### Ordinance 19249

**Proposed No.** 2021-0113.2

**Sponsors** Zahilay, Kohl-Welles and Balducci

1                   AN ORDINANCE establishing an advisory committee to  
 2                   engage community stakeholders regarding the selection,  
 3                   appointment and confirmation of the chief officer for the  
 4                   department of public safety and matters pertaining to the  
 5                   department of public safety.

6                   STATEMENT OF FACTS:

7                   1. In November 2020, the voters of King County approved Charter  
 8                   Amendment No.5, returning the King County sheriff to an appointed  
 9                   position with a requirement for consideration of community stakeholder  
 10                  input during the selection, appointment and confirmation process to be  
 11                  prescribed by county ordinance.

12                  2. In November 2020, the voters of King County approved Charter  
 13                  Amendment No.6, allowing the duties of the chief officer of the  
 14                  department of public safety, who may also be referred to as the county  
 15                  sheriff, and the duties and structure of the department of public safety to  
 16                  be established by county ordinance.

17                  3. In November 2020, the adoption of the 2021-2022 Biennial Budget  
 18                  Ordinance, Ordinance 19210, set the maximum biennial appropriation for  
 19                  the department of public safety at approximately four hundred and nine

Ordinance 19249

---

20 million dollars with a maximum of one thousand ninety-five full time  
21 equivalent positions.

22 4. The department of public safety has an active role providing and  
23 participating in regional services and activities including bomb disposal,  
24 search and rescue, homicide investigations, civil and criminal warrants,  
25 sex offender registration, dignitary protection, the automated fingerprint  
26 identification system, intelligence services and the joint terrorism task  
27 force.

28 5. The department of public safety is the police department for  
29 unincorporated King County, which includes nearly 250,000 residents  
30 over a wide-ranging geographic area that encompasses dense urban areas,  
31 such as Skyway and White Center, and sparsely populated rural areas,  
32 such as Vashon Island and rural east King County.

33 6. The county contracts with twelve cities and the Muckleshoot Indian  
34 Tribe to provide law enforcement services to their approximately three  
35 hundred thousand residents through the department of public safety.

36 Combined, those contracts were approximately thirty six percent of the  
37 department of public safety's budget for the 2019-2020 biennium and are  
38 an important part of the department's operations.

39 7. In accordance with the interlocal agreements for law enforcement  
40 services, the cities and county have formed an oversight committee,  
41 responsible for ensuring compliance with the terms of the interlocal  
42 agreement.

Ordinance 19249

---

43 8. The county also provides public safety services for transportation  
44 agencies, including the King County International Airport, the Metro  
45 transit department and the Central Puget Sound Regional Transit  
46 Authority, which is also known as Sound Transit. Combined, providing  
47 those services represented approximately eighteen percent of the  
48 department of public safety's budget for the 2019-2020 biennium and  
49 require unique services along bus and light rail lines and at transit stations.

50 9. The department of public safety has faced reductions over the past  
51 decades and creates challenges for the vision of public safety the county  
52 hopes to uphold.

53 10. Since the tragic killing of George Floyd by a police officer on May  
54 25, 2020, in Minneapolis, Minnesota, the Black Lives Matter movement  
55 has been at the forefront of protests, rallies, marches and demonstrations  
56 calling for an end to structural racism and to restructuring law  
57 enforcement as it has been traditionally practiced in King County and  
58 across the United States.

59 11. Safety for all requires that the county explores new alternatives to  
60 incarceration and alternatives to armed police response to some calls for  
61 service. Alternative emergency response models could include but are not  
62 limited to mental health responders, conflict resolution teams and trauma-  
63 informed violence interruption initiatives.

64 12. The council and the executive desire an open, transparent and  
65 inclusive process to review and update the structure and duties of the

Ordinance 19249

---

66 department of public safety and to appoint a new county sheriff.

67 13. The council and the executive will engage with a wide ranging and  
68 diverse group of community stakeholders, contract cities and other  
69 partners, to understand the needs of the communities served by the  
70 department of public safety.

71 14. The county is committed to continuing its long-established  
72 partnership with labor unions, including sworn and civilian bargaining  
73 units.

74 15. The county is committed to providing efficient, effective and  
75 equitable public safety services in the unincorporated areas and in the  
76 contract entities.

77 16. The county is committed to maintaining and enhancing public safety  
78 for all its residents.
