Ordinance 19248

Proposed No. 2020-0201.2

Sponsors Dunn, Dembowski and Lambert

1 AN ORDINANCE creating the offense of obtaining
 2 information or disrupting video teleconferences of
 3 recovery, mental health, and behavioral health support
 4 groups without authorization; adding a new chapter to
 5 K.C.C. Title 12 and prescribing civil liability.

6 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

7 **SECTION 1. Findings:**

8 A. Videotelephony comprises the technologies for the reception and transmission
 9 of audio-video signals by users at different locations for communication in real time.
 10 It includes computers, cellular telephones or any other devices with a video display,
 11 capable of simultaneous video and audio for communication between people in real time.
 12 Video teleconferencing is the use of the technology for two or more persons in a group or
 13 meeting with or without the use of video in addition to audio.

14 B. Video teleconferencing is a highly useful technology for a variety of purposes
 15 used by commercial, government and community groups to facilitate meetings and
 16 conferences. It is also a primary source of communication for those needing sign-
 17 language transmission for deaf and speech-impaired people and for those with mobility
 18 issues.

19 C. Video teleconferencing, via telemedicine and telenursing, allows patients to

Ordinance 19248

20 contact healthcare providers in emergency or routine situations for remote consulting and
21 diagnosis. Behavioral health providers and organizations also use video teleconferencing
22 for diagnosis, treatment and therapy for patients with mental health and substance use
23 disorder diagnoses. In addition, individuals participating in recovery, mental health and
24 behavioral health support groups, such as Alcoholics Anonymous or Narcotics
25 Anonymous, have also used this video teleconferencing technology for meetings.

26 D. Federal and state law have established privacy requirements for both physical
27 and behavioral health patients, including participants in certain types of behavioral health
28 therapy sessions. In addition, individuals participating in any private video
29 teleconferences also have a reasonable expectation of privacy.

30 E. On February 29, 2020, the Washington state governor proclaimed that a State
31 of Emergency exists in all counties in the state of Washington as a result of the COVID-
32 19 pandemic.

33 F. In March 2020, the state and the county instituted "stay-at-home" orders to
34 prevent the spread of COVID-19 that: require that all persons stay home unless they
35 need to pursue an essential activity; ban all gatherings for social, spiritual and
36 recreational purposes; and close all businesses except defined essential businesses. The
37 orders have resulted in a significant increase in the use of video teleconferencing by
38 behavioral health practitioners as well as individuals participating in group therapy
39 sessions conducted by behavior health professionals and recovery, mental health and
40 behavioral health support groups, including but not limited to Alcoholics Anonymous or
41 Narcotics Anonymous.

42 G. Computer security experts have determined that poorly configured or

Ordinance 19248

43 inadequately supervised video teleconferencing system can permit an easy "virtual" entry
44 by criminals into video teleconferencing systems making it possible to illicitly collect
45 data about users or disrupt meetings.

46 H. Therefore, it is in the public interest to provide an enforcement mechanism to
47 protect the privacy of video teleconference meetings of recovery, mental health and
48 behavioral health support groups from unauthorized access to participant information or
49 to disrupt meetings.

50 SECTION 2. Sections 3 through 7 of this ordinance should constitute a new
51 chapter in K.C.C. Title 12.

52 NEW SECTION. SECTION 3. The definitions in this section apply throughout
53 this chapter unless the context clearly requires otherwise.

54 A. "Individual" means a single human being;

55 B. "Person" includes an individual, partnership, corporation or association;

56 C. "Video teleconference system" means any of the videotelephony technologies
57 for the reception and transmission of signals for audio, video or both by users at different
58 locations. "Video teleconference system" includes computers, cellular telephones or any
59 other devices with a video display, capable of simultaneous video and audio, or audio
60 only, for communication between people in real time; and

61 D. "Video teleconferencing" means the use of a video teleconference system for a
62 group consisting of two or more individuals.

63 NEW SECTION. SECTION 4.

64 A. It is unlawful for any person, to intercept, record or knowingly circumvent
65 technological access measures or barriers to access to a video teleconference system in

Ordinance 19248

66 order to obtain information from or of the individuals participating in the video
67 teleconference or interfere with the video teleconference system to disrupt a recovery,
68 mental health and behavioral health support group meeting without first obtaining the
69 consent of all the individuals engaged in the video teleconference meeting, where the
70 technological access measures are specifically designed to exclude or prevent
71 unauthorized individuals from obtaining the information or unauthorized participation in
72 the video teleconference meeting.

73 B. When consent by all individuals is needed under to this section, consent shall
74 be considered obtained whenever a person has announced to all the individuals engaged
75 in the video teleconference meeting, in any reasonably effective manner, that such
76 meeting is about to be recorded or transmitted.

77 NEW SECTION. SECTION 5. A person who violates this chapter shall be
78 subject to civil cause of action for damages, to be brought by any individual claiming that
79 a violation of this chapter has resulted in injury to that individual. An individual so
80 injured shall be entitled to actual damages, including mental pain and suffering endured
81 by the individual on

Ordinance 19248

82 account of violation of this chapter, and reasonable attorneys' fees and other costs of
83 litigation.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO King County ITD (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Carahsoft OBO King County ITD:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: bob.johnson@kingcounty.gov

To advise Carahsoft OBO King County ITD of your new e-mail address

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at bob.johnson@kingcounty.gov and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

To request paper copies from Carahsoft OBO King County ITD

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to bob.johnson@kingcounty.gov and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Carahsoft OBO King County ITD

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to bob.johnson@kingcounty.gov and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..
