### Ordinance 19686

**Proposed No.** 2023-0319.1

**Sponsors** Perry

1 AN ORDINANCE approving the Woodinville Water  
2 District General Sewer Plan dated May 2023.

3 **STATEMENT OF FACTS:**

4 1. King County has adopted K.C.C. chapter 13.24, which requires  
5 approval of comprehensive plans for water and sewer utilities that provide  
6 service in unincorporated King County as a prerequisite for operating in  
7 unincorporated King County, receiving approval for annexation proposals,  
8 being granted right of way franchises, and being given approval for right  
9 of way construction permits. K.C.C. chapter 13.24 prescribes the  
10 requirements for approval of such plans, including consistency with state  
11 and local planning requirements.

12 2. The Woodinville Water District’s last wastewater system plan was  
13 approved in 2010. King County regulations require wastewater system  
14 plans to be updated every six years.

15 3. The Woodinville Water District's wastewater system has a service area  
16 within King County and will adopt its wastewater comprehensive plan  
17 (“the plan”) upon approval by the Washington State Department of  
18 Ecology and King County.

19 4. King County has adopted a Comprehensive Plan that includes policies  
20 F-101 through F-264, the applicable portions of which address wastewater

21 policies for facilities, and services; these wastewater policies call for  
22 consistency with other adopted plans, pursuit of reclaimed water, water  
23 conservation, and protection of water resources.

24 5. K.C.C. chapter 13.24 requires the utilities technical review committee  
25 to review, and make a recommendation to the King County executive, and  
26 council on the plan, the requirements under K.C.C. chapter 13.24, and  
27 consistency with the King County Comprehensive Plan. The utilities  
28 technical review committee has reviewed the planning data and system  
29 operations and has found:

30 a. The plan considers population and employment forecasts developed  
31 by the Puget Sound Regional Council;

32 b. The system's service area is in unincorporated King County;

33 c. The capital facility plan is adequate to meet anticipated facility and  
34 service needs;

35 d. The plan is consistent with applicable Washington state water quality  
36 laws; and

37 e. The plan is consistent with other pertinent county adopted plans and  
38 policies.

39 6. Washington state Department of Ecology approval of the plan is  
40 pending.

41 7. Under the State Environmental Policy Act the Woodinville Water  
42 District completed an environmental check list and issued a Determination

Ordinance 19686

---

43 of Nonsignificance for the plan approval on April 26, 2023. There were  
44 no appeals.

45 8. The system's operations and facilities meet multiple existing statutory,  
46 administrative, and planning standards. As the system's operations,  
47 facilities, and planning meet the requirements of the King County Code,  
48 and are consistent with the King County Comprehensive Plan, the utilities  
49 technical review committee has recommended approval of the plan.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
