1 **ARTICLE 1: POLICY AND PURPOSE**

2 **Section 1.1. Policy.** These articles constitute an Agreement, the terms of which have been
3 agreed upon by the parties King County, hereinafter referred to as the County, and King County
4 Corrections Guild, hereinafter referred to as the Guild.

5 **Section 1.2. Purpose.** The intent and purpose of this Agreement is to promote the continued
6 improvement of the relationship between the County and its employees by providing a uniform basis
7 for implementing the right of public employees to join organizations of their own choosing; to be
8 represented by such organizations in matters concerning their employment relations with the County;
9 and to set forth the wages, hours, and other working conditions of such employees in appropriate
10 bargaining units, provided the County has authority to act on such matters, and further provided the
11 matter has not been delegated to any civil service commission or personnel board similar in scope,
12 structure, and authority as defined in RCW 41.56.

13 **Section 1.3. Nondiscrimination.**

14 The County and the Guild agree that they will not illegally discriminate against any employee by
15 reason of race, color, age except by minimum age and retirement provisions, sex, sexual orientation,
16 gender, gender identity or expression, marital status, religion, national origin, ancestry, political
17 ideology, status as a family caregiver, military status or status as a veteran who was honorably
18 discharged or who was discharged solely as a result of the person's sexual orientation or gender
19 identity or expression, or the presence of any sensory, mental or physical disability. The parties agree
20 that the County may need to accommodate an employee's disabilities, in accordance with the
21 Americans with Disabilities Act (ADA) or RCW 49.60, and that such an accommodation shall take
22 precedence over any conflicting provisions of this Agreement.

23 **ARTICLE 2: GUILD RECOGNITION AND MEMBERSHIP**

24 **Section 2.1. Exclusive Recognition.** The King County Council recognizes the Guild,
25 Certification No. 12491-E-96-2087, as certified on September 10, 1996 by the Public Employment
26 Relations Commission (PERC), as representing regular full-time Corrections Officers and
27 Corrections Sergeants employed by the King County Department of Adult and Juvenile Detention
28 (the Department). If the County decides to use part-time positions to perform work currently

1 performed by Guild represented employees, those part-time employees will be represented by the
2 Guild. The County will bargain with the Guild concerning wages, hours and working conditions for
3 such part-time employees.

4 **Section 2.2. Guild Membership.** All employees covered under the terms of this Agreement
5 may voluntarily join the Guild as a member.

6 **Section 2.3. Dues Deduction.** Upon written receipt from the Guild Secretary of a voluntary
7 authorization by an employee covered under Section 2.1 of this Article, the County shall have
8 deducted from the pay of such employee, the amount of dues, charges, assessments, and/or fees as set
9 by the Guild and shall transmit the same to the treasurer of the Guild. If the County receives such
10 authorization directly from an employee, it shall forward such request to the Guild as soon as
11 practicable. The County shall end payroll deduction for an employee after it receives confirmation
12 from the Guild Secretary regarding the employee's revocation; the termination of such deduction
13 shall take place no later than the second payroll after receipt of the confirmation.

14 The Guild will indemnify, defend, and hold the County harmless against any claims made and
15 against any suit instituted against the County on account of any check-off of dues, charges,
16 assessments, and/or fees for the Guild. The Guild agrees to refund to the County any amounts paid to
17 it in error on account of the check-off provision upon presentation of proper evidence thereof.

18 **Section 2.4. New Hires.** In accordance with RCW 41.56.037, the Parties agree that the
19 Guild will be provided sixty (60) minutes access to new hires at the Departmental new employee
20 orientation.

21 **Section 2.5. New Hire/Separation Information.** The Department shall supply to the Guild
22 the following information within one (1) month of a new employee's date of hire or new Guild
23 eligibility:

- 24 • First and last names
- 25 • U.S. mailing address
- 26 • Date of hire
- 27 • Rate of pay
- 28 • FTE status

1 On a monthly basis, the County shall also provide notice to the Guild regarding employee separations
2 which shall contain the name of the employee, date of separation, and the basis of the separation
3 (retirement, resignation, termination, etc.).

4 **Section 2.6. Employment Lists.** The County will transmit to the Guild a current listing of
5 all employees in the bargaining unit within thirty (30) calendar days of request for same but not to
6 exceed twice per calendar year. Such list shall include the name of the employee, classification,
7 division, work location, email address, phone number if the employee provides it, and salary.

8 **Section 2.7. Overtime Reports.** No more than monthly, the Guild may request a report that
9 describes the utilization of overtime on a voluntary and mandatory basis, which the County will
10 thereby provide. The parties agree that copying the Guild on the distribution of the overtime report
11 required by the proviso from County Council satisfies this obligation.

12 **ARTICLE 3: MANAGEMENT RIGHTS**

13 It is recognized that the County retains the right to manage the affairs of the County and to
14 direct the work force. Such functions of the County include, but are not limited to:

15 A. Determine the mission, budget, organization, number of employees, and internal
16 security practices of the Department of Adult and Juvenile Detention;

17 B. Recruit, examine, evaluate, promote, train, transfer employees of its choosing, and
18 determine the time and methods of such action;

19 C. Discipline, including but not limited to, suspending, demoting, or dismissing
20 employees for just cause; provided that when a transfer is intended as a disciplinary sanction, it is
21 subject to the Just Cause requirement;

22 D. Assign, direct and reduce the work force; develop and modify class specifications
23 and assign positions to such classes; determine the method, materials, and tools to accomplish the
24 work; designate duty stations and assign employees to those duty stations. Except where mutually
25 agreed in writing, management will not replace or reclassify uniform positions with non-uniform
26 positions for the duration of this Agreement;

27 E. Establish reasonable work rules; assign the hours of work and take whatever
28 actions may be necessary to carry out the Department of Adult and Juvenile Detention’s mission in

1 case of emergency.

2 F. Uniforms: the Department may change or modify its requirement with respect to
3 the uniforms worn by its employees.

4 G. Video Cameras: to enhance the utility of video cameras, the Department may add
5 a recording capability to video cameras in all facilities. Video recordings shall only be reviewed in
6 connection with a specific concern or a specific incident. An employee who is the subject of an on-
7 shift investigation or IIU investigation into alleged or suspected misconduct including, but not limited
8 to, suspected failure to report a use of force and preliminary investigations being conducted into uses
9 of force, where there is a suspected violation of policy or procedure shall be allowed upon request to
10 privately view the video with a Guild representative prior to their interview concerning the alleged
11 misconduct. Review of video will generally not be allowed in advance of submitting routine reports.
12 Normally routine reports are those reports submitted by the employee prior to going off duty on the
13 shift during which the incident occurred or during the employee’s next scheduled shift.

14 H. Unless specifically negotiated otherwise or contradicted in a specific provision of
15 this Agreement, the 2005 King County Personnel Guidelines in effect on March 16, 2009, shall cover
16 all employees and classifications in this bargaining unit except with respect to promotional
17 procedures and with respect to the Guidelines deletion of the word “confidential” in section 13.5
18 describing the Employee Assistance Program.

19 **ARTICLE 4: GUILD REPRESENTATION**

20 Section 4.1. **Appointment to Guild Position.** An employee elected or appointed to a Guild
21 office which requires a part or all of their time shall be given a leave of absence of up to one (1) year
22 without pay, upon application. This applies to only one (1) employee at any given time.

23 Section 4.2. **Business Leave Bank.** The Guild will establish a business leave bank for Guild
24 activity. The business leave bank hours shall be established through the deduction of two (2) hours
25 of vacation leave annually from each dues-paying member (excluding probationary employees).
26 Employees must inform payroll within two (2) weeks of the notice from the Guild if they wish to
27 have compensatory time or holiday leave used instead of vacation leave. Notification to the
28 employees of this option shall be the responsibility of the Guild. An employee who received a no-

1 pay based on Guild leave bank deductions will not be disciplined. The County agrees to administer
2 the business leave bank account, provided the Guild has the sole discretion to determine who may use
3 the business leave bank and under what circumstances. The release of employees for Guild business
4 leave shall not be unreasonably withheld as long as the employee provides the County with a
5 minimum of two (2) days of notice of intent to use Guild leave, except in emergencies at the request
6 of the Guild President with one (1) day of notice. Members of the Guild Board, inclusive of shift
7 representatives and executive officers, will not be required to work mandatory overtime if doing so
8 would prevent them from attending a Board meeting scheduled pursuant to this section, unless a non-
9 staffing related emergency is occurring. Based on the current business leave process, an employee
10 may request “Guild Business Leave” for Guild business, and each pay period Payroll will send a list
11 to the Guild to approve or deny. Should the Guild deny the use of Guild leave, the employee shall be
12 required to use their own vacation leave or compensatory time off. An employee on approved Guild
13 business leave shall not be subject to discipline for going into a “no pay” status. Participating Guild
14 represented employees will not be required to use Guild leave to attend Labor/Management meetings.

15 **Section 4.3. Outside Agency Assignment.** An employee selected by the Department of
16 Adult and Juvenile Detention (DAJD) for temporary assignment of up to two (2) years with an
17 outside agency (including, but not limited to the State Academy, State Criminal Justice Training
18 Commission, or the National Institute of Corrections), shall continue to be covered by all Articles of
19 this agreement, excluding Article 11 Hours of Work.

20 The following restrictions shall be placed on assignments that involve personal services
21 contracts with outside agencies.

22 1. The County shall only approve personal service contracts where the job was posted
23 and all interested, eligible persons were allowed to apply.

24 2. To be eligible for such assignment, the employee must have been a Correction
25 Officer for at least three (3) years.

26 3. An employee is only eligible for such assignment once every six (6) years;

27 4. An employee returning from such assignment must wait at least six (6) months
28 from the time of their return to be eligible to be promoted to Sergeant.

1 Where allowable, for temporary assignments that do not involve a personal service contract,
2 the County shall continue its practice of selecting employees to be assigned.

3 **Section 4.4. Guild Representatives.** The Department shall afford Guild representatives a
4 reasonable amount of time while in on-duty status to consult with appropriate management officials
5 and/or aggrieved employees, provided that the Guild representatives and/or aggrieved employees
6 contact their immediate supervisors, indicate the general nature of the business to be conducted, and
7 request necessary time without undue interference with assignment duties. Time spent on such
8 activities shall be recorded by the Guild representatives on a time sheet provided by the supervisor.
9 Guild representatives shall guard against use of excessive time in handling such responsibilities.

10 **Section 4.5. Guild Leave Time.** Guild representatives shall indicate their use of Guild leave
11 time on absence request forms, utilizing appropriate codes, and indicating start and end times of
12 hours used. The Guild shall notify the County in advance of all employees who may be authorized to
13 use Guild leave on a regular basis, as well as notify the County when there are changes that make an
14 employee no longer eligible.

15 **Section 4.6. Seniority.** Seniority is established as the employee's date of hire for all Officers
16 and the employee's date of promotion for all Sergeants. For employees with the same date of hire the
17 following criteria will be used to determine seniority:

- 18 1st - Previous DAJD Service;
- 19 2nd - Previous WSCJTC or DOC corrections officer academy graduation date;
- 20 3rd - Previous other adult corrections experience;
- 21 4th - Previous other law enforcement experience;
- 22 5th - Previous King County employment;
- 23 6th - Approved for hire date;
- 24 7th - Application submittal date; and
- 25 8th - Names randomly drawn by the Guild President during an open meeting.

26 Proof of eligibility for each criterion above will be the ultimate responsibility of the
27 employee. For Sergeants with the same date of promotion, the employee with the earlier seniority
28 date as an Officer will be placed ahead of the other(s).

1 Employees in a no-pay status for more than ninety (90) consecutive days will have their
2 seniority date adjusted day for day starting on the ninety-first (91st) day. This will cause the employee
3 to fall from an earlier seniority date to a later one. In this instance when an employee falls from an
4 earlier seniority date to a later one resulting in a tie, the employee falling from above will be placed
5 above others with the same seniority. However, an employee who is on an approved worker's
6 compensation claim shall continue to accrue seniority as normal. Employees who are pending
7 approval for worker's compensation shall have any lost seniority reinstated if the claim is approved,
8 but the application of any benefits by seniority shall not be retroactive.

9 For employees who leave the bargaining unit for more than two (2) years their seniority date
10 will be the date of their return to the bargaining unit. For employees who leave the bargaining unit
11 for two (2) years or less, they will retain their seniority date, but the number of days out of the
12 bargaining unit will be deducted. This will cause the employee to fall from an earlier seniority date
13 to a later one. In this instance when an employee falls from an earlier seniority date to a later one
14 resulting in a tie, the employee falling from above will be placed below others with the same
15 seniority.

16 A sergeant may request to voluntarily self-demote back to an officer when an officer vacancy
17 exists. Sergeants who are voluntarily or involuntarily demoted or who bump into an officer position
18 through the Reduction-in-Force process shall combine both Officer and Sergeant seniority (original
19 date of hire subject to above adjustments). Sergeants who are recalled through the Reduction-in-
20 Force process shall have their seniority include any previous time spent as Sergeant.

21 These criteria will not be used to undo any seniority issues that were decided by criteria that
22 were appropriately applied in the past. These criteria do not apply to other dates such as an
23 employee's adjusted service date.

ARTICLE 5: HOLIDAYS

Section 5.1. Observed Holidays. The Parties shall observe the following paid holidays (except Court Detail):

New Year’s Day	January 1
Martin Luther King Jr. Day	third Monday of January
President’s Day	third Monday of February
Memorial Day	last Monday of May
Juneteenth	June 19
Independence Day	July 4
Labor Day	first Monday of September
Veteran’s Day	November 11
Indigenous Peoples’ Day	Second Monday in October
Thanksgiving Day	fourth Thursday of November
Day after Thanksgiving Day	the Friday following Thanksgiving Day
Christmas Day	December 25

Section 5.1.A. Court Detail Holidays. All employees regularly assigned to the Court Detail unit shall observe County holidays on the County schedule, and will take designated County holidays off using holiday leave, unless needed to cover court dates occurring on holidays or volunteering to fill an open post elsewhere as determined and approved by the Department.

Section 5.2. Holiday Observance. All employees shall take holidays on the day of observance unless their work schedule requires otherwise, in which event they shall either be paid for the holiday or, if mutually agreed to by the employee and management, may be scheduled the same as a vacation day. If the holiday falls on an employee’s furlough day and the employee does not work that day, employee shall accrue 8.17 hours of holiday leave.

Section 5.3. Existing Holiday Banks. A maximum of 49.02 hours may be carried over from one calendar year to the next in an employee’s holiday leave bank. For employees who are required

1 to have 49.02 hours or less in their bank at the beginning of a calendar year any hours in excess of
2 49.02 at the end of that calendar year shall be paid in cash. For employees who are grandfathered and
3 allowed to have more than 49.02 hours in their bank at the beginning of a calendar year, those hours
4 above the maximum (49.02) must be reduced by 10% during that calendar year or the remainder of
5 that 10% shall be paid in cash at the end of that calendar year. For the purposes of this section, “the
6 end of the calendar year” shall indicate the end of the pay period that contains December 31, and “the
7 beginning of the calendar year” shall indicate the start of the first full pay period of the new year.

8 **Section 5.4. Personal Holidays.** Each employee shall receive two (2) additional personal
9 holidays to be administered through the vacation plan as follows: employees active on January 15th
10 shall receive two personal holidays to be added to their vacation bank on the paycheck that includes
11 February 1st. New employees who are hired on or before November 15th shall receive two (2)
12 personal holidays to be added to their vacation bank on the last day of the first pay period following
13 their date of hire. These days can be used in the same manner as any vacation day earned. In no
14 event shall there be more than two personal holidays awarded per year.

15 **Section 5.5. Holiday Time Accrual.** An employee’s paycheck will reflect the accrual of
16 holiday time.

17 **Section 5.6. Holiday Premium Pay.** Employees whose work shift begins on the observed
18 holidays set forth in Section 5.1 above, shall receive time-and-one-half (1.5) their Base Rate of pay
19 for all hours worked as a holiday premium in addition to the holiday compensation described in
20 Section 5.2.

21 **Section 5.7. Eligibility.** In order to be eligible for holiday pay or accrual, the employee must
22 be in a paid status on the last regularly scheduled shift prior to and the first regularly scheduled shift
23 after the holiday.

ARTICLE 6: VACATION

Section 6.1. Accrual Rates.

A. Comprehensive leave eligible full-time employees working forty (40) hours per week, shall accrue vacation leave benefits as described in and further qualified by this section. Employees shall receive vacation leave benefits based on an hourly accrual rate for each hour in pay status exclusive of overtime up to the maximums indicated in the table below.

Full Years of Service	Hourly Accrual Rate	Maximum Annual Leave in Days
Upon hire through end of Year 5	0.04620	12
Upon beginning of Year 6	0.05770	15
Upon beginning of Year 9	0.06160	16
Upon beginning of Year 11	0.07700	20
Upon beginning of Year 17	0.08080	21
Upon beginning of Year 18	0.08470	22
Upon beginning of Year 19	0.08850	23
Upon beginning of Year 20	0.09240	24
Upon beginning of Year 21	0.09620	25
Upon beginning of Year 22	0.10010	26
Upon beginning of Year 23	0.10390	27
Upon beginning of Year 24	0.10780	28
Upon beginning of Year 25	0.11160	29
Upon beginning of Year 26 and beyond	0.11540	30

B. Part-time comprehensive leave eligible employees shall accrue vacation leave in accordance with the vacation leave schedule set forth in paragraph A of this section, provided, however, such accrual rates shall be prorated (less overtime) to reflect their normally scheduled

1 workweek.

2 C. Employees eligible for vacation leave shall accrue vacation leave from their date
3 of hire. Employees shall not use or be paid for vacation leave until it has accrued, and is reflected on
4 the employee's pay stub, and such use or payment is consistent with the provisions of this section.

5 D. Comprehensive leave eligible employees who were hired by the County before the
6 Effective Date of this Agreement, as defined in MOA 295U0424, may carry up to 60 days of vacation
7 leave over to the next calendar year (490.2 hours for employees whose standard hours are 40.85
8 hours per week). Employees hired on or after the Effective Date of this Agreement may carry up to
9 40 days of vacation leave over to the following calendar year (326.8 hours for employees whose
10 standard hours are 40.85 hours per week). The amount of vacation leave a part-time benefit
11 comprehensive leave eligible employee may carryover to the following calendar year shall be
12 prorated to reflect their normally scheduled workweek. All employees should arrange to use vacation
13 leave beyond their maximum carryover amount prior to the end of the pay period that includes
14 December 31 of each year. Failure to use vacation leave beyond the maximum carryover amount will
15 result in forfeiture of the vacation leave beyond the maximum amount unless the Director or designee
16 has approved a carryover of such vacation leave because of cyclical workloads, work assignments or
17 other reasons as may be in the best interest of the County.

18 E. Employees who leave County employment prior to successfully completing their
19 first year of County service shall forfeit and not be paid for accrued vacation leave. Full-time
20 comprehensive leave eligible employees and part-time comprehensive leave eligible employees shall
21 be paid for accrued vacation leave to their date of separation up to the maximum accrual amount if
22 they have successfully completed their first year of County service. Payment shall be the accrued
23 vacation leave multiplied by the employee's Base Rate of pay in effect upon the date of leaving
24 County employment less mandatory withholdings.

25 F. No employee shall work for compensation for the County in any capacity during
26 the time that the employee is on vacation leave.

27 G. Vacation leave may be used in fifteen (15) minute increments (unless leave usage
28 is for a full day or will exhaust an employee's leave balance), at the discretion of the

1 Director/designee.

2 H. In cases of separation from County employment by death of an employee with
3 accrued vacation leave and who has successfully completed their first year of County service,
4 payment of unused vacation leave up to the maximum accrual amount shall be made to the
5 employee’s estate, or, in applicable cases, as provided for by state law, RCW Title 11.

6 I. If an employee resigns from County employment in good standing or is laid off and
7 subsequently returns to County employment within two (2) years from such resignation or layoff, as
8 applicable, the employee’s prior County service shall be counted in determining the vacation leave
9 accrual rate under paragraph A of this section.

10 **Section 6.2. Vacation Scheduling.**

11 A. Vacation preference requests for a period beginning April 1st and ending the
12 following March 31st, will be processed after annual rotation with a goal of being completed by the
13 end of February preceding the twelve (12) month period during which the vacation is being requested
14 in order to receive scheduling preference. Vacation preference requests shall be granted based upon
15 seniority within each shift, provided that essential facility operations are properly staffed at all times.
16 Employees shall be advised by April 1st regarding approval or disapproval of their requests.
17 Vacation approved through the annual bid may not be converted to compensatory time off.

18 The number of vacation slots available for each shift shall be as follows:

	<u>KCCF</u>		<u>MRJC</u>	
19				
20	First Shift	10	First Shift	7
21	Second Shift	10	Second Shift	5
22	Third Shift	8	Third Shift	4
23	Fourth Shift	5	Fourth Shift	3

24 (Court Detail)

25
26 Additionally, a total leave vacation slot ratio of 1 slot per 10 FTE’s will be maintained each
27 year based on the number of FTE’s provided in the annual budget. For example:

28 490 FTE’s = 49 total vacation slots

1 490.1 FTE's = 50 total vacation slots

2 500 FTE's = 50 total vacation slots

3 500.1 FTE's = 51 total vacation slots

4 Changes in the number of vacation slots will be made in the month of the effective change in staffing
5 (usually January) of each year. The specific shifts/locations for the additional slots shall be
6 determined by management after discussing with the Guild in Labor/Management.

7 **B.** All vacation requests after annual bidding is completed shall be requested for
8 approval from the Department at least seventy-two (72) hours prior to the time being requested in
9 order to have consideration based upon available leave slots. Any requests within seventy-two (72)
10 hours of the start of the shift or during the shift shall be reviewed for approval on a case-by-case basis
11 based on available leave slots per current practice and shall be approved unless the approval would
12 result in mandatory overtime. All requests for vacation leave must be approved by a Supervisor
13 authorized to approve leave requests.

14 **C.** Positions that are not backfilled for shall not count against the vacation leave slots
15 (for example: Policy and Procedures). Employees on approved Guild Leave shall not count against
16 the vacation leave slots.

17 **D.** Employees who are transferred involuntarily, and who have already had their
18 vacation requests approved, will be allowed to retain that vacation period regardless of their seniority
19 within the shift to which they are transferred.

20 **E.** Employees who are determined to have inadequate leave hours available to use for
21 annual vacation bids will be notified of their deficiency and the Department will cancel their annually
22 bid vacation period. The vacant leave slots created due to this cancellation will be offered to the next
23 employee on the wait list, or posted up for all eligible employees to request.

24 **F.** Employees wishing to cancel vacation days that were obtained as a result of annual
25 vacation bidding must notify the Department of cancellation at least seventy-two (72) hours prior.
26 This requirement does not negate an employee's ability to cancel particular days only of annually bid
27 vacation periods; but will support the Department's efforts to re-distribute available leave slots to
28 employees on the stand-by list, or to post up for all eligible employees to request.

1 Exceptions to the seventy-two (72) hour rule will be granted if:

- 2 1. Cancelling scheduled vacation would reduce/eliminate overtime for the shift.
- 3 2. Cancelling scheduled vacation would allow another employee on the wait list (in order) to
- 4 take leave, or another employee to take leave when no one is on the wait list, or
- 5 3. Cancelling scheduled vacation would prevent the employee from going into a no-pay
- 6 status.

7 **Section 6.3. Transfers.** If an employee with approved vacation voluntarily transfers to
8 another assignment at a time other than annual rotation, their vacation request shall be cancelled.
9 Employees will be notified of this policy prior to approval of the transfer request. The employee
10 must submit a new vacation request upon transfer. Such request will be evaluated based on vacation
11 availability at the new assignment.

12 **Section 6.4. Vacation Cancellation.** If the Department cancels an employee’s vacation once
13 it has been approved and affected employee has incurred non-refundable expenses in planning for
14 said vacation, the employee shall be reimbursed for any non-refunded expenses incurred by the
15 employee. This shall include any additional costs incurred by the employee in returning home early
16 to report to work. This reimbursement shall be conditioned on the employee informing the
17 Department at the time of cancellation notification of the potential non-refundable expenses.

18 **ARTICLE 7: SICK LEAVE**

19 **Section 7.1. Accrual Rates.** Comprehensive leave eligible employees shall accrue sick leave
20 benefits at the rate of 0.04616 hours for each hour in pay status, exclusive of overtime, up to a
21 maximum of 3.771 hours per bi-weekly pay period unless additional leave is required by law. An
22 employee is not entitled to sick leave until the first day after the end of the pay period in which it was
23 accrued.

24 **Section 7.2. Vacation as Extension of Sick Leave.** Employees eligible to accrue vacation
25 leave may, with prior approval from the Director’s/designee, use any accrued days of vacation leave
26 as an extension of sick leave. If vacation is approved as an extension of sick leave during the first
27 year of employment, and the employee does not work a full year, any vacation leave used for sick
28 leave must be reimbursed to the County upon termination. The terms of this provision do not apply

1 to employees using accrued vacation leave for a qualifying event under the Washington Family Care
2 Act.

3 **Section 7.3. Increments of Use.** Sick leave may be used in fifteen (15) minute increments
4 (unless leave usage is for a full 8.17 hour day or will exhaust an employee's leave balance).

5 **Section 7.4. Notice.** Sick calls for all foreseeable absences must be made prior to the shift
6 start time, in accordance with current practice, to facilitate adequate time to seek volunteers to cover
7 posts that must be backfilled. For non-foreseeable absences, sick call must be made as soon as
8 possible before the start of the shift, unless it is not practicable for the employee to do so.

9 **Section 7.5. Limit.** There is no limit to the hours of sick leave accrued by an employee
10 eligible for comprehensive leave benefits.

11 **Section 7.6. Administration of Benefit.** Management is responsible for the proper
12 administration of this benefit, in compliance with King County Ordinances, Washington Law, and
13 Federal law.

14 **A.** Employees shall complete an absence request form on the first day back to work
15 after an illness. Employees may be required to provide a physician's verification (using currently
16 approved forms) for any absence of more than three (3) consecutive work days if there is a specific
17 concern regarding the validity of an employee's absence or ability to safely return to work.

18 **B.** It shall be the employees' responsibility to notify the Department when submitting
19 their required leave request forms if the leave is for a Family Medical Leave (FML) qualifying event.
20 If sick leave is used, a statement explaining the requirement for said leave shall be included with the
21 absence request form.

22 **C.** If verification of illness is required for an employee's absence exceeding three (3)
23 consecutive work days, the Department will make a reasonable effort to inform the employee of the
24 need for such verification prior to their return to work. If verification is required, the employee shall
25 present the verification upon their return to work, except, the employee will be given up to ten (10)
26 calendar days following the first day upon which the employee used paid sick leave to provide the
27 verification if the employee was not notified during the illness of the requirement to provide
28 verification. If the County requires verification and the employee anticipates that the requirement

1 will result in an unreasonable burden or expense, the employee may provide an oral or written
2 explanation asserting that the employee’s use of paid sick leave was for an authorized purpose and
3 describing how the County’s verification requirement creates an unreasonable burden or expense on
4 the employee. The County shall consider the employee’s explanation as required by Washington law.
5 The County shall not require that the verification provided by the employee explain the nature of the
6 employee’s condition. The County shall treat any health information about an employee or an
7 employee’s family member in a confidential manner.

8 **D.** Except in extraordinary circumstances, failure to notify an employee prior to their
9 return to work relieves the employee of the responsibility to provide medical verification of illness, if
10 so requested. “Extraordinary circumstances” for the purpose of this Article includes weekends or
11 holidays where administrative staff is not on duty to evaluate sick leave use.

12 **E.** In addition, after an absence of more than three (3) consecutive workdays, the
13 County may require the employee to submit a FMLA/KCFML certification for leaves that may
14 qualify as family medical leave pursuant to this Article. The limitations stated above regarding
15 verification of illness apply to the County’s request for an FMLA/KCFML certification.

16 **Section 7.7. Separation from County Employment.**

17 **A.** Separation from or termination of County employment except by reason of
18 retirement or layoff due to lack of work, funds, or efficiency reasons, shall cancel all sick leave
19 accrued to the employee as of the date of separation or termination. Should an employee return to
20 County employment within two (2) years of separation or termination, accrued sick leave shall be
21 restored.

22 **B.** Employees eligible for comprehensive leave benefits and who have successfully
23 completed at least five (5) years of County service and who retire as a result of length of service or
24 who terminate by reason of death shall be paid, or their estates paid or as provided for by RCW Title
25 11, as applicable, an amount equal to thirty-five percent (35%) of their unused, accumulated sick
26 leave multiplied by the employee’s Base Rate in effect upon the date of leaving County employment,
27 less mandatory withholdings. This pay out shall be in accordance with the Voluntary Employee
28 Beneficiary Association (VEBA) as long as such remains accepted by the members of this bargaining

1 unit. Retirement as a result of length of service means an employee is eligible, applies for and begins
2 drawing a pension from PERS, PSERS or the City of Seattle Retirement Plan immediately upon
3 terminating County employment. If a retiree who cashes out their sick leave is rehired, that employee
4 is not entitled to have any sick leave restored.

5 **Section 7.8. Reasons for Use.** Accrued sick leave may be used for the following reasons:

6 A. For self-care or to care for a family member due to mental or physical illness,
7 injury, or health condition, to obtain medical diagnosis, care, or treatment of a mental or physical
8 illness, injury, or health condition; or to receive preventive medical care;

9 B. For family and medical leave available under federal law, state law or as provided
10 for under King County Code, as amended;

11 C. When the employee’s workplace has been closed by order of a public official for
12 any health related reason, or when the employee’s child’s school or place of care has been closed by
13 order of a public official for any health-related reason;

14 D. For absences that qualify for leave under the domestic violence leave act, RCW
15 49.76; or

16 E. To increase the employee’s or a family member’s safety when the employee or the
17 employee’s family member has been a victim of trafficking under RCW 9A.40.100.

18 **Section 7.9. Definition of Family Member.** For purposes of paid sick leave, “family
19 member” is:

20 A. A child, including a biological, adopted or foster child, stepchild, or a child to
21 whom the employee stands in loco parentis, is legal guardian, or is a de facto parent, regardless of age
22 or dependency status, or the child of the employee’s domestic partner;

23 B. The parent of an employee, employee’s spouse or employee’s domestic partner.
24 Parent includes a biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an
25 employee or the employee’s spouse or registered domestic partner, or a person who stood in loco
26 parentis when the employee was a minor child;

27 C. a spouse; domestic partner; a grandparent; a grandchild; or a sibling.

28 **Section 7.10. Worker’s Compensation Payments and Leave Use.** If an injury or illness is

1 compensable under the County’s workers compensation program, then the employee has the option to
2 augment or not augment wage replacement payments with the use of accrued leave. An employee
3 may not simultaneously collect leave and worker’s compensation payments in a total amount greater
4 than the regular pay of the employee. An employee may not collect workers’ compensation wage
5 replacement pay, or augmented leave, for physical incapacity due to any injury or occupational
6 illness that is directly traceable to employment other than with the County.

7 **Section 7.11.** Use of paid sick leave as provided in this Agreement shall not lead to or result
8 in discipline of any employee. The County shall not discriminate or retaliate against any employee
9 for the employee’s use of paid sick leave as provided in this Agreement, Washington law, or Federal
10 law.

11 **Section 7.12. Bereavement Leave.**

12 **A.** Full-time comprehensive leave eligible employees shall be entitled to up to five (5)
13 days (maximum 40.85 hours for employees on an 8.17 hour work day, and pro-rata for part-time) of
14 bereavement leave per death of a qualifying member of the employee’s immediate family.
15 Bereavement leave must be taken within one (1) year from the date of the qualifying death.

16 **B.** Use of additional paid vacation leave, compensatory time, or unpaid leave may be
17 requested as an extension of bereavement, and approved based on operational needs.

18 **C. Immediate Family for Purposes of Bereavement Leave.** Immediate family shall
19 be defined as:

- 20 1. spouse or domestic partner; or
21 2. legal guardian, ward, or any person whom the employee has legal custody;
22 and
23 3. the following family members of the employee, the employee’s spouse, or
24 the employee’s domestic partner:
25 a. a child;
26 b. a parent; (biological, adoptive, foster, stepparent, legal guardian, or a
27 person who stood or stands in loco parentis);
28 c. a grandparent;

- d. a child-in-law;
- e. a grandchild; or
- f. a sibling.

D. When an observed holiday occurs during the leave, the absence shall be recorded as holiday leave and not as bereavement leave.

E. Written verification for bereavement leave may be required by management.

Section 7.13. Federal Family and Medical Leave Act (FMLA) Entitlement. As provided for in the FMLA, an eligible employee may take up to a combined total of twelve (12) weeks of leave for their own serious health condition (as defined by the FMLA) and for the birth or placement by adoption or foster care of a child, or for the serious health condition of an immediate family member (an employee’s child, spouse or parent), within a twelve (12) month period. To be eligible for FMLA leave, an employee must have been employed by the County for twelve (12) months or more and have worked a minimum of one thousand, forty (1040) hours in the preceding twelve (12) months. The leave may be continuous or intermittent. The leave shall run concurrently with King County Family Medical Leave benefit below.

Section 7.14. King County Family and Medical Leave (KCFML) Entitlement. KCFML is available to all employees pursuant to King County Code 3.12.221, as amended.

Section 7.15. KCFML leave may be continuous (which is consecutive days or weeks), or intermittent (which is taken in whole or partial days as needed). Intermittent leave is subject to the following conditions:

A. When leave is taken after the birth or placement of a child by adoption or foster care, an employee may take leave intermittently or on a reduced leave schedule only if authorized by the Department Director or designee;

B. An employee may take leave intermittently or on a reduced schedule when medically necessary due to a serious health condition of the employee or family member of the employee. If this leave is foreseeable based on planned medical treatment, the Department Director or their designee may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and that has equivalent pay and benefits and that accommodates

1 recurring period of leave.

2 **Section 7.16. Washington Family Care Act.** An employee may use accrued vacation or
3 sick leave for a qualifying event under the Washington Family Care Act.

4 **Section 7.17. Accrued Leave Usage.** An employee shall not be required to use all of their
5 accrued sick leave, and any donated sick leave before taking unpaid leave for their own health
6 reasons, at such time the employee begins utilizing short-term disability benefits. For a leave for
7 family reasons, the employee shall choose at the start of the leave whether the particular leave would
8 be paid or unpaid; but when an employee chooses to take paid leave for family reasons they may set
9 aside a reserve of up to eighty (80) hours of accrued sick leave. An employee who has exhausted all
10 of their sick leave may use accrued vacation leave before going on leave of absence without pay, if
11 approved by the Director or designee, or as provided by Federal law. Use of donated leave shall be
12 counted against the employee’s leave entitlement under King County Family and Medical Leave.

13 **Section 7.18.** In the application of any of the foregoing provisions, when a qualifying, paid
14 holiday or furlough day falls within the prescribed period of absence, it shall not be charged against
15 sick leave accrual.

16 **Section 7.19. Concurrent Running of Leave.** To the extent permitted by law, the leaves
17 outlined in this Agreement (including leave for industrial injury) shall run concurrently.

18 **Section 7.20. Special Sick Leave.** All newly hired Corrections Officers shall be provided
19 with thirty (30) days (245.1 hours for employees working 8.17 hour work shifts) special sick leave,
20 which shall be used only to supplement the employee’s industrial insurance benefit should the
21 employee be injured on the job during their first calendar year on the job. The special sick leave shall
22 not be used until three (3) days (24.51 hours for employees working 8.17 hour work shifts) of regular
23 sick leave have been used for each instance of on the job injury. After the first three (3) days (24.51
24 hours for employees working 8.17 hour work shifts) of leave, the employee must use special sick
25 leave prior to using regular sick leave when on an FMLA qualified industrial injury leave. During
26 the second year of employment, and for all succeeding years, all employees shall be provided with
27 twenty (20) days (163.4 hours for employees working 8.17 hour work shifts) special sick leave which
28 shall only be utilized in the circumstances as herein described. Special sick leave is non-cumulative

1 but is renewable annually.

2 **Section 7.21. Organ Donor Leave.** Employees shall be eligible for organ donor leave
3 consistent with King County Code 3.12.215, as amended.

4 **Section 7.22. Paid Parental Leave.** Paid Parental Leave shall be granted to Employees
5 pursuant to King County Code Section 3.12.219 and 3.12.221, as amended.

6 **Section 7.23.** Pre-scheduled use of sick leave for medical appointments shall not count
7 against leave slots.

8 **Section 7.24.** Employees needing to attend medical appointments, but who have exhausted
9 their sick leave due to an on-the-job-injury (OJI) or FMLA/KCFML certified reasons may use any
10 available leave banks or compensatory time off (CTO), or leave without pay if they have no leave
11 balances, to attend these appointments. Medical documentation may be required to be submitted to
12 DAJD Human Resources upon return to work after these appointments. Such employees may use
13 vacation leave, holiday leave, or CTO for all follow-up appointments related to the OJI or
14 FMLA/KCFML.

15 **ARTICLE 8: DONATED LEAVES**

16 **8.1. No Solicitation.** All donations made under this Agreement are strictly voluntary.
17 Employees are prohibited from soliciting, offering, or receiving money or any other compensation or
18 benefits in exchange for a donation of leave hours.

19 **8.2. Approval for Donations.** Donations require written approval from the comprehensive
20 leave eligible donating and receiving employees' directors. If approved, the donated leave will be
21 available the next full pay period after notification of the donation is received by Payroll from the
22 Department of Human Resources (DHR).

23 **8.3. No Cash Out of Donated Leave.** Donated leave hours are excluded from all payouts
24 and restorations.

25 **8.4. No accruals on donated leave.** Vacation and sick leave will not accrue on donated leave
26 as it is used.

27 **8.5. Eligibility to receive and use Comprehensive Leave Eligible Employee-to-**
28 **Comprehensive Leave Eligible Employee or Emergency Medical Fund donated leave hours.**

1 A. The receiving employee must have exhausted all paid leave accruals (e.g., vacation
2 leave, sick leave) and compensatory time to use donated leave.

3 B. The receiving employee can only use donated leave for KCFML and FMLA
4 qualifying reasons.

5 C. The leave for which the employee is requesting donations must be anticipated to be
6 at least one regular workweek or more.

7 **D. Vacation leave hours.** Donated vacation will be converted to sick leave and
8 placed in the receiving employee’s donated sick leave bank. The amount of vacation cannot exceed
9 the donating employee’s leave accrual balance at the time of donation.

10 **E. Sick leave hours.** An employee is limited to donating a total of 25 hours of
11 accrued sick leave per calendar year, provided the donating employee’s sick leave balance will be
12 100 hours or more following the donation.

13 **8.6. Calculation of Donated Leave.** All donated leave hours shall be converted to a dollar
14 value base on the donor’s straight time base hourly rate at the time of the donation. The dollar value
15 will then be divided by the receiving employee’s straight time base hourly rate to determine the
16 actual number of hours received and placed in the receiving employee’s donated sick leave bank.

17 **8.7. Comprehensive Leave Eligible Employee-to-Comprehensive Leave Eligible**
18 **Employee Donations.**

19 A. A comprehensive leave eligible employee may donate a portion of their accrued
20 vacation and/or sick leave hours, as provided under Subsections 8.5 D. and E. above, to another
21 comprehensive leave eligible employee.

22 B. Donation limits, as provided under Subsections 6.6 D. and E. above, are exclusive
23 of donations to the Emergency Medical Leave Fund under 8.8.

24 **C. No Reversion of Donated Leave.** Donated leave hours remain with the recipient
25 and do not revert to the donor.

26 **8.8. Comprehensive Leave Eligible Employee donations to an Emergency Medical**
27 **Leave Fund – Pilot Program.**

28 A. The County will create a pilot program whereby a comprehensive leave eligible

1 employee may donate a portion of their accrued leave hours (e.g. vacation and/or sick leave) to an
2 “Emergency Medical Leave Fund” (Fund) that is managed by the Department of Human Resources.
3 At the County’s discretion, the pilot program can either be continued as a regular program or
4 discontinued upon 30-day written notice to the Guild.

5 **B. Donation of Vacation hours.** An employee is limited to donating 80 hours of
6 accrued vacation per calendar year to the Fund unless the employees’ department directors approve a
7 greater amount.

8 **C. Process and Conditions to receive hours from the Emergency Medical Leave**
9 **Fund.**

10 1. The comprehensive leave eligible employee must submit a request to DHR
11 for hours.

12 2. The maximum donation an employee can receive per calendar year is up to
13 80 hours or 81.7 hours based on the employee’s normally scheduled hours during the biweekly pay
14 period.

15 3. Hours will be distributed on a first come first serve basis and only awarded
16 prospectively (i.e., the leave will not be awarded retroactively to cover previous time in a no-pay
17 status).

18 4. Given there is only a finite number of dollars in the Emergency Medical
19 Leave Fund, there is no guarantee that hours will be awarded.

20 **D. No reversion of donated leave.** Donated hours not used by the receiving
21 employee within 60 calendar days of being awarded will be returned to the Emergency Medical
22 Leave Fund and do not revert to the donor.

23 **8.9. Donation of Vacation Leave or Compensatory Hours to Nonprofit Organizations.**

24 The executive may implement a process providing the opportunity for comprehensive leave eligible
25 employees to convert accrued vacation leave or accumulated compensatory hours, or both, into a cash
26 donation. This process must conform to KCC 3.12.222, as amended.

27 **8.10. Donation to an Account or Program to Benefit Children of Deceased Employee.** If

28 an employee dies during employment, the executive may implement a process providing a one-time

1 opportunity to allow comprehensive leave eligible employees to convert either accrued vacation leave
2 or accumulated compensatory time hours, or both, to cash to benefit any children of the deceased
3 employee who are under 23 years old at the time of the employee’s death. This process must
4 conform to KCC 3.12.224, as amended.

5 **ARTICLE 9: WAGE RATES**

6 **Section 9.1. 2024 and 2025 Wage Rates.**

7 **A. 2024 Market-Based Wage Increase.** As soon as feasible following the Effective
8 Date that is established in MOA 295U0424, a 2.4% market-based wage increase shall be applied to
9 all Base Rates of pay. This wage increase will apply to all wage steps and employees will remain on
10 their designated step, meaning that they will receive a 2.4% wage increase to their wage step when
11 implemented. This wage increase shall be applied prospectively only; under no circumstances shall
12 the County issue retroactive wage increases associated with this market-based wage increase.

13 **B. 2025 Cost of Living Adjustment.** Effective January 1, 2025, a Cost of Living
14 Adjustment will be applied to all Base Rates of pay, consistent with the formula below. Regardless of
15 the result calculated using this formula, the annual COLA effective on January 1, 2025, shall not be
16 more than 4% and shall not be less than 2%.

17 COLA adjustments will be 95 percent of the average growth rate of the six prior bi-monthly
18 year-over-year percentages in the Seattle-Tacoma-Bellevue Consumer Price Index for Urban Wage
19 Earners and Clerical Workers (All Items, base period 1982-84=100) (CPI-W) through June in the
20 year prior to which the COLA will be applied. For example, the wage adjustment for January 1,
21 2025, shall be calculated as the average of the year-over-year percentages from the August 2023,
22 October 2023, December 2023, February 2024, April 2024, and June 2024 values of the CPI-W.

23 A year-over-year change means the percentage change in the CPI-W for that measurement
24 compared to the CPI-W for the same month the prior year. For example, the June 2024 year-over-
25 year change is the percentage change in the June 2024 CPI-W compared to the June 2023 CPI-W.

26 **Section 9.3. Working Out of Classification.** Whenever an employee is assigned, in writing,
27 by the Department Director or designee, to perform the duties of a higher paid classification, that
28 employee shall be paid five percent (5%) over their Base Rate received prior to the assignment, for

1 all time spent while so assigned. Sergeants working in the capacity of Acting Shift Commander shall
2 be compensated at the rate of Step 1, of the Captain’s pay range.

3 **Section 9.4. Field Training Officer (FTO) Pay.** Employees assigned, in writing, by the
4 Department Director or designee to perform FTO duties, shall receive a premium of five percent
5 (5%) of their Base Rate of pay on all paid hours while designated by the Department as an FTO. The
6 Department shall assign FTOs as needed, and determine the process used to select FTOs, the number
7 of FTOs needed at any given time, the duration of all FTO assignments, and whether to add, modify,
8 or remove individual FTO assignments.

9 **Section 9.5. Firearms Qualified Premium.**

10 A. All bargaining unit employees that are gun qualified shall receive a premium of
11 three point thirty-three percent (3.33%) of their Base Rate.

12 B. The Department shall determine the number of employees that may be gun
13 qualified. Provided, however, that the Department will not limit the number of Sergeants that may
14 attempt to become qualified for the firearms premium. Further agreement on the subject of Firearms
15 Re-Qualification is attached hereto as Appendix 1.

16 **Section 9.6. Free Parking.** The County shall provide free parking in a King County garage
17 for all employees regardless of their work location. Free parking is provided only to employees who
18 are parking in connection with their work.

19 **Section 9.7. No Pay Periods and Incentive Pays.** For pay periods where employees
20 experience leave without pay, no incentives shall apply to actual hours spent in no pay status.

21 **ARTICLE 10: OVERTIME AND DEFINITIONS**

22 Overtime is that work which is directed by management. The parties acknowledge that it is the
23 Department’s policy to minimize the use of overtime and, further, that nothing in this Agreement
24 shall be construed as a guarantee of overtime. Eligibility to work overtime shall be determined by the
25 Department.

26 **Section 10.1. Definitions.**

27 A. **Base Rate:** An employee’s hourly wage as listed under Addendum A and based on
28 current step, excluding any and all premium pays or other wage modifiers. Wherever this Agreement

1 calls for any multiplier of pay it shall be paid using the employee’s Base Rate, unless the Article
2 specifically states otherwise, or the Fair Labor Standards Act (FLSA) requires a higher method of
3 compensation.

4 **B. Regular Rate:** That rate required under the FLSA when computing FLSA-
5 qualified overtime.

6 **C. Contract Overtime:** Overtime required under the terms of the collective bargaining
7 agreement but not required under the FLSA.

8 **D. FLSA Overtime:** Overtime required under the FLSA whether or not required
9 under the collective bargaining agreement.

10 **Section 10.2. Payment Rate.**

11 **A. Contract Overtime.** For Contract Overtime, Corrections Officers and Sergeants
12 shall be paid at the rate of time-and-one-half (1.5) their Base Rate for all hours paid in excess of their
13 regularly scheduled shift, inclusive of a one-half (1/2) hour meal period, or when working on a
14 furlough day, consistent with the other provisions of this Article.

15 **B. FLSA Overtime.** For FLSA Overtime, Officers and Sergeants shall be paid their
16 hours worked, plus one-half (0.5) the FLSA rate (also known as the regular rate). FLSA Overtime
17 compensation shall include all remuneration required under the FLSA which includes, but is not
18 limited to, the Base Rate, firearms qualification, educational incentive, language translation, FTO,
19 work in higher classifications, and longevity compensation provided for under this Agreement.

20 **Section 10.3.** Employees will be paid overtime for actual hours worked in excess of their
21 regularly scheduled shift as long as the extra hours are performed consecutively (immediately before
22 or after, with no break in time) to the work shift. Otherwise, the regularly scheduled weekly
23 threshold will be used.

24 **Section 10.4.** Overtime shall be paid according to the following rules:

25 **A.** One (1) to four (4) minutes shall be compensated minute by minute as
26 overtime. (Overtime paid under this sub-paragraph will not apply to the overtime wheel).

27 **B.** Five (5) to fifteen (15) minutes shall be compensated as fifteen (15) minutes of
28 overtime.

1 C. Sixteen (16) minutes or more shall be compensated minute-by-minute as
2 overtime.

3 **Section 10.5.** The Court Detail and Special Assignments whose hours are generally Monday-
4 Friday, 0830 - 1630, shall be allowed to attend to doctors/medical appointments in increments of less
5 than 8 hours and have said hours treated as “hours worked” for purpose of determining overtime
6 eligibility.

7 **Section 10.6. Callout.** A minimum of four (4) hours at the overtime rate shall be allowed for
8 each callout. Callouts are mandatory, unscheduled/unexpected orders to return to work. Where such
9 overtime worked exceeds four (4) hours, the actual hours worked shall be paid at the overtime rate.
10 The provisions of this section apply only when an employee, without prior notice, is required to
11 return to work during a time they are not scheduled to work. This does not include scheduled
12 overtime, meetings, and training sessions requiring a return to work, provided that employees who
13 are assigned to a shift in which the majority (i.e., five (5) hours) of working hours falls between 11:00
14 p.m. and 7:00 a.m. shall receive a minimum of two (2) hours at time-and-one-half (1-1/2 X) their
15 Base Rate for meetings and/or training sessions. If the callout is worked immediately prior to or
16 immediately after the normal scheduled shift, such callout is considered a shift extension/or
17 “consecutive hours” worked, not a callout.

18 **Section 10.7. Overtime Authorization.** All overtime shall be authorized by the Department
19 Director or designee in writing. Saturday and Sunday work is not overtime when it is a regularly
20 scheduled workday. If an employee works overtime, the employee must submit a completed
21 overtime sheet to their supervisor by the end of the employee’s overtime shift. If the employee’s
22 overtime shift is worked at a location other than the King County Correctional Facility (KCCF) or
23 Maleng Regional Justice Center (MRJC), the employee must submit a completed time sheet to their
24 supervisor within seventy-two (72) hours after the close of shift on which the overtime was worked.
25 Employees who choose compensatory time for overtime in an Acting Assignment shall receive time-
26 and-a-half at their usual (not Acting) rate.

27 **Section 10.8. Voluntary Overtime Distribution.** Overtime shall be distributed to
28 employees who have signed up to work overtime as follows:

1 A. The County will make a reasonable effort to offer overtime to the qualified
2 employee with the fewest number of overtime hours worked in the calendar year.

3 B. The Department may schedule overtime assignments for shift vacancies three (3)
4 days in advance, drawing from the overtime sign up lists and using the lowest year to date overtime
5 hours three (3) days prior to the vacant shift. Vacant shifts in excess of employees signed up on the
6 list, or within three (3) days of the vacancy may be filled by available volunteers. If more than one
7 employee volunteers for the same shift vacancy during this period, lowest year to date overtime hours
8 will be used to determine assignment.

9 **Section 10.9. Court Detail Overtime.** Any court detail assignment that will extend past the
10 normal 17:00 end of shift work will be assigned to second shift and that shift will be responsible for
11 filling the assignment with current staff or overtime consistent with this agreement. Any hospital or
12 clinic assignments scheduled to extend beyond 14:20 will be filled by second shift. Court detail
13 officers will generally not be subject to mandatory overtime past 17:00 hours, when first or second
14 shift employees are available, and more junior.

15 **Section 10.10. Same Day Overtime and Leave Use.** It is agreed that regular and reliable
16 attendance is a requirement of employment. As such, employees shall be prohibited from working
17 overtime and taking leave for their normally scheduled shift of the same day, unless making an
18 exception to this rule would benefit the County and employees by preventing an employee from
19 being mandatoried on overtime.

20 **Section 10.11. Mandatory Overtime.** Mandatory overtime shall be defined as anytime an
21 employee is directed by their supervisor not to leave work at the end of their shift or if the employee
22 is required to stay five (5) minutes or longer after their shift (resulting in overtime) as a result of late
23 relief.

24 **A. Ten (10) Day “Wheel”.** Mandatory overtime shall be assigned in reverse
25 seniority order; however, a less senior employee shall not be required to work mandatory overtime
26 within ten (10) days of previously working mandatory overtime as long as there are employees
27 eligible for mandatory overtime on that shift who have not been subject to mandatory overtime within
28 the last ten (10) days (e.g., an employee mandated on April 10 is not eligible for mandatory overtime

1 until April 21 unless no one else is eligible).

2 In cases where all eligible officers have worked mandatory overtime during the ten (10) day
3 period, mandatory overtime assignment shall be based first on number of times hit for mandatory
4 overtime (Example, all eligible shall be hit once before any are hit twice), with reverse seniority as
5 the tiebreaker. Sergeants will not be required to work mandatory overtime more than once in a ten
6 (10) day period. Sergeants may be mandatoried to fill an Acting Shift Commander vacancy once in
7 the same ten (10) day period as above, where no Captain can be utilized. A Sergeant who is
8 mandatoried a maximum of twice with the above combination of Sergeant and Acting Shift
9 Commander shall be paid double time for the second mandatory assignment.

10 **B. Mandatory Overtime before Furlough and Leave Days.** No employee shall be
11 considered for mandatory overtime as an extension of an employee's last shift prior to (1) the
12 employee's furlough days (weekends) or (2) pre-approved leave of a full day or more in duration.

13 **C. Voluntary Overtime Before Furlough.** If an employee volunteers to work
14 overtime as an extension to the last shift prior to their furlough days, and it relieves another employee
15 from working mandatory overtime, it will count as mandatory overtime for the volunteer for the
16 purposes of the ten (10) day wheel.

17 **D. Release from Mandatory Overtime.** Whenever possible, employees shall be
18 relieved from their mandatory overtime shifts in order of reverse mandatory (the last person
19 mandatoried shall be the first eligible to be relieved).

20 **E. Double Time for 2nd Occurrence of Mandatory Overtime.** Any employee
21 required to work mandatory overtime within ten (10) days of previously working at least one (1) hour
22 of mandatory overtime shall be paid double time for such mandatory overtime hours worked within
23 ten (10) days of the previous mandatory overtime.

24 **F. Tapping and Mandatory Overtime Out of Seniority Order.** The parties agree
25 that tapping is an undesirable, but, on occasion, a necessary practice. By agreeing to this Tapping
26 Rule the parties do not intend to increase the occasions on which employees are tapped. Unless an
27 employee is given oral or written notice prior to being relieved from duty (having left their post, or if
28 not assigned to a post, left their assigned work area or their shift starting-ending floor at the end of

1 their shift) that they may be held over to work mandatory overtime, the employee shall generally not
2 be required to work mandatory overtime even if the employee is still within the facility. When
3 Tapping is necessary, or when an employee is required to work mandatory overtime out of seniority
4 order, the employee will be paid an additional one-half time over and above the rate otherwise
5 required by this Agreement. Information on the occurrences of tapping will be available to the Guild
6 upon request. Employees given notice of a potential holdover are required to check in for mandatory
7 overtime before leaving the facility. Management will notify a reasonable number of employees of
8 possible mandatory overtime as early in the shift as possible.

9 **G. Mandatory Overtime Passes.** Each employee will be entitled to use up to two (2)
10 passes per calendar year when their name comes up next on the mandatory overtime list. This section
11 provides an opportunity for the employee to use up to two (2) passes per calendar year, but does not
12 guarantee that any requested pass will be allowed for the shift requested. Passes will be allowed on
13 the following basis:

- 14 1. No more than two (2) passes may be used on any one (1) shift, on a seniority
15 basis.
- 16 2. Use of a pass must be requested at the time of notification of mandatory
17 overtime, and the Captain will determine eligibility, no requests for passes will
18 be accepted after the schedule has been set by the Captain.
- 19 3. Passes may not be used on designated County holidays.
- 20 4. Passes may be denied if a shift commander deems an emergency requiring all
21 available officers.
- 22 5. Grievances of this sub-section shall be limited to Step 3 of the grievance
23 procedure.

24 **H. Employees working second shift shall not be required to work overtime pursuant to**
25 **this Article on the third shift the day before going on annual Military Leave in accordance with**
26 **Article 13.7.**

27 **I. Mandatory on Furlough.** An employee who works a voluntary overtime shift on
28 their furlough day shall not be required to work mandatory overtime on the shift immediately

1 following.

2 **Section 10.12. Cancellation of Overtime.** Employees shall provide at least eight (8) hours of
3 notice before cancelling their scheduled voluntary overtime shifts, with reasonable exceptions on a
4 case-by-case basis. Cancellation of more than three (3) scheduled overtime shifts in a two (2) week
5 period may result in an employee’s removal from the voluntary overtime list for a reasonable period
6 not to exceed thirty (30) calendar days.

7 **Section 10.13. Court Appearances.** The following subsections depict the minimum
8 compensation for court appearances, pretrial hearings, or conferences. Any additional time beyond
9 the minimums will be compensated at the overtime rate, as appropriate, consistent with other
10 provisions in this Article.

11 **A.** If the session starts less than two (2) hours before or after the shift, it will be
12 considered a shift extension for court. Officers/Sergeants will be compensated for the amount of time
13 spent before or after their shift.

14 **B.** If a session starts two (2) or more hours before or after the shift, compensation will
15 be for a minimum of four (4) hours at time-and-one-half (1-1/2 X) their Base Rate.

16 **C.** Officers/Sergeants on scheduled furlough and subpoenaed for court or called in for
17 court-related hearings, shall receive a minimum of four (4) hours overtime at the rate of time-and-
18 one-half (1-1/2 X) their Base Rate.

19 **D.** Officers/Sergeants who are called in for court while on their vacation shall be
20 placed on a regular, i.e., straight time, pay status and compensated for a full day’s pay. In addition,
21 their vacation accrual shall be credited with an additional vacation day.

22 **Section 10.14. Mileage Reimbursement for Court.** The current King County mileage rate
23 will not be paid for attendance at King County Courts.

24 **Section 10.15. Workweek Definition.** For the purpose of calculating FLSA overtime
25 compensation, the seven (7) day FLSA 7(k) work period shall begin at 12:00 a.m. on Saturday of
26 each week and continue for a total of seven (7) consecutive days through 11:59:59 p.m. the following
27 Friday. Upon readiness of the County’s payroll systems, the 7k exemption for FLSA overtime will
28 be set at 43 hours over a 7 day period for employees on a 7 day schedule, and 86 hours for employees

1 on a 14 day schedule.

2 **Section 10.16. Compensatory Time Plan.** In lieu of overtime pay, an employee may
3 request, in writing, compensatory time at the appropriate rate (straight-time, time-and-one half, or
4 double-time) for each hour of overtime that was worked, provided: all compensatory time use must
5 be authorized by Department management. Under normal conditions the following conditions will
6 apply to the use of compensatory time:

7 **A.** Each bargaining unit employee may accrue (earn) a maximum of eighty-two (82)
8 hours of compensatory time each year from any mix of voluntary or mandatory overtime. After that
9 82 hour maximum has been reached, each bargaining unit employee may continue to accrue
10 compensatory time in that year, but only for voluntary overtime, up to a maximum of one hundred
11 and twenty-two (122) hours. Employees who have accrued hours in their compensatory time bank
12 beyond these limits in the calendar year must take overtime compensation in cash, rather than in
13 compensatory time.

14 **B.** Employees will not be allowed to use compensatory time if their unit is below
15 minimum staffing and their absence must be covered by calling another employee in on overtime.

16 **C.** Accrued compensatory time may be paid off at the discretion of management.

17 **D.** The County will provide accrued leave balances on paychecks.

18 **E.** With respect to the scheduling of compensatory time:

19 **1.** The scheduling of compensatory time on a legal holiday or contract holiday
20 is unduly burdensome and disruptive (under the FLSA) to the County’s operation, and;

21 **2.** The scheduling of compensatory time that is requested less than five (5)
22 days in advance of the requested time is unduly burdensome and disruptive (under the FLSA) to
23 County operations.

24 **3.** The scheduling of compensatory time shall use a leave slot pursuant to
25 Article 6, Section 6.2B.

26 **F.** Management’s decisions in the application or granting of compensatory time shall
27 not be subject to the provisions of Article 14, Grievance Procedure.

28 **Section 10.17. Daylight Savings Adjustment.** The Department will pay overtime to all

1 employees who are required to work beyond their normal work hours to accommodate the fall
 2 daylight saving adjustment period. Employees working during the spring daylight saving time
 3 adjustment period will either take one (1) hour of vacation or compensatory time, or one hour of
 4 leave without pay, to cover the reduction of their shift by one (1) hour.

5 **ARTICLE 11: HOURS OF WORK**

6 **Section 11.1. Hours of Work.** The working hours of full-time Corrections Officers and
 7 Corrections Sergeants shall be equivalent to forty (40) hours and fifty (50) minutes per week (except
 8 for those who are assigned to work 4/10's that total 40 hours and 40 minutes per week); provided that
 9 for the purposes of the FLSA work period, the work period shall be seven (7) days pursuant to a 7(k)
 10 exemption.

11 **Section 11.2. Assignment of Work Schedules.** Except as otherwise provided in Article 10
 12 and Article 11, Section 11.3, the establishment of reasonable work schedules and starting times is
 13 vested solely within the purview of Department management and may be changed from time to time
 14 provided a two (2) week notice of change is given (or the employee voluntarily waives the notice
 15 period), except in those circumstances over which the Department cannot exercise control. The
 16 required two (2) week notification period shall not commence until the employee has received the
 17 written notification (includes email) of the proposed change (or the employee voluntarily waives the
 18 notice period). All such schedule changes (either with a notice period or with the employee waiving
 19 the notice period) shall be accompanied with the Guild receiving notice of such change. In the
 20 exercise of this prerogative, Department management will establish schedules to meet the dictates of
 21 the workload, however, nothing contained herein will permit split shifts.

22 **Section 11.3. Schedule Changes Due to Training.** When it becomes necessary to alter
 23 work schedules due to training, the Department shall be required to provide two (2) week's notice as
 24 provided in Section 11.2, except in emergency, extraordinary or unforeseen circumstances. In the
 25 event proper notice is not given, the affected employee shall have the option of refusing to attend the
 26 training. Employees assigned to attend the Corrections Officer Academy (COA) at the CJTC as
 27 students shall work the schedule assigned by the CJTC, and shall not receive a paid meal period or a
 28 paid roll call.

2 employer expense, two fifteen (15) minute rest periods, inclusive of travel time, and a thirty (30)
3 minute meal break per shift, during which time the employee shall remain available for duty. One (1)
4 rest period shall be provided after approximately two (2) hours of the shift have elapsed, the other
5 after approximately six (6) shift hours have elapsed. The meal break and meal shall be provided at
6 the approximate midpoint of the shift.

7 Employees are paid for the meal period and may be required to work during the meal period.
8 Employees shall be provided with meals when on-duty and assigned to work at the KCCF or MRJC.
9 Employees shall be entitled to up to a \$12.50 food stipend or voucher when required to work hospital
10 guard duty or transport assignments which occur during their regularly scheduled meal period, per
11 current practice. For travel outside of King County, employees shall be reimbursed for meals and
12 expenses as authorized by King County’s “Authorized Travel, Meal, and Expense Reimbursement for
13 County Employees” policy, as amended.

15 Manager to review the food program and implement any committee approved changes. There may
16 be other participants included upon mutual agreement such as Health Initiative Representatives,
17 dietician, etc.

19 work ten (10) minutes prior to the hour, or half-hour, as scheduled, for briefing, and such time is to be
20 part of the daily work shift and compensated by the negotiated base wage rate. The County will limit
21 the roll call to 5 minutes to allow Officers travel time to their duty assignments.

22 **Section 11.6. Holiday and Weekend Court Coverage.** Employees who work on a holiday
23 will be paid one and one-half times (1 1/2X) their Base Rate only for hours worked on a holiday.

25 shift to complete their 8.17 hours even if no slot is available or choose to take leave. If an employee
26 chooses to stay, they are required to report to the shift commander for assignment.

27 **B.** Employees are allowed the option of starting their shift when the court assignment
28 starts instead of their regular court detail assign start time. Employees can finish their 8.17 hours

1 with leave or be available for shift coverage.

2 C. When employees work a holiday court that has a shift start earlier than their normal
3 start time, the holiday court shall be considered the start of their 8.17 hours for that day.

4 D. Weekend court will be treated as a call-out with a corresponding minimum of four
5 (4) hours.

8 disability, and life insurance programs. The plan designs and plan features for the insured benefits
9 are negotiated by the Joint Labor Management Insurance Committee (JLMIC), comprised of
10 representatives of the County and labor organizations, on behalf of JLMIC-eligible employees

26 calendar year. The voucher allows the employee to select and receive two uniforms from the County

11 state law.

13 identified by management as a language for which translation activity is necessary shall be paid

15 application of an express term of this Agreement.

16 **B.** Copies of all written reprimands, suspensions, disciplinary demotions or
17 discharges issued to an employee in the bargaining unit shall concurrently be forwarded to the Guild.

18 **C.** The Guild must initially file a grievance in writing within sixteen (16) calendar
19 days of the event or knowledge of the event. The written grievance shall describe the event or
20 circumstances being grieved, the provision(s) of the Agreement that have allegedly been violated, and
21 the remedy sought.

22 **D.** The Guild will not be required to press employee grievances if in the Guild's
23 opinion, such lack merit. With respect to the processing, disposition and/or settlement of any
24 grievance, including hearings and final decision of any Arbitrator, the Guild will be the exclusive
25 representative of the employee.

26 **E. Probationary Employees.** Grievances involving issues other than termination of
27 a probationary officer or demotion of a probationary sergeant may be processed in accordance with
28 this article.

1 **F. Written Reprimands.** Written reprimands are not subject to Step 4 of the
2 grievance procedure outlined in this Article.

3 **G. LOCCs.** Letters of corrective counseling (LOCCs) are not discipline, and may not
4 be grieved under any just cause provision in this Agreement.

5 **H. Compensatory Time.** Pursuant to Article 10, Section 10.16(F), management’s
6 decisions in the application or granting of compensatory time shall not be subject to the grievance
7 procedure.

8 **I.** Unless otherwise agreed to by both parties in writing, all grievances shall begin at
9 Step 1 with the following exceptions:

10 1. Grievances related to discipline issued by the Department Director or
11 Deputy Director will begin at Step 2.

12 **Section 14.2. Procedure.**

13 **Step 1 – Commander or Designee:** The Commander shall thoroughly evaluate the
14 grievance and make their written decision available to the Guild within thirty (30) calendar days. If
15 the Guild does not advance the grievance to Step 2 within fifteen (15) calendar days after receiving
16 the Division’s written decision, the grievance will be precluded from further appeal.

17 **Step 2 - Department Director or Designee:** The Director or designee shall thoroughly
18 evaluate the grievance and make their written decision available within thirty (30) calendar days. If
19 the Guild does not advance the grievance to Step 3 within fifteen (15) calendar days after receiving
20 the Division’s written decision, the grievance will be precluded from further appeal.

21 **Step 3 - Labor Relations:** If the decision of the Department Director has not resolved
22 the grievance, the grievance may be presented to the Office of Labor Relations, which shall render a
23 decision on the grievance within thirty (30) calendar days.

24 **Step 4 - Request for Arbitration:** Either the County or the Guild may request
25 arbitration within thirty (30) calendar days of the issuance of the Step 3 response, and must specify
26 the exact question which it wishes arbitrated. The Guild must submit its Step 4 request in writing to
27 the Office of Labor Relations. If the parties do not advance the grievance to Step 4 within thirty (30)
28 calendar days, the grievance will be precluded from further appeal. The parties shall then select a

1 third disinterested party to serve as an arbitrator. In the event that the parties are unable to agree
2 upon an arbitrator, then the arbitrator shall be selected from a panel of nine (9) arbitrators furnished
3 by the PERC. The arbitrator will be selected from the list by both the County representative and the
4 Guild, each alternately striking a name from the list until one name remains. The arbitrator, who
5 shall conduct the arbitration in accordance with the voluntary rules for labor arbitration, shall be
6 asked to render a decision in accordance with those rules and the decision of the arbitrator shall be
7 final and binding on both parties. The Parties shall bear the cost of their own attorneys' fees and
8 costs, regardless of the outcome of the arbitration.

9 The arbitrator shall have no power to change, alter, detract from or add to, the provisions of
10 this Agreement, but shall have the power only to apply and interpret the provisions of this Agreement
11 in reaching a decision.

12 The arbitrator's fee and expenses shall be borne equally by both parties. Each party shall bear
13 the cost of any non-employee witnesses appearing on that party's behalf.

14 No matter may be arbitrated which the County by law has no authority over, or has no
15 authority to change.

16 **Section 14.3. Timelines.** Time restrictions may be waived or extended by consent of both
17 parties.

18 **Section 14.4. Alternative Dispute Resolutions.**

19 **A. Unfair Labor Practice.** The parties agree that thirty (30) calendar days prior to
20 filing an unfair labor practice (ULP) charge with the PERC, the complaining party will notify the
21 other party, in writing, meet, and make a good faith attempt to resolve the matter unless the deadline
22 for filing with the PERC would otherwise pass or the complaining party is seeking a temporary
23 restraining order (TRO) as relief. The complaining party seeking a TRO will give the other party at
24 least twenty-four (24) hours' notice and promptly serve a copy of all written material on the other
25 party prior to the TRO hearing.

26 **B. Mediation.** Either party may request mediation following a Step 3 response that
27 does not resolve the grievance (or after Step 2 for a grievance over discipline). Should both parties
28 agree, they will meet with a mediator and try to resolve the grievance. In the event that the grievance

1 is not resolved, the Guild will have thirty (30) calendar days from the close of the mediation session
2 in which to submit a written request for arbitration to the Director of the Office of Labor Relations.

3 **Section 14.5. Letters of Corrective Counseling.** Letters of corrective counseling are not
4 discipline. An employee who receives a letter of corrective counseling may, within five (5) calendar
5 days of receipt of the letter, request a meeting with the author to discuss the letter. If the employee
6 chooses, they may request to have the meeting with the next higher in command. Within ten (10)
7 calendar days of such meeting, the author will notify the employee of whether or not the letter of
8 corrective counseling will stand as is, be modified, or be rescinded. This appeal shall be limited to
9 either the author or the next higher in command. The decision after this appeal shall be final. The
10 letter shall not be considered for any reason one (1) year after the incident giving rise to the letter of
11 corrective counseling, provided no further incidents of similar conduct have occurred.

12 **Section 14.6. Multiple Procedures.** If employees have access to multiple procedures for
13 adjudicating grievances, the selection by the employee of one procedure will preclude access to other
14 procedures; selection is to be made no later than at the conclusion of Step 2 of this grievance
15 procedure.

16 **Section 14.7. Just Cause/Progressive Discipline.** No employee may be discharged,
17 suspended without pay, or disciplined in any way except for just cause, provided that other provisions
18 in this contract may modify this provision. Just cause shall be defined as cause which is based upon
19 reasonable grounds and must be a fair and honest cause or reason, regulated by good faith. In
20 addition, the County will employ the concept of progressive discipline in appropriate cases. The
21 County's policy is that discipline is corrective, rather than punitive in nature. It is understood that
22 there may be egregious cases that result in discharge, disciplinary transfer or other disciplinary action
23 that do not require corrective action.

24 **ARTICLE 15: FURLOUGH AND SHIFT ASSIGNMENTS**

25 **Section 15.1. Request for Shift Change.** Employees who desire to change their current shift
26 or furlough assignment may request the same by submitting a written request to their immediate
27 supervisor.

28 **Section 15.2. Annual Rotation.** The Department will make all reasonable efforts to

1 announce annual Facility/Shift/Furlough assignments not later than noon on the first Friday in
2 December. Employees shall submit a shift request “Dream Sheet” at least fourteen (14) calendar
3 days prior to the first Friday in December. The Department will provide employees with a “Dream
4 Sheet” at least thirty (30) calendar days before they are required to submit the form. The shift request
5 shall allow the employee to identify their preference for shift, furlough and facility of assignment, by
6 using the 1-44 request concept.

7 All requests shall be considered, and a determination made on the basis of the operational
8 needs of the Department, the seniority of the employee and their classification and previous furlough
9 assignments, provided that all three preferences for furlough assignments submitted by a senior
10 employee shall be considered prior to granting preference of a more junior employee.

11 The Department will make all reasonable efforts to perform the annual shift rotation on the
12 last Saturday (or Sunday if that is the first day of the FLSA work week) in January.

13 All Shift 4 Corrections Sergeants must be gun qualified.

14 At management discretion, vacant posts, or additional post assignments required by changing
15 circumstances and/or long term vacancies due to medical conditions, may be filled through temporary
16 assignments of up to 120 days duration. These temporary assignments shall be posted for all eligible
17 employees to make requests for, but assignment will be based on the needs of the Department.
18 Employees on a transfer list shall have the first right of refusal of the temporary assignment. If no
19 volunteers apply, the Department may assign based on inverse seniority. Employees assigned in this
20 manner, whether voluntary or involuntary will be paid out of class pay pursuant to Section 9.3 for the
21 duration of the assignment when working in a higher paid classification. This assignment will be
22 done via “double-slotting,” where necessary.

23 **Section 15.3. Shift Changes Other Than Annual Rotation.** Requests for change at a time
24 other than the annual rotation period (mini-rotations) shall be processed according to the provisions
25 outlined in Attachment 1, Mini-Rotation and On-Shift Adjustment Procedures. Mini-rotations shall
26 occur a minimum of twice (2X) per calendar year in the months of May and September.
27 Additionally, during the month of July each year, employees shall be eligible for an on-shift
28 adjustment (same shift and facility with different furloughs).

1 **Section 15.4. Management Decisions.** Management decisions regarding requests for shift
2 change or furlough assignment shall not be subject to the grievance procedure beyond the
3 Department Director level and the Director’s decision shall be final.

4 **Section 15.5. Probationary Employees.** All probationary employees, either new hires or
5 promotional, shall be subject to mandatory shift/assignment rotation during the probationary period.

6 **Section 15.6. Involuntary Transfers.** If an employee is transferred or reassigned
7 involuntarily and such transfer or reassignment provides significant hardship on the employee or their
8 family due to transportation problems, expense or other factors, the Department will give full
9 consideration to these factors and respond to viable alternatives proposed by the employee or the
10 Guild.

11 **Section 15.7. Special Assignments.** All special assignments shall be made at the discretion
12 of management with seniority being but one factor. Advance notice of all special assignments shall
13 be posted, and all interested Officers will be allowed to apply. Special assignments are defined as,
14 but not limited to, any non-supervisory assignment, other than the normal rotating shift assignment;
15 provided, however, that such assignment(s) shall not exceed three (3) years except in bona fide
16 emergencies as determined by the Director. Sergeants assigned to IIU, SIU, or SOP shall be selected,
17 at management’s complete discretion, after an announced job posting. The employer may assign any
18 employee to these assignments, whether or not the assigned employee has applied for the assignment.
19 Assignments in IIU, SIU and SOP shall last for thirty-six (36) months and may be extended for up to
20 an additional twenty-four (24) months. The time in IIU or SIU may be extended to three (3)
21 additional months if the assigned Sergeant is needed to complete an ongoing investigation. A
22 Sergeant who has served in IIU or SIU may be temporarily reassigned to IIU or SIU at the
23 employer’s discretion.

24 **Section 15.8. Acting Shift Commander’s Protocol.** Acting Shift Commanders shall be
25 appointed to cover for an absent regular Shift Commander (Captain) on a shift-by-shift basis, when
26 there is no other Captain available or when all available Captains have exercised the right of refusal
27 to work the shift for the absent regular Shift Commander on overtime.

28 Consideration in the selection of Acting Shift Commanders shall first be given to regularly

1 assigned Sergeants from the shift requiring an Acting Shift Commander and before Sergeants
2 assigned from another shift; and the position shall be rotated giving equal opportunity to each
3 regularly assigned Shift Sergeant on the affected shift.

4 Acting Shift Commanders shall be expected to perform the same duties as those of a regular
5 Shift Commander.

6 **Section 15.9. Third Shift Weekend Shift Commander's Protocol.** The Guild retains the
7 right to have the third shift Captain's position assigned in an acting capacity to a regularly assigned
8 Sergeant when a Captain is not assigned (on either regular time or overtime). If a Sergeant is
9 assigned as Acting Captain and no other Sergeants are assigned to the shift, a Corrections Officer will
10 be assigned as an Acting Sergeant. This will ensure that a minimum of two (2) supervisors are on
11 duty at all times. If an officer is mandatoried as a result of backfill due to this Agreement, that officer
12 shall only be required to work for four (4) hours. At no time will a corrections officer be assigned in
13 an Acting Captain capacity.

14 **Section 15.10. Conflicts of Interest Policy.** All employees shall adhere to the King County
15 Employment Conflicts of Interest Policy, as amended, and in accordance with MOA 295U0120.

16 **Section 15.11. Post Assignment Preference.** After the dream sheet process has been
17 completed and Officers have been informed of their respective new shift and furlough selections, they
18 will be provided with an opportunity to submit requests for consideration for their top two (2)
19 preferences for assignment. In order to be considered, these requests must be submitted within two
20 (2) weeks of the announcement of the new schedules. The purpose of these requests is to provide a
21 tool for officers to express their assignment preference directly to their supervisors. It is agreed
22 between the parties that these requests for consideration are requests – there is no guarantee that
23 Officers will receive either of their preferences.

24 The County agrees that when the initial assignments are being made, the preferences
25 requested by the Officers will be given reasonable consideration. If an Officer does not receive either
26 of their two (2) expressed preferences, they may request a written explanation. This request must be
27 made in writing (e-mail is acceptable) and the Officer will receive an explanation in writing. It is
28 agreed that the Shift Commander has the final say in regard to the assignment on the master schedule

1 as well as on a day to day basis. The assignment decision cannot be grieved. The only issues subject
2 to grievance are whether the original request was considered and whether or not a written explanation
3 was provided to an employee who did not get assigned one of their preferences when they requested
4 such an explanation.

5 **ARTICLE 16: FIREARMS**

6 **Section 16.1.** The Department will make available up to six hundred (600) rounds of practice
7 ammunition annually for any Department authorized caliber weapons for each gun qualified
8 corrections Officer/Sergeant, provided the Officer/Sergeant uses this ammunition at a range under
9 supervised conditions. Gun qualified employees covered by this agreement shall be provided with
10 ammunition appropriate to their weapon and consistent with Department policy.

11 **Section 16.2. Course of Fire.** The Department shall meet and confer with the Guild prior to
12 any changes to the Course(s) of fire for gun qualification.

13 **Section 16.3. Vests.** The Department shall provide gun qualified employees with body
14 armor of threat level IIIA, employees at their discretion may elect a level IIA vest. Vests shall be
15 replaced whenever they are defective, but in no case longer than the manufacturer suggested
16 replacement period.

17 **Section 16.4. Range Fee Reimbursement.** Gun qualified employees shall be reimbursed up
18 to \$15 per month for range fees. Such reimbursement may also be made on an annual basis. In order
19 to be eligible for reimbursement, the employee is required to submit a request accompanied by a
20 receipt.

21 **ARTICLE 17: BULLETIN BOARDS**

22 **Section 17.1. Postings.** The County agrees to permit the Guild to post on County bulletin
23 boards, the announcement of meetings, election of officers, and any other Guild material which is not
24 prohibited by state law or County ordinance.

25 **Section 17.2. Job Announcements.** Job announcements will be posted on appropriate
26 bulletin boards.

27 **ARTICLE 18: TRAINING AND EDUCATION REIMBURSEMENT**

28 **Section 18.1. Educational Reimbursement.** The County agrees to reimburse employees for

1 the cost of tuition and books at an accredited institution for pre-approved degree work for any and all
2 (e.g. Associates, Bachelors, Masters, PhD) degrees in criminal justice or public administration. The
3 degree work will be reimbursed provided the employee receives a grade of “C” or better, or a passing
4 grade if taken as pass/fail. These reimbursements shall be subject to the following conditions:

5 • The employee must have been employed by the Department for at least one full year
6 prior to the reimbursement request.

7 • The individual must be pre-approved for the specific degree program and will only
8 be reimbursed for necessary coursework or credits that are taken after approval.

9 • Reimbursement may be limited to an amount equal to the in-state tuition rate at the
10 University of Washington.

11 • All requests for pre-approval shall be submitted to the Director with copies to the
12 Facility Commander and Finance.

13 • Employees partially through a program may submit for pre-approval but shall only
14 be reimbursed for any remaining necessary coursework or credits.

15 • All pre-approval requests must be submitted at least thirty (30) calendar days before
16 the start of any coursework subject to reimbursement.

17 • Annual limit for non-taxable Employer provided education in accordance with IRS
18 regulations for the tax year at the time the reimbursement is made by the County, up to a maximum
19 of \$5,250.00. Requests for reimbursement must be submitted no later than ninety (90) calendar days
20 following successful completion of the class.

21 Employees may submit for pre-approval for reimbursement as outlined above for degrees
22 outside of Criminal Justice or Public Administration. This request shall be submitted to a standing
23 panel of three members (two selected by management and one selected by the Guild) who shall
24 review the request and make a recommendation to the Director. The Director shall make the final
25 decision. The criteria to determine whether a degree program would be approved for reimbursement
26 shall be whether or not the program has a direct relationship to the employee’s work and provides a
27 corresponding benefit to the Department. The request shall be processed in the following manner:

28 • The pre-approval request must be submitted at least sixty (60) calendar days before

1 the start of any coursework subject to reimbursement.

2 • The Panel shall convene within thirty (30) calendar days of the request to review the
3 request - including an opportunity to meet with the employee to discuss the merits of their request.

4 • The Panel shall make their recommendation to the Director in writing with the
5 reasons for the recommendation within fourteen (14) calendar days of reviewing the request and shall
6 provide a copy of the recommendation to the employee.

7 • The Director shall make the final decision within fourteen (14) calendar days of
8 receiving the recommendation. This decision shall be in writing and if denied, shall include reasons
9 for the denial.

10 There shall be an annual limit of forty (40) employees who can receive tuition reimbursement during
11 any calendar year.

12 **Section 18.2. Special Schools/Temporary Assignments.** Notice of special schools, training
13 opportunities and temporary assignments will be posted, and all interested and qualified employees
14 will be allowed to apply prior to selection of the candidate(s). Employees who request training shall
15 be given written notification that their request has been received by the required person(s) upon
16 receipt. A list of employees who have requested training shall be provided to the Guild upon request.
17 The Department will consider the job performance, supervisory recommendations and special
18 expertise in making its selection. Probationary employees shall not receive training slots where
19 qualified regular employees have submitted application and been denied. The Director shall have
20 final approval of all selections for special schools, training opportunities and temporary assignments
21 and such decisions shall not be grievable beyond Step 2 (Department Director/designee). A list of all
22 employees selected for training will be shared in General Information Bulletins sent via email.

23 **ARTICLE 19: PAST PRACTICE**

24 The parties agree that this Agreement will constitute the whole and entire Agreement between
25 the parties. Further, that any past practice which is not specifically and expressly contained within
26 the terms of this Agreement will be considered abolished and will no longer be considered a
27 precedent.

1 **ARTICLE 20: SAVINGS CLAUSE**

2 Should any part hereof or any provision herein contained be rendered or declared invalid by
3 reason of any existing or subsequently enacted legislation or by any decree of a court of competent
4 jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the
5 remaining portions hereof; provided, however, upon such invalidation the parties agree to meet and
6 renegotiate such parts or provisions affected. The remaining parts or provisions shall remain in full
7 force and effect.

8 **ARTICLE 21: WORK STOPPAGES AND EMPLOYER PROTECTION**

9 **Section 21.1. No Work Stoppage.** The County and the Guild agree that the public interest
10 requires efficient and uninterrupted performance of all County services, and to this end, pledge their
11 best efforts to avoid or eliminate any conduct contrary to this objective. Specifically, the Guild shall
12 not cause or condone any work stoppage, including any strike, slowdown, or refusal to perform any
13 customarily assigned duties, sick leave absence which is not bona fide, or other interference with
14 County functions by employees under this Agreement and should same occur, the Guild agrees to
15 take appropriate steps to end such interference. Any concerted action by any employees in the
16 bargaining unit shall be deemed a work stoppage if any of the above activities have occurred.

17 **Section 21.2. Guild Responsibility.** Upon notification in writing by the County to the Guild
18 that any of its represented employees are engaged in a work stoppage, the Guild shall immediately, in
19 writing, order such employee to immediately cease engaging in such work stoppage and provide the
20 County with a copy of such order. In addition, if requested by the County, a responsible official of
21 the Guild shall publicly order such employees to cease engaging in such a work stoppage.

22 **Section 21.3. Penalties.** Any employee who commits any act prohibited in this article will
23 be subject to the following action or penalties:

- 24 1. Discharge.
- 25 2. Suspension or other disciplinary action as may be applicable to such employee.

26 **ARTICLE 22: WAIVER CLAUSE**

27 The parties acknowledge that each has had the unlimited right within the law and the
28 opportunity to make demands and proposals with respect to any matter deemed a proper subject for

1 collective bargaining. The results of the exercise of that right and opportunity are set forth in this
 2 Agreement. Therefore, the County and the Guild, for the duration of this Agreement, each agree to
 3 waive the right to oblige the other party to bargain with respect to any subject or matter not
 4 specifically referred to or covered in this Agreement.

5 **ARTICLE 23: REDUCTION-IN-FORCE**

6 **Section 23.1. Order of Layoff.** Employees laid off as a result of a reduction-in-force shall
 7 be laid off according to seniority within the classification, with the employee with the least time
 8 being the first to be laid off. Employees not scheduled to be laid off may request to be laid off out of
 9 seniority order and replace the most senior employee scheduled to be laid off. Ties in classification
 10 seniority shall be broken in accordance with the tiebreaker provisions outlined in Article 4, Section
 11 4.6.

12 **Section 23.2. Demotion in Lieu of Layoff.** In lieu of layoff, a regular or probationary
 13 employee within the bargaining unit may request, and shall be granted, demotion to a position in a
 14 lower classification formerly held by that employee within the bargaining unit, thereby filling the
 15 position (i.e., bumping) held by the employee with the least seniority in the lower classification;
 16 provided that the employee requesting demotion (i.e., exercising their right to bump) has more
 17 seniority in the bargaining unit than the employee who is being bumped (including tiebreakers as
 18 outlined in Article 4, Section 4.6).

19 **Section 23.3. Recall.** The names of laid off employees will be placed in inverse order of
 20 layoff on a Re-employment List for the classification previously occupied. The Re-employment List
 21 will remain in effect for a maximum of two years or until all laid off employees are rehired,
 22 whichever occurs first. As positions become available, employees on the Re-employment List who
 23 can meet eligibility requirements will be given first opportunity to return to work. Those on the Re-
 24 employment List shall be responsible for providing current address and phone numbers to the
 25 County. After notice of recall, an employee will have two (2) weeks to respond to the notice of
 26 recall. An employee refusing a recall opportunity or failing to respond within two weeks shall be
 27 removed from the Re-employment List, unless affirmatively requesting to stay on the list.
 28 Employees who are recalled shall return to the same wage step and accrual levels they were at when

1 they were laid off.

2 **Section 23.4. Layoff Notification.** The County will notify the affected employees at least
3 thirty (30) calendar days in advance of the effective date of any layoff. When providing layoff
4 notification to affected employees, the Department shall provide and make available to the employee
5 information about the County’s Layoff and Recall program.

6 **ARTICLE 24: EMPLOYEE BILL OF RIGHTS**

7 **A.** Every employee who becomes the subject of an internal investigation shall be advised at
8 the time of the interview that they are suspected of:

- 9 1. Committing a criminal offense;
- 10 2. Misconduct that would be grounds for termination, suspension, or other
11 disciplinary action; or
- 12 3. That they may not be qualified for continued employment with the Department.

13 **B.** Any employee who becomes the subject of a criminal investigation may have legal
14 counsel present during all interviews. This representation by counsel is confined to counseling and
15 not actual participation in the investigation. A criminal investigation as used herein shall be
16 interpreted as any action which could result in the filing of a criminal charge. A major investigation
17 as used elsewhere in this motion shall be interpreted as any action which could result in dismissal
18 from the Department or the filing of a criminal charge.

19 **C.** The employee under investigation must at the time of the interview be informed of the
20 name of the officer in charge of the investigation and the name of the officer who will be conducting
21 the interview.

22 **D.** The employee shall be informed in writing of the nature of the major investigations and
23 whether they are a witness or suspect before any interview commences, including information
24 necessary to apprise them for the allegations of such complaints.

25 **E.** The interview of an employee shall be at a reasonable hour, preferably when the employee
26 is on duty unless the exigencies of the interview dictate otherwise. Whenever possible, interviews
27 shall be scheduled during the normal workday of the County.

28 **F.** The employee may request that a major investigation interview be recorded, either

1 mechanically and/or by a stenographer. There can be no “off-the-record” questions. Upon request,
2 the employee under a major investigation shall be provided an exact copy of any written statement
3 they have signed or of a verbatim transcript of any interview.

4 **G.** Interviewing shall be completed within a reasonable time, and shall be done under
5 circumstances devoid of intimidation or coercion. In all major investigation interviews the employee
6 shall be afforded an opportunity and facilities to contact and consult privately with an attorney of
7 their own choosing before being interviewed. The employee shall be entitled to such reasonable
8 intermissions as they shall request for personal necessities, meals, telephone calls, and rest periods.

9 **H.** All interviewing shall be limited in scope to activities, circumstances, or events which
10 pertain to the employee’s conduct or acts which may form the basis for disciplinary action under one
11 or more of the categories contained in Paragraph 2 herein.

12 **I.** The employee will not be threatened with dismissal or other disciplinary punishment as a
13 guide to attempt to obtain their resignation, nor shall they be subject to abusive or offensive language
14 or intimidated in any other manner. No promises or rewards shall be made as an inducement to
15 answer questions.

16 **J.** Administrative Investigations are intended to be concluded within 180 days from intake of
17 the complaint. When an investigation must take longer than 180 days, the County will notify the
18 Guild, and inform them of the reasons causing the delay in completion.

1 **ARTICLE 25: DURATION**

2 This Agreement and each of its provisions, unless otherwise stated, shall, upon full and final
3 ratification by ordinance of the King County Council and shall continue in full force and effect
4 through December 31, 2025.

5 Contract negotiations for the year 2026 may be initiated by either party by providing to the
6 other party written notice of its desire to begin negotiations.

APPENDIX 1 - FIREARMS RE-QUALIFICATION

1
2 1. Employees who have a legitimate reason to be excused from a semi-annual re-qualification
3 session must document that reason, in writing, to their Division Major at least fourteen (14) days in
4 advance of the re-qualification session. (Except employees on approved leave during the re-
5 qualification period.) Employees requesting to be excused from a re-qualification session due to
6 medical reasons not already known to the Department may be required to provide written verification
7 in the form requested by the Department. In order to be cleared for re-qualification (or any
8 subsequent make-up), the employee must be medically cleared to full duty (be able to be assigned to
9 a gun post), provided that employees with an accepted workers compensation claim will be allowed
10 to remain gun qualified, subject to the provisions below.

11 2. The requests to be excused will be reviewed by the Division Majors and other senior
12 managers, if necessary. A list of those employees excused will be forwarded to the Firearms
13 Instructors. Those not excused will be notified by the Division Majors and will be required to sign-
14 up and attend the re-qualification session. Employees who are not excused from and fail to attend a
15 semi-annual re-qualification session without a legitimate reason will be disciplined for failure to
16 follow a directive and will not be allowed to participate in a make-up shoot. They will no longer be
17 considered firearms qualified. They will no longer receive a firearms premium, will no longer show
18 as weapons qualified in the Roster Management System (RMS), and will be required to turn in their
19 Department-issued firearm(s) and related equipment.

20 3. Employees attending a semi-annual re-qualification session and failing to obtain a passing
21 score will have the option of voluntarily turning in their Department-issued firearm(s) and related
22 equipment. They will no longer be considered firearms qualified. They will no longer receive a
23 firearms premium and will no longer show as weapons qualified in the RMS. However, if these
24 employees choose, they will be offered a chance to obtain a passing score during a four-hour
25 remedial class scheduled shortly after their re-qualification session. (They will not be assigned to
26 carry a firearm during the intervening time period.) If they fail to obtain a passing score during the
27 re-qualification session and subsequent remedial class, they will no longer be considered firearms
28 qualified. They will no longer receive a firearms premium and will no longer show as weapons

1 qualified in the RMS. They will again have the option of voluntarily turning in their Department-
2 issued firearm(s) and related equipment, with the stipulations above, or if they so choose, they will be
3 allowed to attend the next regularly scheduled semi-annual re-qualification session. They will be
4 allowed to retain their Department-issued firearm(s) and related equipment during this time period,
5 and will be allowed to draw practice ammunition.

6 4. Employees who are excused from a semi-annual re-qualification session will be required to
7 attend a make-up shoot to be scheduled by the Department, usually within thirty (30) days after the
8 re-qualification session ends. This make-up shoot will be administered by no less than two
9 Department Firearms Instructors. Employees who are unable to attend this make-up shoot will be
10 permitted to retain their firearm(s) and equipment only if they have requested and been granted
11 approval to be excused in advanced. See #3 above for the approval process.

12 5. Employees who are excused from the semi-annual re-qualification session and the make-
13 up shoot for that session, or who fail to obtain a passing score during the make-up shoot, will have
14 their firearms premium discontinued (subject to review on a case-by-case basis), will have the
15 weapons-qualified attribute removed from their name in the RMS, and will not be allowed to work
16 any firearms-required posts. These stipulations take effect on the date that the re-qualifications
17 sessions end. They will be allowed to retain their Department-issued firearm(s) and related
18 equipment and will be authorized to draw practice ammunition up until the next semi-annual re-
19 qualification session, at which time they will be required to re-qualify. Employees who have an
20 accepted workers compensation claim and are excused for medical reasons from the semi-annual
21 requalification and the make-up shoot will remain gun qualified until the next requalification.
22 Employees missing two consecutive requalifications shall no longer be gun qualified. Employees
23 who are excused for medical reasons from the semi-annual requalification and the make-up shoot as
24 well as employees with a workers compensation claim missing two consecutive requalifications will
25 be allowed to fit into the existing schedule for a make-up shoot upon being fully cleared for duty.

26 6. Employees who are excused from a semi-annual re-qualification session and the
27 subsequent make-up shoot, or fail to obtain a passing score during a semi-annual re-qualification
28 session and subsequent make-up shoot, and then are unable to attend the next scheduled semi-annual

1 re-qualification session for whatever reason, or fail to obtain a passing score during a second semi-
2 annual re-qualification session, will no longer be considered firearms qualified. They will no longer
3 receive a firearms premium, will no longer show as weapons qualified in the RMS, and will be
4 required to turn in their Department-issued firearm(s) and related equipment. These employees will
5 be required to apply for, and be approved to attend, a full Basic Firearms Training Course in order to
6 again be firearms qualified. This provision does not apply to those employees with exceptional
7 circumstances such as long-term active military duty, long-term approved medical leave, or other
8 clearly extraordinary reasons for not attending the re-qualification sessions (see #7, below). These
9 cases will be evaluated by the Division Majors and other senior managers and appropriate action
10 taken.

11 7. Employees returning to full duty (after an extended leave or limited duty) who are no
12 longer firearms qualified because they missed two consecutive re-qualification sessions will not be
13 assigned to any firearms-required positions until they have obtained a passing score on the current
14 Department re-qualification course. These employees will be required to attend a make-up shoot to
15 be scheduled by the Department, usually within thirty (30) days of the employee's return to duty.
16 This make-up shoot will be administered by no less than two Department Firearms Instructors. This
17 make-up shoot will be treated as the employee's semi-annual re-qualification session and the
18 employee will be subject to the guidelines outlined in Sections #3 and #4 above if a passing score is
19 not obtained.

20 8. Numbers 2-7 above are illustrated on the attached Firearms Re-Qualification Flowchart.

21 9. Following each semi-annual re-qualification session, the senior Firearms Instructor will be
22 responsible for ensuring that the names of employees who did not qualify (and the circumstances), or
23 who failed to attend the session are forwarded to the Division Majors. The names will be reviewed
24 by the Division Majors and other senior managers and appropriate action taken.

25 10. Management will convey these changes to employees in the re-qualification notices.

2 **Mini-Rotation and On-Shift Adjustment Procedures**

3
4 **PURPOSE**

5 Pursuant to Article 15, Section 15.3 of the Collective Bargaining Agreement (CBA), these procedures
6 are intended to provide fair and consistent guidelines for processing requests by employees
7 represented by the King County Corrections Guild to transfer to a different
8 facility/shift/furloughs during mini-rotations and on-shift adjustments.

9 **GUIDELINES**

- 10 • Mini-rotations and on-shift adjustments will occur as dictated in the CBA. Additional Mini-
11 Rotations and on-shift adjustments may occur throughout the year as directed by
12 management and shall follow the same methods and procedures as outlined in the CBA and
13 this document.
- 14 • Mini-rotation and on-shift adjustment periods are optional for employees. Only
15 those employees wanting to change their current assignments should submit transfer requests.
- 16 • Only requests submitted during the current open period will be processed, requests
17 submitted during previous openings will be discarded.
- 18 • Transfer request submittal periods will be open for a minimum of twenty-one (21) days.
- 19 • If the Department decides to fill a vacancy with less than twenty-one (21) days' notice, then
20 the Department shall provide notice to employees with a deadline to respond. The most
21 senior qualified employee who responds shall be selected as a temporary vacancy fill. The
22 employee wishing to bid for this temporary vacancy fill must agree to waive any notice of
23 transfer to and from the position. This temporary vacancy position shall last for a period of
24 time no longer than sixty (60) days to allow time for a full mini-rotation to occur.
- 25 • There will be a two-week period between the date the results are announced and the time
26 they take effect unless waived by any involved employee.
- 27 • Transfer requests will be processed based on seniority. A more senior employee will be
28 eligible for all their choices before moving on the next senior employee.

1 **EMPLOYEE RESPONSIBILITIES**

2 **Management:**

- 3 • Determine what openings exist and when, or if, the opening will be filled.

4 **Admin Sergeants:**

- 5 • Announce opening, closing, and effective dates of mini-rotations and on-shift adjustment
6 opportunities.

- 7 • Process transfer requests based on openings to be filled.

- 8 • Announce the results after processing all requests.

- 9 • Keep all other concerned employees informed of any issues that arise during processing.

10 **Employees:**

- 11 • Employees wanting to participate in mini-rotation or on-shift adjustment opportunities must
12 submit a request before the cutoff date to their Administrative Sergeant or their request will not
13 be processed.

**Memorandum of Agreement
By and Between
King County
and
King County Corrections Guild
Department of Adult and Juvenile Detention
[295/Q2]**

Subject: Amendments to current Collective Bargaining Agreement; extension of contract term through December 31, 2025; end of specific practices

Background:

1. King County (the “County”) and the King County Corrections Guild (the “Guild”) are parties to a Collective Bargaining Agreement (CBA), coded 295C0122, which is effective January 1, 2022, through December 31, 2024 (hereinafter referred to as the “Expiring CBA”).
2. The Parties have agreed to adopt several new terms that will take effect in 2024, before the Expiring CBA expires. The Parties have also negotiated an extension of the contract term through December 31, 2025, making some changes.
3. This Memorandum of Agreement (MOA) establishes the mechanism by which the Expiring CBA will be voided for the remainder of its term and replaced with a new CBA containing new terms that will run through December 31, 2025. This MOA also addresses certain transitional elements and ends specified past practices that have not been memorialized in prior CBAs.

Agreement:

1. This MOA shall be subject to approval by ordinance of the Metropolitan King County Council and will be effective on the first day of the first full pay period following the effective date of the ordinance, which is 10 calendar days following the King County Executive’s approval signature on the ordinance. This date shall be referred to as the Effective Date.
2. On the Effective Date, the Expiring CBA (295C0122) shall be nullified and replaced with the new CBA (295C0124).
3. Transition to a new step progression system.
 - a. The new CBA eliminates the entry-level “Start” step for Corrections Officers and changes to a 6-step progression system. For the sole purpose of transitioning from the step progressions system in the Expiring CBA to the new CBA, the Parties have negotiated the following terms: As a transitional step to the new

- wage progression system, all Corrections Officers who are currently on the step called “Start” on the Expiring CBA’s wage system shall, on a prospective basis on or shortly following the Effective Date, be moved to what is now called Step 1 in the new CBA (formerly the step called “12 Months”). These employees will be moved to new Step 2 upon successful completion of probation.
- b. After the effective date of the new CBA, all new employees will be hired at the new Step 1, unless they are started at a higher step due to lateral experience, at the sole discretion of the County.
4. Elimination of certain past practices.
 - a. Currently a practice exists where employees are allowed to cover disciplinary suspensions with accrued leave. The County has found no record of this practice being memorialized in any written policies or contract language. The Parties hereby disavow this past practice. On a going forward basis, employees must serve disciplinary suspensions on an unpaid basis.
 - b. On March 10, 2000, Steve Thompson, the Interim Director of DAJD, and Karen Caldwell, the then-President of the Guild, signed a Memorandum of Understanding concerning the process and handling of discipline for sustained allegations of misconduct as a result of alcohol-related offenses including DUI arrests and convictions. While this MOU was never re-executed by the parties after 2000, the Parties have treated it as if it remained a binding document. Immediately upon the Effective Date of this Agreement, the 2000 Memorandum of Agreement shall sunset and shall no longer serve as a binding agreement or a memorialization of practice. On a going forward basis, the principles of just cause shall apply and employee discipline for DUI arrests and convictions will be handled consistent with other criminal activity by employees. Specifically, there will no longer be a “first time” pass, a presumption that a 5-day suspension is an appropriate level of discipline, or an abeyance of the suspension. Discipline that was issued under the terms of the 2000 MOU will not be considered as disciplinary comparables on a going forward basis.
 5. Memorandum of Agreement concerning Staffing Mission Critical Operations in the County Jails. As part of the Expiring CBA, the Parties executed a Memorandum of Agreement (295U1122) and appended it to the Expiring CBA as Attachment 2. The Parties agree that MOA 295U1122 shall remain in effect through the pay period that ends January 3, 2025. The Parties have also executed a new Memorandum of Agreement to replace the expiring MOA 295U1122. This new MOA, coded 295U0524, entitled “2025 Extension of Staffing Mission Critical Operations in the County Jails” shall take effect on January 4, 2025, beginning at the start of the first roster (Shift 1/Day Shift), and shall expire on December 31, 2025.
 6. Any disputes regarding the interpretation or application of this Agreement shall be resolved by the Parties using the grievance procedures of the new CBA.
 7. Electronic signatures will have the same force and effect as does an original signature on this document. This Agreement may be signed in counterparts, which together shall constitute the entire agreement.
 8. This Agreement shall be effective on the date it is fully ratified by both parties, inclusive of ratification by the King County Council as described above. Should this Agreement or

the successor 2025 CBA not be fully ratified by the King County Council, this Ordinance 19800 Agreement and the successor CBA shall be null and void and will not be implemented.

**Memorandum of Agreement
By and Between
King County
and
King County Corrections Guild
Department of Adult and Juvenile Detention
[295/Q2]**

SUBJECT: 2025 Extension of Staffing Mission Critical Operations in the County Jails

Background

1. King County (the County) and the King County Corrections Guild (the Guild) are Parties to a Collective Bargaining Agreement (CBA) effective January 1, 2022, through December 31, 2024. The Guild represents both Corrections Officers (COs) and Corrections Sergeants (Sergeants) working in the Department of Adult and Juvenile Detention (the Department). The Parties have agreed to the terms of a contract extension through December 31, 2025.

2. Due to an abnormally high vacancy rate the County has faced significant and unprecedented challenges in maintaining basic essential jail operations and services, even after utilizing all available employees for voluntary and mandatory overtime. They have also led to very high rates of mandatory overtime that have negatively impacted portions of the workforce. As a result, the Parties executed MOA 295U1122, which provided, among other things, a change in the way that overtime is paid. This MOA is scheduled to expire on December 31, 2024, along with the Collective Bargaining Agreement. The Parties have subsequently agreed that MOA 295U1122 shall remain in effect though the pay period that ends January 3, 2025.

Agreements

1. Effective January 4, 2025, beginning at the start of the first roster (Shift 1/Day Shift), all contractual overtime pay shall be at the rate of 2.0x the Base Rate of pay for the time worked, regardless of whether the overtime is voluntary or mandatory under the following conditions:

A) If an employee volunteers to work a minimum of four consecutive overtime hours the employee's name will move to the bottom of the mandatory overtime list as though they had worked mandatory overtime. However, Section 10.11.C shall not apply while this 2.0x rate provision is in effect, and employees shall receive no additional benefit for volunteering as an extension of their last shift prior to their furlough days.

B) Per the CBA, employees may request compensatory time to be earned at the appropriate rate, including the new 2.0x rate authorized under this MOA, however nothing herein will alter any terms related to the earning or use of compensatory time, including the maximum annual cap.

C) All other CBA provisions, recognized past-practices, and procedures regarding voluntary overtime that are not expressly changed in this agreement or the CBA shall continue to apply.

D) This provision shall begin on January 4, 2025, at the start of the first roster (Shift 1/Day Shift) in the first FLSA workweek (as defined under CBA Article 9, Section 9.16) following notice to the County of ratification of the successor CBA by the bargaining unit.

E) Nothing herein shall alter the terms or payment of overtime as required by the Fair Labor Standards Act.

F) The provision of overtime at the 2.0x rate under this Agreement shall end no later than the last day of the pay period that contains December 31, 2025, regardless of whether the Parties have completed bargaining or ratification of a successor CBA beginning in 2025. In addition, the provision of overtime at the 2.0x rate under this Agreement may permanently sunset at the sole discretion of the County prior to December 31, 2025 if the County maintains 473 filled CO FTE positions for a period of ninety (90) calendar days.

2. Any disputes regarding the interpretation or application of this Agreement shall be resolved by the Parties using the grievance procedures of the CBA.

3. Electronic signatures will have the same force and effect as does an original signature on this document. This Agreement may be signed in counterparts, which together shall constitute the entire agreement.

4. This Memorandum of Agreement shall be effective on January 4, 2025. Should this Agreement or the successor 2025 CBA not be fully ratified by the King County Council, this Agreement shall be null and void and will not be implemented.

5. This Agreement will expire on the last day of the pay period that contains December 31, 2025, regardless of the disposition of negotiations for a successor Collective Bargaining Agreement. Upon the expiration of this Memorandum of Agreement, its provisions, including but not limited to the overtime rates of pay, will immediately revert to those specified in the expiring CBA.

SUBJECT: Sergeant Support of Corrections Officers Posts (Extension of MOA 295U1322)

Background

1. King County (the County) and the King County Corrections Guild (the Guild) are Parties to a Collective Bargaining Agreement (CBA) effective January 1, 2022, through December 31, 2024. The Guild represents both Corrections Officers (COs) and Corrections Sergeants (Sergeants) working in the Department of Adult and Juvenile Detention (the Department). The Parties are currently in the process of ratifying a tentative agreement on a successor CBA for the period of January 1, 2025, through December 31, 2025.

2. Due to an abnormally high vacancy rate the County has faced significant and unprecedented challenges in maintaining basic essential jail operations and services, even after utilizing all available employees for voluntary and mandatory overtime. They have also led to very high rates of mandatory overtime that have negatively impacted portions of the workforce.

3. On September 29, 2021, the Parties entered into an MOA (295U0321-2) which provided for ways in which Sergeants could work in support of CO functions. The Parties' Agreement was modified and renewed on February 3, 2022 (MOA 295U0322), on May 20, 2022 (MOA 295U0722), and on August 11, 2022 (MOA 295U1322).

4. In the course of bargaining a successor CBA, the Parties reviewed these prior MOAs, and enter into this one-time Agreement as part of their overall tentative agreement to conclude bargaining.

Agreements

1. The Department will continue to have the discretion to assign available on-duty sergeants to cover escorting functions on construction projects being performed by non-FMD employees, which are typically performed by COs, when the shift has (or would otherwise have) mandatory overtime for COs.

2. Sergeants may voluntarily sign up for overtime to work any vacant CO posts when 1) no COs have volunteered for the overtime, and 2) it would otherwise cause MOT for a CO. Sergeants shall not have preference on post assignment over COs, or the ability to choose their own post. All post assignments shall be determined by the Shift Commander.

3. The Department shall not assign Sergeants to a CO post if there remain available CO volunteers on overtime to perform the work.

4. The Parties agree that the intent is to reduce MOT, and the Department shall not assign a Sergeant to a CO post when it has knowledge at the time that doing so would, in-of-itself, create additional MOT for COs (e.g., by requiring COs to backfill Sergeants on MOT).

5. Upon request, the Department shall forward to the Guild a copy of the roster where Sergeants have covered CO posts.

6. This Agreement shall not establish a practice or precedent in any way.

7. In addition to the applicable collective bargaining agreements, this MOA is the full and final agreement of the parties related to the subject of Sergeants covering CO posts.

8. Any disputes regarding the interpretation or application of this Agreement shall be resolved by the parties using the grievance procedures of the applicable collective bargaining agreement.

9. This Agreement is dependent on the Guild’s bargaining unit and the King County Council ratifying the tentative agreement for a successor CBA that was reached by the Parties. The provisions of this Agreement shall begin following notice to the County of ratification of the successor CBA by the bargaining unit. However, should this Agreement or the successor CBA not be ratified by the King County Council, this Agreement and the successor CBA shall be null and void, and the provisions of this Agreement shall immediately end.

10. This Agreement shall expire no later than December 31, 2025, regardless of whether the Parties have completed bargaining or ratification of a successor CBA beginning in 2026. In addition, this Agreement shall permanently sunset prior to December 31, 2025 if the 2.0x overtime rate that is in effect under MOA 295U0524 is also permanently sunset under the terms of that agreement.

11. This Agreement is effective upon signature by all parties. Electronic signatures will have the same force and effect as does an original signature on this document. This Agreement may be signed in counterparts, which together shall constitute the entire agreement.

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
