1 AN ORDINANCE making a technical correction to the
2 process for appointing members of the citizens' committee
3 on independent oversight; and amending Ordinance 15611,
4 Section 9, as amended, and K.C.C. 2.36.050.

5 STATEMENT OF FACTS:

6 1. Through Ordinance 15611, the metropolitan King County council
7 established a system of civilian oversight to monitor ongoing
8 investigations of misconduct, help resolve cases, implement methods for
9 increasing the level of public trust and transparency, and identify systemic
10 issues within sheriff's office and offer recommendations for reform.

11 2. This system of civilian oversight was subsequently modified through
12 Ordinance 16511.

13 3. Through the establishment and initial staffing of the office of law
14 enforcement oversight and specifically related to the appointment process
15 for members of the citizens' committee on independent oversight, a
16 technical issue in the form of an extraneous reference has been identified
17 for correction.

25 discipline and other responsibilities of the director of the office of law enforcement
26 oversight.

39 functions in the community.

40 D. The committee shall also serve as a means for the director of the office of law
41 enforcement oversight to communicate with King County's diverse communities. The
