12 that any of its members are engaged in a work stoppage, the Union shall immediately, in writing,
13 order such members to immediately cease engaging in such work stoppage and provide the County
14 with a copy of such order. In addition, if requested by the County, a responsible official of the Union
15 shall publicly order such Union employees to cease engaging in such a work stoppage.

16 **Section 16.3 Consequences To Employee.** Any employee participating in such work
17 stoppage or in other ways committing an act prohibited in this article shall be considered absent
18 without leave. The County may consider such absence a resignation. Such employees are also
19 subject to discharge, suspension, or other disciplinary action.

1 **ARTICLE 17: WAIVER CLAUSE**

2 The parties acknowledge that each has had the unlimited right within the law and the
3 opportunity to make demands and proposals with respect to any matter deemed a proper subject for
4 collective bargaining. The results of the exercise of that right and opportunity are set forth in this
5 Agreement. Therefore, the County and the Union, for the duration of this Agreement, each agree to
6 waive the right to oblige the other party to bargain with respect to any subject or matter not
7 specifically referred to or covered in this Agreement.

8 All letters, agreements and understandings in effect prior to the effective date of this contract

1 **ARTICLE 18: REDUCTION-IN-FORCE/LAYOFF REHIRS**

2 **Section 18.1 Seniority Definition.** Seniority for all employees in regular, career service
3 positions as of the date of ratification is defined as total length of service in regular career service
4 positions with King County including any service with the Municipality of Metropolitan Seattle. For
5 purposes of layoff, bumping, and recall, the identification of affected employees shall be made on a
6 case by case basis with seniority as the primary consideration as well as ability, skill, and experience
7 in the job classification/position. For employees hired or transferred into positions covered by this
8 Agreement after the date of ratification, seniority is defined as the total length of service in regular
9 career service positions within the Administrative Support Employees, Professional and Technical
10 Employees bargaining unit.

11 **Section 18.2 Probation Period, Temporary Service and Seniority Date.** A new employee
12 shall be entitled to seniority when such employee has completed a probationary period of at least six
13 (6) months with the County. Upon completion of the probationary period, the employee's seniority
14 date shall be as provided in this Section and Section 18.1. Temporary employees and term-limited
15 temporary employees as defined in the King County Code (KCC 3.12.010) do not obtain seniority
16 until such time as they are hired on a regular full-time or regular part-time basis.

17 A. When an employee has previously accrued seniority in a career service position in
18 the bargaining unit, but is on probation in another position in the bargaining unit on the effective date
19 of a layoff, the seniority accrued in the previous position will apply for purposes of layoff, bumping
20 and recall.

21 B. For employees in short term or term-limited temporary appointments in positions
22 covered by this Agreement, who are appointed to a regular position without a break in service, upon
23 successful completion of probation the seniority date shall be the first day of employment in the
24 temporary position. In addition, an employee who has served as a term-limited temporary employee
25 and who is subsequently appointed to a regular career service position in the same department and
26 division within sixty (60) days of the employee's last day of service as a term-limited temporary
27 employee will have as seniority date the first day of employment in the term-limited temporary
28 position, provided that the employee requests such seniority date within six (6) months of

1 commencing service as a regular employee.

2 **Section 18.3 Loss of Seniority.** Seniority rights shall be forfeited if the employee is
3 discharged for just cause or if the employee resigns employment with the County, or if the employee
4 is on a leave of absence in excess of two (2) years in accordance with Article 7, Section 8.

5 **Section 18.4 Elimination of Positions.** The County agrees to notify the Union and the
6 affected employee in writing at least six (6) weeks in advance of any position anticipated to be
7 eliminated or any anticipated reduction in work hours. Seniority shall apply to layoffs pursuant to
8 Section 1 of this Article. Such notice of layoff shall include the name, classification and seniority
9 date of all such employees whose positions are scheduled to be eliminated. Following the
10 consideration of other options as described below, and the exercise of bumping options as provided in
11 this Article, the affected employees will receive the final notice of layoff not less than thirty (30) days
12 before the effective date. Prior to laying off any employees, management shall consider the following
13 options for the impacted employee(s):

14 A. Voluntary layoff

15 B. Voluntary retirement - pursuant to the rules of the Public Employment Retirement
16 System.

17 C. Any other voluntary programs such as job sharing, limited hours, etc.

18 **Section 18.5 Placement.** The County will endeavor to place in other positions throughout
19 the County those employees who are laid off. Employees who are eligible will receive referral,
20 placement, and other services provided by the King County Career Support Services Program.

21 **Section 18.6 Bumping.** Employees who are identified for layoff by actual layoff notice, or
22 notice of a reduction of work hours, must within three (3) work days after the employee receives such
23 notice notify the County of their intention to bump into another position within the bargaining unit,
24 provided such an option is available.

25 **Section 18.6.1 Eligibility to Bump.** After receiving the layoff or reduction notice,
26 employees may displace (bump) another employee within the employee's layoff group as defined in
27 Section 18.7 below, if they meet all of the following criteria:

28 A. The laid off employee may bump the least senior employee in the layoff

1 group who holds a position for which the laid off employee is qualified in the job classification series
2 from which the employee is laid off, provided the employee to be bumped has less seniority than the
3 employee who elects to bump; and

4 B. The job classification of the employee to be bumped is at a pay range equal
5 to or lower than the employee who elects to bump; and

6 C. The employee electing to bump has the skill, ability and experience
7 required to perform the work of the job classification/position pursuant to Section 1 of this Article.

8 D. Identification of bumping options will begin with the classification from
9 which the employee is laid off, and proceed to the next lower level if no option is available. If no
10 bumping option is available within the laid off employee's classification series, the employee may
11 bump the least senior employee in another classification (or lower classification in the series) covered
12 by this Agreement in the layoff group who holds a position for which the laid off employee is
13 qualified, provided that

14 1. The laid off employee completed a probationary period in the
15 classification; and

16 2. The employee to be bumped has less seniority than the employee
17 who elects to bump; and

18 3. The job classification of the employee to be bumped is at a pay
19 range equal to or lower than the employee who elects to bump; and

20 4. The employee electing to bump has the skill, ability and experience
21 required to perform the work of the job classification/position pursuant to Section 1 of this Article.

22 **Section 18.6.2 Bumping Procedure.** The Employer will identify the position or
23 positions into which a laid off employee is qualified to bump. It shall be the right of Management to
24 determine if an employee has the skill, ability and experience required to bump into a position as
25 stated in Article 19, Section 19.3.

26 A. An objection to a determination by Management that an employee does not
27 have the requisite skill, ability and experience shall be initiated at Step 2 of the grievance procedure
28 set forth in Article 13 of this Agreement. The employee who raises such objection through the

1 grievance procedure must participate in a skills assessment by the Career Support Services program.
2 The skills assessment will be considered by the Division Director or designee who adjudicates the
3 employee's grievance.

4 **B.** If more than one laid-off employee is eligible to bump into a position, the
5 most senior among the laid off employees will have priority.

6 **C.** Nothing in this Article shall be construed as a requirement by a laid-off
7 employee to displace another employee. Exercise of the bumping option shall be voluntary.

8 **D.** An employee who is notified of a bumping option must accept or decline
9 the option within five (5) work days of being notified. If the employee does not respond within the
10 five days, the Employer will consider that the employee has declined to bump. The employee will be
11 advised of the five (5) day response requirement when notified of the bumping option.

12 **Section 18.7 Layoff Groups.** For purposes of administering this Article, the following are
13 the layoff groups in which an employee may exercise bumping rights:

14 Layoff groups within the Department of Executive Services:

- 15 • Finance and Business Operations Division;
- 16 • Human Resources Division;
- 17 • Office of Risk Management
- 18 • Records, and Licensing Services Division;
- 19 • Elections;
- 20 • Facilities Management Division.

21 The layoff group is the Department for the following:

- 22 • Department of Natural Resources and Parks
- 23 • Department of Transportation
- 24 • Department of Public Health.

25 A separate layoff group exists for:

- 26 • Office of Information Resources Management.

27 **Section 18.8 Bumping of Temporary Employees.** A regular employee may bump a term-
28 limited temporary employee in a bargaining unit position within the layoff group, or may accept

1 appointment into a vacant term-limited position in the bargaining unit, provided the regular employee
2 meets the qualifications of the position. The placement of a regular employee into a term-limited
3 position shall not convert such position to a regular, career service position; however, at the
4 conclusion of the term-limited appointment, such regular employee shall be entitled to all benefits of
5 any other regular employee subject to layoff, as provided in this Article. The employee will continue
6 to accrue seniority while in the term-limited position.

7 **Section 18.9 Recall.** All bargaining unit employees who are laid off, whose hours of work
8 are reduced involuntarily, or who accept a position with a lower salary range, or a term-limited
9 temporary position in lieu of layoff, shall be placed on a bargaining unit recall list. Recall to the job
10 classification held at the time of layoff shall be by seniority pursuant to Section 1 and Section 2 of
11 this Article. A laid off employee may be involuntarily removed from the recall list after the
12 expiration of two (2) years from the date of layoff, or if the employee does not accept re-employment
13 within the bargaining unit in a similar position/job classification, except for bona fide reasons.
14 Refusal to accept re-employment in a position with a lower salary range or with fewer working hours
15 than the employee held at the time of layoff shall not be cause for removal from the recall list.
16 Employees who are eligible for recall may accept a temporary or term-limited position without
17 jeopardy to their recall rights.

18 The Human Resources Division (HRD) of the Department of Executive Services shall adhere
19 to the procedures to the County's Workforce Management Plan, except as otherwise provided in this
20 Agreement, regarding the placement of laid off employees to positions within the bargaining unit.

1 **ARTICLE 19: POSITION OPENINGS AND JOB BIDDING**

2 **Section 19.1 Priority Job Bidding.** Prior to the initiation of any open competitive process to
3 fill a vacant bargaining unit position (including term-limited temporary position), the County shall
4 post a notice of the vacancy to all career service members of the bargaining unit. Any non-
5 probationary, career service member of the bargaining unit shall be given the opportunity to compete
6 for the vacant position.

7 **Section 19.1.1** Those employees shall be the first group of candidates to be
8 considered for competitive appointment to the vacancy (non-competitive appointments are listed as
9 A. through C. in Section 19.1.2 below). The appointment will be made on the basis of qualification,
10 skill, ability, and seniority of those who are in competition for the vacancy. Should none of the
11 bargaining unit career service candidates have the qualification, skill, and ability to perform the job,
12 the vacancy shall then be open to other non-probationary County employees in accordance with the
13 King County Workforce Management Plan.

14 **Section 19.1.2** Vacant bargaining unit career service positions shall be filled
15 according to the following priority order for appointments:

16 A. a qualified, career service bargaining unit member eligible for reassignment
17 within the same job classification for disability accommodation; or a qualified, career service
18 bargaining unit member on the layoff recall list for the same job classification, as provided in Article
19 18.9 of this Agreement. When there is a reassignment candidate and a layoff recall candidate
20 available for appointment to the same position, the most senior (as defined in Article 18, Section 1)
21 will have priority;

22 B. a qualified, career service bargaining unit member eligible for reassignment
23 for disability accommodation in a different job classification;

24 C. other qualified King County employee eligible for reassignment for
25 disability accommodation;

26 D. competitive bargaining unit candidates pursuant to Section 1 of this Article;

27 E. other King County employees eligible for recall or placement, in
28 accordance with King County Workforce Management Plan or other applicable County policies;

1 F. open competitive candidates.

2 **Section 19.2 Probationary Trial Period for Promotion and Reversion Rights.** Promoted
3 employees who do not successfully complete their probationary period in the new position shall have
4 the right to return to the job previously held if still vacant and available. If the position previously
5 held is not available, the County will make a good faith effort to place the employee in an equivalent
6 bargaining unit position for which the employee is qualified. If no such position is available, the
7 employee may elect to be placed on the recall list for the former classification, as provided in Article
8 18.9 of this Agreement.

9 **Section 19.3 Standards for Skill and Ability.** It shall be the right of Management to make
10 the determination of employee qualification, skill, and ability called for in this Article and Article 18,
11 and such determination shall be made on a reasonable basis.
