Ordinance 17301

Proposed No. 2012-0047.1

Sponsors Phillips

1 AN ORDINANCE authorizing the King County executive
2 to enter into an interlocal agreement with the Washington
3 state Department of Transportation to provide
4 transportation demand management services on an as-
5 requested basis.

6 STATEMENT OF FACTS:

- 7 1. The Washington state Department of Transportation ("WSDOT") has
8 adopted a plan for addressing congestion, Moving Washington, that
9 includes a strategy for managing demand to decrease the need for
10 additional road capacity and maximize the efficiency of the transportation
11 system.
- 12 2. WSDOT recognizes that King County's department of transportation,
13 metro transit division ("Metro Transit"), has considerable expertise in
14 formulating and implementing transportation demand management
15 strategies and has contracted with Metro Transit in the past to design and
16 implement such programs.
- 17 3. The proposed agreement would allow WSDOT to enter into task order
18 contracts with Metro Transit to provide transportation demand
19 management services on an as-requested basis. The agreement sets forth

20 the terms and conditions by which Metro Transit would provide such
21 services, including the terms by which WSDOT would compensate Metro
22 Transit for such work.

23 4. Allowing Metro Transit to provide transportation demand management
24 services for WSDOT via periodic task order contracts as provided for in
25 the agreement, and to be compensated for such work, will allow the parties
26 to achieve cost savings and benefits that are in the public interest.

27 6. Chapter 39.34 RCW authorizes the state and the county to enter into an
28 interlocal cooperation agreement such as that set forth in Attachment A to
29 this ordinance.

30 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

31 SECTION 1. The King County executive is hereby authorized to execute an
32 interlocal agreement with the Washington state Department of Transportation,

33 substantially in the form of Attachment A to this ordinance, to provide transportation
34 demand management services on an as-requested basis.

1. PURPOSE AND SCOPE

1.1 The provisions of this **Agreement** shall govern the individual **Task Orders** to be executed between the STATE and COUNTY for work to be performed by the COUNTY at the STATE's request, and for the STATE's reimbursement to the COUNTY for said work.

- (a) Performing or developing studies and reports;
- (b) Performing planning activities;
- (c) Developing, implementing, and enhancing TDM Strategies and programs; and
- (d) Improving existing transportation facilities with appurtenances such as signs, bicycle lockers, wheelchair ramps, transit shelters, and transit signal priority system components (Project Equipment).

2. TASK ORDERS

2.1 Each **Task Order** shall be prepared by the STATE and approved by the COUNTY for Work requested under this **Agreement**. **Task Orders** shall be in the format shown and contain the provisions as set forth in the Task Order Format, **Exhibit 1**, attached hereto and by this reference made part of this **Agreement**. The **Task Orders** will be numbered sequentially and shall include the following:

- (a) a start and end date for performing the Work;
- (b) a detailed scope of work with deliverables and scheduled milestones, which shall define the roles and responsibilities of the COUNTY and the STATE;
- (c) the funding source(s) for the Work;
- (d) a maximum reimbursable cost to establish a maximum funding level for the Work, provided, however, that the County shall have no further obligation to perform work under any Task Order once the maximum reimbursable cost has been reached; and
- (e) language stating that the provisions of this **Agreement** are incorporated by reference into the Task Order.

2.2 The **Task Order** may, if applicable, include Federal Transit Administration Provisions, attached hereto as **Exhibit A to Exhibit 1**, or Project Equipment Provisions, attached hereto as **Exhibit B to Exhibit 1**. **Exhibit A to Exhibit 1** and **Exhibit B to Exhibit 1** are by the aforementioned references incorporated herein and made part of the **Agreement**; provided, however, that any proposed Task Order that involves project equipment will identify and specify with particularity the nature of the project equipment involved.

2.3 Notwithstanding any other provision of this **Agreement** the COUNTY expressly reserves the right to decline to enter into any **Task Order** to perform the Work proposed by the STATE.

3. PAYMENT AND BILLING

3.1 **Payment.** The STATE will reimburse the COUNTY for the full actual direct salary and related direct non-salary costs associated with the COUNTY'S performance of specific **Task**

Order Work undertaken pursuant to this **Agreement**. Related direct non-salary costs include all other related Work items excluding overhead and direct salary costs.

3.2 Maximum Funding. This **Agreement** does not authorize funding for any Work and contains no guarantees for any minimum or maximum amount of Work or funding. The Parties shall agree to a maximum amount of funding under each **Task Order** for all eligible costs associated with the Work, which shall be specified in each **Task Order**. The STATE shall not be obligated for any expenditure in excess of the maximum funding amount for each **Task Order** unless prior written authorization is received from the STATE and an amendment to the **Task Order** is executed; provided, however, that the County shall have no further obligation to perform Work pursuant to a **Task Order** once the maximum funding amount is reached. The COUNTY must perform Work in advance of reimbursement.

3.3 Invoices and Billing. Partial payments to the COUNTY shall be made by the STATE throughout the term of each **Task Order**, subject to the STATE's receipt and subsequent approval of detailed billing invoices from the COUNTY for the Work outlined in the **Task Order** and any amendments thereto. The COUNTY shall submit invoices for actual direct salary and related direct non-salary costs incurred within the timeframe of the executed **Task Order**. The COUNTY may submit invoices no more than once a month and no less than once per quarter. An invoice must be submitted no later than ninety (90) calendar days after the Work is completed, except as denoted below.

3.3.1 For all Work performed up to and including June 30 of each year the COUNTY must submit an invoice to the STATE no later than July 15 of that same year to be eligible for payment. The COUNTY may notify the STATE in writing that the COUNTY requests additional time to provide invoices. Upon the STATE's receipt of such written notification the STATE may choose to accrue funds to allow the COUNTY additional time to provide invoices. The COUNTY must obtain written approval from the STATE by June 15 of each year for any requests for accruals or requests for additional time to submit invoices, which approval shall not be unreasonably withheld or delayed by the STATE. Otherwise, the STATE will not pay invoices received after that date for Work performed up to and including June 30 of each year.

3.3.2 The STATE agrees to make payment for the Work done by the COUNTY within thirty (30) calendar days from receipt of a STATE-approved invoice from the COUNTY.

3.3.3 The COUNTY shall submit a final invoice to the STATE within ninety (90) calendar days or no later than July 15 of the same year after completion of the Work, whichever date comes first, unless previously authorized by the State in accordance with Section 3.3.1, which approval shall not be unreasonably withheld or delayed. Any payment request for funds received after that date will not be eligible for reimbursement. Requests for additional time to submit an invoice shall be in accordance with Section 3.3.1, above

The Parties agree to exhaust each of these informal dispute resolution efforts before seeking to resolve disputes in a court of law or any other forum.

7. ACCOUNTING RECORDS

7.1 Project Accounts. The COUNTY agrees to establish and maintain for the **Task Order Work** either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Work. The COUNTY agrees that all checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents pertaining in whole or in part to the Work shall be clearly identified, readily accessible and available to the STATE upon its reasonable request, and, to the extent feasible, kept separate from documents not pertaining to the Work.

7.2 Documentation of Project Costs and Program Income. The COUNTY agrees to support all allowable costs charged to the Work, including any approved services contributed by the COUNTY or others, with properly executed payrolls, time records, invoices, contracts, or

vouchers describing in detail the nature and propriety of the charges. The COUNTY also agrees to maintain accurate records of all program income derived from implementing the Work.

8. RECORDS RETENTION, AUDIT, AND INSPECTION

8.1 Retention of Records. During the progress of an individual **Task Order** and for a period not less than six (6) years from the date of final payment by the STATE, the records and accounts pertaining to the **Task Order** and accounting therefore are to be kept available by the Parties for inspection and audit by Washington State, the STATE, King County, the COUNTY, the Federal Transit Administration, and/or the Federal Highway Administration and copies of all records, accounts, documents, or other data pertaining to the **Task Order** will be furnished by the COUNTY upon reasonable request. If any litigation, claim, or audit is commenced, the records and accounts along with supporting documentation shall be retained by the COUNTY until all litigation, claim, or audit finding has been resolved even though such litigation, claim, or audit continues past the six (6)-year retention period.

8.2 General Audit Requirements. The COUNTY agrees to obtain any other audits as the STATE shall decide in its sole discretion are reasonably required. Project closeout will not alter the COUNTY'S audit responsibilities.

8.3 Inspection. The COUNTY agrees to permit the STATE, and the State Auditor, or their authorized representatives, to inspect all **Task Order Work** materials, payrolls, maintenance records, and other data, and to audit the books, records, and accounts of the COUNTY and its subcontractors pertaining to the Work. The COUNTY agrees to require each third party to permit the STATE, and the State Auditor, or their duly authorized representatives, to inspect all work, materials, payrolls, maintenance records, and other data and records involving that third party contract, and to audit the books, records, and accounts involving that third party contract as it affects the Work.

9. TASK ORDER FUNDING REQUIREMENTS

9.1 In order to preserve the option of utilizing a variety of funding sources to reimburse the Work covered by this **Agreement**, the Parties agree to comply with the applicable laws, regulations, and requirements of each funding source. Each **Task Order** shall identify the funding sources for the Work and shall include each fund's relevant provisions, as set forth in Section 2, **TASK ORDERS**, above.

10. EFFECTIVENESS AND DURATION

10.1 This **Agreement** is effective upon execution by both Parties and will remain in effect until December 31, 2018, unless otherwise amended or terminated.

11. DOCUMENTATION

11.1 The STATE may require the submission of periodic reports and documentation from the COUNTY to verify that the COUNTY or its subcontractors are meeting funding and accountability requirements, such as civil rights or disadvantaged business enterprises. Subject to the terms and conditions described in this **Agreement**, the Parties shall agree to documentation requirements for Work as specified in the scope of work for each **Task Order**.

12. TERMINATION OF AGREEMENT

12.1 Termination for Convenience. Except as otherwise provided in this **Agreement**, the STATE may terminate this **Agreement** or any **Task Order** by giving sixty (60) calendar days written notice to the COUNTY. The COUNTY may also terminate this **Agreement** or any **Task Order** by giving sixty (60) calendar days written notice to the STATE. Upon termination of this **Agreement**, all **Task Orders** shall automatically terminate. Individual **Task Orders** may be terminated in the same manner as provided for in this subsection 12.1, unless another manner is provided for in an individual task order, but that termination would not automatically terminate the Master Agreement.

12.2 Termination by the COUNTY for Non-Appropriation or Lack of Funds. The COUNTY may terminate this **Agreement** or any **Task Order** in the event that sufficient COUNTY funds are not appropriated, or otherwise become unavailable, to cover performance of any Work undertaken by the COUNTY under this **Agreement** prior to reimbursement by the STATE. Such termination shall be upon thirty (30) calendar days' written notice to the STATE or at the close of the COUNTY'S current appropriation year, whichever comes first. The COUNTY'S appropriation year ends on December 31st of each year.

12.3 Termination by the STATE for Non-appropriation or Unavailability of Funds. The STATE may terminate this **Agreement** or any **Task Order** at any time in the event that appropriated federal or state funds to cover the Work agreed to under this **Agreement** are withdrawn by federal or legislative action, or otherwise become unavailable.

12.4 Termination by either Party for Breach. Either Party may terminate the **Agreement** or any **Task Order** if either Party materially breaches, or fails to perform any of the requirements of the **Agreement** or any **Task Order** provided that the breaching Party has failed to cure the condition(s) causing that breach after fourteen (14) days written notice by the non-breaching Party.

12.5 Should a **Task Order** or the **Agreement** be terminated under Section 12.1, 12.2, or 12.3 of the **Agreement** prior to fulfillment of the terms stated therein (termination date), the COUNTY shall only be reimbursed for actual direct salary and related direct non-salary costs properly incurred by the COUNTY prior to the termination date. The cost of any Project Equipment which has been purchased by the COUNTY prior to the termination date shall be reimbursed if the following two conditions are met and approved in writing by STATE, which approval shall not be unreasonably withheld or delayed: i) the COUNTY endeavors to return the Project Equipment for a refund; and ii) the COUNTY is unable, with reasonable efforts not requiring litigation and with STATE's concurrence, which concurrence shall not be unreasonably withheld or delayed,, to obtain a refund for the Project Equipment from the vendor. The COUNTY agrees to follow STATE's instructions for disposal of any Project Equipment thus reimbursed.

12.6 If a **Task Order** or this **Agreement** is terminated by either Party to this **Agreement** under Section 12.4 of the **Agreement**, the non-breaching Party shall not be obligated to continue to perform pursuant to the **Agreement** and shall retain all rights and remedies arising from the nonperformance of the breaching Party.

13. INDEMNIFICATION AND LIMITATION OF LIABILITY

13.1 The COUNTY shall indemnify and hold harmless the STATE, its agents, employees, and officers harmless from and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs (hereinafter referred to collectively as "claims"), of whatsoever kind or nature brought against the STATE arising out of, in connection with or incident to the execution of this **Agreement** and/or the COUNTY'S performance or failure to perform any aspect of this **Agreement**. This indemnity provision applies to all claims against the STATE, its agents, employees and officers arising out of, in connection with or incident to the negligent acts omissions of the COUNTY, its agents, employees and officers. Provided, however, that nothing herein shall require the COUNTY to indemnify and hold harmless or defend the STATE, its agents, employees or officers to the extent that claims are caused by the negligent acts or omissions of the STATE, its agents, employees or officers. The indemnification and hold harmless provision shall survive termination of this **Agreement**.

13.2 The COUNTY specifically assumes potential liability for actions brought by COUNTY'S employees and/or subcontractors and solely for the purposes of this indemnification and defense, the COUNTY specifically waives any immunity under the State Industrial Insurance Law, Title 51 Revised Code of Washington.

14. NONDISCRIMINATION

14.1 The Parties agree to comply with all applicable federal, state, and local laws, rules, and regulations pertaining to nondiscrimination and agree to require the same of all authorized agents and/or subcontractors providing services or performing any Work using funds provided under this **Agreement**.

15. GENERAL

15.1 No Agency, Partnership, or Third Party Beneficiaries. It is understood and agreed that this **Agreement** is solely for the benefit of the Parties hereto and gives no rights to any other person, party or entity. No joint venture, agent-principal relationship, or partnership is formed as a result of this **Agreement**. No officers, employees or agents of one Party, or any of its contractors or subcontractors, shall be deemed, or represent themselves to be, employees or agents of the other Party.

15.2 Waiver of Default. Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of this **Agreement** shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of this **Agreement** unless stated to be such in writing, signed by authorized representatives of the Parties, and attached to the original **Agreement**.

15.3 Entire Agreement. This **Agreement** embodies the Parties' entire understanding and agreement on the issues covered by it, except as may be modified by written amendment to this **Agreement**, and supersedes any prior negotiations, representations or draft agreements on this matter, either written or oral.

15.4 Master Agreement. The provisions of this Master Agreement and individual **Task Orders** issued by the STATE are intended to be mutually complementary. In case of any discrepancy between the provisions, the Master Agreement shall prevail over the **Task Order**.

15.5 Governing Law and Venue. This Agreement shall be interpreted in accordance with the laws of the State of Washington. Any legal action arising out of this Agreement shall be brought in the Thurston County Superior Court situated in Olympia, Washington.

15.6 Force Majeure. Either Party to this Agreement shall be excused from performance of any responsibilities and obligations under this Agreement, and shall not be liable for damages due to failure to perform, during the time and to the extent that it is prevented from performing by a cause directly or indirectly beyond its control, including, but not limited to: late delivery or nonperformance by vendors of materials or supplies; any incidence of fire, flood, snow, earthquake, or acts of nature; strikes or labor actions; accidents, riots, insurrection, terrorism, or acts of war; order of any court of competent jurisdiction or authorized civil authority commandeering material, products, or facilities by the federal, state or local government; or national fuel shortage; when satisfactory evidence of such cause is presented to the other Party to this Agreement, and provided that such non-performance is beyond the control and is not due to the fault or negligence of the Party not performing. In no event should this provision eliminate the STATE's obligation to make payment for invoices submitted for Work performed by the COUNTY pursuant to this Agreement.

15.7 Severability. If any provision of this Agreement is held invalid by a court of competent jurisdiction, the remainder of the Agreement shall not be affected thereby if such remainder would then continue to serve the purposes and objectives originally contemplated by the Parties.

15.8 Attorneys' Fees. In the event of litigation or other action brought to enforce the terms contained in this Agreement, each Party agrees to bear its own attorneys' fees, witness fees, and other costs.

15.9 Survival. The provisions of this Section 15 (General) shall survive any termination or expiration of this Agreement.

15.10 Order of Precedence. In the event of any conflicts, resolution shall be resolved in the following order of precedence:

- A. Applicable federal and state law and regulations;
- B. Terms and conditions of the Agreement including its exhibits; and
- C. The applicable Task Order.

16.0 Authority to Sign. The undersigned acknowledge that they are authorized to execute this Agreement and bind their respective entities to the obligations set forth herein.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the Party's date signed last below.

B. No contract between the COUNTY and its subcontractors, lessees, or any other participant at any tier of the Work shall create any obligation or liability of the STATE with regard to this **Task Order** without the STATE's specific written consent, notwithstanding its concurrence in, or approval of, the award of any contract or subcontract or the solicitations thereof. The COUNTY hereby agrees to include this provision in all contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any Work to be accomplished under this **Task Order**.

Section 5
Ethics

A. **Code of Ethics.** The COUNTY agrees to maintain a written code or standards of conduct that shall govern the performance of its officers, employees, board members, or agents engaged in the award and administration of contracts, subagreements, leases, third party contracts, or other arrangements supported by Federal assistance. The code or standards shall provide that the COUNTY'S officers, employees, board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, sub-recipient, or participant at any tier of the Work, or agent thereof. The COUNTY may set *de-minimis* rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. As permitted by State or Local Law or Regulations, such code or standards shall include penalties, sanctions, or other disciplinary actions for violations by the COUNTY'S officers, employees, board members, or agents, or by subcontractors, lessees or sub-recipients, other participants or their agents. The COUNTY must fully comply with all the requirements and obligations of chapter 42.52 RCW that govern ethics in State and Local Governments.

1. **Personal Conflict of Interest.** The COUNTY'S code or standards shall prohibit the COUNTY'S employees, officers, board members, or agents from participating in the selection, award, or administration of a contract supported by "Federal Funds" if a real or apparent conflict of interest would be involved. Such a conflict would arise when any of the parties set forth below has a financial or other interest in the firm or entity selected for award:
 - a. The employee, officer, board member, or agent;
 - b. Any member of his or her immediate family;
 - c. His or her partner, or
 - d. An organization that employs, or is about to employ, any of the above.
2. **Organizational Conflict of Interest.** The COUNTY'S code or standard of conduct must include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the Work to be performed under a proposed third party contract, subagreement, lease, or other arrangement at any tier may, without some restrictions on future activities, result in

an unfair competitive advantage to the third party contractor or impair its objectivity in performing the Work under this **Task Order**.

B. Debarment and Suspension. The COUNTY agrees to comply and assures the compliance of each sub-recipient, lessee, third party contractor, or other participant at any tier of the Work with the requirements of Executive Orders Numbers 12549 and 12689, "Debarment and Suspension," 31 U.S.C. § 6101 note, and U.S. DOT regulations "Non-procurement Suspension and Debarment" 2 C.F.R. Part 1200, which adopts and supplements the provisions of U.S. Office of Management and Budget (U.S.OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Non-procurement)", 2 C.F.R. Part 180. The COUNTY agrees to and assures that its sub-recipients, lessees, third party contractors, and other participants at any tier of the Work will review the "Excluded Parties Listing System" at <http://epls.arnet.gov/> before entering into any third subagreement, lease, third party contract, or other arrangement in connection with the **Task Order**.

Nevertheless, in accordance with 49 U.S.C. § 5307(k)(2)(B) and 23 U.S.C. § 142(g), the "Hatch Act" does not apply to a non-supervisory employee of a transit system (or of any other agency or entity performing related functions) receiving assistance pursuant to the SAFETEA-LU provisions and/or receiving FTA assistance to whom the "Hatch Act" does not otherwise apply.

Section 3
Reports and Use of Project Equipment

A. The COUNTY agrees that the Project Equipment shall be used as set forth in the **Task Order**. The COUNTY further agrees that it will not use or permit the use of the Project Equipment in a negligent manner or in violation of any law, or so as to avoid any insurance covering the same, or permit the Project Equipment to become subject to any lien, charge, or encumbrance. Should the COUNTY unreasonably delay or fail to use the Project Equipment the COUNTY agrees that it may be required to refund the entire amount of the Federal and/or state-funded share expended on the **Task Order**. If the STATE determines that Project Equipment has been used in a manner different from that set forth in the **Task Order**, the STATE may direct the COUNTY to dispose of the Project Equipment acquired by the COUNTY. The STATE may also withhold payments should it determine that the COUNTY has failed to comply with any provision of this **Task Order**. If Federal participation and funding is either reduced or canceled as a result of a breach by the COUNTY, the COUNTY is then liable for all damages from the breach, even though those damages exceed the price payable under this **Task Order**.

 2. The COUNTY shall provide a written certificate of self-insurance to the STATE. The COUNTY will cover from its own resources the costs of repairing or replacing any Project Equipment, if it is stolen, damaged, or destroyed in any manner.
- B.** If the damage to the Project Equipment does not result in a total loss, payments for damage shall be paid directly to the COUNTY. The COUNTY shall, within thirty (30) days, either:
1. Devote all of the insurance proceeds received to repair the Project Equipment and place it back in service, and the COUNTY shall, at its own expense, pay any portion of the cost of repair which is not covered by insurance; or
 2. In the event the COUNTY certified to self-insurance, devote all funds necessary to repair the Project Equipment and place it back into service.
- C.** If the Project Equipment is a total loss, either by theft or damage, the insurance proceeds or equivalent shall be paid directly to the COUNTY. The COUNTY shall within sixty (60) days of loss, theft, or damage, notify the STATE that it either:
1. Intends to replace the lost Project Equipment; or
 2. Does not intend to replace the lost Project Equipment and shall return to the STATE its portion of the insurance proceeds.
- D.** If the STATE determines that the total loss occurred under circumstances in which the COUNTY fulfilled its obligations under this **Task Order** then the STATE will either pay or rebate to the COUNTY its proportionate share of such proceeds received.
- E.** Coverage, if obtained or provided by the COUNTY in compliance with this Section, shall not be deemed as having relieved the COUNTY of any liability in excess of such coverage as required by Section 13, *Indemnification and Limitation of Liability*, of GCA 6141, or otherwise.
