SUMMARY OF RECOMMENDATIONS:

Department's Preliminary Recommendation:	Approve 4.18 acres for 20% of market value
Department's Final Recommendation:	Approve 4.18 acres for 20% of market value
Examiner's Recommendation:	Approve 4.18 acres for 20% of market value

PRELIMINARY REPORT:

The DNRP Report on file no. E11CT007 was received by the Examiner on August 4, 2011.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on August 17, 2011, in Conference Room West 1201, 12th Floor, King County Courthouse, 516 Third Avenue, Seattle, Washington.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

FINDINGS, CONCLUSIONS AND RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:1. **General Information:**

Owner(s):	Robert and Judith Voelker 4460 281st Place SE Fall City, WA 98024
Location:	4460 281st Place SE
PBRS categories requested and staff-proposed:	Open Space Resources Buffer to public and current use classified land Forest stewardship land Significant wildlife or salmonid habitat Surface water quality buffer Watershed protection area Bonus Category Additional surface water quality buffer
Categories recommended:	Open Space Resources Buffer to public and current use classified land Forest stewardship land (<i>conditional</i>) Significant wildlife or salmonid habitat Surface water quality buffer Watershed protection area Bonus Category Additional surface water quality buffer
STR:	SW 18-24-7
Zoning:	RA5
Parcel no.:	1824079103
Recommended PBRS:	4.18 acres

(The land area recommended for PBRS enrollment is the entire parcel less the excluded area, which is what has been calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)

2. Timely application was made to King County for PBRS program current use valuation of the property to begin in 2013. Notice of the application was given as required by law.

3. Except as modified herein, the facts set forth in the DNRP Preliminary Report and testimony in the August 17, 2011, public hearing are found to be correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this report submitted to the Metropolitan King County Council.
4. The property contains priority open space resources and is eligible for a total award of 23 points under the King County Public Benefit Rating System. The resulting current use valuation therefore would be 20% of market value for 4.18 acres of the property.
5. Additional credit may be awarded administratively under the forest stewardship land category *subject to submittal of a forest stewardship by January 12, 2012 and subsequent approval by March 1, 2012*. Award of credit under this category would increase the point total by 5 points to a total of 28 points, with no direct effect on the current use valuation for the enrolled portion of the property.

CONCLUSION:

Approval of current use valuation of 20% of market value for 4.18 acres of the property pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

APPROVE current use valuation of 20% of market value for 4.18 acres of the property, subject to the conditions recommended in the DNRP report for the August 17, 2011 public hearing and the following conditional allowance:

1. Credit may be awarded administratively under the forest stewardship category as noted in Finding no. 5 above. Award under this category is *subject to submittal of a forest stewardship by January 12, 2012 and subsequent approval by March 1, 2012*. Award of credit under this category would increase the point total by 5 points, with no direct effect on the current use valuation for the enrolled portion of the property.

RECOMMENDED September 9, 2011.

King County Hearing Examiner
