Ordinance 18334

Proposed No. 2016-0306.3

Sponsors Upthegrove

1 AN ORDINANCE authorizing the use of interlocal
2 agreement templates for the county to contract to provide
3 district court, prosecution and sheriff's office law
4 enforcement services with school districts wishing to
5 implement a school bus citation program.

6 STATEMENT OF FACTS:

7 1. The Highline school district in 2015 began an automated enforcement
8 program to cite traffic violations recorded by cameras installed on school
9 buses within its jurisdiction.

10 2. Ordinance 17997 enacted in March 2015 authorized the Highline
11 school district to contract with King County for the district court,
12 prosecution and sheriff's office law enforcement services necessary to
13 support the additional citations that result from the school bus camera
14 citation program.

15 3. Other school districts within King County may wish to contract for
16 similar services to support new school bus camera citation programs.

17 4. The sheriff's office, the district court and the office of the prosecuting
18 attorney have developed interlocal agreement templates that the county

19 shall use to contract with school districts to provide school bus citation
20 services.

21 5. Use of an interlocal agreement template would meet county agency
22 needs and allow for streamlined implementation because the council
23 would have already approved the terms by which the county could
24 contract to provide the services.

25 6. Council approval would be satisfied because the executive would only
26 be allowed enter into interlocal agreements under the terms of the
27 template.

28 7. School bus citation programs have a public safety benefit and it is in
29 the interest of the county to encourage a prompt expansion of these
30 programs.

31 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

32 **SECTION 1. Findings:** The use of template forms of agreement are an effective
33 and efficient way for the county to contract to provide services to other governmental
34 agencies. Council approval of template forms of contracts preserve the council's role of
35 authorizing interlocal agreements because any agreement's substantive terms will not
36 vary from template while exhibits to each individual agreements can be adjusted for
37 services and costs for each contracting school district.

38 **SECTION 2.** The county executive is authorized to complete and execute
39 interlocal agreements, substantially in the form of Attachment A and Attachment B to
40 this ordinance, with other school districts to contract for the provision of district court,
41 prosecution and sheriff's office law enforcement services necessary to support a school

42 bus citation program. Within thirty days of executing an interlocal agreement authorized
43 in this section, the executive shall notify the council of the date the agreement was signed
44 and the jurisdiction that requested the agreement. The notice shall be filed in the form of

45 a paper original and an electronic copy with the clerk of the council, who shall retain the
46 original and provide an electronic copy to all councilmembers.

The School District shall pay the Prosecuting Attorney's Office the amount owing within 60 days of receipt of the written invoice from the Prosecuting Attorney's Office.

4.3 Close Out Services and Costs. Upon termination or expiration of this Agreement, the District Court shall continue to process and Prosecuting Attorney's Office shall continue to prosecute School District infraction cases filed in the District Court prior to the termination date. The County and the Prosecuting Attorney's Office shall continue to retain revenue sufficient to cover its costs; invoice the School District for unsatisfied costs; and/or remit revenue in excess of its costs on a quarterly basis as provided in sections 4.1 and 4.2 above until all School District infraction cases have been closed. The School District shall pay invoices for the Court's and the Prosecutor's unsatisfied costs within 60 days of receipt of a written invoice. The Parties agree that the provisions of this paragraph shall survive termination or expiration of this Agreement.

5.0 Re-opener. The County and the School District may agree to enter into re-negotiation of the terms of this Agreement at any time and for any purpose by mutual agreement in writing. The Agreement shall remain in full force and effect during such negotiations.

6.0 Waiver of Binding Arbitration. The Parties waive and release any right to invoke binding arbitration under RCW 3.62.070, RCW 39.34.180 or other applicable law as related to this Agreement, any extension or amendment of this Agreement, or any discussions or negotiations relating thereto.

If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any School District policy, procedure, rule or regulation is at issue, the School District shall defend the same at its sole expense and if judgment is entered or damages are awarded against the School District, the County, or both, the School District shall satisfy the same, including all chargeable costs and attorney fees.

7.2 County Held Harmless. The School District shall defend, indemnify, and hold harmless the County and its officers, employees, and agents, or any of them from any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, by any reason arising out of the acts or omissions of the School District, its officers, employees, and agents, or any of them relating to or arising out of performing

services pursuant to this Agreement.
