PRELIMINARY REPORT:

The Department of Natural Resources & Parks, Water and Land Resources Division Report on item no. E08CT033 was received by the Examiner on January 13, 2009.

After reviewing the report and examining available information on file with the application, the Examiner conducted a public hearing on the application as follows:

The hearing on item no. E08CT033 was held by the Examiner on January 21, 2009, in the Hearing Examiner's Conference Room, 400 Yesler Way, Room 404, Seattle, Washington.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

Categories recommended: **Open space resources**
Aquifer protection area
Buffer to public land
Forest stewardship land (conditional)
Rural open space
Shoreline: conservancy environment
Significant wildlife or salmonid habitat
Surface water quality buffer

Bonus category
Additional surface water quality buffer

Zoning: RA-10
STR: SE 03-23-08
Parcel: 032308-9054
Total acreage: 12.70
Recommended PBRS: 10.00

(The land area recommended for PBRS re-enrollment is the entire parcel less the excluded area,

- which is what has been calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
2. Except as modified herein, the facts set forth in the King County Department of Natural Resources & Parks, Water and Land Resources Division, Preliminary Report for the January 21, 2009, public hearing are found correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this report submitted to the Metropolitan King County Council.
 3. Timely application was made to King County for PBRS current use valuation of the subject property to begin in 2010. Notice of the application was given as required by law.
 4. The property, which is currently enrolled in the PBRS open space taxation program, is found to contain additional priority open space resources and is now eligible for a total award of 31 points under the King County Public Benefit Rating System. The resulting current use valuation therefore would be 80% of market value for 10.00 acres of the property.
 5. Additional credit may be awarded administratively for the forest stewardship land category, subject to Applicant submittal of a forest stewardship plan by June 1, 2009, and subsequent approval and implementation by August 1, 2009. Credit for this category would increase the total point award to 36 with a resultant current use valuation of 10% for the enrolled portion of the property.

CONCLUSIONS:

1. Approval of current use valuation of 20% of market value (or 10% if approved as noted above in Finding no. 5) for 10.00 acres of the property pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.
2. As the property is currently enrolled in the program, any agreement executed pursuant to approval of the application should be worded to supersede any previous current use participation agreement for the property.

RECOMMENDATION:

APPROVE current use valuation of 20% of market value (or 10% if approved as noted below) for 10.00 acres of the subject property, subject to the conditions recommended in the Department of Natural Resources & Parks report for the January 21, 2009 public hearing and the following conditional allowance:

- A. Credit may be awarded administratively for the forest stewardship land category as stated in Finding no. 5 above. Award for this category would increase the point total to 36 and result in a current use valuation of 10% for the enrolled portion of the property.

Current use valuation shall be subject to all terms and conditions of RCW Chapter 84.34 and KCC Chapter 20.36, as may be amended from time to time, and all regulations and rules duly adopted to implement state law and county ordinances pertaining to current use valuation.

RECOMMENDED February 19, 2009.

Peter T. Donahue
King County Hearing Examiner

**NOTICE OF RIGHT TO APPEAL
AND ADDITIONAL ACTION REQUIRED**

In order to appeal the recommendation of the Examiner, written notice of appeal must be filed with the Clerk of the King County Council with a fee of \$250.00 (check payable to King County Office of Finance) *on or before March 5, 2009*. If a notice of appeal is filed, the original and 6 copies of a written appeal statement specifying the basis for the appeal and argument in support of the appeal must be filed with the Clerk of the King County Council *on or before March 12, 2009*. Filing requires actual delivery to the Office of the Clerk of the Council, Room 1025, King County Courthouse, 516 3rd Avenue, Seattle, Washington 98104, prior to the close of business (4:30 p.m.) on the date due. Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. The Examiner does not have authority to extend the time period unless the Office of the Clerk is not open on the specified closing date, in which event delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

If a written notice of appeal and filing fee are not filed within 14 days calendar days of the date of this report, or if a written appeal statement and argument are not filed within 21 calendar days of the date of this report, the Clerk of the Council shall place a proposed ordinance which implements the Examiner's recommended action on the agenda of the next available Council meeting. At that meeting, the Council may adopt the Examiner's recommendation, may defer action, may refer the matter to a Council committee, or may remand to the Examiner for further hearing or further consideration.

Action of the Council is final. The action of the Council on a recommendation of the Examiner shall be final and conclusive unless within twenty-one (21) days from the date of the action an aggrieved party or person applies for a writ of certiorari from the Superior Court in and for the County of King, State of Washington, for the purpose of review of the action taken.
