5                   These articles constitute an Agreement, the terms of which have been negotiated in good faith  
6 between King County and SEIU Local 925. This Agreement shall be subject to approval by  
7 ordinance by the Metropolitan King County Council (Council) of King County, Washington.

8 **ARTICLE 1: PURPOSE**

9                   **1.1. Purpose.** The intent and purpose of this Agreement is to promote the continued  
10 improvement of the relationship between King County (County) and the employees represented by  
11 SEIU Local 925 (Union) by providing a uniform basis for implementing the right of public  
12 employees to join organizations of their own choosing and to be represented by such organizations in  
13 matters concerning their employment relations with the County and to set forth the wages, hours and  
14 other working conditions of the bargaining unit employees, provided the County has authority to act  
15 on such matters.

16                   **1.2. Improvement of Relationship.** This desire to promote the continued improvement of  
17 the relationship between the County and the Union was reflected in the establishment of an Interest-  
18 Based Bargaining Team (IBBT) comprised of Facilities management and employees, a Union  
19 representative, and a Labor Negotiator from King County's Labor Relations staff, and the use of a  
20 collaborative bargaining process to arrive at this Agreement. Standards established by the IBBT for  
21 evaluating the provisions of this Agreement include the following:

- 22                   1. Promote better management-employee relations;
- 23                   2. Fair and equitable;
- 24                   3. Enhances the partnership between union and management;
- 25                   4. Understandable by everyone;
- 26                   5. Ratifiable;
- 27                   6. Enforceable;
- 28                   7. Economically feasible;

1 8. Legal; and

2 9. Promotes efficient and effective public service.

3 **ARTICLE 2: EMPLOYEE CATEGORIES**

4 **2.1. Definitions.**

5 **A. Regular Full-time Employee.** An individual employed in a position established  
6 in the County budget as an authorized FTE and which will require at least twenty-six (26) weeks of  
7 service per year with a work schedule of not less than forty (40) hours per week. Regular full-time  
8 employees are career service employees who are not on probation.

9 **B. Regular Part-time Employee.** An individual employed in a position established  
10 in the County budget which requires at least twenty-six (26) weeks of service per year at the work  
11 schedule established for the position (or would have required twenty-six (26) weeks of service per  
12 year at the work schedule established for the position had the position been established on January 1)  
13 and which has an established work schedule of less than forty (40) hours per week but at least half  
14 time. Regular part-time employees are career service employees who are not on probation.

15 **C. Temporary Employee.** An individual employed in a position which is not a  
16 position established in the County budget as an authorized FTE and who works less than one  
17 thousand forty (1040) hours.

18 Temporary employees are not career service employees and are not eligible for vacation, sick  
19 leave, holiday, medical, dental, or other insurance benefits. Temporary employees are eligible for  
20 participation in the Public Employees Retirement System as provided by State Law.

21 **D. Term-Limited Temporary Employee.** A term-limited temporary is a temporary  
22 employee who is employed in a term-limited temporary position. Term-limited temporary employees  
23 are not members of the career service. They may not be employed in term-limited temporary  
24 positions longer than three years beyond the date of hire, except that for grant-funded projects, capital  
25 improvement projects, and information systems technology projects the maximum period may be  
26 extended for up to five years upon approval of the Director of the Human Resources Division (HRD).

27 **E. Seasonal Employee.** A temporary employee in a position (for) which:

28 1. Is not a position established in the County budget as an authorized FTE;

1                   2. Will require less than one thousand forty (1040) hours in a calendar year;

2                   and

3                   3. The need exists at regular, predictable intervals during the year.

4                   Seasonal employees are not eligible for vacation, sick leave, holiday, medical, dental, or other  
5 insurance benefits. They are eligible for participation in the Public Employees Retirement System as  
6 provided by State Law.

7                   **F. Lead Worker.** In addition to performing the regular duties of the assigned  
8 classification, the Lead worker has responsibility for regularly assigning, scheduling and reviewing  
9 work within the work unit, including performing formal and informal inspections, reporting problems  
10 to the supervisor, and providing guidance and training to others in the assigned work unit. Under the  
11 direction of a supervisor, the Lead may be called upon to assist in the hiring process and to provide  
12 input to the supervisor prior to any performance evaluations.

13                   **2.2. Regular or Temporary Employment.** For work performed by County employees  
14 represented by this Agreement, the County and the Union have the common goal of maintaining a  
15 stable, qualified work force. To this end, the following principles will guide the assignment of work  
16 to employees represented under this Agreement, when such work is performed by County employees.

17                   A. Work that is year-round in nature, requiring employees with consistent and defined  
18 skills, should be performed by regular full-time or regular part-time career service employees.

19                   B. The following work may be performed by part-time, temporary (including term-  
20 limited temporary), or seasonal employees. Work that is:

- 21                   • seasonal or cyclical in nature
- 22                   • time-limited
- 23                   • project specific
- 24                   • requiring specific skills that are not available in the County's regular work  
25 force; or
- 26                   • requiring an employee to work less than half-time.

27                   C. In fulfilling these principles, the County will develop and maintain staffing plans  
28 that define the work being assigned to regular full-time or regular part-time career service and

1 temporary (including term-limited temporary) or part-time employees.  
2           **2.3. Supplements to Regular Work Force.** Seasonal and temporary (including term-limited  
3 temporary) employees are supplementary to the regular work force and shall not be used to supplant  
4 regular full-time or regular part-time positions or undermine the integrity of the bargaining unit.  
5 These employees are employed at will and are part of the bargaining unit and subject to the terms of  
6 this Agreement.

7 **ARTICLE 3: UNION RECOGNITION AND MEMBERSHIP**

8           **3.1. Union Recognition.** The County recognizes SEIU Local 925 as representing its  
9 members whose job classifications are listed in the attached Addendum A.

10           **3.2. Union Membership/Representation Fee.** It shall be a condition of employment that all  
11 employees covered by this Agreement who are members of the Union in good standing on the  
12 effective date of this Agreement shall remain members in good standing and those who are not  
13 members on the effective date of this Agreement shall become and remain members in good standing  
14 in the Union or pay an agency fee. It shall also be a condition of employment that all employees  
15 covered by this Agreement and hired on or assigned into the bargaining unit on or after its effective  
16 date shall, on the thirtieth (30th) day following the beginning of such employment, become and  
17 remain members in good standing in the Union or pay an agency fee.

18           **3.3. Religious Tenets or Beliefs.** Nothing contained in this Article shall require an employee  
19 to join the Union who can substantiate, in accordance with existing law, bona fide religious tenets or  
20 beliefs that prohibit the payment of dues or initiation fees to union organizations. Such employee  
21 shall pay an amount of money equivalent to regular union dues and initiation fee to a non-religious  
22 charitable organization mutually agreed upon by the employee and the Union to which such  
23 employee would otherwise pay the dues and initiation fee. The employee shall furnish written proof  
24 that such payment has been made.

25           **3.4. Dues Deduction.** Upon receipt of written authorization individually signed by a  
26 bargaining unit employee, the County shall have deducted from the pay of such employee the amount  
27 of dues or representational fees as certified by the secretary-treasurer of the Union and transmit the  
28 same to the Union. The Union will indemnify, defend and hold the County harmless against any

1 claims made and against any suit instituted against the County on account of any check-off of dues  
2 for the Union. The Union agrees to refund to the County any amounts paid to it in error on account  
3 of the check-off provision upon presentation of proper evidence thereof.

4 **3.5. Cause for Discharge.** Failure by an employee to abide by the above provisions shall  
5 constitute cause for discharge of such employees; provided that when an employee fails to fulfill the  
6 above obligations the Union shall provide the employee and the County with a thirty (30) day  
7 notification of the Union's intent to initiate discharge action and during this period the employee may  
8 make restitution in the amount which is overdue.

9 **3.6. Membership Application.** The County will require all new employees hired into a  
10 position included in the bargaining unit to sign a form (in triplicate) which will inform them of the  
11 Union's exclusive recognition. One copy of the form will be retained by the County, one by the  
12 employee and the original sent to the Union. The County will notify the Union of any employee  
13 leaving the bargaining unit because of termination, layoff, leave of absence or dismissal.

14 **3.7. Bargaining Unit List.** The County will transmit to the Union twice a year, upon written  
15 request, a current listing of all employees in the unit. Such list shall indicate the name of the  
16 employee, wage rate, job classification, work shift, location, and unit.

17 **3.8. COPE Payroll Deduction.** The County shall, upon receipt of a written authorization  
18 form that conforms to legal requirements, deduct from the pay of a bargaining unit employee the  
19 amount of contribution the employee voluntarily chooses for deduction for political purposes and  
20 shall transmit the same to the Union.

#### 21 **ARTICLE 4: RIGHTS OF MANAGEMENT**

22 **4.1. Management Rights.** The management of the County and the direction of the work  
23 force is vested exclusively in the County subject to the terms of this Agreement. Except to the extent  
24 there is contained in this Agreement express and specific provisions to the contrary, all power,  
25 authority, rights and jurisdictions of the County are retained by and reserved exclusively to the  
26 County, including, but not limited to, the right to manage the work of employees, to discipline,  
27 transfer, and evaluate employees; to determine and implement methods, means and assignments,  
28 establish classifications and select personnel by which operations are to be conducted, including

1 staffing levels; and to initiate, prepare, modify and administer the budget.

2 **4.2. Release from Work.** When the County has no work available for employees in specific  
 3 classifications, nothing in this Agreement shall prohibit the County from assigning such employees to  
 4 perform other work as directed or, in absence of other necessary work, to send the employee home.  
 5 The County agrees to make a good faith effort and exhaust all reasonable options for alternate  
 6 assignment prior to sending an employee home. Additionally, prior to sending an employee home,  
 7 the County may seek volunteers. Employees who are released may use vacation leave to cover lost  
 8 hours.

9 **4.3. Performance Evaluations.** The County may conduct performance evaluations at least  
 10 annually as part of a systematic and equitable employee performance management system.

11 **ARTICLE 5: HOLIDAYS**

12 **5.1. Holidays.** Regular, probationary, and term-limited temporary employees shall be  
 13 granted the following holidays with pay:

New Year's Day	January 1st
Martin Luther King, Jr.'s Birthday	Third Monday in January
Presidents' Day	Third Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4th
Labor Day	First Monday in September
Veteran's Day	November 11th
Thanksgiving Day	Fourth Thursday in November
Day after Thanksgiving	
Christmas Day	December 25th

14  
15  
16  
17  
18  
19  
20  
21  
22 and any designated by public proclamation of the chief executive of the state as a legal holiday, as  
 23 approved by Council.

24 **5.2. Day of Observance.** Whenever a holiday falls on a Sunday, the following Monday shall  
 25 be observed as the holiday, and any holiday falling on a Saturday shall be observed on the preceding  
 26 Friday.  
 27

28 **5.3. Overtime Calculation.** Holidays paid for but not worked shall be recognized as time

1 worked for purposes of determining weekly overtime for all employees.

2 **5.4. Holiday Premium.** Work performed on holidays shall be paid at a premium rate of one  
3 and one-half (1-1/2) times the regular rate.

4 **5.5. Prorated Holiday Benefit.** Employees shall receive the regular holiday pay prorated in  
5 accordance with their regular schedule. For example:

Scheduled Hours per Week	Pro-rated Hours of Annual Holiday Earnings	Holiday Compensation for Each of the 12 Holidays
20.0	48.0	4.0 hours
40.0	96.0	8.0 hours

6  
7  
8  
9  
10  
11 **5.6. Pay Status and Eligibility.** An employee must be in a pay status either the employee's  
12 scheduled working day before or the employee's scheduled working day after a holiday in order to  
13 receive holiday pay. An employee leaving County employment the day prior to the holiday shall not  
14 receive holiday pay.

15 **5.7. Personal Holidays.** Each employee eligible for holiday pay shall receive two (2)  
16 additional personal holidays; provided that no employee shall be granted more than ninety-six (96)  
17 hours of holiday time in a calendar year. These days shall be administered through the vacation plan.  
18 One (1) day will be added to each employee's vacation accrual on the first day of October and the  
19 first day of November of each year. Employees will be able to use these days in the same manner as  
20 they use vacation days earned.

21 **5.8. Augmenting Holiday Pay.** If an employee's regularly scheduled work hours exceed the  
22 number of holiday hours earned on any non-work holiday, the employee shall have the option of  
23 using accrued vacation hours to allow total compensation hours to equal the number of hours in the  
24 regular work schedule.

25 **5.9. Work on a Holiday.** Employees who work on a holiday have the option of earning  
26 compensatory time at 1-1/2 times the regular rate of pay in lieu of receiving premium pay of 1-1/2  
27 times the regular rate of pay. Holiday hours accrued under this section will not count as hours  
28 worked for the purpose of determining weekly overtime in the week they are accrued.

1 **ARTICLE 6: VACATIONS**

2           **6.1. Accrual Rate.** Regular, probationary, and term-limited temporary full-time employees  
 3 shall receive vacation benefits as indicated in the following table based upon a full-time schedule of  
 4 forty (40) hours per week.

27 Note: Equivalent work days are based on five (5) equal work days per week. Alternative work  
 28 schedules would not necessarily produce the same number of days.

1           **6.2. Rate of Pay for Use or Cash-Out of Vacation Leave.** For purposes of this Article,  
2 employees using accrued vacation shall be paid for such vacation at the base rate of pay in effect at  
3 the time of vacation or upon termination, provided that special assignments shall not be considered to  
4 be a part of the base rate.

5           **6.3. Accrual Rates for Eligible Part-Time Employees.** Regular, probationary, and term-  
6 limited temporary part-time employees shall accrue vacation leave in accordance with the vacation  
7 leave schedule set forth in Section 6.1 of this Article, provided, however, such accrual rates shall be  
8 prorated to reflect the employee's hours of work.

9           **6.4. County Work While Receiving Vacation Pay.** No employee shall work for  
10 compensation for the County in any capacity during the time that the employee is on vacation leave.

11           **6.5. Effective Date of Accrual.** Employees eligible for vacation leave shall accrue vacation  
12 leave from their date of hire with the County.

13           **6.6. Increments of Vacation Leave.** Vacation leave may be used in one quarter hour  
14 increments, at the discretion of the appointing authority.

15           **6.7. Pay Upon Separation.** Upon separation for any reason, the employee will be paid for  
16 unused vacation credits up to the maximum allowable accumulated vacation; provided, however,  
17 employees hired after September 1, 1986 who are eligible for participation in the Public Employees'  
18 Retirement System Plan I shall not be compensated for more than two hundred forty (240) hours of  
19 accrued vacation at the time of retirement. Vacation hours accrued in excess of two hundred forty  
20 (240) hours must be used prior to the employee's date of retirement or such excess hours shall be lost.

21           **6.8. Impact of Unpaid Absence on Accrual.** No employee shall earn the equivalent of one  
22 month's vacation credit during a month when the employee is absent without pay more than three  
23 working days.

24           **6.9. Prior Accrual Required.** An employee shall not be granted vacation benefits if not  
25 previously accrued by the employee.

26           **6.10. Payment of Accrued Leave Upon Employee's Death.** In cases of separation from  
27 County employment by death, payment of unused vacation leave up to the maximum accrual amount  
28 shall be made to the employee's estate, or in applicable cases, as provided by state law,

1 RCW Title 11.

2       **6.11. Accrual Above Maximum.** Employees may carry over additional vacation beyond the  
3 maximum specified herein, if, as a result of cyclical workloads or work assignments use of vacation  
4 was denied by the Section Manager and absent the ability to carry over leave, the excess accrued  
5 vacation would be lost.

6       **6.12. Eligibility for Use and Pay-Out of Accrued Vacation.** Employees in regular  
7 positions who leave County employment for any reason after successful completion of six (6) months  
8 of County service will be paid for their unused vacation up to the maximum specified herein, except  
9 as provided in Section 6.7. Employees shall not be eligible to take or be paid for vacation leave until  
10 they have successfully completed their first six (6) months of County service, and if they leave  
11 County employment prior to successfully completing their first six (6) months of County service they  
12 shall forfeit and not be paid for accrued vacation leave. If federal or state law provides for greater  
13 benefits for the use of paid leave for family care, the applicable law will apply. Employees shall  
14 forfeit the excess accrual prior to December 31st of each year, except as provided for in Section 6.11.

15       **6.13. Accrual Rate Upon Return to County Employment.** If a regular employee resigns  
16 from County employment in good standing or is laid off and subsequently returns to County  
17 employment within two (2) years from such resignation or lay off, as applicable, the employee's prior  
18 County service shall be counted in determining the vacation leave accrual rate under this Article.

19       **6.14. Scheduling.**

20           A. All vacation preferences shall be made on the designated form.

21           B. Vacation preference requests for a period beginning May 1 and ending the  
22 following April 30 must be received by management no later than April 1. The vacation schedule  
23 shall be posted on or before May 1.

24           C. Vacation preference requests shall be granted on the basis of classification  
25 seniority provided that operations are properly staffed at all times.

26           D. Vacation preference requests may be made in increments ranging from one-half  
27 hour's duration up to and including the maximum accumulation available.

28           E. Vacation preference requests shall contain a maximum of five (5) time periods or

1 increments, not to total more than the number of days accumulated, listed in order of priority to the  
2 individual. Employees shall, on the basis of classification seniority, be entitled to approval for only  
3 one (1) increment at a time. Employees not granted their first priority increment shall have their  
4 second priority granted on the basis of seniority. Seniority shall also be applied to third, fourth, and  
5 fifth priority requests until all available vacation time is scheduled.

6 F. Vacation requests received after April 1 of a given calendar year shall be approved  
7 in order of their receipt provided that operations are properly staffed at all times.

8 G. Classification seniority shall not be used to gain approval of a vacation period that  
9 includes the same holiday in two (2) succeeding years.

10 **ARTICLE 7: SICK LEAVE**

11 **7.1. Accrual**

12 A. Every regular, probationary, and term-limited temporary employee shall accrue  
13 sick leave benefits at a rate equal to .04616 hours for each hour in pay status exclusive of overtime up  
14 to a maximum accrual of ninety-six (96) hours per year. Sick leave shall not begin to accrue until the  
15 first of the month following the month in which the employee commenced employment. The  
16 employee is not entitled to sick leave if not previously earned.

17 B. During the first six (6) months of service, employees eligible to accrue vacation  
18 leave may, at the appointing authority's discretion, use any accrued days of vacation leave as an  
19 extension of sick leave. If federal or state law provides for greater benefits for the use of paid leave  
20 for family care, the applicable law will apply. If an employee does not work a full six (6) months,  
21 any vacation leave used for sick leave must be reimbursed to the County upon termination.

22 C. There shall be no limit to the hours of sick leave benefits accrued by an employee.

23 **7.2. Use of Sick Leave.**

24 A. Sick leave may be used in one-quarter (1/4) hour increments at the discretion of  
25 the employee's immediate supervisor.

26 B. Sick leave shall be paid on account of the following reasons:  
27 a. Employee's illness; provided, that an employee who suffers an occupational

28 illness may not simultaneously collect sick leave and worker's compensation payments in a total

1 amount greater than the net regular pay of the employee;

2 b. The employee's incapacitating injury, provided that:

3 (1) An employee injured on the job may not simultaneously collect  
4 sick leave and worker's compensation payments in a total amount greater than the net regular pay of  
5 the employee;

6 (2) An employee may not collect sick leave for physical incapacity due  
7 to any injury or occupational illness which is directly traceable to employment other than with the  
8 County.

9 c. A female employee's temporary disability caused by or contributed to by  
10 pregnancy and childbirth.

11 d. Employee exposure to contagious diseases and resulting quarantine;

12 e. Employee keeping medical, dental, or optical appointments, provided that  
13 the employee's appointing authority has approved the use of sick leave for such appointments;

14 f. Sick leave may be used to care for family members of an employee in  
15 accordance with Section 7.9.

16 **7.3. Exhaustion of Sick Leave.** An employee who has exhausted all of his/her sick leave  
17 may use accrued vacation leave as sick leave before going on leave of absence without pay, if  
18 approved by his/her appointing authority.

19 **7.4. Administration.** Division management is responsible for the proper administration of  
20 sick leave benefits. Verification from a licensed health care provider may be required to substantiate  
21 the health condition of the employee or family member for leave requests. In cases where  
22 management has uniform documentation to support a history of excessive or patterned absenteeism,  
23 an employee may be put on written notice by the Section Manager that for a period not to exceed six  
24 (6) months requests for compensation under this Article must be accompanied by proof of need.

25 **7.5. Separation.** Separation from County employment, except by retirement or reason of  
26 temporary lay-off due to lack of work or funds, shall cancel all sick leave currently accrued to the  
27 employee. Should the employee resign in good standing and return to the County within two years,  
28 accrued sick leave shall be restored.

1           **7.6. Disability.** Accrued sick leave may be used for absence due to temporary disability  
 2 including that caused or contributed to by pregnancy, but except for leaves that are requested and  
 3 approved pursuant to the King County Family and Medical Leave Ordinance and Section 7.10 in this  
 4 Article, there shall be no requirement to exhaust accrued sick leave prior to taking a leave of absence  
 5 for such disability.

6           **7.7. Pay-out.** Employees eligible to accrue sick leave, who have successfully completed at  
 7 least five (5) years of County service, and who retire as a result of length of service or who terminate  
 8 by reason of death, shall be paid or their estates paid or as provided for by RCW Title 11, as  
 9 applicable, an amount equal to thirty-five (35) percent of their unused, accumulated sick leave  
 10 multiplied by the employee's rate of pay in effect upon the date of leaving County employment less  
 11 mandatory withholdings.

12           All payments shall be made in cash, based on the employee's base rate, and there shall be no  
 13 deferred sick leave reimbursement. The pre-tax dollars may be applied to the purchase of County  
 14 health insurance at the COBRA rates. This sick-leave cash-out is subject to any determination by  
 15 bargaining unit members to have their funds placed in Voluntary Employee Beneficiary Association  
 16 (VEBA) accounts upon retirement as a result of length of service, as set forth in the King County  
 17 Code. Such determination is applicable to all members of the bargaining unit.

18           **7.8. Job Injury.** Employees injured on the job cannot simultaneously collect sick leave and  
 19 worker's compensation payments greater than net regular pay of the employee. Administrative rules  
 20 have been established to allow for payments equal to net regular pay of employees qualifying under  
 21 worker's compensation.

22           **7.9. Family Care.**

23           **7.9.1.** Accrued sick leave may be used for the following reasons:

24           A. To care for the employee's child if the child has an illness or health condition that  
 25 requires treatment or supervision by the employee; and to care for the employee's spouse, domestic  
 26 partner, parent-in-law, or grandparent who has a serious health condition or an emergency condition.

27           B. To care for other family members under the following circumstances:

28           1. For King County Family Medical Leave, the employee must have been

1 employed by the County for twelve (12) months or more and have actually worked a minimum of one  
 2 thousand forty (1040) hours (40 hour employee) the preceding twelve (12) months (paid leaves such  
 3 as holiday, vacation and sick leave are not considered hours worked). For Federal Family Medical  
 4 Leave the employee must have worked 1250 hours in the preceding 12 months.

5 2. The family member is the employee's spouse or domestic partner; the child  
 6 of the employee, the employee's spouse, or the employee's domestic partner; or the parent of the  
 7 employee, the employee's spouse, or the employee's domestic partner; and the reason for the leave is  
 8 one of the following:

9 a. The birth of a child and care of the newborn child, or placement of  
 10 the child by adoption or foster care, if the leave is taken within twelve months of the birth, adoption,  
 11 or placement;

12 b. To care for the employee's child or child of the employee's spouse  
 13 or domestic partner whose illness or health condition requires treatment or supervision by the  
 14 employee; or

15 c. Care of a family member who suffers from a serious health  
 16 condition as defined in the King County Personnel Guidelines.

17 C. To care for immediate family members in additional circumstances not covered by  
 18 A. or B. For the purposes of this section, "immediate family" shall include: spouse or domestic  
 19 partner; child of employee, employee's spouse, or employee's domestic partner; parent; grandparent;  
 20 grandchild; sibling; and any persons for whose financial or physical care the employee is principally  
 21 responsible. Employees eligible for sick leave shall be entitled to use and normally shall have  
 22 approved sick leave for family care under these and similar circumstances.

23 1. When the employee certifies that no other person is available and capable of  
 24 providing care of the ill or injured family member.

25 2. For accompanying or transporting immediate family members to medical or  
 26 dental appointments, provided that the immediate family member is a minor child, is infirm, or  
 27 cannot reasonably travel to and from the appointment without the employee's aid.

28 3. Unless covered by A. or B. of this Section, use of sick leave shall be subject

1 to the following limitations.

2 a. A maximum of three (3) days of family care sick leave may be  
3 permitted for each occurrence.

4 b. No more than six (6) days of family care sick leave may be used in  
5 any one calendar year.

6 c. Each request for family care sick leave must be verified in writing,  
7 which shall include the relationship of the immediate family member and a statement of the need for  
8 care or attendance.

9 7.9.2. The employee's supervisor may require a physician's verification of the need for  
10 family care leave.

11 7.9.3. If federal or state law provides for greater benefits for the use of paid leave for family  
12 care, the applicable law will apply.

13 7.10. **Family and Medical Leave.** Employees shall be entitled to family medical leave as  
14 provided by the King County Family Medical Leave Ordinance (KCC 3.12.220), the federal Family  
15 Medical Leave Act, and any Washington state laws that provide for family medical leave.

16 Seniority shall accrue in accordance with Article 17 while an employee is on family and  
17 medical leave.

18 7.11. **Informational Resource.** To assist employees in understanding their ability to utilize  
19 leave for medical and family reasons, the County agrees to distribute to employees information from  
20 King County Code 3.12.220.

21 **ARTICLE 8: MISCELLANEOUS LEAVES**

22 **8.1. Donation of Vacation and Sick Leave Hours.**

23 8.1.1. **Vacation Leave Hours.** Any regular or term-limited temporary employee who has  
24 completed at least one (1) year of service may donate to any other regular or term-limited temporary  
25 employee a portion of his or her accrued vacation for the purpose of supplementing the sick or family  
26 leave benefits of the receiving employee. Donated vacation hours shall be converted to a dollar value  
27 based upon the donor's straight time rate.

28 Vacation donations are strictly voluntary. Employees are prohibited from offering or

1 receiving monetary or any other compensation in exchange for donating vacation hours. The number  
2 of hours donated shall not exceed the donor's accrued vacation credit as of the date of the request.

3 Donated vacation hours must be used within ninety (90) calendar days. Donated hours not  
4 used within ninety days or due to the death of the receiving employee shall revert to the donor.

5 Donated vacation hours are excluded from vacation payoff provisions.

6 **8.1.2. Sick Leave Hours.** Any regular or term-limited temporary employee whose sick leave  
7 accrual balance exceeds one hundred (100) hours may donate to any other regular or term-limited  
8 temporary employee a portion of his/her accrued sick leave upon written notice to the donating and  
9 receiving employees' department director(s). Sick leave hour donations are strictly voluntary. No  
10 employee may donate more than twenty-five (25) hours of his/her accrued sick leave in a calendar  
11 year. Employees are prohibited from offering or receiving monetary or any other compensation in  
12 exchange for donating sick leave hours.

13 Donated hours shall be converted to a dollar value based upon the donor's straight time hourly  
14 rate.

15 Donated sick leave hours must be used within ninety (90) calendar days. Donated hours not  
16 used within ninety days or due to the death of the receiving employee shall revert to the donor.

17 Donated sick leave hours are exempt from sick leave payoff provisions.

18 **8.2. Bereavement.**

19 A. Regular, probationary, and term-limited temporary employees shall be entitled to  
20 three (3) working days of bereavement leave per instance due to death of members of their immediate  
21 family.

22 B. Regular, probationary, and term-limited temporary employees who have exhausted  
23 their bereavement leave shall be entitled to use sick leave in the amount of up to three working days  
24 for each instance when death occurs to a member of the employee's immediate family.

25 C. For purposes of this section, a "working day" refers to all of the hours an employee  
26 is scheduled to work on the day of bereavement leave.

27 D. In the application of any of the foregoing provisions, when a holiday or regular  
28 day off falls within the prescribed period of absence, it shall not be charged against the employee's

1 sick leave or bereavement account.

2 E. For the purposes of this Section, "immediate family" shall be construed to mean  
3 persons related to an employee by blood or marriage or legal adoption as follows: spouse or domestic  
4 partner; child of employee, employee's spouse, or employee's domestic partner; grandparent;  
5 grandchild; parent of the employee, the employee's spouse, or employee's domestic partner; sibling;  
6 any persons for whose financial or physical care the employee is principally responsible; son-in-law;  
7 daughter-in-law; father-in-law; mother-in-law; or an individual who stood in loco parentis to the  
8 employee, the employee's spouse, or employee's domestic partner.

9 **8.3. School Volunteer Leave.**

10 An employee may use up to three days of accrued sick leave per year for the purpose of  
11 volunteering at the employee's children's school. The employee must obtain advance approval for  
12 such leave.

13 **8.4. Leave of Absence for Union Work.**

14 An employee elected or appointed to office in a local of the Union which requires a part or all  
15 of his/her time shall be given leave of absence without pay upon application.

16 **8.5. Jury Duty.**

17 If a regular, probationary, or term-limited temporary employee, including a seasonal worker,  
18 who is employed at least half-time is called for jury duty, then the employee will be entitled to  
19 regular pay for all work hours that the employee misses due to jury duty. The employee should  
20 deposit his or her jury duty fees, excluding mileage, with the Finance and Business Operations  
21 Division of the Department of Executive Services. Employees must contact their supervisor when  
22 dismissed from jury duty during regularly scheduled working hours and may be required to report  
23 back to work.

24 **8.6. Leave Examinations.**

25 An employee eligible for paid leave will be entitled to necessary time off with pay for the  
26 purpose of participating in County qualifying or promotional examinations. This will include time  
27 required to complete any required interviews.  
28

1           **8.7. Military Leave.**

2           A leave of absence for active military duty or active military training duty will be granted to  
3 eligible employees in accordance with applicable provisions of state and/or federal law; provided,  
4 that a request for such leave shall be submitted to the manager/designee in writing by the employee  
5 and accompanied by a validated copy of military orders ordering such active duty or active training  
6 duty.

7           **8.8. Unauthorized Leave.**

8           Being absent without authorized leave shall be considered as an automatic resignation. Such  
9 a resignation may be rescinded by the Division Manager if the employee presents satisfactory reasons  
10 for his/her absence within three (3) calendar days of the date his automatic resignation became  
11 effective.

12           **8.9. Leaves of Absence Without Pay.**

13           Employees may request a leave of absence without pay by presenting a written request to their  
14 immediate supervisor along with any supporting documentation. The decision to grant a leave of  
15 absence without pay shall be at the discretion of the County.

16           **8.10. Return to Work Following Medical Leave.** Consistent with applicable law, the  
17 County will make a good faith effort to accommodate an employee's return to work in a timely  
18 fashion.

19           **ARTICLE 9: SAFETY**

20           **9.1. Commitment to Safety.** The County shall provide and maintain a safe and healthful  
21 workplace and comply with all state and federal laws, rules, and regulations pertaining to workplace  
22 safety and health.

23           **9.2. Workers' Responsibility.** Employees shall follow the safety and health rules, wear  
24 and/or use all required gear and equipment provided by the County, and participate in County-  
25 provided safety training.

26           **9.3. Equipment.** No employee shall be required to use equipment which is not in a safe  
27 condition. In the event an employee discovers or identifies unsafe equipment, s/he will immediately  
28 notify the immediate supervisor in writing. Said equipment shall be repaired or replaced if the

1 County determines the equipment to be unsafe. At such time as the County determines the equipment  
2 to be safe, the employee will be advised.

3 **9.4. Reporting on Safety Hazards.** It is the responsibility of all employees to report safety  
4 hazards on a timely basis. "Record of Hazard Observed" forms will be available to all employees in  
5 a conspicuous area. When a safety hazard is observed, the employee shall document the hazard on a  
6 "Record of Hazard Observed" form, and turn the form in to his/her immediate supervisor for  
7 investigation and correction.

8 **9.5. Remedying Safety Hazards.** Once notice of a hazard has been received by the  
9 supervisor, s/he will investigate the situation and make correction within three (3) working days or as  
10 soon as practicable. In the event more than three (3) working days are needed, upon the Union's  
11 request, the supervisor will provide a written explanation to the reporting employee and the shop  
12 steward as to the reasons for the delay and the anticipated date of correction.

13 **9.6. Safety Committee.** A Safety Committee, consisting of an equal number of employer-  
14 selected and employee-elected members, shall meet at least bimonthly. The Safety Committee shall  
15 have the following responsibilities:

16 A. Review the safety and health inspection reports to assist in correction of identified  
17 unsafe conditions or practices.

18 B. Evaluate accident investigations conducted since the last meeting to determine if  
19 the cause of the unsafe acts or condition involved was properly identified and corrected.

20 C. Evaluate the accident and illness prevention program and make recommendations  
21 for improvement where indicated.

22 D. Evaluate and recommend training and equipment needs.

23 Minutes of all Safety Committee meetings shall be posted on the Safety Bulletin Boards and  
24 filed in accordance with WISHA regulations. A liaison from this Committee shall regularly  
25 participate in the SEIU Local 925 FMD Labor Management Committee meetings. Safety Committee  
26 members shall be in pay status for time spent in meetings.

27 **9.7. Refusal to Work Under Unsafe Conditions.** Employees may refuse to work in  
28 situations where there is reasonable cause to believe that doing so would present an imminent danger

1 in which death or serious injury could happen immediately.

2 **9.8. Workers' Right to Know.** Material Safety Data Sheets (MSDS) will be available for  
3 reference and review in a conspicuous area accessible to all affected employees.

4 **9.9. Safety Inspections.** Where feasible, a shop steward will accompany Safety Inspectors  
5 on worksite inspections and participate in opening/closing conferences without loss of pay and  
6 benefits.

7 **9.10. Safety Bulletin Board.** There shall be a safety bulletin board in every building where  
8 there are at least eight (8) bargaining unit members. The bulletin boards will be sufficient in size to  
9 display required posters, accident statistics, Safety Committee meeting minutes, and safety  
10 educational materials.

11 **9.11. No Discrimination.** No employee will be disciplined, discriminated against, or  
12 otherwise suffer retaliation for filing a safety complaint or grievance, reporting a hazard, or acting as  
13 a witness in a safety investigation.

14 **9.12. Personal Protective Equipment.** In situations where the law requires that the  
15 employer provide personal protective equipment, including clothing and boots, the County will  
16 provide that equipment at County expense. Additionally, if required by King County's Safety and  
17 Claims Specialist to provide certain protective equipment for specific tasks, the County will provide  
18 that equipment at County expense.

## 19 **ARTICLE 10: CONTRACTING OUT**

20 **10.1. Contracting Out.** The County agrees not to contract out or assign to another agency or  
21 individual the work normally performed by members of the bargaining unit if the contracting out or  
22 assignment of such work eliminates, jeopardizes, or reduces the normal workload of the bargaining  
23 unit. The County agrees to inform the Union of any contracting out of work normally performed by  
24 members of the bargaining unit.

25 **10.2. Custodial Work.** Beginning March 31, 2006, existing Building Services contracts for  
26 custodial work will not be renewed and the work will be assigned to bargaining unit members.  
27 Unless the parties agree to an exception or extraordinary circumstances exist, when FMD becomes  
28 responsible for new or additional facilities and/or work, the custodial work will be assigned to

1 bargaining unit members.

2 **10.3. Non-Custodial Work.**

3 **10.3.1.** Upon implementation of the Agreement, the parties will agree upon a schedule to  
4 jointly review existing Building Services contracts that encompass a non-custodial body of work  
5 historically performed by bargaining unit members. The parties will utilize the LMC for the joint  
6 review. The County's intent is to assign bargaining unit members to perform that body of work  
7 whenever possible. The review process shall evaluate whether

- 8 --employees possess the necessary skills;
- 9 --employees possess any required licenses and/or certifications;
- 10 --the County owns or could readily and feasibly obtain the necessary equipment;
- 11 --travel to remote locations for small pieces of work would be prohibitively costly;
- 12 --safety or liability issues exist; and
- 13 --performing the work in-house would not be practicable or feasible due to some other  
14 extenuating circumstance.

15 **10.3.2.** If FMD becomes responsible for new or additional facilities and/or work where the  
16 maintenance needs include a non-custodial body of work historically performed by bargaining unit  
17 members, FMD will assign the work to bargaining unit members in the absence of an extenuating  
18 circumstance. If an extenuating circumstance may be present, the parties will convene an LMC  
19 meeting to review the matter, using the above criteria.

20 **10.4. Community Corrections Work Program.** The County agrees not to assign to the  
21 Community Corrections program the work normally performed by bargaining unit members if the  
22 assignment of such work eliminates, jeopardizes, or reduces the normal workload of the bargaining  
23 unit. FMD will provide the LMC with quarterly updates of work the Community Corrections crew is  
24 performing. Prior to expanding the work of the Community Corrections crew to performing work  
25 historically performed by bargaining unit members on an ongoing, regular basis, the County will  
26 bargain such expansion.

27 **ARTICLE 11: WAGE RATES AND OVERTIME**

28 **11.1. Wage Rates.** Wage rates for the term of this agreement will be in accordance with

1 classifications and wage rates listed in Addendum A, which is a part of this agreement.

2 **11.2. Step Movement.** All regular full-time and regular part-time employees who are not at  
3 Step 10 or on probation will advance to the next higher step on the salary range on January 1 of each  
4 year of the Agreement.

5 **11.3. Cost of Living Adjustment (COLA).** Except as otherwise provided in the Parties  
6 Memorandum of Agreement entitled "Memorandum of Agreement by and Between King County and  
7 Service Employees International Union, Local 925 Addressing The 2011 Budget Crisis" (Document  
8 code: 000U0310\_COLA-2011\_012) expiring December 31, 2014, eligible bargaining unit employees  
9 will be eligible to receive COLA as provided for below.

10 **2013** - Effective January 1, 2013 employees shall be eligible to receive 95% of the annual  
11 average growth rate of the bi-monthly Seattle-Tacoma-Bremerton Area Consumer Price index for  
12 Urban Wage Earners and Clerical Workers (CPI-W, July of the previous year to June of the current  
13 year). Zero percent (0%) floor and no ceiling.

14 **2014** - Effective January 1, 2014 employees shall be eligible to receive 95% of the annual  
15 average growth rate of the bi-monthly Seattle-Tacoma-Bremerton Area Consumer Price index for  
16 Urban Wage Earners and Clerical Workers (CPI-W, July of the previous year to June of the current  
17 year). Zero percent (0%) floor and no ceiling.

18 **Economic and Fiscal Conditions Reopener.** The parties agree when significant shifts in  
19 economic and fiscal conditions occur during the term of this agreement, the parties agree to reopen  
20 negotiations for COLA when triggered by either an increase in the King County unemployment rate  
21 of more than 2 percentage points compared with the previous year or a decline of more than 7%, in  
22 County retail sales as determined by comparing current year to previous year. Data will be derived  
23 from Washington State Department of Revenue. By no later than July 30th of each year of this  
24 agreement, the county will assess whether the economic measurements listed above trigger contract  
25 reopeners on COLA for the subsequent year.

26 **11.4. Lead Worker.** An employee designated in writing by the Division Director/designee  
27 as "lead worker" shall receive a seven percent and one half (7.5%) premium in addition to the base  
28 wage for all time so assigned.

1           **11.5. On-Call.** All employees required to carry notification devices (pagers or “beepers”)  
2 during their normally scheduled time off shall be compensated at the hourly rate of \$0.75 (seventy  
3 five cents) for all time spent while so assigned.

4           **11.6. Schedule Changes.** All hours worked by an employee required to work a special  
5 schedule or to change his/her shift, absent five (5) work days advance written notice as provided in  
6 Article 12.5, shall be compensated as overtime at one and one-half (1-1/2) times the regular rate of  
7 pay; provided, however, in a case where snow removal, flood control, and/or sanding operations have  
8 been anticipated and “alert” or “standby” status advance warning has been given or in a case where a  
9 special schedule is needed to respond to conditions or circumstances beyond the control of the  
10 County, overtime pay shall not be required under this section; provided further, an employee who  
11 voluntarily accepts a training opportunity with less than five (5) days notice of a schedule/shift  
12 change may adjust his/her schedule and shall not be eligible for overtime under this section.

13           **11.7. Licenses and Certifications.** Employees who are required to have hazardous materials  
14 handling, commercial drivers, or other licenses, certificates, or special endorsements, except standard  
15 driver’s licenses, to perform their jobs, will be reimbursed for the cost of maintaining these licenses  
16 or certificates.

17           **11.8. Shift Differential.**

18           **A. Hazardous Waste.** Hazardous Waste Technicians, Hazardous Waste  
19 Surveyor/Project Manager, and Supervising Hazardous Waste Technician shall receive a 10% shift  
20 differential for working swing shift during the period 2:00 p.m. through 10:00 p.m. and a 15% shift  
21 differential for working graveyard shift during the period 10:00 p.m. through 4:00 a.m.

22           **B. Utility Workers.** When the majority of the hours worked fall on a scheduled shift  
23 after 4:00 p.m., the entire shift worked will receive a 10% shift differential. When the majority of the  
24 hours worked fall on a scheduled shift after 12:00 a.m. (midnight) the entire shift worked will receive  
25 a 15% differential.

26           **11.9. Overtime.** Employees on a five (5) day schedule shall be paid at the rate of time and  
27 one-half (1-1/2) for all compensated hours in excess of eight (8) in one day, exclusive of lunch  
28 period, or forty (40) in one week. Employees on a four-day schedule shall be paid at the rate of time

1 and one-half for all compensated hours in excess of ten (10) in one day, exclusive of lunch period, or  
2 forty (40) in one week. Employees shall be paid at the rate of one and one-half (1-1/2) times their  
3 regular rate of pay for all regularly scheduled hours worked during the nine (9) hour period following  
4 the end of the employee's previous shift, unless a higher rate applies. Overtime shall be compensated  
5 for in cash except as provided in Section 11.13.

6 **11.10. Work Week.** The work week shall be as determined by the County to comply with  
7 Fair Labor Standards Act (FLSA) provisions. Saturday and Sunday work is not overtime when it is a  
8 regularly scheduled work day for the individual crew unless required by the FLSA.

9 **11.11. Prior Authorization.** All overtime shall be authorized in advance by the Section  
10 Manager or his/her designee in writing, except in emergencies.

11 **11.12. Overtime Assignments.**

12 A. All employees may volunteer for overtime work. The County will offer overtime  
13 work only to those employees who have previously volunteered. If the need for overtime workers  
14 exceeds those available within the classification needed, the County will seek volunteers from other  
15 classifications who are qualified to perform the work prior to granting the assignment to temporary  
16 employees. However, the County reserves the right to assign mandatory overtime work if there are  
17 insufficient volunteers or in emergency situations, beginning with the least senior qualified employee  
18 in that job classification. Overtime at the end of a shift to complete an assignment and/or project is  
19 exempt from this section. In such cases the employee(s) doing the work will complete the day's  
20 assignment.

21 **B. Overtime List.** For each classification at a work location, the County will  
22 maintain and post a list of employees who have volunteered for overtime work. Work location shall  
23 mean the downtown County complex or each outlying County site. Provided, however, all Utility  
24 Worker IIs will be placed on a single overtime list.

25 The list will initially be created in seniority order. Offers of overtime work will always be  
26 made to the employee at the top of the list. Once an employee is offered overtime work, the  
27 employee's name will move to the bottom of the list, whether or not the employee accepts the  
28 overtime assignment. All others on the list will move up accordingly. The list will be updated on the

1 first of each month. Each month employees will have an opportunity to be added to the bottom of  
2 the overtime list. The lists will distinguish among regular, term-limited, and temporary employees.

3 Overtime will be offered to employees on the overtime lists who are not on leave status and  
4 are present at work or contacted by phone when the time the overtime is being scheduled. Employees  
5 who are on approved leave status, not present at work or unable to be contacted by phone will  
6 maintain their ranking on the rotating lists. Employees who fail to work the overtime they have  
7 agreed to work or who call in sick may be removed from the lists for that calendar year at the  
8 discretion of the supervisor.

9 **Step 1.**

10 a. For each work location, overtime will first be offered to regular  
11 employees on the overtime list.

12 b. If the County is unable to secure volunteers from among regular  
13 employees, overtime will then be offered to term-limited employees on the overtime list working at  
14 the location in question.

15 c. If the County is unable to secure volunteers from among term-  
16 limited employees, overtime will then be offered to temporary employees on the overtime list at the  
17 location in question.

18 **Step 2.**

19 If the County remains unable to secure volunteers, the work will be offered to employees at  
20 other work locations using the procedure in Step 1.

21 **Step 3.**

22 In the event that Steps 1 and 2 have been exhausted and there are insufficient volunteers to  
23 work the overtime needed, the County will assign the overtime to any qualified employees within the  
24 bargaining unit.

25 **C. Supported Employees.**

26 Overtime opportunities for custodians in the supported employment program will be  
27 evaluated by the LMC outside of the procedure set forth in Step 1.(c) above.

28 **11.13. Compensatory Time.** There shall be no practice of compensatory time off unless

1 requested by the employee and agreed to by the Section Manager or designee.

2           A. Compensatory time off shall be earned at the rate of one and one-half (1-1/2) times  
3 the regular rate.

4           B. A maximum of eighty (80) hours of compensatory time may be accumulated.  
5 Accrued compensatory time shall be expended within one year from the date when it is earned, or it  
6 will be compensated for in cash at the regular rate of pay.

7           C. Notwithstanding (B) above, compensatory time off shall be scheduled at a time  
8 that does not unduly disrupt the operations of the Section. If federal or state law provides for greater  
9 benefits for the use of paid leave for family care, the applicable law will apply.

10           **11.14. Call Out.** A minimum of four (4) hours at one and one-half (1-1/2) times the regular  
11 rate shall be allowed for each call out. Where such call out work exceeds four (4) hours, the actual  
12 hours worked shall be allowed at one and one-half (1-1/2) times the regular rate. A "callout" will be  
13 defined as a circumstance where an employee has left the work premises and is subsequently required  
14 to report back to work prior to his/her normally scheduled shift. In the event the employee is called  
15 back to work within four (4) hours of the start of his/her regular shift, the employee will be  
16 compensated at the overtime rate only for the hours immediately preceding the start of his/her regular  
17 shift.

18           **11.15. Special Schedule.** Specially scheduled working hours will be compensated at one and  
19 one-half (1-1/2) times the regular rate. In the event this specially scheduled work is accomplished  
20 prior to the normal working hours and the employee subsequently works his/her regular shift, the  
21 regular shift shall be compensated at regular pay.

22           **11.16. Emergency Call Outs.** Emergency call outs with less than two hours notice shall be  
23 paid at two (2) times the regular rate for a minimum of four (4) hours. In the event this emergency  
24 call out work is accomplished prior to the normal working hours and the employee subsequently  
25 works his/her regular shift, the regular shift shall be compensated at regular pay.

26           **11.17. Hours Worked.** For purposes of this Article, "hours worked" means all compensated  
27 hours.

28

1           **11.18. Utility Worker and Inventory Purchasing Specialist Re-opener.**

2           If, during the term of this Agreement, the County enters into an agreement with the Joint  
3           Crafts Council implementing a higher pay range for the Utility Worker I, Utility Worker II, and/or  
4           Inventory Purchasing Specialist I classifications than those listed in Addendum A of this Agreement,  
5           the range(s) in Addendum A will be adjusted to reflect the same increase, effective the same date.

6           **11.19 Supported Employee Program Review**

7           The parties to this Agreement acknowledge that there exists an ongoing study of the County's  
8           Supported Employment Program. The Union will be kept apprised of the status of that study as it  
9           applies to this unit. The parties agree to reconvene negotiations with the intent of determining the  
10          appropriate pay rate for any new classifications for the aforementioned employees. Further, the  
11          parties agree that no employee in this Program will suffer a reduction in their hourly rate as a result of  
12          the study.

13          **ARTICLE 12: HOURS OF WORK**

14          **12.1. Normal Workweek.** The normal work week shall consist of five (5) consecutive work  
15          days not to exceed eight (8) hours each to be completed in a nine (9) hour period and not to exceed  
16          forty (40) hours per week. Meal periods will be unpaid.

17          **12.2. Split Shifts.** Split shifts will not be scheduled except with the expressed written  
18          consent of the employee. Employees will not be required to work both Saturday and Sunday, except  
19          in cases of emergency or with the expressed written consent of the employee, unless Saturday and  
20          Sunday work is a part of a normal work schedule.

21          **12.3. Alternative and Flex Schedules.** The County agrees in principle to the concept that  
22          alternative work schedules/flex time for individual employees should be considered and may be  
23          utilized if mutually agreed upon by the employee and the employer. Written requests for alternative  
24          work schedules/flex time will be considered and evaluated in terms of the best interests of both the  
25          County and the employee. The request will be acted on and returned to the requesting employee. All  
26          alternative schedules shall be reduced to writing with copies to the Union and the Human Resources  
27          Division.

28          **12.4. Schedule Changes.** The supervisors and lead workers may change the scheduled hours

1 and provide special schedules for special operations such as snow removal, flood control and sanding  
 2 operations, and other special schedules such as watchmen or other personnel on special activities;  
 3 provided, however, special clothing and special equipment will be made available for special  
 4 operations.

5 **12.5. Notice for Special Schedule or Shift Change.** Normally, at least five (5) working  
 6 days advance written notice shall be given the employee prior to the commencement of a special  
 7 schedule or shift change, except in the case where snow removal, flood control and sanding  
 8 operations may be anticipated, in which case an "alert" or "stand-by" status advance warning is  
 9 sufficient. An employee who works performing tasks considered "special operations" as defined  
 10 above will have such experience recognized by a letter placed in the personnel file of the employee  
 11 with a copy to the employee. Shift changes shall not be used to circumvent overtime pay.

12 **12.6. Safety Meetings.** Where regular safety meetings are conducted, employees will be  
 13 released from work with pay to attend. If necessary, the employee's work schedule will be altered to  
 14 accommodate their participation during paid working hours.

15 **12.7. Release from Work.** If an employee is scheduled to work but no work exists, the  
 16 County must notify the employee at least two (2) hours prior to the beginning of the normal shift or a  
 17 four (4) hour minimum pay will prevail.

18 **12.8. Hours Worked Definition.** For purposes of this Article, "hours worked" shall mean  
 19 all compensated hours.

20 **12.9. Floor Care Specialist Schedule.** Employees performing Floor Care Specialist duties  
 21 shall work forty (40) hours a week within a seven (7) consecutive day period, as provided below:

22 A. Employees assigned to a five (5) day week shall work five (5) consecutive days of  
 23 eight (8) hours each.

24 B. Employees assigned to a four (4) day week shall work four (4) consecutive days of  
 25 ten (10) hours each.

26 **12.10. Hazardous Waste Schedules.** For Hazardous Waste Technicians, Hazardous Waste  
 27 Supervisors and Hazardous Waste Surveyor/Project Managers who work a 4 day/10 hour work week,  
 28 the following shall apply:

1 A. The work week shall consist of four (4) ten (10) hour days with three (3)  
 2 consecutive days off, two (2) of which shall be Saturday and Sunday.

3 B. Participation in the four/ten schedule is voluntary and the employees as a group  
 4 can request a return to a five (5) day/eight (8) hour schedule.

5 C. Division Management has the right to return the employees as a group to an eight  
 6 (8) hour/five (5) day schedule in the event the four/ten work week does not meet the business needs  
 7 of the division. Such return shall be subject to the notice requirement in Article 12, Section 5 and the  
 8 compensation requirements in Article 11, Section 6. In addition, Division management shall  
 9 officially notify the union in advance and discuss with the union possible alternatives to a return to an  
 10 eight hour/five day schedule.

11 D. The employees recognize there may be a need to revert to an eight (8) hour/five (5)  
 12 day schedule on a temporary basis to resolve a bona fide hazardous materials emergency. In this  
 13 event the employees agree to waive their rights as described in Article 11, Section 6. The employees  
 14 do not waive those rights with respect to arbitrary day to day shifts and/or schedule changes.

15 E. If a holiday is officially observed on a Friday that is a normal day off, the holiday  
 16 will be taken on the last normal work day of that week. If a holiday is officially observed on a  
 17 Monday that is a normal day off, the holiday will be taken on the next normal work day of that week.

18 **ARTICLE 13: MEDICAL, DENTAL AND LIFE INSURANCE**

19 **13.1. Maintenance of Benefits.** The County shall maintain the current level of benefits  
 20 under its medical, dental, vision and life insurance programs during the life of this Agreement subject  
 21 to modification by the Joint Labor-Management Insurance Committee (JLMIC) as provided in  
 22 Section 13.3.

23 **13.2. JLMIC Composition and Function.** The JLMIC shall be comprised of an equal  
 24 number of representatives from the County and the King County Labor Coalition whose function  
 25 shall be to review, study, and make recommendations relative to existing medical, dental, and life  
 26 insurance programs.

27 **13.3. Incorporation of Changes.** The Union and the County agree to incorporate changes to  
 28 employee insurance benefits which the County may implement as a result of the agreement of the

1 Joint Labor Management Insurance Committee.  
2

3 **13.4. Insurance Eligibility.** Regular, probationary, and term-limited temporary employees  
4 are eligible for benefits under this Article.

5 **ARTICLE 14: MISCELLANEOUS**

6 **14.1. Mileage Reimbursement.** All employees who have been authorized to use their own  
7 transportation on County business shall be reimbursed at the rate established by the County Council  
8 action.

9 **14.2. Classification Specifications.** The County shall furnish the Union with specific  
10 classification specifications for all classifications in the bargaining unit upon written request. The  
11 County shall also furnish the union with job announcements describing the function, scope and  
12 complexity of specific positions and the knowledge, abilities and qualifications for the positions. The  
13 County will notify the Union of proposed revisions to the classification specifications, and the  
14 County and the Union shall meet to review the proposed revisions prior to implementation on written  
15 request of the Union.

16 **14.3. Uniforms and Inclement Weather Gear.**

17 **A. Uniforms.** Uniforms and their replacement, excluding maintenance, shall be paid  
18 for by the County according to County policy. In the event that the County requires all employees to  
19 wear uniforms, the Union and the County will meet to negotiate the impact of a uniform requirement.

20 **B. Inclement Weather Gear.** The County will provide appropriate rain gear for all  
21 employees working in inclement weather as needed. Employees are responsible for care and  
22 cleaning. Employees may exchange worn or damaged gear on an as needed basis.

23 **14.4. Training.** The County recognizes the mutual benefit to be attained by affording  
24 training opportunities to employees relating to their job duties and shall provide information and  
25 access to training opportunities, within budgeted appropriations. The training opportunities shall be  
26 guided by, but not limited to, the overall objectives of encouraging and motivating employees to  
27 enhance their personal capabilities in performance of their jobs. All employees shall have equal  
28 access to training. The County may provide employees release time to attend training programs that  
will be beneficial to their job performance. Notice of all such training opportunities which

1 management deems appropriate will be made available to all employees in writing. If the County  
2 requires attendance at such training programs, the County will pay the expenses incurred.

3 **14.5. Procedures Changes.** Changes in written procedural guidelines or other work rules or  
4 regulations will be implemented only upon written notification of revisions to the Union. No  
5 employee shall be held responsible for violation of a written instruction, regulation, rule or guideline  
6 provided oral instructions to do so were received from supervisory personnel.

7 **14.6. Meet and Confer.** Matters of common concern to the parties will be the subject of  
8 Meet and Confer discussion upon request of either Section Manager or Union Representative. Such  
9 meetings will be scheduled at the mutual convenience of both parties.

10 **14.7. Labor-Management Committee (LMC).** LMC meetings will be held on at least a  
11 quarterly basis. The purpose will be to deal jointly with issues of mutual interest and to maintain and  
12 improve Labor-Management relations. The LMC does not have the authority to hear active  
13 grievances or circumvent the grievance process contained within this Agreement. Further, the LMC  
14 may bargain upon agreement by the parties' authorized bargaining agents, who shall be present for  
15 bargaining. LMC agendas and minutes shall be distributed to LMC members at least three working  
16 days in advance of the meeting. Agenda items shall be submitted by both Labor and Management  
17 and shall be limited to items of a group, rather than an individual, interest and concern. The jointly  
18 approved minutes shall stand as the official record of decisions made by the LMC. In addition, the  
19 LMC will maintain a decision log summarizing all agreements reached by the LMC.

20 **14.8. Work Assignments.**

21 For positions other than vacancies created by reductions in force, employees may submit  
22 written requests to be considered for work assignments at different locations or on a different  
23 schedule. In the course of making work assignments, management will consider these requests in  
24 order of the seniority of the requesting employees. Assignment decisions shall continue to be at  
25 management's sole discretion. For purposes of this Section, "assignment" shall mean a specific  
26 floor/shift work assignment within a given work location and "work location" shall mean the  
27 downtown County complex or each outlying County site.

28

1           **14.9. Hiring Processes.**

2           **A. Posting.** The County will make information about job openings, including transfer  
3 opportunities, available to bargaining unit members. Job announcements and upgrade opportunities,  
4 both temporary and permanent, will be posted on all FMD bulletin boards. Additionally, supervisors  
5 will distribute information about job opportunities to those employees who work in areas that do not  
6 have a bargaining unit bulletin board. The County agrees to routinely (at least quarterly) remind all  
7 bargaining unit members of the option of learning of about job opportunities by regularly contacting  
8 the Building Services Job Line.

9           **B. Transfers.**

- 10           1. The County retains the right to transfer employees.
- 11           2. The County will not initiate a competitive process to fill an open position  
12 until after bargaining unit members have had an opportunity to make a lateral transfer. To be  
13 considered for a transfer, an employee must possess the qualifications and skills that the appointing  
14 authority has determined to be required in the vacant position. If more than one employee requests  
15 the transfer, selection will be based upon seniority within the bargaining unit.
- 16           3. Unsuccessful applicants for transfer, where seniority is not the deciding  
17 factor, may request a meeting with the appointing authority to discuss the reasons for their non-  
18 selection.
- 19           4. Employees on probationary status may not submit transfer requests.

20           **C. Promotions.** If, based on a comprehensive review of the required initial  
21 application materials, regular bargaining unit employees are determined to meet the posted minimum  
22 qualifications for a promotional vacancy, those employees will be given additional consideration  
23 during each phase of the selection process. If a regular bargaining unit employee is not selected for  
24 the promotion, other bargaining unit members who meet the posted minimum qualifications will be  
25 given additional consideration over external applicants. The decision as to which applicant will be  
26 selected to fill the vacancy shall be the sole prerogative of the appointing authority. Unsuccessful  
27 candidates for promotional vacancies will be notified that another person has been selected and upon  
28 request will be entitled to a meeting with the appointing authority or designee to discuss the reasons

1 for their non-selection.

2 **14.10. Payroll Process Changes.** If during the life of this Agreement the Council or  
3 Executive adopts a biweekly payroll plan, the parties agree to adopt the plan.

4 **14.11. Classification/Compensation Project.** If the County announces its intent to implement  
5 any results of the Classification/Compensation Project, it will give notice to the Union and bargain the  
6 effects of the change.

7 **14.12. Union Notification.** When a significant change in work processes or methods is  
8 contemplated, the Union will be notified in writing. Upon the Union's request, changes in work  
9 processes shall be discussed before they are implemented, except in the event of an emergency.

10 **14.13. Bus Passes.** Employees who are benefit eligible will also be eligible for a bus pass  
11 and other benefits of the King County Employee Transportation Program.

12 **14.14. Downtown Parking.** The County agrees to provide County garage parking at no cost  
13 to bargaining unit employees who work in the Downtown Courthouse Complex and who have  
14 regularly scheduled shifts on weekends and/or beginning at 3:00 p.m. or later. Further, the County  
15 agrees to provide parking at no cost to the employee if the County requires that he/she be temporarily  
16 assigned to report to the Downtown Complex.

17 **ARTICLE 15: DISPUTE RESOLUTION PROCEDURES**

18 **15.1. Purpose.** King County recognizes the importance and desirability of settling  
19 grievances promptly and fairly in the interest of continued good employee relations and morale. The  
20 following process is outlined to accomplish this. Every effort will be made to settle grievances at the  
21 first level of supervision.

22 **15.2. Employees Unimpeded.** Employees will be unimpeded and free from restraint,  
23 interference, coercion, discrimination or reprisal in seeking adjudication of their grievances.

24 **15.3. Definitions.**

25 **A. Grievance -** An issue raised by an employee or his/her union representative  
26 relating to the interpretation of the employee's rights, benefits or conditions of employment as  
27 contained in this Agreement.

28 **B. Institutional Grievance -** An issue raised by the Union or the County related to

1 interpretation or application of this contract.  
2

3 **15.4. Procedure.**

4 **A. Step 1.** A grievance shall be presented by the affected employee and his/her union  
5 representative, if the employee wishes, to the employee's immediate supervisor within twenty-one  
6 (21) calendar days of the event which gives rise to the grievance. The immediate supervisor shall  
7 work with the employee and the Union representative to investigate and resolve the grievance within  
8 twenty-one (21) calendar days after the employee contact. Any grievance not presented in writing to  
9 the next level of this procedure, within the time limits contained in this procedure, shall be presumed  
10 resolved. A record of the grievance and its resolution shall be kept on a form mutually acceptable to  
11 the County and the Union.

12 **B. Step 2.** If a grievance cannot be resolved at Step 1, the matter may be referred to  
13 the Division Director for resolution. To be considered timely, this referral must occur within twenty-  
14 six (26) days of the employee's initial contact with his/her immediate supervisor. The referral shall  
15 be in writing from the Union and shall describe the specific event(s) giving rise to the grievance, the  
16 section(s) of the Agreement allegedly violated, and the remedy sought.

17 **1.** The Division Director or his/her designee, the employee, and the Union  
18 representative will work to resolve the grievance within thirty (30) days of its referral to Step 2.  
19 During this process, mediation may be used with the agreement of the Division Director and the  
20 Union representative. If mediation is agreed to, a mediator will be selected from a mutually  
21 agreeable source.

22 **2.** If the Union representative, the employee, and the Division Director are  
23 unable to reach agreement resolving the grievance, the decision of the Division Director shall be  
24 presented to the employee and the Union in writing within thirty-five (35) days of the referral to  
25 Step 2. Additionally, if there is no resolution, the Division Director's final pre-arbitration response  
26 must be concurred in by the Labor Negotiator, who will be the Union's contact for the employer  
27 thereafter in the process.

28 **C. Step 3.** Any grievance not resolved at Step 2 may be submitted to arbitration.  
Any such submittal must occur within thirty (30) days of the Division Director's Step 2 decision and

1 must specify the exact question to be arbitrated or the grievance shall be presumed resolved.

2       **15.5. Arbitration Procedure.** Should arbitration be necessary either after an attempt to  
3 mediate the grievance or directly after Step 2, the parties shall select a third disinterested party to  
4 serve as arbitrator. In the event that the parties are unable to agree upon an arbitrator, then the  
5 arbitrator shall be selected from a panel of seven arbitrators furnished by the American Arbitration  
6 Association or the Federal Mediation and Conciliation Service, whichever source is mutually  
7 acceptable. The arbitrator will be selected from the list by both the County representative and the  
8 Union, each alternately striking a name from the list until only one name remains. The party to strike  
9 first will be determined by a coin toss. The arbitrator under voluntary labor arbitration rules of the  
10 Association shall be asked to render a decision promptly and the decision of the arbitrator shall be  
11 final and binding on both parties.

12           A. No matter may be arbitrated which the County, by law, has no authority over, has  
13 no authority to change, or has been delegated to any civil service commission or personnel board, as  
14 defined in RCW 41.56.

15           B. The arbitrator shall have no power to change, alter, detract from or add to the  
16 provisions of this Agreement, but shall have the power only to apply and interpret the provisions of  
17 this Agreement in reaching a decision.

18           C. The arbitrator's fee and expenses and any court reporter's fee and expenses shall  
19 be borne equally by both parties. Each party shall bear the full cost of its representation, including  
20 attorneys, regardless of the outcome of the arbitration.

21       **15.6. Alternative Dispute Resolution Procedures.**

22           A. Unfair Labor Practice. The parties agree that thirty (30) days prior to filing a ULP  
23 complaint with PERC, the complaining party will notify the other party, in writing, meet, and make a  
24 good faith attempt to resolve the concerns unless the deadline for filing with PERC would otherwise  
25 pass or the complaining party is seeking a temporary restraining order as relief for the alleged Unfair  
26 Labor Practice.

27           B. Grievance. After a grievance is initially filed, the following Alternative Dispute  
28 Resolution (ADR) process may be followed, with mutual consent of the Union and the Division.

1 This process will not exceed ten (10) days:

2 1. A meeting will be arranged by the Union Representative, Division  
3 management representative and HRD representative (or their designees) to attempt to resolve the  
4 matter.

- 5 2. a. The meeting will include a mediator(s) and the affected parties.  
6 b. The parties may mutually agree to other participants such as union

7 and management representatives or subject matter experts.

8 3. The parties will meet at mutually agreeable times to attempt to resolve the  
9 matter.

10 4. If the matter is resolved, the grievance will be withdrawn.

11 5. If the matter is not resolved, the grievance will continue through the  
12 grievance process.

13 6. The moving party can initiate the next step in the grievance process at the  
14 appropriate times, irrespective of this process.

15 7. Offers to settle and aspects of settlement discussions will not be used as  
16 evidence or referred to if the grievance is not resolved by this process.

17 C. This Section does not supersede or preclude any use of grievance mediation later  
18 in the grievance process.

19 **15.7. Institutional Disputes.** After informal attempts to resolve institutional disputes, if  
20 either the Union or management wishes to raise a dispute as to the application of this agreement, an  
21 institutional grievance may be filed with the other party.

22 A. After the institutional grievance is filed, the parties will meet to attempt to resolve  
23 the matter within the next sixty (60) days. Grievance mediation can be used if both parties agree.  
24 Mediation services will be requested from a mutually acceptable source. If the matter is not settled  
25 within these 60 days, the grieving party may invoke arbitration. The employer's final pre-arbitration  
26 response or formal invocation of arbitration must be concurred in by HRD, which will be the Union's  
27 contact for the employer thereafter in this process.

28 B. If arbitration is invoked, the arbitration procedures set forth in Article 15.5 shall

1 apply.

2       **15.8. Exclusive Process.** The right to process and settle grievances arising out of any  
3 provision of this Agreement is wholly, to the exclusion of any other means available, dependent upon  
4 the provisions of this Article. The Union and the County agree to act promptly and fairly in all  
5 grievances.

6       **15.9. Probationary Employees.** All newly hired and promoted regular employees must  
7 serve a probationary period as defined in the Personnel Guidelines. As those Guidelines specify that  
8 the probationary period is an extension of the hiring process, the provisions of this Article will not  
9 apply to employees if they are discharged during their initial probationary period or are demoted  
10 during the promotional probationary period for not meeting the requirements of the classification.  
11 Grievances brought by probationary employees involving issues other than discharge or demotion  
12 may be processed in accordance with this Article.

13       **15.10. Temporary Employee Right to Grieve.** Seasonal, temporary, and term-limited  
14 temporary employees shall have no right to grieve discipline and discharge. Grievances brought by  
15 seasonal, temporary, and term-limited temporary employees involving issues other than discipline  
16 and discharge may be processed in accordance with this Article.

17       **15.11. Time Limits.** The time limits set forth in this Article may be extended upon written  
18 consent of both parties. Unless a written extension has been granted, failure of the grievant to pursue  
19 the grievance to the appropriate step within the time limits set forth herein shall constitute a waiver of  
20 the grievant's right to pursue the grievance to the next step. Failure of the County to respond to the  
21 grievant within the time limits set forth herein shall automatically move the grievance to the next step  
22 with notice provided to the management person at the next applicable step by the Union.

23       **15.12. Step for Filing.** A grievance may be filed at any step that is mutually agreed upon in  
24 writing by the County and the Union.

25       **15.13. Waiver of Steps.** The Union and County may agree in writing to waive any of the  
26 above steps.

27 **ARTICLE 16: REDUCTION IN FORCE AND RE-HIRE**

28       **16.1. Layoff.** The County and the Union recognize the value of well trained and qualified

1 employees and agree that other employment options should be explored prior to invoking a lay-off  
 2 procedure as a result of a lack of work and/or shortage of funds. In addition, the County and the  
 3 Union recognize the value of two-way communication in facilitating workforce transitions as a result  
 4 of lay-offs. The following process is established to assure that communication and exploration of  
 5 alternatives to lay-off are achieved.

6           **A. Step 1.** At the time Division management proposes or is told of facility closures,  
 7 service reductions, budget reductions or other actions which could result in employee lay-offs within  
 8 this bargaining unit, Division management shall make this information, as well as information about  
 9 the reasons for the proposed or actual action, the likely time frame within which such action will  
 10 occur, and the extent of impact on the workforce, available to the appropriate Labor-Management  
 11 Committee as set forth in Article 14, Section 7 of this Agreement as soon as practical.

12           **B. Step 2.** The Labor-Management Committee shall be convened specifically to  
 13 discuss and recommend alternatives, including but not limited to employee re-training, transfer to  
 14 vacant positions in other units, and transfer to vacant positions in other divisions, which could be  
 15 explored by the County as alternatives to layoffs for potentially affected employees.

16           **C. Step 3.** The County shall inform the Union of alternatives to lay-off which were  
 17 explored at the time final lay-off decisions are announced.

18           **16.2. Facility Closure or Ownership Transfers.** If a facility closes or ownership transfers,  
 19 the County will involve the Union and employees in discussions about the closures early on and will  
 20 seek to find other jobs inside King County for employees potentially affected by facility closures by:

21                   1. Looking for internal placements within the bargaining unit.  
 22                   2. Interviewing potential RIF candidates and considering their qualifications for any  
 23 pending bargaining unit vacancy prior to opening the vacant position to other candidates. When RIF  
 24 candidates could be trained on the job within the probation period, management will consider training  
 25 the candidate to meet minimum requirements for passing probation.

26                   3. Not requiring probation for employees when they've met the qualifications of the  
 27 vacancy previously.

28                   4. Looking outside the bargaining unit for placements pursuant to Section 16.7 of this

1 Article.

2 **16.3. Transfer of Facility – Placement Assistance.** If employment opportunities for  
 3 affected employees are not found within King County, and the facility is transferred to another  
 4 jurisdiction as a result of annexation or incorporation, the County will demonstrably try to get the  
 5 new owner to hire County employees. The County will advise the LMC of its efforts to have the new  
 6 owners of County facilities to hire laid off employees.

7 **16.4. Utilization of Personnel Guidelines.** If the provisions of Sections 16.2 and 16.3 of  
 8 this Article are not successful, the employees shall be able to avail themselves of any opportunities  
 9 established in the Personnel Guidelines.

10 **16.5. Layoff by Classification.** Employees laid off as a result of a lack of work and/or  
 11 shortage of funds shall be laid off according to seniority within classification as set forth in Article  
 12 17, Seniority, of this Agreement.

13 **16.6. Bumping to Lower Occupational Group.** Employees scheduled to be laid off as a  
 14 result of their seniority status in the affected classification may exercise their right to bump  
 15 employees in a lower occupational group within the same division, provided that the employee has  
 16 performed and is qualified to perform the duties of the lower classification, and the employee has  
 17 more seniority, as defined in Article 17, than the employee in the lower classification. Such action  
 18 shall take place prior to the date the layoff is to be effective.

19 **16.7. Recall.** Regular employees laid off shall be recalled in the inverse order of layoff;  
 20 namely, those laid off last will be recalled first. Recall provisions are provided under the terms of the  
 21 Personnel Guidelines. In the event that the employee is laid off from more than one position, s/he  
 22 shall have recall rights for each position as provided under this Article.

23 **16.8. No Promotion on Recall.** Regular employees on layoff shall be referred to other  
 24 positions within the Career Service in accordance with applicable County policies. For purposes of  
 25 this contract, such policies shall be interpreted as follows: Except in cases where an employee  
 26 previously has been laid off from a higher paid classification and is eligible for recall in that  
 27 classification, no employee shall be recalled to employment in a classification with a higher pay  
 28 range than the pay range of the classification held at the time of layoff. In the event the classification

1 from which the employee was laid off moves to a higher pay range, the employee will continue to  
2 have recall rights to that classification or to any new classification which includes the classification  
3 held at the time of layoff.

4 **16.9. Lateral Bumping.** If a bargaining unit position is eliminated, the employee who held  
5 that position can bump into any position for which he/she is qualified and which is occupied by any  
6 less senior employee in the class; any employee who is bumped by a more senior employee whose  
7 position has been eliminated can bump into any position for which he/she is qualified and which is  
8 occupied by any less senior employee in the class. Bumping shall occur pursuant to the following  
9 procedures:

10 **A. Step 1.** Within three months of approval of this contract by the King County  
11 Council, or prior to any reduction in force, whichever is sooner, Division management shall develop  
12 written position descriptions and communicate these to the union. Qualifications of an employee for  
13 a position shall be based on documented work history; an employee shall only be deemed "not  
14 qualified" if there are documented performance problems.

15 **B. Step 2.** When a position has been eliminated, affected employees shall submit a  
16 list of location preferences in order of priority, except those held by more senior employees.

17 **C. Step 3.** All affected employees in the classification and the union will be notified  
18 in writing of the position elimination at least 30 days prior to the event occurring.

19 **D. Step 4.** This process will include the employee (or employees) whose position(s)  
20 has/have been eliminated, plus full-time and part-time all bargaining unit employees with less  
21 seniority than the most senior employee whose position has been eliminated.

22 **E. Step 5.** All affected regular full-time and regular part-time employees bid for  
23 location preferences in order of priority. The supervisor shall provide a formal location list to each  
24 affected employee with the notice provided per item 1 above, which will include all work locations  
25 and shifts available for bid.

26 **F. Step 6.** All affected employees will be required to submit location preferences in  
27 order of priority to their immediate supervisor. All affected employees will be given 14 calendar  
28 days to submit their preferences to the immediate supervisor after receipt of the formal position list.

1 The supervisor will match affected employees' qualifications to position qualification requirements.  
2  
3 **G. Step 7.** Within seven calendar days, the Division shall provide to the union and  
4 the employees the results of the lateral bumping process, prior to the implementation of the new  
5 assignments. The results should include the schedule for implementation and a list of all employees'  
6 work and locations.

7 **H. Step 8.** New location bids will be requested for each occurrence that could result  
8 in a lateral bumping process within the classification.

9 **16.10. Probation.** Employees who elect to bump as provided herein or are recalled will not  
10 be required to serve a probationary period in the classification, provided the employee has already  
11 successfully passed probation in that classification.

12 **ARTICLE 17: SENIORITY**

13 **17.1. Definitions.** Seniority shall be defined as follows:

14 **A. County-Wide Seniority.** County-wide seniority is defined as the most recent  
15 length of continuous service as a regular employee with the County in any combination of  
16 positions/classifications. A regular employee who separates from the County and returns to the  
17 bargaining unit within two (2) years will have his/her seniority restored to what it was at the date of  
18 separation.

19 **B. Bargaining Unit Seniority.** Bargaining unit seniority is defined as the most  
20 recent length of continuous service as a regular employee with the FMD SEIU Local 925 bargaining  
21 unit, in any combination of job classifications covered by this Agreement. A regular employee who  
22 separates from the County and returns to the bargaining unit within two (2) years will have his/her  
23 seniority restored to what it was at the date of separation.

24 **C. Classification Seniority.** Classification seniority is defined as the most recent  
25 length of continuous service as a regular employee in FMD in a given job classification. A regular  
26 employee who separates from the County and returns to the bargaining unit within two (2) years will  
27 have his/her seniority restored to what it was at the date of separation.

28 **17.2. Seniority Upon Promotion.** A regular employee in the bargaining unit who is  
promoted to another classification within the bargaining unit shall continue to accrue seniority in the

1 classification from which s/he was promoted.  
2

3 **17.3. Maintenance of Seniority While on Approved Leave.** An employee who is granted  
4 an approved leave of absence from his/her employment for family care, personal illness or injury, or  
5 similar reasons shall continue to accrue bargaining unit and classification seniority during his/her  
6 leave of absence, not to exceed one (1) year, and shall maintain his/her bargaining unit and  
7 classification seniority position relative to other employees.

8 **17.4. Seniority Ties.** In the event that two (2) employees have the same seniority, the  
9 County shall determine which employee, in the event of layoff, shall be laid off.

10 **ARTICLE 18: EQUAL EMPLOYMENT OPPORTUNITY**

11 The County or the Union shall not unlawfully discriminate against any individual with respect  
12 to compensation, terms, conditions, or privileges of employment because of race, color, creed,  
13 religion, national origin, sexual orientation, marital status, age, sex, ancestry, or sensory, mental, or  
14 physical disability.

15 **ARTICLE 19: SAVINGS CLAUSE**

16 Should any part hereof or any provision herein contained be rendered or declared invalid by  
17 reason of any existing or subsequently enacted legislation or by any decree of a court of competent  
18 jurisdiction, such invalidation of such part or provision of this Agreement shall not invalidate the  
19 remaining portions hereof; provided, however, upon such invalidation the parties agree immediately  
20 to meet and negotiate such parts or provisions affected. The remaining parts or provisions shall  
21 remain in full force and effect.

22 **ARTICLE 20: WORK STOPPAGES AND EMPLOYER PROTECTION**

23 **20.1. Public Interest.** The County and the Union agree that the public interest requires  
24 efficient and uninterrupted performance of all County services and to this end pledge their best efforts  
25 to avoid or eliminate any conduct contrary to this objective.

26 **20.2. No Lock Out.** The County agrees not to lock out employees covered under this  
27 Agreement.

28 **20.3. No Work Stoppage.** The Union shall not cause or condone any work stoppage,  
including any strike, slowdown or refusal to perform any customarily assigned duties, sick leave

1 absence which is not bona fide, or other interference with County functions by employees under this  
2 Agreement and should same occur, the Union agrees to take appropriate steps to end such  
3 interference. Any concerted action by any employee in the bargaining unit shall be deemed a work  
4 stoppage if any of the above activities have occurred. Being absent without authorized leave shall be  
5 considered as an automatic resignation. Such a resignation may be rescinded by the Section Manager  
6 if the employee presents satisfactory reasons for his/her absence within three (3) calendar days of the  
7 date his/her automatic resignation became effective.

8  
9 A. Upon notification in writing by the County to the Union that any of its members  
10 are engaged in a work stoppage, the Union shall immediately, in writing, order such members to  
11 immediately cease engaging in such work stoppage and provide the County with a copy of such  
12 order. In addition, if requested by the County, a responsible official of the Union shall publicly order  
13 such Union employees to cease engaging in such a work stoppage.

14 B. Any employee who commits any act prohibited in this section will be subject in  
15 accord with the County's Work Rules to the following action or penalties:

- 16 1. Discharge.
- 17 2. Suspension or other disciplinary action as may be applicable to such

18 **ARTICLE 21: WAIVER CLAUSE**

19 The parties acknowledge that each has had the unlimited right within the law and the  
20 opportunity to make demands and proposals with respect to any matter deemed a proper subject for  
21 collective bargaining. The results of the exercise of that right and opportunity are set forth in this  
22 Agreement. Therefore, the County and the Union, for the duration of this Agreement, each agrees to  
23 waive the right to oblige the other party to bargain with respect to any subject or matter not  
24 specifically referred to or covered in this Agreement.

25 **ARTICLE 22: EMPLOYEE RIGHTS**

26 22.1. **Off-Duty Activities.** The off-duty activities of employees shall not be cause for  
27 disciplinary action unless said activities are detrimental to the employee's work performance or the  
28 program of the agency.

1           **22.2. Just Cause.** No regular employee shall be disciplined or discharged without just cause.  
2 Disciplinary action shall normally be taken within fourteen (14) calendar days of the County's  
3 knowledge of the alleged violation or such action will be null and void. Provided, that if the  
4 circumstances surrounding the alleged violation and subsequent investigation are such that the  
5 County could not complete the necessary investigation and take disciplinary action within fourteen  
6 (14) calendar days of the alleged violation, the disciplinary action shall be taken within fourteen (14)  
7 calendar days of the conclusion of the investigation or such action will be null and void. All  
8 investigations related to disciplinary matters will be conducted in a timely manner. After engaging in  
9 an investigatory meeting for alleged misconduct or potential discipline, the employee will be notified  
10 of the results of the investigation whether or not the investigation resulted in discipline. For purposes  
11 of this section, "County" shall mean the first level of supervision outside of the bargaining unit.

12           **22.3. Grievance Procedure.** If at any level, the County determines to bring disciplinary  
13 action against any regular employee for any reason, the employee shall be apprised of his/her rights  
14 of appeal and representation as provided for in the Grievance Procedure of this Agreement.

15           **22.4. Personnel Files.** Official personnel files shall be securely maintained in a central  
16 location. Employees shall have the right to review their personnel files with reasonable notice, and  
17 they shall be entitled to copies of the contents upon request. Employees may add a rebuttal statement  
18 to any disputed item(s) contained in the file, which shall be attached to the document(s) in question  
19 and retained in the file. Negative performance/behavior-related materials to be inserted into the  
20 personnel file shall be reviewed by the employee prior to being inserted into the personnel file; the  
21 employee shall first sign the material to be placed into the file, thereby documenting only his/her  
22 acknowledgement of the documented performance or behavior deficiency. An employee may  
23 request, after a minimum of two years, to have records of disciplinary actions removed from the  
24 employee's personnel file. The County will consider the request if no related violations have  
25 occurred since the disciplinary action was issued. Employees may request to have included in the  
26 personnel file any written documentation that reflects favorably on the employee's conduct or work  
27 quality. Nothing in this section shall prevent the County and the Union from reaching a mutually  
28 acceptable agreement regarding the removal or revision of personnel records as the result of a

1 grievance settlement.

2       **22.5. Letters of Commendation.** Letters and other memoranda of commendation, whether  
3 received from the County or outside parties, shall be retained in the employee's official personnel  
4 file.

5       **22.6. Health/Medical Records.** Health and medical records of employees shall be securely  
6 maintained in a central location. Such files are entirely separate and distinct from the employee's  
7 personnel file. No information pertaining to the employee's health or medical conditions will be kept  
8 in personnel files or supervisor files.

9       **22.7. Supervisor's Files.** Supervisors may maintain secondary personnel files to aid in  
10 preparation for the annual performance evaluation. Items appropriate to be kept in such files include  
11 samples of work, copies of letters of commendation and/or complaint, notes from informal  
12 discussions with the employee regarding work performance and corrective action, and copies of  
13 training records. The file shall be purged when the evaluation has been completed. Employees shall  
14 have the right to review their file with reasonable notice. Employees may add a rebuttal statement to  
15 any disputed item(s) contained in the file, which shall be attached to the document(s) in question and  
16 retained in the file.

17       **22.8. Confidentiality of Personal Information.** Personnel files, records, and supervisor's  
18 files shall be maintained in a secure and confidential manner.

19       **22.9. Access to Information by Outside Parties.** In the event a public disclosure request is  
20 received from an outside party seeking to access an employee's personnel files or records, the County  
21 will inform the employee of the identity of the requesting party and the nature and scope of the  
22 request as soon as practicable prior to disclosure.

23       **22.10. Reclassification.** Reclassification requests (position description questionnaires)  
24 submitted to supervisors shall be submitted to the Human Resources Division within ten (10)  
25 working days. The Human Resources Division shall act within four (4) months of the original  
26 submittal.

27       **22.11. Drug and Alcohol Policy.** The Executive Order #PER 15-2-2 (AEP), dated  
28 March 14, 2012, "Policy for King County Prohibited Drug Use and Alcohol Misuse Education and

1 Testing Program" (hereinafter called "Drug and Alcohol Policy"), as amended, is incorporated herein  
 2 by reference, with the following modifications or additions.

3 A. The Union will be provided with a copy of the form(s) prepared indicating the  
 4 grounds for requiring an employee to submit to a reasonable suspicion test within twenty-four (24)  
 5 hours of testing or as soon as possible thereafter.

6 B. When available, a second supervisor will observe a reasonable suspicion test and  
 7 complete related forms in accordance with the Drug and Alcohol Policy.

8 C. Certain employees who have commercial drivers licenses (CDLs) are not subject  
 9 to testing pursuant to the Drug and Alcohol Policy because they are not currently required to drive as  
 10 part of their assigned duties. The parties recognize that those employees with a CDL that are  
 11 assigned in the future to perform safety sensitive duties will be included in the drug and alcohol  
 12 testing program.

13 **ARTICLE 23: WORK OUTSIDE OF CLASSIFICATION**

14 23.1. **Acting Capacity.** All work outside of classification in an acting capacity shall be  
 15 assigned in writing by the Division Director/designee for an entire day/shift. An employee so  
 16 assigned to work outside of classification shall be paid at the first step of the higher class or five  
 17 percent (5%) over the salary received prior to the assignment, whichever is greater, for all time spent  
 18 while so assigned.

19 23.2. **Filling the Position.** After forty-five (45) calendar days of work performed in  
 20 accordance with 23.1, a meeting may be requested by the Union. The purpose of the meeting would  
 21 be to review the circumstances and to discuss the need to fill the position vacated by the employee  
 22 working out of classification and the strategy for filling the position to which the employee is  
 23 currently assigned in an acting capacity, or implement the recall process if applicable.

24 23.3. **When Used.** Work out of class will not be used in lieu of filling vacancies through the  
 25 normal, open competitive selection process. Work out of class may be used to meet needs such as:

- 26 (1) Time limited or project specific workload;  
 27 (2) Seasonal work;  
 28 (3) Cyclical work;

- 1 (4) Backfill vacancies during selection process;  
 2 (5) Backfill vacancies that may be target for elimination;  
 3 (6) Backfill vacancies due to leaves of absence;  
 4 (7) Backfill vacancies during dispute resolution.

5 **23.4. Training Capacity.** Employees in a training capacity may be assigned work normally  
 6 performed by a higher classification, except they will not be placed in a training capacity to  
 7 circumvent the intent of Section 23.1, hereof. An employee assigned to a training capacity shall be  
 8 under the supervision and guidance of his/her immediate supervisor and shall not be in the training  
 9 position for more than ten (10) consecutive, regular working days.

10 **23.5. Accountability.** Employees shall not be held accountable while performing work  
 11 unrelated to the concept of their class specification except as provided in Section 23.1.

12 **23.6. Seasonal and Cyclical Work.** Seasonal or cyclical work out of class as Floor Care  
 13 Specialist, Window Washer, Utility Worker, and Hazardous Waste Technician, will be assigned on a  
 14 voluntary basis to employees qualified to perform the work, provided such work can be scheduled  
 15 without incurring an overtime liability. Whenever possible, licensed Custodians or Utility Workers  
 16 will be offered the opportunity for Hazardous Waste Technician work prior to hiring such from  
 17 outside the Division. Pay for work so assigned shall be for all hours worked outside of classification.  
 18 The frequency and duration of such work out of class assignment to individual employees shall be at  
 19 the sole discretion of management. In the event employees cannot be assigned without incurring an  
 20 overtime liability, the County may assign the work out of classification to other bargaining unit  
 21 employees.

22 **23.7. Window Washing.** Employees assigned to work out of class washing windows shall  
 23 receive assignment pay beginning with the first hour of assignment and will perform all functions of  
 24 the assignment.

25 **ARTICLE 24: UNION REPRESENTATION**

26 **24.1. Visiting Work Sites.** Authorized representatives of the Union may, after notifying the  
 27 County official in charge, visit the work location of employees covered by this Agreement at any  
 28 reasonable time for purposes related to responsibilities as the collective bargaining agent, including

1 the investigation of grievances, but shall not conduct union business on County time.

2       **24.2. Access to Members.** Authorized representatives of the Union may have reasonable  
3 access to its members in County facilities for transmittal of information or representation purposes  
4 before work and during lunch breaks or other regular breaks as long as the work of the County  
5 employees and services to the public are unimpaired. Prior to contacting members in County  
6 facilities, such authorized agents shall make arrangements with the division manager.

7       **24.3. Stewards.** The Union shall have the right to appoint stewards under the terms of this  
8 Agreement. The Division shall be furnished with the names of stewards so appointed. The steward  
9 shall see that the provisions of this Agreement are observed, and he/she shall be allowed a reasonable  
10 time to investigate grievances during regular working hours.

11       **24.4. Exercise of Rights.** It shall be a violation of this Agreement to directly or indirectly  
12 interfere with, restrain, coerce, or discriminate against any employee or group of employees in the  
13 free exercise of their right to organize and designate representatives of their own choosing for the  
14 purpose of collective bargaining or in the free exercise of any other right under RCW 41.56.

15       **24.5. Bulletin Boards.** The County agrees to permit the Union to post on County bulletin  
16 boards the announcement of meetings, election of officers, and any other Union material, provided  
17 there is sufficient space beyond what is required by the County for "normal" operations. If sufficient  
18 space is not available on County boards or in areas where County boards are not available, the Union  
19 may provide one with location of same to be determined through mutual agreement of the Union and  
20 the Employer.

21       **24.6. Email Access.** To the extent feasible, authorized union stewards, negotiating team, and  
22 LMC members may use the e-mail system for contract administration purposes, provided that this  
23 provision is consistent with other County policies and does not interfere with County business.

24 **ARTICLE 25: PRODUCTIVITY RECOGNITION PROGRAM**

25       **25.1. Applicability.** The terms of the Productivity Recognition Program apply to all existing  
26 bargaining unit members covered at the time this Agreement is implemented after ratification by the  
27 King County Council.

28       **25.2. Productivity Goals.** The productivity goals will be based on reasonable measures of

1 performance in areas such as quality and quantity of work. The parties agree that the goals will be  
2 tailored to classification responsibilities and consequently recognize that some measures may be  
3 specific to certain classifications and not others. The parties agree that the Productivity Program is  
4 not intended to result in staffing reduction as productivity increases.

5 **25.3. Monthly Premium.** For each month during the life of the contract, all employees in  
6 the Program will receive a monthly premium of \$100 for participating in the program.

7 **25.4. Recognition Payment.** The maximum recognition payment will be three hundred  
8 dollars (\$300) per quarter. For employees in the Utility Worker II classifications, the maximum  
9 recognition payment will be three hundred and seventy five (\$375) per quarter.

10 **25.5. Program Goals and Criteria.** The Program goals include exceptional quality of work,  
11 timely completion of tasks, and satisfied customers. The parties agree that the Program must involve  
12 clear performance standards, clear customer expectations, and an objective measurement system.

13 The following criteria will apply:

14 A. Employees are eligible for the recognition payment if they exceed performance  
15 standards for the work performed the previous quarter.

16 B. Employees will be given specific direction as to the parts of their job performance  
17 that are in need of improvement at the same time that the audit results are shared with them.

18 Additionally, the supervisor/lead shall provide, upon request, additional training and/or support to  
19 assist the employee in meeting the identified goals.

20 C. In completing performance audits supervisors will take into consideration the  
21 results from applicable customer surveys as well as customer commendations, customer complaints,  
22 and staffing levels.

23 D. Customers will be surveyed in April and October of each year and surveys will be  
24 tracked by work location.

1 E. Performance audits will be administered by supervisors once per quarter. The  
2 rating scale for the supervisor performance audit will be:

Audit Score	Explanation
1	<b>Unacceptable:</b> Performance inadequate to meet minimum standards for the job. Improvement, identified within the audit, is required.
2	<b>Meets minimum standards:</b> Performance satisfactory in most job areas but marginal in some areas. Performance expected to improve significantly in areas requiring improvement, as identified.
3	<b>Meets standards:</b> Performs satisfactorily. Meets job standards; achieves planned results.
4	<b>Exceeds standards:</b> Consistently surpasses the standards for responsibility in all major areas of the job.
5	<b>Exceptional:</b> Performance far exceeds job standards and responsibilities in all areas of the job.

15  
16 F. The quarterly recognition lump sum payment will be based on the results of the  
17 employee's quarterly end performance audit.

18 G. To be eligible for a recognition lump sum payment, the employee must receive a  
19 total average rating of at least "Exceeds Standards" on the supervisor's performance audit (i.e., a  
20 rating of at least "4.00").

21 H. Employees hired during the calendar year will receive a pro-rated portion of the  
22 recognition payment based on the number of months worked in a paid status. To be eligible for any  
23 recognition payment, employees must be in a paid status for at least two (2) months of the previous  
24 quarter. For the purpose of this provision, a month will be defined as no less than half the workdays  
25 within a given month.

26 I. The Program will be administered by the Facilities Management Division. The  
27 County will provide the LMC with regular reports on the program.

28 J. Concerns or disputes regarding the program, not involving specific employees, will

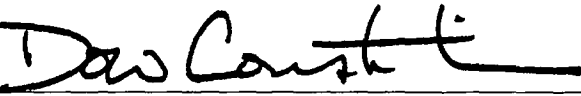

1 be brought to the LMC. If it is not resolved at the LMC or if it deals with a specific employee or  
2 employees, it may be pursued through mediation utilizing the Inter-Local Conflict Resolution Group.

**MEMORANDUM OF AGREEMENT BETWEEN  
SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 925  
AND  
KING COUNTY**

**Discontinuation of Existing Productivity Recognition Program**

**Background**

King County and Service Employees International Union Local 925 are parties to a labor agreement known as "Department of Executive Services - Facilities Management Division" (cba Code: 012). This collective bargaining agreement provides for a Productivity Recognition Program that compensates participating bargaining unit members that meet productivity standards annual amounts of \$2,400 or \$2,700 depending on their classification.

The County may seek to implement the Employee Accountability and Performance Appraisal System or EPAS for these bargaining unit employees in the near future. In any event, the County and the Union have agreed to phase out the existing productivity pay program for existing and newly hired bargaining unit employees.

The phase out and discontinuation of the existing productivity initiative will be conducted as follows.

**Agreement**

1.) Bargaining unit employees employed at the time of implementation of this agreement will continue to receive productivity pay pursuant to Article 25 of the parties collective bargaining agreement but will be held at pay ranges of the existing 2012 salary schedule and will forgo previously negotiated cost of living increases until such time (early 2015 based on Economic Forecasting Council Estimate) as the 2012 negotiated pay ranges and the new derived hourly productivity pay rate fall in line with the squared hourly salary table.

2.) Employees will continue to step progress annually on the frozen 2012 salary table during this period where existing bargaining unit members will be held at pay ranges of the existing 2012 salary schedule.

3.) Employees hired into bargaining unit positions after enactment of this agreement will not participate in the Productivity Recognition Program but will be eligible for COLA increase as provided for in the underlying collective bargaining agreement.

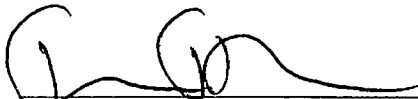

4.) This agreement expires December 31, 2015.

5.) In no event will an inspection with an unsatisfactory outcome affect employees' wages as established in this agreement.
