KING COUNTY COUNCIL

**INTERLOCAL AGREEMENT BETWEEN KING COUNTY
AND THE CITY OF KENT
FOR THE TRANSFER OF DRAINAGE FACILITIES AND PROPERTY INTERESTS**

This Agreement is hereby entered into between the City of Kent ("City") and King County (collectively known as "the Parties"); to transfer from King County to the City ownership of and responsibility for drainage facilities and drainage property interests ("Agreement").

WHEREAS, the City has an established program of services to address the management of storm and surface water runoff, and

WHEREAS, the City has annexed areas containing drainage systems, including facilities and property interests, previously owned and operated by the County but now serving areas incorporated into the City, and

WHEREAS, The City and the County believe that it is in the best interest of the public that King County transfer to the City ownership of and/or responsibility for drainage facilities and drainage property interests within the municipal boundaries of the City to be managed under the City's surface water management program; and

WHEREAS, pursuant to RCW 39.34, the Interlocal Cooperation Act, the Parties are each authorized to enter into an agreement for cooperative action;

NOW THEREFORE, the Parties agree as follows:

I. Purpose of the Agreement

The purpose of this Agreement is to set forth the process by which King County will transfer to the City, in perpetuity, ownership of and/or responsibility for specific drainage facilities and drainage property interests located within the City limits.

II. Administration

A. The City and King County shall each appoint a representative to manage activities and to resolve any conflicts that arise under this agreement. ("Administrators"). The Administrators shall meet as needed to fulfill their duties. Either Administrator is authorized to convene a meeting with a minimum of ten (10) calendar days written notice to the other.

- B. Any management issue or conflict that is not resolved by the Administrators within ten (10) working days of the meeting held to discuss the same shall be referred for resolution to the City's Public Works Development Manager, or his/her designee, and the King County Water and Land Resources (WLR) Division Director, or his/her designee. If the issue or conflict cannot be resolved by the Development Manager and the WLR Division Director, it shall be resolved by the City's Public Works Director, or his/her designee, and the Director of the King County Department of Natural Resources and Parks (DNRP) within forty-five (45) working days.

III. Responsibilities of the Parties

A. King County Responsibilities

- 1. On the effective date of this Agreement, the drainage facilities identified and listed in Exhibit One, attached and incorporated to this Agreement, are transferred to the City, and the City shall assume full and complete responsibility for the operation, maintenance, repair, and any subsequent improvements to these drainage facilities and all liability arising from such responsibilities. Responsibilities include all financial responsibilities, including but not limited to financial responsibility for materials, construction, personnel, payroll, and purchasing costs. The Parties acknowledge that prior to the execution of this Agreement the City had assumed operation and maintenance responsibility for the facilities listed on Exhibit One; such responsibility was assumed on the date of annexation of the land on or in which the facility is located or on the date of acceptance of the facility for maintenance and operation following upon construction completion, as applicable to each facility.
- 2. As soon as is practicable after the Parties have executed this Agreement, King County will convey to the City by quit claim deed in substantially the same form as Exhibit Two, attached and incorporated to this Agreement, the drainage facility property interests identified in Exhibit Three, attached hereto and incorporated herein and made a part hereof, subject to all rights, conditions, covenants, obligations, limitations and reservations of record for such property interests. The City agrees to accept the quit claim deeds and to abide by and

enforce all existing rights, conditions, covenants, obligations, limitations and reservations for the drainage facility property interests.

3. To the extent known and available to King County, King County has furnished the City with a list of any and all contracts or other agreements, rights, obligations, restrictions, or dedications related to operations, conditions, ownership, or use of the conveyed property interests. King County has also provided the City a copy of each such contract, agreement, right, obligation, or restriction to the extent known and available to King County.
4. Within 180 days of the effective date of this Agreement, King County shall provide the City, copies of all warranties, maps, titles, "as built," maintenance logs and records, maintenance and performance standards, and any and all other records related to the facilities and property interests listed in Exhibits One and Exhibit Three, to the extent known and available to King County.
5. In the event legal action is brought or threatened against the City or the City and King County jointly with regard to the facilities or property interests listed in Exhibits One and Exhibit Three, King County shall provide the City access to all relevant information that is maintained by the County in connection with such facilities and property interests.

B. City Responsibilities

1. On the effective date of this Agreement, the City shall assume full and complete ownership of and responsibility for the operation, maintenance, repairs, and any subsequent improvements to the drainage facilities listed in Exhibit One, and all liability arising from such ownership and responsibilities. Responsibilities include all financial responsibilities, including but not limited to financial responsibility for materials, construction, personnel, payroll, and purchasing costs.
2. The City agrees to operate and maintain the drainage facilities listed in Exhibit One as designed, and, at a minimum, to the same maintenance standards as those set forth by King County in the adopted King County Surface Water Design Manual or the City's adopted surface water design manual to ensure that the local and watershed-wide effects of said facilities shall not be diminished from the level existing on the effective date of the Agreement.

3. Upon delivery of the quit claim deed(s) to the City, as provided for in III.A.2. of this Agreement, the City shall accept the full rights and responsibilities of ownership of the drainage property interests conveyed in such deed.
4. The City shall abide by and enforce all terms, conditions, reservations, restrictions, and covenants to title conveyed in the drainage property interests.
5. In the event that legal action is brought or threatened against King County or King County and the City jointly with regard to the facilities or property interests listed in Exhibits One and Exhibit Three, the City shall provide King County access to all relevant information that is maintained by the City in connection with such facilities and property interests.
6. The City accepts the facilities in “as is” condition. The County makes no warranty concerning such facilities other than as set forth in this Agreement. The City assumes full and complete responsibility for all operations, maintenance, repairs, and improvements, as performed by the City, for the drainage facility property interests.

C. Both Parties

1. Shall make staff available to identify and review any County-owned property interests or drainage facilities in addition to those listed in Exhibit One and Exhibit Three that are to be conveyed to the City. Additional County-owned drainage facilities and/or drainage property interests shall be transferred to the City pursuant to this Agreement upon the County’s approval, including, where required, the adoption of an ordinance authorizing the transfer of King County owned drainage properties. The transfer of responsibility for these drainage property interests and/or facilities shall be memorialized in a written Addendum to this Agreement which includes identification of the specific facilities and the date of transfer. The Addendum shall be signed by the City’s Mayor and the WLR Division Director or his/her designee. Such an Addendum, shall not constitute, nor be construed as requiring, an amendment to this Agreement. Copies of any deeds for drainage property interests that are conveyed to the City pursuant to the terms of this Agreement shall be attached to this Agreement as Addenda, but shall not constitute, nor be construed as requiring, an amendment to this Agreement.

2. The records related to matters covered by this Agreement are subject to inspection, review or audit by King County or the City at the requesting party's sole expense. Such records shall be made available for inspection during regular business hours within a reasonable time of the request.

IV. Effectiveness, Termination and Amendment

- A. This Agreement is effective upon execution by both Parties.
- B. This Agreement is of indefinite duration and shall continue in existence until terminated by mutual written agreement of the Parties.
- C. Notwithstanding termination of this Agreement, all facilities and property interests transferred pursuant to this Agreement shall remain the City's, unless the County consents to accept said facilities and property interests in writing, as approved by the King County Council.
- D. This Agreement may be amended, altered, or clarified only by written agreement of the Parties.
- E. This Agreement is a complete expression of the terms hereto and any oral or written representations or understandings not incorporated herein are excluded. The parties recognize that time is of the essence in the performance of the provisions of this Agreement. Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such through written addenda approval by the Parties and attached to the original Agreement.

V. Indemnification and Hold Harmless

- A. King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages, which are caused by or result from a negligent action or omission of King County, its officers, agents and employees in performing its obligations pursuant to this Agreement.

In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at

its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials, officers, agents and employees, King County shall satisfy the same.

- B. In executing this Agreement, the County does not assume liability or responsibility for or in any way release the City from any liability or responsibility which arises in whole or in part from the existence or effect of City ordinances, rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such City ordinance, rule or regulation is at issue, the City shall defend the same at its sole expense, and if judgment is entered or damages are awarded against the City, the County or both, the City shall satisfy the same, including all chargeable costs and attorney's fees.
- C. The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages, which are caused by or result from a negligent act or omission of the City, its officers, agents and employees in performing obligations pursuant to this Agreement.
- In the event that any suit based upon such a claim, action, loss or damage is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same.
- D. In executing this Agreement, the City does not assume liability or responsibility for or in any way release the County from any liability or responsibility which arises in whole or in part from the existence or effect of County ordinances, rules or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such County ordinance, rule or regulation is at issue, the County shall defend the same at its sole expense, and if judgment is entered or damages are awarded against the County, the City or both, the County shall satisfy the same, including all chargeable costs and attorney's fees.

- E. Each Party to this Agreement shall immediately notify the other of any and all claims, actions, losses or damages that arise or are brought against that Party relating to or pertaining to the sites identified in the Agreement Exhibits One and Exhibit Three.
- F. Each Party agrees that its obligations under this Section V extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each Party, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW.
- G. The indemnifications provided for in this Section V shall survive the termination of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the last date signed below.
