4 **STATEMENT OF FACTS:**

- 5 1. King County faces serious financial challenges in 2010.
- 6 2. The chief information officer prepared the report titled King County IT
7 Budget Advisory for 2010 Budget Year, which identifies potential savings
8 opportunities related to information technology.
- 9 3. The report recognized that if fifty percent of the two thousand one
10 hundred ninety-two desktop computers identified in the replacement plans
11 could be delayed beyond 2010, over one million one hundred thousand
12 dollars would be available for other critical county operational needs.
13 Savings can be achieved by deferring the replacement of desktop
14 computers.
- 15 4. The King County IT Budget Advisory for 2010 Budget Year
