**PRELIMINARY REPORT:**

The Department of Natural Resources & Parks, Water and Land Resources Division Report on item no. E08CT056 was received by the Examiner on February 11, 2009.

**PUBLIC HEARING:**

After reviewing the report and examining available information on file with the application, the Examiner conducted a public hearing on the application as follows:

The hearing on item no. E08CT056 was held by the Examiner on February 25, 2009, in the Hearing Examiner's conference room, 400 Yesler Way, Room 404, Seattle, Washington.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the King County Hearing Examiner.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

1. General Information:

Owner:	Monica South
Location:	13514 Carnation-Duvall Road NE
STR:	NE 25-26-06
Parcel no.:	252606-9002
Zoning:	RA-5

Acreage:

Property Total:	31.01 acres
Requested for Timber Land:	20.00 acres
Recommended Timber Land:	19.99 acres

(The land area recommended for timber land enrollment is the entire parcel less the excluded area. The size of the excluded area has been calculated by DNRP. (However, due to extenuating factors the exact location of the excluded area has yet to be defined. The area, fixed at 19.99 acres, will be finalized in the formal legal description in the executed agreement.) In the event the County Assessor's official parcel size is revised, the qualifying acreage shall be administratively adjusted to reflect that change.)

2. Except as modified herein, the facts set forth in the King County Department of Natural Resources & Parks, Water and Land Resources Division, Preliminary Report for the February 25, 2009, public hearing are found correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this Report submitted to the Metropolitan King County Council.
3. The DNRP staff report is corrected as follows: comment at top of page 3 should read "19.99 acres" rather than "23.01 acres", and the last line of page 3 which continues onto page 4 should read "A forest stewardship plan must be submitted and subsequently approved and implemented..." rather than "An approved forest stewardship plan must be submitted and implemented...".
4. Participation in the timber land program is contingent upon submission of the Applicants' forest stewardship plan by June 1, 2009, and approval by August 1, 2009. Failure to meet these requirements will exclude the property from enrollment in the timber land program at present.

**CONCLUSION:**

Contingent upon approval and implementation of a forest stewardship plan, the property proposed for current use valuation meets the requirements of KCC Chapter 20.36.110, and the subject application for current use taxation as timber land should be approved.

**RECOMMENDATION:**

APPROVE current use taxation, “timber land” classification, for 19.99 acres, contingent on approval of the Applicant’s forest stewardship plan as noted in Finding no. 4 above, and subject to compliance with and implementation of that plan, and execution of the State of Washington, Department of Revenue, Open Space Taxation Agreement Form REV 64 0022(7-23-02).

RECOMMENDED March 2, 2009.
