SUMMARY OF RECOMMENDATIONS:

Department's Recommendation:
Examiner's Recommendation:

Approve 10 acres for 20% of market value
Approve 10 acres for 20% of market value

PRELIMINARY REPORT:

On March 10, 2017, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E16CT049 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on March 23, 2017, in the Ginger Conference Room, 12th Floor, King County Courthouse, 516 Third Avenue, Seattle, Washington. The Examiner received the affidavit of notice publication on March 21, 2017.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owners: Susan Fitzgerald and Christina Clement
7001 Seaview Avenue NW Suite 160-39
Seattle, WA 98117

Location: 17625 and 17630 121st Avenue SW, Vashon

STR: NE 36-23-02

Zoning: RA-10

Parcel nos.: 3623029018, 3623029020

Total acreage: 14.38 acres

2. The Applicants timely filed an application to King County for PBRs program current use valuation of the property to begin in 2018. As required by law, notification of the application occurred.

3. A summary of relevant PBRs categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~strickethrough~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any *asterisk* represents a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRs categories: Open Space Resources
Aquifer protection area 5
~~Buffer to public or current use classified land~~
Forest stewardship land

Rural open space	5
<i>Significant wildlife or salmonid habitat</i>	5
Watershed protection area	5
<u>Bonus Categories</u>	
Contiguous parcels under separate ownership	2
	<hr/> 22

The DNRP-recommended score of 22 points results in a current use valuation of 20% of market value for the enrolled portion of the property. Additional credit may be awarded administratively under the forest stewardship land category subject to submittal of a forest stewardship plan by **October 2, 2017**, and subsequent approval by **December 1, 2017**. Award of credit under this category will increase the point total by 5 points, with no effect on the current use valuation for the enrolled portion of the property. Award of this category may allow approved forestry activities to occur on the property.

4. As to the land area recommended for PBRs enrollment, the Applicant requested 10 acres and DNRP recommends 10 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRs acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in DNRP's preliminary report and testimony at the March 23, 2017, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP's report will be provided to the Metropolitan King County Council for final approval.
6. Approval, pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, of 22 points and a current use valuation of 20% of market value for 10 acres of the property, and conditional approval of 5 additional points (which will bring the total to 27 points and 20% of market value for 10 acres of the property), are consistent with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

1. APPROVE current use valuation of 20% of market value for the 10-acre enrolled portion of the property.
2. CONDITIONALLY APPROVE additional credit under the forest stewardship plan, to be awarded administratively, if the Applicants submit a forest stewardship plan by **October 2, 2017**, and that plan is approved by **December 1, 2017**. This will increase the points

total by 5, yet have no effect on the acreage or valuation. Award of this category may allow approved forestry activities to occur on the property.

DATED March 30, 2017.
