**AN INTERLOCAL AGREEMENT BETWEEN KING COUNTY AND
THE CITY OF TUKWILA RELATING TO THE TRANSFER OF
A DRAINAGE FACILITY**

THIS IS AN INTERLOCAL AGREEMENT between King County, a home rule charter county, a political subdivision of the State of Washington, hereinafter referred to as the "County," and the City of Tukwila, a municipal corporation of the State of Washington, hereinafter referred to as the "City."

- A. The County owns a storm drainage facility within the City adjacent to South 200th Street.
- B. The storm drainage facility is located on parcel 022204-9061 as shown in Exhibit 1, (the "Parcel").
- C. The storm drainage facility supports the section of South 200th Street that is within the City as a result of the approved Tukwila South Annexation.
- D. As part of the Tukwila South Project, the stormwater drainage from South 200th Street will be piped to a new regional stormwater drainage facility ("Regional Facility") that will be built and maintained by the proponent of the Tukwila South Project, Segale Properties LLC. The Regional Facility will be built on parcel 0222049015. As a result of the construction of the new regional stormwater drainage facility by Segale Properties LLC, it is not necessary for the Parcel to continue to be used as a stormwater drainage facility. The City requests that the County transfer the Parcel to the City so that the City may transfer the Parcel to Segale Properties LLC. Segale Properties LLC will construct the "Green River Off-Channel Habitat Area" on the Parcel, a use previously approved in the City's Sensitive Areas Master Plan (SAMP) approved for the Tukwila South Project.
- E. The County wishes to transfer the Parcel to the City. The Parcel is legally described in Exhibit 1.
- F. The City desires to accept the Parcel.
- G. RCW Chapter 39.33 permits the transfer of property from the County to the City.
- H. The County and the City are authorized, pursuant to RCW Chapter 39.34, to enter into an Interlocal Cooperative agreement of this nature.

NOW THEREFORE, in consideration of the terms and conditions contained herein, it is mutually agreed by the County and the City as follows:

1. COUNTY RESPONSIBILITIES

- 1.1 Within thirty (30) days of the execution of this Agreement by the parties, the County shall transfer to the City, ownership of the Parcel by quit claim deed.
- 1.2 The City agrees to accept the Parcel “as is” and assumes full and complete responsibility for operation, maintenance, and repairs to the Parcel upon transfer of the Parcel to the City.

2. CITY RESPONSIBILITIES

- 2.1 The City agrees to accept the Parcel “as is”.
- 2.2 Prior to transfer of the Parcel to Segale Properties LLC, the City will require Segale Properties LLC to execute a permanent easement granting the City the right to discharge the stormwater drainage from South 200th Street that previously flowed to the storm drainage facility on the Parcel, into the Regional Facility. If in the future, the stormwater drainage from South 200th Street is no longer accepted into the Regional Facility, the City agrees (a) to notify the County within 30 days from the date that the drainage is no longer accepted into the Regional Facility and (b) pay the County the fair market value of the Parcel at the time of its transfer from the County to the City or otherwise ensure that the stormwater drainage from South 200th Street is adequately accepted into another stormwater facility.
- 2.2 The deed to the property shall contain all reservations of record known to the County, and the following specific covenant pertaining to use:

In the event that any suit based upon such a claim, action, loss or damage is brought against the City, the County shall defend the same at its sole cost and expense and, if final judgment be rendered the City and its elected officials, officers, agents and employees, the County shall satisfy the same.
