Section 3. Term

3.1 The initial term of this Franchise is for a period of ten (10) years (the "Initial Term") from the Effective Date, unless earlier terminated or revoked.

3.2 Franchisee may request an extension of the Initial Term, and the Director of FMD, on behalf of the County, may extend the Initial Term of this Franchise for an additional period of up to fifteen (15) years, under the following circumstances:

(A) Franchisee's request to extend the Initial Term must be in writing and submitted to the County not more than one (1) year nor less than two hundred forty (240) days prior to the expiration of the Initial Term, and

(B) Franchisee has maintained substantial compliance with the terms and conditions of this Franchise throughout the Initial Term. The Director of FMD shall have final authority to determine Franchisee's substantial compliance with the terms and conditions of this Franchise.

3.3. The Initial Term will not be extended under this Section 3 unless Franchisee receives approval of an extension and the length of the extension in writing from the County within ninety (90) days of the County's receipt of Franchisee's request to extend.

3.4 If the Initial Term is not extended, and Franchisee wishes to continue to operate in the Franchise Area, Franchisee shall promptly file an application with the County for renewal of this Franchise in accordance with KCC 6.27.054. Upon receipt of such application, the County and Franchisee shall commence good faith negotiations on the terms and conditions of a franchise renewal.

If the Parties are unable to reach agreement to renew this Franchise prior to expiration of the Initial Term, then this Franchise will expire at the end of the Initial Term and Franchisee will be considered an unfranchised Utility under KCC Chapter 14.44. If Franchisee continues to use the Franchise Area for Franchisee Facilities after the expiration of the Franchise, Franchisee's continued use shall be subject to the terms and conditions of the expired Franchise, including Consideration, and at the will of the County ("Holdover Period"). Said use will not constitute a renewal or extension of the Franchise and will be subject to termination by the County in its sole and absolute discretion upon sixty (60) days written notice to Franchisee.

Section 4. Right-of-Way Construction Permit Required

4.1 Franchisee shall not commence or direct the commencement of any Construction or Maintenance until the County, pursuant to KCC Chapter 14.44, has issued a Right-of-Way ("ROW") construction permit authorizing such activities. Applications for ROW construction permits shall be presented to the King County Real Estate Services Section along with such detailed design and construction plans and documents, studies, and reports as are required by the Real Estate Services Section.

4.2 Any and all activities performed by or on behalf of Franchisee pursuant to this Franchise shall be performed in accordance with all County standards applicable at the time of such work, including but not limited to the King County Comprehensive Plan, the standards of good practice

in the King County Regulations for Accommodation of Public Utilities on County ROW, the Road Standards, the County approved plans and specifications for the work, and the terms and conditions of any ROW construction permit and other permits or approvals required under the King County Code. All Franchisee Facilities and all Construction or Maintenance shall be the responsibility of Franchisee and the County hereby disclaims any duty or obligation regarding the same. All permits for Construction or Maintenance shall be applied for and issued in the name of Franchisee, and Franchisee shall be responsible for all work done under the permit, regardless of who performs the work.

4.3 Franchisee and Contractors shall comply with any and all conditions contained in applicable permits or approvals.

Section 5. Emergency Work

5.1. If Franchisee Facilities become damaged or nonoperational such that an Emergency is presented, or if Franchisee or any Contractor carries out Construction or Maintenance in a manner that creates an Emergency, then Franchisee shall immediately take such measures as are reasonably necessary to repair the Franchisee Facilities at issue or to remedy the Emergency. In the event of an Emergency as described above, Franchisee may take corrective action immediately, without first applying for or obtaining an ROW construction permit. However, the need to take immediate corrective action shall not relieve Franchisee from its obligation to notify the County and to obtain an ROW construction permit or any other permits necessary for the corrective actions. In the event of any Emergency, whether described in this Section 5 or otherwise, Franchisee shall, upon discovery of the Emergency, immediately notify the County of the Emergency via email to the Road Services Division and the Real Estate Services Section. Emergency contact should be directed to KCUIU@kingcounty.gov and Res.permits@kingcounty.gov. ROW construction permit applications must be submitted as soon as reasonably feasible, yet no later than five (5) working days after Franchisee discovers the Emergency. In the event of a dispute, Franchisee shall bear the burden to prove (i) that the County received such notice and (ii) when the County received such notice.

5.2 If the County discovers or is alerted by a third party of an Emergency involving Franchisee Facilities, the County will first make a good faith effort, taking into account the exigency of the circumstances, to contact Franchisee to allow Franchisee to remedy the Emergency. If the County is unable to contact Franchisee or Franchisee is unable to remedy the Emergency in a timely manner, the County may take corrective action, and Franchisee shall reimburse the County for any and all documented direct costs and expenses incurred by the County. Such costs and expenses shall include, but not be limited to Franchisee's proportionate share of the costs of County personnel assigned to review emergency corrective action plans or to oversee or engage in any corrective action as a result of the Emergency.

Section 6. Compliance with Applicable Laws; Performance Standards

6.1 Franchisee shall comply with all Applicable Laws.

6.2 Construction or Maintenance shall not unreasonably impede: (A) public use of the County ROW or associated road(s) for vehicular and pedestrian transportation; (B) construction or maintenance activities by other authorized users of the Franchise Area or County ROW, or access to or use of their facilities; (C) the operation, maintenance, or improvement by the County of any

County ROW, or other public property impacted by the Construction or Maintenance; or (D) the use of the Franchise Area or County ROW for other governmental purposes. Construction or Maintenance shall comply with all permit conditions or other requirements.

6.3 At all times during Construction or Maintenance, Franchisee shall post and maintain proper barricades and comply with all applicable safety regulations as required by King County Code or the laws of the State of Washington, including but not limited to RCW 39.04.180 for the construction of trench safety systems.

6.4 Before commencing or directing the commencement of any work that may disturb any existing monuments or markers relating to subdivisions, plats, roads, or surveys, Franchisee shall: (A) reference all such monuments and markers consistent with RCW 58.09.130; and (B) obtain a permit (if required) from the Washington State Department of Natural Resources prior to the commencement of work pursuant to WAC 332-120. The cost and replacement of all such monuments or markers disturbed by a Contractor shall be the responsibility of Franchisee.

6.5 If Franchisee plans to excavate in the Franchise Area, Franchisee shall, upon receipt of a written request to do so, provide an opportunity for the County or any other authorized users of the Franchise Area (or all of them) to participate in such excavation, and shall coordinate such participation with the County or such other authorized entities; provided, that Franchisee need not permit the County or any other party to participate in an excavation if any of the following are true, in the reasonable judgment of the County Road Engineer, in consultation with Franchisee:

- (A) such joint excavation would unreasonably delay Construction or Maintenance; or
- (B) despite good-faith efforts, the parties involved are unable to agree upon reasonable terms and conditions for accomplishing such joint excavation; or
- (C) valid safety reasons exist for denying a request for such joint excavation or the proposed facilities of the third party conflict with the best practices employed by Franchisee; or
- (D) the excavation is for the purpose of an Emergency response consistent with Section 5 (Emergency Work) of this Franchise.

6.6 Franchisee shall maintain all Franchisee Facilities in a good state of repair. Franchisee shall, at no expense to the County, promptly repair Franchisee Facilities, including all appurtenant facilities and service lines connecting Franchisee's system to users, if the repair is required by the County for any reasonable purpose.

6.7 Franchisee shall maintain a reasonably clear area, not less than five (5) feet, around all Franchisee Facilities permitted and installed above ground so they will be clearly visible for purposes of County operations and maintenance. If Franchisee intends to use chemical sprays to control or kill weeds and brush, then Franchisee must first obtain an ROW construction permit. The County may limit or restrict the types, amounts, and timing of application if a significant negative impact on the aesthetics or environment of the area is anticipated, provided such limitations or restrictions are not in conflict with State law governing utility ROW maintenance and the King County Code related to sensitive areas.

6.8 Franchisee shall provide, install, and maintain fire suppression water facilities and services as required by all Applicable Laws, including without limitation KCC 6.27.060.C.2. Fire suppression water facilities, equipment and services shall be considered part of Franchisee Facilities and shall be provided, installed, and maintained at no cost to the County.

Section 7. Restoration of County ROW

7.1 Upon completion of Construction or Maintenance, Franchisee shall, at no expense to the County, restore the Franchise Area and any adjacent areas directly affected by Construction or Maintenance to as good or better condition as it was prior to the commencement of the Construction or Maintenance. The County Road Engineer shall have final authority to determine the adequacy of the restoration performed in accordance with the requirements set forth in permit conditions.

Section 8. Maps and Records

8.1 Franchisee shall maintain accurate records to document activities performed pursuant to this Franchise for six (6) years following the expiration, revocation, or termination of this Franchise, or any Holdover Period, whichever is later. Required records include the following:

- (A) records of Construction, Maintenance, Operation, inspections and regulatory compliance for all Franchisee Facilities subject to this Franchise; and,
- (B) as-built plans or, when as-built plans are not available, 100% design drawings as modified following construction, maps, GPS charts, and any other records depicting the final locations and conditions of Franchisee Facilities (“As-Built Plans”).

8.2 The County shall have the right to review such records or to request copies of such records, which Franchisee shall provide at no cost to the County. If a discrepancy is discovered in its As-Built Plans, Franchisee shall update its records to correct the discrepancy. With respect to any excavations within the Franchise Area undertaken by or on behalf of Franchisee or the County, nothing herein is intended (nor shall be construed) to relieve either Party of its obligations under RCW 19.122 with respect to determining the location of utility facilities.

8.3 If Franchisee considers any portion of its records provided to the County to be protected from disclosure under law, Franchisee shall clearly identify any specific information that it claims to be confidential or proprietary and the basis for such claim. If the County receives a request under the Public Records Act, RCW 42.56, to inspect or copy the information so identified by Franchisee and the County determines that release of the information is required by the Act or is otherwise appropriate, the County's sole obligations shall be to notify Franchisee in writing (A) of the request and (B) of the date that such information will be released to the requestor unless Franchisee obtains a court order to enjoin disclosure under RCW 42.56.540. The County shall provide Franchisee with such notice at least ten (10) days prior to the date that such information will be released. If Franchisee fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified. The County has, and by this Section 8.3 assumes, no obligation on behalf of Franchisee to claim or make any exemption from disclosure under the Act. The County shall not be liable to Franchisee for releasing records not clearly identified by Franchisee as confidential or proprietary. The County shall not be liable to

Franchisee for any records that the County releases in compliance with this Section 8.3 or in compliance with an order of a court of competent jurisdiction.

Section 9. Relocation of Franchisee Facilities

9.1 Franchisee shall be responsible, at no expense to the County, to repair, adjust, or relocate all Franchisee Facilities if such, repair, adjustment or relocation is determined by the County to be reasonably necessary.

9.2 If an Emergency requires the relocation of Franchisee Facilities, the County shall give Franchisee notice of the Emergency as soon as reasonably practicable. Upon receipt of such notice from the County, Franchisee shall respond as soon as reasonably practicable to relocate the affected Franchisee Facilities.

9.3 Upon request by the County and in order to facilitate the design and construction of any County improvements in the Franchise Area or County ROW, Franchisee shall locate and, if the County deems it reasonably necessary, excavate and expose, at its sole cost and expense, Franchisee Facilities for inspection by the County; provided that Franchisee shall not be required to excavate and expose Franchisee Facilities for inspection unless the County Road Engineer reasonably determines that Franchisee's record plans and record drawings are inadequate for the County's planning purposes. The decision to require relocation of any Franchisee Facilities to accommodate County improvements shall be made by the County Road Engineer in his or her sole and absolute discretion upon review of the location and construction of Franchisee Facilities.

9.4 In the event a condition or requirement imposed by the County upon any person or entity other than County Parties (including, without limitation, any condition or requirement imposed pursuant to any contract or in conjunction with approvals for permits for zoning, land use, construction or development) reasonably necessitates adjustment, modification, relocation or removal of any Franchisee Facilities, then Franchisee shall adjust, modify, relocate or remove such Franchisee Facilities to accommodate such condition or requirement imposed by the County, at no cost to the County; provided that nothing in this Franchise is intended or shall be construed to prohibit Franchisee from assessing on such other person or entity the costs of adjustment, modification, relocation or removal as a condition of such action pursuant to this Section 9.

9.5 If the County determines that a County capital improvement necessitates relocation of Franchisee Facilities in the County ROW, then:

(A) The Parties shall comply with the provisions of KCC 6.27.060.C.5.

(B) Unless the Parties agree otherwise, Franchisee shall complete relocation of Franchisee Facilities at least ten (10) days prior to commencement of the construction phase of the County capital improvement project, at no charge, cost or expense to the County.

(C) Unless the Parties agree otherwise, if Franchisee fails to complete relocation of Franchisee Facilities within the time prescribed and to the County's satisfaction, the County may cause such work to be done and bill the cost of the work to Franchisee. Franchisee shall remit payment to the County within thirty (30) days of receipt of an itemized list of associated costs.

9.6 When the County or its contractor provides notice to Franchisee, in accordance with RCW 19.122, of its intent to excavate in the Franchise Area or County ROW, Franchisee shall, at no expense to the County, provide the County or its contractor the best information available from Franchisee's records or, where reasonable, from the use of locating equipment as to the location of Franchisee Facilities, as well as to the location of facilities connected to its system that are in the Franchise Area and that Franchisee does not own, including appurtenant facilities and service lines connecting its system to users. Franchisee shall mark the surface where surface marking would reasonably be of use in the excavation. If Franchisee fails to make good faith efforts to provide the information required in this Section 9.6 within the deadlines provided by RCW 19.122, Franchisee shall defend, indemnify and hold the County harmless for all claims and reasonable costs that result from damage to Franchisee Facilities or other connected facilities if the damage occurs as a result of Franchisee's failure to provide the information. Nothing in this Section 9.6 is intended or shall be construed to create any rights in any third party or to form the basis for any obligation or liability on the part of the County or Franchisee toward any third party, nor is anything in this Section 9.6 intended or to be construed to alter the rights and responsibilities of the Parties under RCW 19.122, as amended.

9.7 Nothing in this Franchise shall prevent Franchisee from imposing reasonable terms when responding to a request for relocation of any Franchisee Facility by any person or entity other than the County, where the facilities to be constructed by said person or entity are not or will not become County-owned, operated or maintained facilities and the relocation is not subject to the provisions of Section 9.3.

Section 10. Roadside Management Program

10.1 Within ninety (90) days following the Effective Date, Franchisee shall submit a Roadside Management Assessment ("RMA") to the County which includes an assessment of whether its Franchisee Facilities are all located underground, or, if some or all of its facilities are located above-ground, and whether the Franchisee Facilities comply with the Road Standards, including but not limited to Section 5.10, Roadside Obstacles. If, after preparing the RMA, Franchisee concludes that all Franchisee Facilities are located underground (or, if it has Franchisee Facilities located above-ground, Franchisee concludes that those Franchisee Facilities comply with the Road Standards), then Franchisee shall certify this finding in an RMA to the County Road Engineer.

10.2 If after completing an RMA Franchisee concludes that it has above-ground Franchisee Facilities that are not in compliance with the Road Standards, then Franchisee shall carry out a program acceptable to the County for Franchisee, at its sole cost and expense, to remove or relocate its non-compliant Franchisee Facilities to bring them into compliance with the Road Standards. Franchisee shall submit a Roadside Management Program to the County within one hundred twenty (120) days following the Effective Date. Once Franchisee's RMP is approved by the County, then Franchisee shall schedule and carry out the RMP in cooperation with the County. Franchisee shall submit an annual Roadside Management Program Work Plan identifying specific remediation projects to be accomplished during that year and an annual Roadside Management Program Work Report, showing the progress of remediation projects accomplished during the preceding year. The RMP Work Plan and the RMP Work Report shall both be due to the County by January 31st of every year of this Franchise, until such time that all Franchisee Facilities identified in the plan have been remediated and brought into compliance with the Road Standards.

10.3 If Franchisee installs or acquires above-ground Franchisee Facilities at any time after Franchisee has previously certified that all its Franchisee Facilities were located underground, then Franchisee must immediately update its RMA described in Section 10.1 as to whether the above-ground Franchisee Facilities comply with the Road Standards, and submit the updated RMA to the County Road Engineer. If Franchisee concludes that the above-ground Franchisee Facilities comply with the Road Standards, then Franchisee shall so certify to the County as required under Section 10.1. If Franchisee determines that the above-ground Franchisee Facilities do not comply with the Road Standards, then Franchisee shall carry out a remediation program consistent with Section 10.2.

Section 11. Repair of Third Party Facilities

11.1 Franchisee shall and hereby does assume the obligations set forth in KCC 6.27.060.C.6 with respect to facilities connected to its system that are within County ROW and that Franchisee does not own.

11.2 Franchisee shall comply with the terms and conditions of this Franchise when performing work on facilities connected to its system that are within the County ROW and that it does not own.

Section 12. Hazardous Materials

12.1 Franchisee may use Authorized Hazardous Materials in the Franchise Area; provided that Franchisee's use of Authorized Hazardous Materials in the Franchise Area shall at all times be undertaken in strict compliance with all Environmental Laws. Franchisee and Contractors shall not cause or contribute to a Release, in any manner, through act or omission.

12.2 If a Release occurs or if Franchisee or a Contractor discovers any Hazardous Material(s), then Franchisee shall immediately or as soon thereafter as reasonably possible (but in no event later than the next business day) provide written notice of the Release or Hazardous Material(s) to the County by email to the Real Estate Services Section (RES.permits@kingcounty.gov), and the Road Services Division (KCUIU@kingcounty.gov), and provide notice to any affected property owner, and if required by Environmental Laws, to the Washington State Department of Ecology and other government entities.

12.3 The County shall not be liable to Franchisee or a Contractor for any damages, costs, losses, expenses, penalties, or liabilities arising out of or connected with a Release under Franchisee's exercise of this Franchise and Franchisee hereby releases the County from any such claims. Franchisee shall be responsible, at no cost to the County, for promptly remediating any and all Releases within County ROW, during any time period in which Franchisee had Franchisee Facilities within the County ROW. Franchisee is also responsible for remediating any Releases that migrated from the County ROW to property outside the County ROW. At a minimum, Releases shall be remediated to the applicable cleanup standards under Environmental Laws that will allow for unrestricted use of the County ROW or adjacent property with no environmental covenant or other deed restriction required to be recorded. The County shall review and approve of any remediation plan prior to implementation, however, Franchisee shall be entitled to respond immediately to an Emergency without prior approval from County, including but not limited to taking actions necessary to prevent the Release from migrating, leaching, or otherwise spreading,

and taking actions necessary to respond to any immediate obligations imposed on Franchisee by Environmental Laws. Franchisee shall cooperate in any environmental investigations conducted by or at the direction of the County or any state, federal, or local agency with jurisdiction where there is evidence of contamination in the County ROW or where otherwise incidental to Franchisee's exercise of this Franchise, or where the County is directed to conduct such investigation by an agency or agencies having jurisdiction. Franchisee shall, at its sole cost and expense, timely prepare and submit any reports or communications relating to any remediation actions as required by Environmental Laws. Franchisee shall provide the County with copies of all reports, sampling data, and communications to and from government entities concerning Franchisee's remediation actions taken under this Section 12.3.

Notwithstanding Franchisee's obligation to completely remediate the Franchise Area and County ROW, in the event of any Release, the County may, in the interest of protecting the health, safety, welfare, and property of the public, immediately take whatever actions it deems necessary or advisable, in its sole discretion, to investigate, contain or otherwise remediate the Release at issue. The County shall be entitled to reimbursement from Franchisee of any and all costs and expenses incurred by the County under this Section 12.3. Franchisee's reimbursement shall be due upon receipt of the County's invoice for such costs and expenses.

12.4 Franchisee shall address all Hazardous Materials encountered in conducting actions authorized under this Franchise in full compliance with Environmental Laws, including but not limited to the excavation, stockpiling, transportation and disposal of those materials, at no cost to the County. The County shall not be liable for any damages, costs, losses, expenses, penalties or liabilities arising out of or connected with the presence of Hazardous Materials and Franchisee hereby releases the County from any such claims. Franchisee shall conduct actions in the Franchise Area in a manner that does not cause migration or other exacerbation of the Hazardous Materials. Before carrying out activities that might disturb Hazardous Materials, Franchisee shall contact the County regarding the proposed activity. The County reserves the right to propose alternatives to Franchisee that would not require Franchisee to disturb the Hazardous Materials. Franchisee is not required to remove or otherwise remediate any Hazardous Materials except to the extent necessary to conduct actions authorized under this Franchise or to the extent necessary to remediate any migration or other exacerbation of Hazardous Materials caused by Franchisee. Franchisee shall at no cost to the County, timely prepare and submit any reports or communications required by Environmental Laws concerning any actions under this Section 12.4, and Franchisee shall provide the County with copies of such reports or communications. Franchisee shall also provide the County documentation or other information concerning Franchisee's actions concerning Hazardous Materials that is not submitted to government entities. Nothing in this Franchise shall be construed as limiting Franchisee's ability to pursue the recovery of remedial action costs incurred for excavation, stockpiling, transportation and disposal of Hazardous Materials from parties other than the County, its elected and appointed officials and employees.

12.5 Franchisee hereby releases the County and each County Party from, and shall indemnify, defend (at the County's option and using counsel acceptable to the County), and hold the County and each County Party harmless from and against, any and all claims, liabilities, lawsuits, actions, judgments, awards, penalties, administrative proceedings, government orders, fines, expenses, costs (including but not limited to removal, remedial action, or other costs recoverable under CERCLA or MTCA), any and all other requirements, charges, interest, fees, or oversight costs, and all other damages (including, but not limited to, reasonable attorneys' fees and costs)

(collectively, “Environmental Claims”) incurred or suffered by the County or any County Party and arising out of or related to: (A) any Release within County ROW, including Releases that may migrate from County ROW to property outside County ROW; (B) the acts or omissions of Franchisee or Contractors under this Franchise; and (C) costs of compliance incurred in connection with any Environmental Claim, investigation or other action under Environmental Laws pursuant to Franchisee’s exercise of this Franchise.

12.6 If the County incurs attorneys' fees, legal expenses, or other costs to enforce the provisions of this Section 12 against Franchisee or a Contractor, then all such fees, expenses, and costs shall be recoverable from Franchisee to the extent the County prevails in such action. The hourly rates for any award of attorneys’ fees will be calculated based on the rate that would be charged for the services provided by an attorney who is in private practice, of the same expertise and experience as the prevailing party’s attorney(s).

12.7 The Parties specifically and expressly agree that, solely to the extent required to enforce the release, indemnification, defense, and hold harmless obligations contained in this Section 12, Franchisee waives its immunity under RCW Title 51 as to the County and the County Parties; provided, however, the foregoing waiver shall not in any way preclude Franchisee from raising such immunity as a defense against any claim brought against Franchisee by any of its employees. This waiver has been mutually negotiated by the Parties.

12.8 All Claims involving Hazardous Material shall be subject to this Section 12 and not the indemnity and liability provisions of Section 16 (Hold Harmless and Indemnification). This Section 12 provides the Parties’ exclusive contractual remedies as to Hazardous Materials but does not limit and shall not be deemed to affect the County’s statutory rights of recovery or its common law causes of action.

Section 13. Dangerous Conditions; Authority for County to Abate

13.1 Whenever Construction, Operation, Maintenance, or abandonment of Franchisee Facilities has caused or contributed to a condition that, in the reasonable opinion of the County Road Engineer, substantially impairs the lateral support of the adjoining road or public or private property, or endangers the public, an adjoining public place, road facilities, County property or private property, the County Road Engineer may direct Franchisee to remedy the condition or danger to the satisfaction of the County Road Engineer, within a specified period of time and at no expense to the County.

13.2 In the event that Franchisee fails or refuses to promptly take the actions directed by the County Road Engineer or fails to fully comply with such directions, the County may take actions that are reasonably necessary to protect the public, the adjacent roads, road facilities, or to maintain the lateral support thereof, or actions necessary to ensure the public safety, and Franchisee shall be liable to the County for the costs thereof.

13.3 This Section 13 does not affect the Parties’ rights and obligations regarding Emergencies under Section 5.

Section 14. Decommissioning of Franchisee Facilities

14.1 If Franchisee wishes to cease Operation and decommission in place any portion of Franchisee Facilities, Franchisee shall provide a written decommissioning request (“Request”) to the County a minimum of ninety (90) days prior to the date Franchisee intends to decommission Franchisee Facilities. Such Request may be delivered to the County as part of an application for a County ROW construction permit. Franchisee's Request shall specify which Franchisee Facilities it wishes to decommission in place along with an acknowledgment that Franchisee will maintain ownership and responsibility of decommissioned Franchisee Facilities in perpetuity.

14.2 The County will review the Request and assess whether decommissioning in place will pose a hazard to the public use of County ROW. If the County determines that the Request will pose a hazard to the public use of County ROW, the County may deny the Request or alternatively may approve the Request with terms and conditions that Franchisee must meet to ensure that the decommissioned Franchisee Facilities will not pose a hazard to the public use of County ROW.

14.3 If the County approves Franchisee's Request, Franchisee shall continue to own and be responsible for all decommissioned Franchisee Facilities.

14.4 If the County denies Franchisee’s Request in whole or in part, or if Franchisee refuses to accept terms and conditions imposed to ensure that the decommissioned Franchisee Facilities will not pose a hazard to the public use of County ROW, then Franchisee may not decommission in place the subject Franchisee Facilities.

14.5 If Franchisee decommissions Franchisee Facilities after the County has denied its Request, or if Franchisee fails to satisfy any terms and conditions imposed to ensure that the decommissioned Franchisee Facilities will not pose a hazard to the public use of the County ROW, then Franchisee shall be deemed to have decommissioned Franchisee Facilities without authorization. In the event of any unauthorized decommissioning of any portion of Franchisee Facilities by Franchisee, the County may, at its election, and in addition to any other remedies or enforcement options available to the County under this Franchise, at law or in equity, remove all or any portion of the decommissioned Franchisee Facilities on behalf of Franchisee and restore the Franchise Area following such removal. If the County chooses to remove Franchisee Facilities and restore the Franchise Area on Franchisee's behalf, then the County may dispose of the removed Franchisee Facilities in any manner it deems fit, and Franchisee shall reimburse the County for all costs and expenses incurred by the County in performing such removal and restoration activities.

14.6 Within ninety (90) days of the end of the term of this Franchise, including any extension, renewal or termination thereof, Franchisee shall provide a Request to the County pursuant to Section 14.1 if Franchisee wishes to decommission in place any of its Facilities. The Request and the Parties’ associated obligations and rights shall be subject to the provisions of Sections 14.1 through 14.5. If Franchisee fails to provide such Request within ninety (90) days, Franchisee shall be deemed to have decommissioned in place its Facilities without authorization, and the County shall have the remedies available to it under Section 14.5 in addition to any other remedies or enforcement options available under the Franchise, at law or in equity.

Section 15. Consideration and Reservation of Rights

15.1 In exchange for the right to use and occupy the County ROW to place its facilities, Franchisee shall pay the County franchise compensation in the nature of rent (“Consideration”) as provided in KCC 6.27.080. The parties have negotiated and agreed that after application of

credit for fire suppression water facilities and services required by Applicable Law, annual Consideration shall be \$4,630.00 per year, beginning in 2021. Consideration shall be adjusted annually based on the U.S. Department of Labor, Bureau of Labor Statistics Consumer January through December Price Index for All Urban Consumers for the Seattle-Tacoma-Bellevue Statistical Metropolitan Area at the end of the preceding year. The County shall provide Franchisee an invoice for Consideration, which shall be due and payable to King County within thirty (30) days of the date the Franchisee receives the invoice. If Consideration is not received by the County by the due date, interest shall be charged from that date until such time that payment is received at the maximum rate permitted under Washington State law, compounded daily.

- (A) The Parties have negotiated and agreed that Franchisee shall pay the County an additional \$11,740.00 of Consideration with the first invoice following the Effective Date, in exchange for use and occupation of the ROW between 2018 through 2020.
- (B) Beginning in 2025, and thereafter in each fifth (5th) year throughout the term of the Franchise Agreement (including any extension thereof), Consideration will be re-evaluated. The purpose of the re-evaluation is to capture changes in the Franchise Area or changes in the assessed land values of parcels adjacent to the right-of-way. Within sixty (60) days of written notice from King County, Franchisee shall notify the County of any changes to its Franchise Area and shall provide the County whatever information is needed to reflect such changes, including but not limited to a GIS compatible map and/or a legal description. In addition, Franchisee shall provide the County with updated customer counts, if any, so that Consideration may be determined in accordance with the Rules For Determining Franchise Compensation established pursuant to KCC 6.27.080, as now codified or hereafter amended.

15.2 No Consideration payment or acceptance of any payment made shall be construed as an accord by either Party that the amount paid is in fact the correct amount, nor shall any payment or acceptance of payment be construed as a release of any claim either Party may have for further reimbursement or additional sums payable or for the performance of any other obligation under the Franchise.

15.3 Separate from the Consideration that is the subject of Section 15.1, the County reserves for itself the right to impose a Utility tax on Franchisee, if such taxing authority is granted by the State of Washington.

15.4 Separate from the Consideration that is the subject of Section 15.1, Franchisee shall pay all applicable fees and costs as specified in the King County Code to cover the County's costs in reviewing, processing and administering this Franchise and all work related thereto.

15.5 If this Franchise terminates for any reason, or if Franchisee fails to satisfy such financial obligations within forty-five (45) days following receipt of written notice describing such financial obligations together with reasonable documentation evidencing such obligations, the County reserves the right to satisfy any remaining financial obligations of Franchisee by utilizing any funds available under any performance bond required in Section 19.

Section 16. Hold Harmless and Indemnification

16.1 Franchisee agrees to release, indemnify, defend (at the County's option and using counsel reasonably acceptable to the County), and hold harmless the County and each County Party from and against any and all claims, demands, liability, suits, and judgments, including costs of defense thereof, awards, penalties, fines, costs, government orders or other requirements, (collectively, "Claims") to the extent caused by, arising out of, incidental to, or related to the acts or omissions of Franchisee or its Contractor(s) in connection with Franchisee's exercise of rights and obligations under this Franchise. This covenant of release and indemnification shall include, but not be limited to: any and all Claims arising out of the placement of Franchisee Facilities; any failure by Franchisee or a Contractor to complete all related Construction, Maintenance, Operations, or any work or other activities in accordance with this Franchise; and fire suppression activities during fire events. In the event it is determined that RCW 4.24.115 applies to this Franchise, Franchisee agrees to defend, hold harmless and indemnify the County to the maximum extent permitted thereunder. Provided, however, that if a Claim arises out of or relates to the concurrent negligence of the Parties, then Franchisee's duties under this Section 16.1 shall apply only to the extent of the negligence of Franchisee and its Contractor(s). This Section 16.1 shall not apply to any Claim or other matters arising out of or related to any Release of Hazardous Materials, which Releases are addressed under Section 12 of this Franchise.

16.2 In the event the County incurs reasonable attorneys' fees, legal expenses, or other costs to enforce the provisions of this Section 16 against Franchisee, all such fees, expenses, and costs shall be recoverable from Franchisee. The hourly rates for any award of attorneys' fees will be calculated based on the rate that would be charged for the services provided by an attorney who is in private practice, of the same expertise and experience as the prevailing party's attorney(s).

16.3 The Franchisee's obligations described in 16.1 above include the duty to defend and indemnify the County and each County Party from any claims, demands, or suits brought by, or on behalf of, any employee, former employee, or agent of Franchisee, or any Contractor. To the extent necessary to carry out this obligation, Franchisee, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects the County only, under any industrial insurance act or workers' compensation law, including without limitation RCW Title 51, other workers' compensation act, disability act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim. The Parties acknowledge that this provision was mutually negotiated.

16.4 Franchisee's covenants and indemnifications provided in this Section 16 shall extend to the period of time during which Franchisee occupied the Franchise Area in a Holdover Period after expiration of the term of franchise Nos. 9036, 9090, 13683, and 16637.

16.5 The County shall give Franchisee timely written notice of any Claim covered by Franchisee's obligations under this Section 16. In the event any such Claim arises, the County or any other indemnified party shall tender the defense thereof to Franchisee and Franchisee shall have the right and duty to defend, settle, or compromise any Claim, and the County shall cooperate fully with Franchisee, provided: (A) any settlement or compromise is consistent with the terms of this Franchise; and (B) any terms or conditions of a settlement other than the payment of money damages that in any way obligate or affect the County require the County's prior approval.

16.6 The County's permitting, approval, inspection, lack of inspection, or acceptance or rejection of any Construction, Maintenance, Operations, or any work or other activities associated with this Franchise, whether pursuant to this Franchise or pursuant to any other permit or approval issued by the County in connection with Franchisee's exercise of its rights under this Franchise, shall not relieve Franchisee of any of the indemnification, defense and hold harmless obligations contained in this Section 16.

Section 17. Franchise Administration

The County's administration of this Franchise shall not be construed to create the basis for any liability on the part of the County Parties.

Section 18. Insurance Requirements

18.1 Franchisee shall procure and maintain for the duration of this Franchise (the Initial Term and any extensions of the Initial Term) and any Holdover Period thereafter, insurance against claims for injuries to persons or damage to property which may arise from, or in connection with any Work contemplated by Franchisee or Contractor. Upon request of the County, Franchisee shall furnish separate certificates of insurance and policy endorsements from each Contractor as evidence of compliance with the insurance requirements of this Franchise.

18.2 Franchisee is responsible for ensuring compliance with all the insurance requirements stated herein. Failure by Franchisee or a Contractor to comply with the insurance requirements stated herein shall constitute a Default of this Franchise.

18.3 Each insurance policy shall be written on an "occurrence" basis/form; excepting insurance for professional liability (errors and omissions) and/or pollution liability. Professional liability (errors and omissions) or pollution liability required by this Franchise is acceptable on a "claims made" basis/form. If any insurance required under this Franchise is purchased on a "claims made" basis/form, the coverage provided under that insurance shall be maintained through: (i) consecutive policy renewals for not less than three (3) years from the date of completion of the Construction, Maintenance, Operations, and any work or other activities associated with this Franchise or, if such renewals are unavailable, (ii) the purchase of a tail/extended reporting period for not less than three (3) years from the date of completion of the Construction, Maintenance, Operations, and any work or other activities associated with this Franchise. All insurance written on a "claims made" basis/form must have its policy inception or retroactive date be no later than the Effective Date of the Franchise, unless otherwise approved in writing by the County's Risk Management Office.

18.4 Nothing contained within these insurance requirements shall be deemed to limit the scope, application, and/or limits of the coverage afforded, which coverage will apply to each insured to the full extent provided by the terms and conditions of the policy(ies). Nothing contained in this provision shall affect and/or alter the application of any other provision contained within this Franchise.

18.5 **Risk Assessment by Franchisee:** By requiring such minimum insurance, the County does not and shall not be deemed or construed to have assessed the risks that may be applicable to Franchisee or a Contractor under this Franchise, or in any way limit County's potential recovery to insurance limits required hereunder. To the contrary, this Franchise's insurance requirements

may not in any way be construed as limiting any potential liability to the County or the County's potential recovery from Franchisee or a Contractor. Franchisee and its Contractor(s) shall assess their own risks and if they deem appropriate and/or prudent, maintain greater limits and/or broader coverage.

18.6 **Minimum Scope and Limits of Insurance**

Coverage shall be at least as broad as and with limits not less than the following:

(A) **General Liability:**

Such insurance shall include coverage for, but not limited to, premises liability, products- completed operations, ongoing operations, and contractual liability. If asbestos, lead or PCB's are a potential exposure, such insurance shall not exclude pollution arising out of asbestos, lead and/or PCB operations.

(D) **Workers Compensation:**

Workers Compensation coverage, as required by the Industrial Insurance Act of the State of Washington, as well as any similar coverage required for this work by applicable federal or "Other States" state law, or the statutory requirements of the state of residency.

(E) **Employers Liability or "Stop Gap":**

18.7 Minimum Limits of Insurance - Construction Period: Prior to commencement of Construction and until Construction is complete and approved by the Parties, Franchisee shall

cause its Contractor(s) to procure and maintain insurance against claims for injuries to persons or damages to property which may arise from, or in connection with the activities related to this Franchise. Franchisee and the County shall be named as additional insured, for full coverage and policy limits, on liability policies except Workers' Compensation and Professional Liability. County Parties are not responsible for payment of the cost of such insurance. Franchisee's Contractor(s) shall maintain coverage and limits no less than the following:

- (A) Commercial General Liability: \$5,000,000 per occurrence and \$5,000,000 in the aggregate for bodily injury, personal and advertising injury, and property damage. Coverage shall be at least as broad as that afforded under ISO form number CG 00 01. Such insurance shall include coverage for, but not limited to, premises liability, Products-Completed Operations, ongoing operations, and contractual liability. Limits may be satisfied by a single primary limit or by a combination of separate primary and umbrella or excess liability policies, provided that coverage under the latter shall be at least as broad as that afforded under the primary policy and satisfy all other requirements applicable to liability insurance including but not limited to additional insured status for County. Explosion & Collapse, Underground Damage (XCU) shall apply for the same limits as the General Liability coverage.
- (B) Automobile Liability: \$1,000,000 combined single limit per accident for bodily injury and property damage. Coverage shall be at least as broad as that afforded under ISO form number CA 00 01 covering business auto coverage, symbol 1 "any auto"; or the appropriate coverage provided by symbols 2, 7, 8, or 9. Limits may be satisfied by a single primary limit or by a combination of separate primary and umbrella or excess liability policies, provided that coverage under the latter shall be at least as broad as that afforded under the primary policy.
- (C) Professional Liability (Errors & Omissions): In the event that services delivered pursuant to this Franchise either directly or indirectly involve or require professional services, Professional Liability (Errors & Omissions) coverage shall be provided with minimum limits of \$1,000,000, per claim and in the aggregate.

If asbestos, lead or PCB's are a potential exposure, such insurance shall not exclude pollution arising out of asbestos, lead and/or PCB operations.
- (E) Workers' Compensation: Workers Compensation coverage, as required by the Industrial Insurance Act of the State of Washington, as well as any similar coverage required for this work by applicable federal or "Other States" state law, or the statutory requirements of the state of residency.
- (F) Employers Liability or "Stop Gap": Coverage with minimum limits of \$1,000,000 each occurrence and shall be at least as broad as the indemnification provided by the Workers Compensation policy Part 2 (Employers Liability) or, in states with monopolistic state funds, the protection provided by the "Stop Gap" endorsement to the general liability policy.

18.8 Deductibles and Self-Insured Retentions: Any deductible and/or self-insured retention of the policy(s) shall not in any way limit County's right to coverage under the required insurance, or to Franchisee's or any Contractor's liability to the County, and shall in all instances be the sole responsibility of Franchisee and its Contractor(s), even if no claim has actually been made or asserted against Franchisee or Contractor(s).

18.9 Other Insurance Provisions: The insurance policies required in this Franchise shall contain, or be endorsed to contain, the following provisions:

- (A) All Liability Policies except Professional Liability (Errors and Omissions) and Workers Compensation.
 - 1. The County and County Parties shall be covered as additional insured, for full coverage and policy limits, as respects liability arising out of ongoing and completed work, or other activities performed by or on behalf of Franchisee or its agents, representatives, employees or Contractor(s) in connection with this Franchise. Additional insured status shall include Products-Completed Operations.
- (B) With respect to all liability policies (except Workers Compensation):
 - 1. Coverage shall be primary insurance as respects the County, its officials, employees and agents.  - 2. Insurance shall expressly state that it applies separately to each insured and additional insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.
- (C) **All Policies:** Coverage shall not be suspended, voided, canceled or materially changed until after thirty (30) days prior written notice has been given to the County. In the event of said cancellation or intent not to renew, Franchisee shall obtain and furnish to the County evidence of replacement insurance policies meeting the requirements of this Section 18 by the cancellation date. Failure to provide proof of insurance could result in revocation or termination of the Franchise.

18.10 Acceptability of Insurers: Unless otherwise approved by the County, insurance is to be placed with insurers with an A.M. Best rating of no less than A:VII, or, if not rated with A.M. Best, with minimum surpluses the equivalent of A.M. Best surplus size VIII. Professional Liability, Errors, and Omissions insurance may be placed with insurers with an A.M. Best rating of B+:VII. Any exception must be approved by the County's Office of Risk Management Services. If, at any time, the foregoing policies shall fail to meet the above requirements, Franchisee shall promptly obtain a new policy, and shall submit the same, with appropriate certificates and endorsements, to the County.

18.11 Verification of Coverage: Prior to the execution of this Franchise, Franchisee shall furnish the County with certificates of insurance and endorsements certifying the issuance of all insurance required by this Franchise. All evidence of insurance shall be signed by a properly authorized officer, agent, general agent or qualified representative of the insurer(s), shall set forth the name of the insured(s), the type and amount of insurance, the location and operations to which the

insurance applies, the inception and expiration dates, and shall specify the form number of any endorsements issued to satisfy this Franchise's insurance requirements.

Upon request of the County, and within five (5) business days, Franchisee must provide copies of any renewal certificates of insurance and endorsements. In the event of a claim, Franchisee must provide complete copies of all required insurance policies, which may be redacted of confidential or proprietary information.

The County's receipt or acceptance of Franchisee's or its Contractor's evidence of insurance at any time without comment or objection, or the County's failure to request certified copies of such insurance, does not waive, alter, modify, or invalidate any of the insurance requirements set forth in this Section 18 or, consequently, constitute County's acceptance of the adequacy of Franchisee's or any Contractor's insurance or preclude or prevent any action by County against Franchisee for breach of the requirements of this Section 18.

18.12 Contractors: Franchisee shall include all Contractors as insured under its policies or, alternatively, Franchisee must require each of its Contractors to procure and maintain appropriate and reasonable insurance coverage and insurance limits to cover each of the Contractor's liabilities given the scope of work and the services being provided herein. All liability insurance policies (except Professional Liability and Workers Compensation) provided by the Contractor(s) must name the County and County Parties as additional insured, for full coverage and policy limits. Franchisee is obligated to require and verify that all Contractors maintain insurance and ensure that the County is covered as additional insured. Upon request by the County, and within five (5) business days, Franchisee must provide evidence of Contractor(s) Insurance coverage (including endorsements).

18.13 Insurance Review: In consideration of the duration of this Franchise, the Parties agree that the Insurance Section herein, at the discretion of the County Risk Manager, may be reviewed and reasonably adjusted with each amendment and within ninety (90) days of the end of the first five (5) year period of the term of this Franchise and the end of each successive five (5) year period thereafter. Any adjustments made as determined by the County Risk Manager, shall be in accordance with reasonably prudent risk management practices and insurance industry standards and shall be effective on the first day of each successive five (5) year period. Adjustment, if any, in insurance premium(s) shall be the responsibility of Franchisee. Any failure by the County to exercise the right to review and adjust at any of the aforementioned timings shall not constitute a waiver of future review and adjustment timings.

18.14 Franchisee shall furnish the County with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsements, evidencing the insurance requirements of Franchisee or its Contractor(s) before commencement of any Construction, Maintenance, Operations, or any work or any other activities associated with this Franchise.

18.15 In satisfaction of the insurance requirements set forth in this Section 18, Franchisee may maintain a fully-funded self-insurance program for its liability exposures in this Franchise, which is consistent with good utility practice. Franchisee agrees to provide the County with at least thirty (30) days prior written notice of any material change in Franchisee's self-funded insurance program and will provide a letter of self-insurance as adequate proof of coverage. If Franchisee decides to no longer maintain a self-insurance program for its liabilities, Franchisee must promptly

notify the County and provide certificates of insurance and corresponding endorsements evidencing the insurance requirements in this Franchise have been satisfied.

Section 19. Performance Bond

If the County finds that Franchisee is not in substantial compliance with the terms and conditions of this Franchise, the County may require Franchisee to furnish a performance bond up to \$250,000 to ensure performance of Franchisee's obligations under this Franchise. The bond must be executed by Franchisee with a corporate surety authorized to conduct surety business in the State of Washington, with an AM Best's rating of an A: XII. The bond shall stipulate that Franchisee shall comply with all of Franchisee's obligations under this Franchise. Franchisee shall pay all premiums or costs associated with maintaining the performance bond, and shall keep the same in full force and effect at all times during the term of this Franchise and any extension thereof. If Franchisee fails to provide or maintain the bond, then the County may require Franchisee to substitute an equivalent cash deposit in lieu of the bond. With written notice, the County, in its sole discretion, may allow Franchisee to cancel this performance bond.

Section 20. Incorporation and Annexation

If any road or County ROW is annexed into the corporate limits of a city or town or is incorporated, then the Franchise granted herein shall terminate as to any road or County ROW within the corporate limits of such city or town, but the Franchise shall continue as to County roads and County ROW not incorporated into a city or town. The County shall not be liable to Franchisee for any damages, loss, costs, or other impacts that may arise out of or relate to such annexation or incorporation.

Section 21. Vacation

21.1 If all or any portion of a County ROW that is subject to this Franchise is vacated, then the Franchise granted by this Franchise shall automatically terminate with respect to the vacated portion of such County ROW. The County shall not be liable for any damages, loss, costs, or other impacts to Franchisee by reason of such vacation and termination.

Section 22. Transfer and Assignment

22.1 This Franchise may not be transferred, assigned, leased, sold, partitioned, disposed of, or otherwise subject to a change in the identity of Franchisee (each such activity, a "Transfer") in whole or in part, in any manner, without the prior written approval of the County Council. If a Transfer of the Franchise is approved by the County Council, the transferee must agree to be bound by each and every provision, condition, regulation and requirement contained in this Franchise and Franchisee shall not be relieved of any duty or obligation under this Franchise until a complete and sufficient Transfer instrument is approved and executed by the County.

22.2 In the case of an assignment of this Franchise to secure indebtedness, whether by mortgage or other security instrument, the County's consent shall not be required unless and until the secured party elects to realize upon the collateral. Franchisee shall provide prompt, written notice to the County of any assignment to secure indebtedness.

22.3 In the event Franchisee desires to transfer ownership of Franchisee Facilities, such transfer shall be arranged and accomplished consistent with a written agreement between the County and the transferee, binding the transferee to compliance with all terms and conditions applicable to the transferee's use and occupancy of the County ROW. Franchisee Facilities that are out of compliance with the Road Standards may not be transferred unless and until they are brought into compliance.

22.4 Transfer of this Franchise or Franchisee Facilities in violation of this Section 22 shall constitute a Default of the Franchise.

Section 23. Default, Revocation, and Termination

23.1 If Franchisee Defaults on any term or condition of this Franchise, the County may revoke or terminate the Franchise as provided in this Section 23, or pursue any remedy in equity or under Applicable Laws. Upon revocation or termination, all rights of the Franchisee granted by this Franchise shall cease, and the County may suspend or withdraw approval of any active ROW construction permits.

23.2 A Party asserting a Default shall give the other Party written notice of such Default, stating with specificity the events or circumstances and nature of the alleged Default. The Party receiving such notice shall have thirty (30) days following receipt to: (1) cure the Default; or (2) demonstrate to the other Party's satisfaction that a Default does not or no longer exists; or (3) submit a plan satisfactory to the other Party to correct the Default within a reasonable time. If, at the end of the sixty (60) day cure period, the non-defaulting Party reasonably believes that the Default is continuing and the Party allegedly in Default is not taking satisfactory corrective action to cure or correct the Default, then the other Party may invoke any of the remedies available under this Franchise, in equity, or under Applicable Laws.

23.3 The County may, in its discretion, provide additional opportunity for Franchisee to remedy the Default and come into compliance with this Franchise so to avoid revocation or termination.

23.4 During any period in which Franchisee is in Default the County may suspend, withdraw, or decline to issue any ROW construction permits to Franchisee.

23.5 If the County, in its sole discretion, reasonably determines that circumstances require immediate action to prevent or mitigate an Emergency or any substantial and imminent risk to public health, welfare, or safety or imminent and substantial damage to the County ROW or adjacent properties, then the County may pursue any remedies under this Franchise, in equity, or under Applicable Laws without prior notice of Default to Franchisee and without waiting for the Default cure period to expire.

23.6 If this Franchise is revoked or terminated for any reason, the County may satisfy any remaining financial obligations of Franchisee by utilizing any funds available under the performance bond required in Section 19 (Performance Bond).

Section 24. Disputes; Remedies to Enforce Compliance; No Waiver

24.1 If a dispute under this Franchise other than a Default arising under Section 23 (Default, Revocation, and Termination) arises between the County and Franchisee, it shall first be referred

to the representatives that have been designated by the County and Franchisee to have oversight over the administration of this Franchise. The officers or representatives shall meet within a reasonable time not longer than thirty (30) calendar days of either Party's request for a meeting, whichever request is first, and the Parties shall make a good-faith effort to achieve resolution of the dispute. If the Parties' representatives are unable to resolve the dispute during their initial meeting, and unless further negotiations are agreed upon by the Parties, the dispute shall be referred to mediation. The Parties shall mutually select a mediator to assist them in resolving their differences. If the Parties cannot mutually select a mediator then the County shall provide Franchisee a list of three mediators and Franchisee shall select one from the list. Any reasonable expenses incidental to mediation shall be borne equally by the Parties, provided that each Party shall bear its own legal expenses unless the mediation results in a different allocation.

If mediation fails to resolve the dispute within thirty (30) days after the matter is eligible for submission to mediation, then either Party may then pursue any remedy under this Franchise, in equity, or under Applicable Laws, provided that if the Party seeking judicial redress does not substantially prevail in the judicial action, then it shall pay the other Party's reasonable legal fees and costs incurred in the judicial action.

24.2 Failure of the County or Franchisee to exercise any rights or remedies under this Franchise shall not constitute a waiver of any such right or remedy and shall not prevent the County or Franchisee from pursuing such right or remedy at any future time.

24.3 If the County reasonably determines that circumstances require immediate action to prevent or mitigate imminent and substantial damage or injury, then it may immediately pursue any remedy available at law or in equity without having to follow the dispute resolution procedures in this Section 24.

24.4 In addition to judicial enforcement and any remedies under this Franchise, in equity, and Applicable Laws, the Manager of the Real Estate Services Section and the Director of the Road Services Division are authorized to enforce this Franchise in accordance with the enforcement and penalty provisions of KCC Title 23.

Section 25. County Ordinances and Regulations - Reservation of Police Power

Nothing in this Franchise shall be deemed a waiver of the County's right to exercise its police power to protect the health, safety and welfare of the public, and the County reserves all such powers.

Section 26. Eminent Domain

Franchisee Facilities are subject to the power of eminent domain. In any proceeding under eminent domain, the Franchise itself shall have no value.

Section 27. Survival

27.1 Until such time as all of Franchisee Facilities have been removed or have been decommissioned in place in accordance with Section 14 (Decommissioning of Franchisee Facilities), all of the following provisions, conditions, and requirements contained in the following Sections of this Franchise shall survive the expiration, revocation or termination of the Franchise: (A) Section 4 (Right of Way Construction Permit Required); (B) Section 5 (Emergency Work);

(C) Section 6 (Compliance with Applicable Laws; Performance Standards); (D) Section 7 (Restoration of County ROW); (E) Section 8 (Maps and Records); (F) Section 9 (Relocation of Franchisee Facilities); (G) Section 12 (Hazardous Materials); (H) Section 13 (Dangerous Conditions; Authority for County to Abate); (I) Section 14 (Decommissioning of Franchisee Facilities); (J) Section 15 (Consideration and Reservation of Rights); (K) Section 16 (Hold Harmless and Indemnification); (L) Section 17 (Franchise Administration); (M) Section 18 (Insurance Requirements); (N) Section 19 (Performance Bond); (O) Section 23 (Default, Revocation, and Termination); (P) Section 24 (Disputes; Remedies to Enforce Compliance; No Waiver); and (Q) Section 28 (Governing Law, Stipulation of Venue, and Non-Discrimination).

27.2 After such time as all Franchisee Facilities have been removed or decommissioned in place to the County's satisfaction, only the following provisions shall survive the expiration, revocation, or termination of the Franchise, including any Holdover Period: (A) Section 8 (Maps and Records); (B) Section 12 (Hazardous Materials); (C) Section 16 (Hold Harmless and Indemnification); and (D) Section 17 (Franchise Administration).

27.3 The following provisions shall survive as to any area removed from the coverage of the Franchise as the result of events including, but not limited to, full or partial termination of the Franchise, annexation or incorporation under Section 20, and reduction of the Franchise Area under Section 21: (A) Section 8 (Maps and Records); (B) Section 12 (Hazardous Materials); (C) Section 16 (Hold Harmless and Indemnification); and (D) Section 17 (Franchise Administration).

Section 28. Governing Law, Stipulation of Venue, and Non-Discrimination

28.1 This Franchise and all use of the County ROW granted herein shall be governed by the laws of the State of Washington without giving effect to its choice of law rules or conflicts of law provisions, unless preempted by federal law. Any action relating to the Franchise shall be brought in King County Superior Court, King County, Washington, or in the case of a federal action, in the United States District Court for the Western District of Washington at Seattle, unless an administrative agency has primary jurisdiction.

28.2 Nondiscrimination: Franchisee shall not discriminate on the basis of race, color, marital status, national origin, religious affiliation, disability, sexual orientation, gender identity or expression or age except by minimum age and retirement provisions, unless based upon a bona fide occupational qualification, in the employment or application for employment or in the administration or delivery of services or any other benefits under KCC 12.16.125, as now codified and as hereafter amended. Franchisee shall comply fully with all applicable federal, state, and local Laws, ordinances, executive orders, and regulations that prohibit such discrimination. These Laws include, but are not limited to, King County Charter Section 840, RCW chapter 49.60, and Titles VI and VII of the Civil Rights Act of 1964. Any violation of this provision shall be considered a Default of this Franchise and shall be grounds for revocation, termination, or suspension, in whole or in part, of the Franchise and may result in ineligibility for further agreements with the County.

Section 29. Severability

If any Section, sentence, clause, phrase, or provision of this Franchise or the application of such provision to any person or entity should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or

constitutionality of any other Section, sentence, clause, phrase, or provision of this Franchise, nor the application of the provision at issue to any other person or entity.

Section 30. Notice and Emergency Contact

30.1 Wherever in this Franchise written notices are to be given or made, they will be sent by certified mail, return receipt requested, or reliable overnight courier to the addresses listed below, unless different addresses shall be designated in writing and delivered to the other Party. The Parties may also provide notice by email. If a Party disputes the delivery or receipt of notice by email then that Party shall bear the evidentiary burden to prove, by a preponderance of the evidence, that such notice was not delivered or received or both.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO King County ITD (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
